**GENERAL INFORMATION**

**Q: Who is soliciting my proxy?**

A: We, the Board of Directors of Carriage Services, Inc., are sending you this Proxy Statement in connection with our solicitation of proxies for use at Carriage's 2007 Annual Meeting of Stockholders. Certain directors, officers and employees of Carriage, American Stock Transfer & Trust Company (AST), and Georgeson, Inc. (Georgeson) also may solicit proxies on our behalf by mail, phone, fax, or in person.

**Q: Who is paying for this solicitation?**

A: Carriage will pay for the solicitation of proxies, including the cost of preparing and mailing this Proxy Statement. Carriage also will reimburse banks, brokers, custodians, nominees and fiduciaries for their reasonable charges and expenses to forward our proxy materials to the beneficial owners of Carriage stock. No additional fee beyond the \$950 monthly fee paid to AST to act as Carriage's transfer agent, together with AST's out-of-pocket expenses, will be paid to AST. We estimate that Georgeson's fee will total approximately \$10,000 for acting as proxy solicitor in connection with the Meeting.

**Q: What am I voting on?**

A: (1) The election of Vincent D. Foster and Gary L. Forbes to the Board of Directors as Class II directors.

(2) The approval of our 2007 Employee Stock Purchase Plan.

(3) The ratification of the appointment of KPMG LLP as the independent registered public accounting firm for 2007.

**Q: Who can vote?**

A: Stockholders as of the close of business on March 23, 2007 are entitled to vote at the Annual Meeting.

**Q: How do I vote?**

A: You may vote your shares either in person or by proxy. To vote by proxy, you should mark, date, sign and mail the enclosed proxy card in the prepaid envelope. Giving a

proxy will not affect your right to vote your shares if you attend the Annual Meeting and want to vote in person. By voting in person you automatically revoke your proxy. You also may revoke your proxy at any time before the meeting by giving the Secretary written notice of your revocation or by submitting a later-dated proxy. If you return your proxy card but do not mark your voting preference, the individuals named as proxies will vote your shares **FOR** the election of the nominees for director and **FOR** the other proposals described in this Proxy Statement.

**Q: How does the Board recommend I vote on the proposals?**

A: The Board recommends a vote **FOR** the director nominees and the other proposals.

**Q: Is my vote confidential?**

A: Proxy cards, ballots and voting tabulations that identify individual stockholders are mailed or returned directly to Carriage and handled in a manner intended to protect your voting privacy. Your vote will not be disclosed *except*: (1) as needed to permit Carriage to tabulate and certify the vote; (2) as required by law; or (3) in limited circumstances, such as a proxy contest in opposition to the Board (which is not currently anticipated). Additionally, all comments written on the proxy card or elsewhere will be forwarded to management, but your identity will be kept confidential unless you ask that your name be disclosed.

**Table of Contents**

**Q: How many shares can vote?**

A: As of the record date, March 23, 2007, Carriage had outstanding 18,913,240 shares of Common Stock. Each share of Common Stock is entitled to one (1) vote.

**Q: What happens if I withhold my vote for the directors?**

A: Because the directors are elected by a plurality of the votes cast at the annual meeting, a withheld vote will not have an effect on the outcome of the election of an individual director.

**Q: Can I vote on other matters?**

A: Carriage's By-laws limit the matters presented at an annual meeting to those in the notice of the meeting and those otherwise properly presented before the meeting. We do not expect any other matter to come before the meeting. If any other matter is presented at the Annual Meeting, your signed proxy gives the individuals named as proxies authority to vote your shares on such matters at their discretion.

**Q: When are stockholder proposals due for the annual stockholders meeting in 2008?**

A: To be considered for inclusion in the proxy statement for Carriage's 2008 annual meeting, a stockholder proposal must be received at Carriage's offices no later than December 1, 2007. A stockholder proposal submitted outside the processes of Rule 14a-8 of the SEC, if received by Carriage after February 15, 2008, will be considered untimely for presentation at Carriage's 2008 annual meeting of stockholders.

