SELLING SECURITYHOLDERS

The Series B Preferred Stock and any shares of our Common Stock issued upon conversion of the Series B Preferred Stock, are being offered by the selling securityholders listed in the table below. We issued and sold 2,250,000 shares of Series B Preferred Stock in a private placement to the initial purchasers, Bear, Stearns, & Co. Inc. and BNP Paribas Securities Corp. The selling securityholders purchased their Series B Preferred Stock from the initial purchasers or from subsequent holders in transactions exempt from registration under the Securities Act. Selling securityholders selling Common Stock issued upon conversion of the Series B Preferred Stock, acquired such stock from the Company through conversion of their previously acquired Series B Preferred Stock, or from prior holders of the Common Stock in transactions exempt from registration under the Securities Act.

This prospectus covers sales by the named selling securityholders of Series B Preferred Stock and shares of Common Stock issued upon conversion of the Series B Preferred Stock. This prospectus will not cover subsequent sales of Common Stock received upon conversion of Series B Preferred Stock purchased from a selling securityholder named in this prospectus.

No offer or sale under this prospectus may be made by a securityholder unless that holder is listed in the table below, in a supplement to this prospectus or in a Current Report on Form 8-K incorporated by reference in the registration statement of which this prospectus is a part. We will supplement this prospectus to include additional selling security holders upon request and upon provision of all required information to us, subject to the terms of the Registration Rights Agreement dated as of December 21, 2005 between Goodrich Petroleum Corporation and the initial purchasers.

The following table sets forth the name of each selling securityholder, the nature of any position, office or other material relationship which the selling securityholder has had within the past three years with us or with any of our predecessors or affiliates, the amount of Series B Preferred Stock and shares of our Common Stock beneficially owned by such securityholder prior to the offering, the amount being offered for the securityholder's account and the amount to be owned by such security holder after completion of the offering.

We prepared the table based solely on information supplied to us by the selling securityholders. We have not sought to verify such information. Additionally, some or all of the selling securityholders may have sold or transferred some or all of their Series B Preferred Stock, in transactions exempt from the registration requirements of the Securities Act, or some or all of their shares of our Common Stock, in exempt or non-exempt transactions, since the date on which the information in the table was provided to us. Other information about the selling securityholders may also change over time.