**Q: How do I nominate someone to be a Carriage director?**

A: A stockholder may recommend nominees for director by giving the Secretary a written notice not less than ninety (90) days prior to the anniversary date of the immediately preceding annual meeting. For the annual meeting in 2008, the deadline will be February 22, 2008, based upon this year's meeting occurring on May 22<sup>nd</sup>. The notice must include the full name, age, business and residence address, principal occupation or employment of the nominee, the number of shares of Common Stock that the nominee beneficially owns, any other information about the nominee

that must be disclosed in proxy solicitations under Rule 14(a) of the Securities Exchange Act of 1934, and the nominee's written consent to the nomination and to serve, if elected.

**Q: How can I communicate directly with a Carriage director?**

A: Stockholders and other interested parties may contact any member of our Board or Committee thereof via U.S. mail, by addressing any correspondence to the Board, the applicable Committee, the non-management directors as a group or any individual director by either name or title, in care of Carriage Services, Inc., 3040 Post Oak Boulevard, Suite 300, Houston, Texas 77056; Attn: Corporate Secretary. In the case of communications addressed to the non-management directors, the Corporate Secretary will send appropriate stockholder communications to the Lead Director. In the case of communications addressed to a committee of the Board, the Corporate Secretary will send appropriate stockholder communications to the Chairman of such committee.

**RECORD DATE AND VOTING SECURITIES**

Only holders of record of the Common Stock at the close of business on March 23, 2007, the record date for the Meeting, are entitled to notice of and to vote at the Meeting. On that date, Carriage had outstanding 18,913,240 shares of Common Stock, each of which is entitled to one vote.

The presence at the Meeting, in person or by proxy, of the holders of a majority of the total voting power of the issued and outstanding shares of Common Stock is necessary to constitute a quorum to transact business. In the absence of a quorum at the Meeting, the Meeting may be adjourned without notice, other than announcement at the Meeting, until a quorum shall be formed.

With respect to the election of directors, stockholders may vote (a) in favor of the nominees or (b) to withhold votes as to the nominees. If a quorum is present at the Meeting, the nominees for the Class II directors will be elected by a plurality vote. Votes withheld, or abstentions, will be treated as present for purposes of determining a quorum; however, because directors are elected by a plurality, votes withheld will not affect the outcome of the election. With respect to each proposal (and any other matter properly brought before the Meeting), other than the election of the directors, the affirmative vote of the holders of a majority of the voting power present or represented by proxy at the Meeting will be required for approval, except as noted below in regards to the adoption of the 2007 Employee Stock Purchase Plan. Abstentions will have the effect of a vote against any of these proposals.

Under the rules of the New York Stock Exchange ( NYSE ), the proposal to elect the directors and the ratification of the appointment of KPMG LLP as the independent registered public accounting firm are considered discretionary items. This means that brokerage firms may vote in their discretion on these matters on behalf of clients who have not furnished voting instructions at least fifteen days before the date of the Meeting. In contrast, the proposal to approve the 2007 Employee Stock Purchase Plan is a non-discretionary item. This means brokerage firms that have not received voting instructions from their clients on this matter may not vote on this proposal. These so-called broker non-votes will not be considered in determining the number of votes necessary for approval and, therefore, if a quorum is otherwise present and casting a vote for or against the proposal, will have no effect on the outcome of the vote for this proposal.

To satisfy the NYSE listing requirements, the approval of the 2007 Employee Stock Purchase Plan will require an affirmative vote of a majority of the votes cast on the proposal, provided that the total number of votes cast on the proposal represents over 50% of the Common Stock entitled to vote on the proposal.

All properly signed proxies received prior to the Meeting will be voted in accordance with the choices specified. If no choice has been specified in the proxy, the shares will be voted in favor of all proposals described in this Proxy Statement and in the discretion of the persons named in the proxy in connection with any other business that may properly come before the Meeting. A stockholder giving a proxy may revoke it at any time before it is voted at the Meeting by filing with the Secretary an instrument revoking it, by signing and delivering to the Secretary a proxy bearing a later date, or by voting in person at the Meeting after giving notice to the Chairman of the Meeting of the stockholder's intention to vote in person notwithstanding the fact that the stockholder previously delivered a proxy.

**SECURITY OWNERSHIP OF DIRECTORS, EXECUTIVE OFFICERS  
AND CERTAIN BENEFICIAL OWNERS**

The following table sets forth, as of March 23, 2007, the number of shares beneficially owned and percent of the Common Stock held by: (i) each director and director nominee of Carriage, (ii) the Chief Executive Officer, (iii) the other executive officers named in the Summary Compensation Table set forth under Executive Compensation , and (iv) all current executive officers and directors of Carriage as a group. Under the rules of the Securities and Exchange Commission ( SEC ), a person is deemed to own beneficially all securities as to which that person owns or shares voting or investment power, as well as all securities which such person may acquire within 60 days through the exercise of currently available conversion rights or options. Each person named in the table below has sole voting and investment power with respect to the shares indicated, except as otherwise stated in the notes to the table.

**PROPOSAL NO. 1  
ELECTION OF DIRECTORS**

We currently have five directors on our Board who each serve staggered three-year terms. Mr. Wilson and Mr. Foster are the current Class II directors. Mark F. Wilson, a Class II director, has informed the Board that, for personal reasons, he will not be standing for re-election to the Board at the meeting. Mr. Wilson will continue to serve on our Board until immediately prior to the 2007 Annual Meeting. The Corporate Governance Committee has recommended to our Board of Directors that Gary L. Forbes be nominated to replace Mr. Wilson as a Class II director.

Therefore, at the Meeting, the stockholders will elect two individuals to serve as Class II directors for a new three-year term expiring on the date of the 2010 annual meeting and until their successors are duly elected and qualified. Our Corporate Governance Committee has also recommended that we nominate Vincent D. Foster for re-election at the Meeting to serve as the Class II director for a new three-year term. Proxies may be voted for the Class II directors. The biography descriptions for Mr. Foster and Mr. Forbes are set forth below.

**We recommend that you vote FOR the election of the nominees listed in Proposal No. 1 as Class II Directors. The individuals named as proxies will vote the enclosed proxy FOR the election of the nominees unless you direct them to withhold your votes for the nominees.**

You may not cumulate your votes in the election of the directors. You may withhold authority to vote for the nominees for director. If either nominee becomes unable to serve as director before the Meeting (or decides not to serve), the individuals named as proxies will vote **FOR** such other nominee as we may designate as a replacement or substitute.

commercial litigation. From 1998 to 2002, Mr. Green held legal and human resource positions, including General Counsel, at a Fortune 1000 company that had operations in 42 countries. Prior to that, Mr. Green was a litigation attorney at a national law firm, focusing on the field of labor and employment law.

### **Organization and Committees of the Board**

During 2006, Carriage's Board met four times and acted by unanimous written consent two additional times. Each of the directors attended all of the meetings of the Board. The functions of the Audit, Compensation and Corporate Governance Committees of the Board, and the number of meetings held during 2006, are described below.

The Compensation Committee reviews and makes recommendations to the Board concerning the compensation of Carriage's executive officers and approves grants to all officers and employees under our stock incentive plans. The members of the Compensation Committee are Vincent D. Foster, Chairman, and Joe R. Davis. In 2006, the Compensation Committee held one meeting (and both Committee members were present) and acted by unanimous consent three times. See the report of the Compensation Committee on page 15 of this Proxy Statement.

The Audit Committee evaluates, appoints and engages Carriage's independent audit firm and reviews the plan, scope and results of the audit with the auditors and Carriage's officers. The Audit Committee also reviews with the auditors the principal accounting policies and internal accounting controls of Carriage. The members of the Audit Committee are Vincent D. Foster, Chairman, Joe R. Davis and Ronald A. Erickson. The Audit Committee met six times during 2006. Each member of the Audit Committee was present at all meetings. See the report of the Audit Committee on page 23 of this Proxy Statement.

The NYSE, upon which our Common Stock is traded, requires that each of its listed companies maintain an independent audit committee. None of the members of our Audit Committee has a relationship with Carriage that may interfere with the exercise of his independence from management or Carriage. No member of our Audit Committee is or has been in the last three years an employee of Carriage or in a business relationship with Carriage. Also, no immediate family member related to a member of our Audit Committee is an executive officer of Carriage or any of its affiliates. See below, under the heading Corporate Governance Guidelines, for a specific description of independence which we apply to our independent directors.

In addition to the independence standard, the NYSE requires that each member of the Audit Committee be financially literate and at least one member must have accounting or related financial management expertise. Each member of our Audit Committee is financially literate. Mr. Foster, the Committee's financial expert, is a certified public accountant with over 20 years of public accounting experience. Currently, Mr. Foster is a managing director of two small business investment corporations for which he reviews and analyzes financial statements as part of his daily functions.

The Corporate Governance Committee provides oversight with respect to our corporate governance guidelines, which includes reviewing the structure of the full Board and making recommendations regarding the size of the Board and the number and classification of directors. The Corporate Governance Committee also conducts a search for suitable and qualified candidates to serve as directors when the terms of office are up for election at each year's annual meeting of stockholders, and submits the names of candidates for such positions for consideration by the Board. The members of the Corporate Governance Committee are Joe R. Davis, Chairman, Vincent D. Foster and Ronald A. Erickson. The Corporate Governance Committee met once in 2006 (and all Committee members were present) and did not take any action by unanimous consent.

### **Corporate Governance Guidelines**

We have long been committed to integrity, reliability and transparency in our disclosures to the public. In early 2003, before the corporate governance listing standards of the NYSE and adopted regulations of the Securities and Exchange Commission (the SEC) became effective, we adopted new charters for our Board committees, a set of corporate governance guidelines, and a code of business conduct and ethics for our directors, officers and employees, and we moved to increase the independence of our Board members. In 2004, following the final release of the NYSE and SEC rules, we amended the committee charters and corporate governance guidelines, and the corporate governance guidelines and the charter for the Corporate Governance Committee were again modified in early 2005. All of these materials as well as our code of business conduct and ethics are accessible through the Investor Relations Section of our website at <http://www.carriageservices.com>,

*Independence.* Our corporate governance guidelines require that our Board composition comply with the NYSE rules, including the requirement that a majority of our Board consist of independent directors. Under the NYSE rules, a director qualifies as independent if the Board determines that he or she has no material relationship with Carriage (either directly or as a shareholder, partner or officer of an organization that has a relationship with Carriage). Further, under the NYSE guidelines, a director will not be considered independent if:

The director is, or in the past three years has been, an employee of Carriage, or has an immediate family member who is or in the past three years has been, an executive officer of Carriage;

The director or an immediate family member (other than an immediate family member who is a non-executive employee) receives, or in the past three years has received, more than \$100,000 per year in direct compensation from Carriage (other than director fees and pension or other forms of deferred compensation for prior service that is not contingent in any way on continued service);

The director is, or in the past three years has been, affiliated with or employed by, or has an immediate family member who is or in the past three years has been, affiliated with or employed in a professional capacity by a present or former auditor of Carriage;

The director is, or in the past three years has been, an executive officer, or has an immediate family member who is, or in the past three years has been, an executive officer of another company where any of Carriage's present executives serves on that company's compensation committee; or

The director is, or in the past three years has been, an executive officer or an employee, or has an immediate family member who is, or in the past three years has been, an executive officer of another company that makes payments to, or receives payments from, Carriage for property or services in an amount which, in any single fiscal year, exceeds the greater of \$1 million or 2% of such other company's consolidated gross revenues.

Our Corporate Governance Committee reviewed our Board composition and determined that three of our current directors, as well as director nominee Mr. Forbes, meet the independence standards set forth above. In addition, all directors serving on our Audit, Compensation and Corporate Governance Committees satisfy these independence requirements.

*Executive Sessions; Lead Director.* In accordance with our corporate governance guidelines, the non-management directors meet in executive session at least quarterly, outside of the presence of management directors or other members of management, both with the independent auditors and then without anyone else present. In connection with the 2005 amendments to our corporate governance guidelines, the Board established the position of Lead Director, who is required to be qualified as independent and will be appointed by a majority of the non-management directors. The Lead Director's role is to facilitate the functioning of the Board independently of management and to enhance the quality of the Board's governance. The Lead Director is required to be a member of the Corporate Governance Committee and, among other things, will preside at the executive sessions of the non-management directors. In 2005, Mr. Foster, Chairman of the Audit Committee, was first appointed Lead Director and continues to serve in that capacity.

*Board Composition.* The Corporate Governance Committee is responsible for reviewing the requisite skills and characteristics of new Board members as well as the composition of the Board as a whole. Nominees for directorship will be selected by the Corporate Governance Committee in accordance with the policies and principles in its charter. The Corporate Governance Committee believes that the minimum qualifications for serving as a director are that a nominee demonstrate an ability to make a meaningful contribution to the Board's oversight of our business and affairs and have a reputation for ethical conduct. Nominees for director will include individuals who, taking into account their diversity, age, skills, and experience in the context of the needs of the Board, as well as other relevant factors such as conflicts of interest and other commitments, would enhance the Board's ability to manage and direct our affairs

and business. No director may serve on more than five other public company boards or on the audit committee for more than three other public companies. We have not established term limits as we do not wish to risk losing the contribution of directors who have been able to develop, over a period of time, increasing insight into our business and operations. However, we have determined that no director may be nominated to a new term if he or she would be age 75 or older at the time of the election.

**Table of Contents**

The Corporate Governance Committee identifies candidates by asking our current directors and executive officers to notify the Committee if they become aware of individuals who meet the criteria described above. The Corporate Governance Committee also has the authority to engage firms that specialize in identifying director candidates. The Corporate Governance Committee will also consider candidates recommended by stockholders. Once the Corporate Governance Committee has identified a potential candidate, the Committee collects and reviews available information regarding the individual, and if the Committee determines that the candidate warrants further consideration, the Committee Chair or another Committee member will contact the person. Generally, if the individual expresses a willingness to be considered for election to the Board, the Corporate Governance Committee will request information from the candidate, review the individual's qualifications, and conduct one or more interviews with the candidate. When the Corporate Governance Committee has completed this process, it tenders its recommendation to the full Board for consideration.

*Board's Interaction With Stockholders.* Our Chief Executive Officer and other corporate officers are responsible for establishing effective communications with our stockholders. It is our policy that management speaks for Carriage. This policy does not preclude independent directors from meeting with stockholders, but where appropriate, management should be present at such meetings. Stockholders may submit communications to directors by writing in care of Carriage Services, Inc., 3040 Post Oak Boulevard, Suite 300, Houston, Texas 77056; Attn: Joseph Saporito, Executive Vice President and Secretary.

*Board and CEO Evaluation.* In 2004, we instituted an annual process for the Board and each Committee to perform self-evaluations. These are conducted through written questionnaires compiled on a confidential basis by the Chairman of the Corporate Governance Committee with summary results presented to the full Board annually. In addition, the Compensation Committee performs an annual evaluation of the Chief Executive Officer's performance. As part of the long-range planning, the Corporate Governance Committee is charged with evaluating Chief Executive Officer succession, both in the event of emergency and upon retirement.

*Business Conduct and Ethics.* Our code of business conduct and ethics requires all of our directors, officers and employees to adhere to certain basic principles to uphold our mission to be the most professional, ethical and highest quality service organization in the death care industry. Our code requires them to comply with the law, avoid conflicts of interest, compete fairly and honestly, maintain a safe and healthy work environment, and preserve company assets. We do not presently believe that there would be any occasion requiring any changes in or waivers under the code, but in the event of exceptional circumstances in which such a change or waiver becomes necessary, it would require Board approval and, where appropriate, prompt public disclosure. Our code includes specific compliance procedures and a mechanism for reporting violations through our Human Resources Department. You can access our code of business conduct and ethics on our website at <http://www.carriageservices.com>.

**SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE**

Section 16(a) of the Securities Exchange Act of 1934 requires Carriage's directors and executive officers, and persons who own more than 10% of a registered class of Carriage's equity securities, to file with the SEC and the NYSE reports of ownership and changes in ownership of Common Stock and other equity securities of Carriage on Forms 3, 4 and 5. Executive officers, directors and greater than 10% beneficial owners are required by SEC regulations to furnish Carriage with copies of all Forms 3, 4 and 5 they file.

Based solely on a review of the copies of such reports furnished to Carriage or written representations, Carriage believes that all filing requirements applicable to its executive officers, directors and greater than 10% beneficial owners were complied with during 2006.

**CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS**

**Policies and Procedures for Approval of Related Party Transactions**

The Corporate Governance Committee has the responsibility to review and discuss with management and approve any transactions or courses of dealing with related parties. During this process, related party transactions are disclosed to all Board members. To the extent such transactions are ongoing business relationships, the transactions are reviewed annually and such relationships will be on terms not materially less favorable than what would be usual and customary in similar

## **Table of Contents**

transactions between unrelated persons dealing at arms length. The Corporate Governance Committee intends to approve only those related party transactions that are in the best interest of Carriage and our shareholders.

Other than as described below, since January 1, 2006 there has not been a transaction or series of related transactions to which Carriage was or is a party involving an amount in excess of \$120,000 and in which any director, executive officer, holder of more than five percent (5%) of any class of out voting securities, or any member of the immediate family of any of the foregoing persons, had or will have a direct or indirect material interest.

Mark Wilson is a prior owner of a business that Carriage acquired in 1997. As an incentive, we entered into an arrangement with him to pay him 10% of the amount by which the annual field level cash flow exceeds predetermined targets on certain businesses in his geographic region through 2006, with a final amount payable in 2007 equal to a multiple of six times the average of the last three years payments. The business purpose of the arrangement was to incentivize Mr. Wilson to provide Carriage with high quality acquisition targets and to have input in the competitive strategies of those businesses post-acquisition so that cash flows grow over time. The incentives earned by Mr. Wilson totaled approximately \$344,000 for 2006 and a final payment of \$1,452,000, both of which were paid in the first quarter of 2007.

### **COMPENSATION DISCUSSION AND ANALYSIS**

Our executive compensation program is designed to attract, motivate and retain talented executives so the Company can produce long-term superior results and maximize return to stockholders. Our Compensation Committee consists entirely of independent Board members and is responsible for the approval and oversight of compensation and benefit plans and employment agreements affecting executive management.

#### **Compensation Program Objectives**

Our executive compensation objectives are to:

pay competitive levels of salary and total compensation;

reward management for strong Company performance and successful execution of our key business plans and strategies; and

align incentives with the long-term interests of the stockholders.

#### **Elements of the Compensation Program**

Our executive compensation program consists of the following basic elements:

base salaries;

annual cash incentive bonuses;

long-term, share-based incentives; and

other benefits.

Allocation of compensation among these elements is designed to provide the appropriate mix of short-term incentives and long-term incentives, and cash compensation and share-based compensation.

#### **Base Salaries**

The base salaries for each of our executive officers are determined on an individual basis, taking into account such factors as the duties, experience and levels of responsibility of the executive and compensation levels within other companies in the service sector of comparable revenue size. Base salaries for the Named Executive Officers are evaluated at the beginning at each year and adjustments are approved by the Compensation Committee based on their evaluation of individual performance and expected future contributions. The Committee approved a 4.8% increase in Mr. Payne's base salary, from \$415,000 to \$435,000, at the beginning of 2007. Base salary increases for the other Named Executive Officers ranged from 5% to 11.8%.

#### **Annual Cash Incentive Bonuses**

The annual cash bonus for each executive is linked to specific financial and operating targets, and specific qualitative criteria established at the beginning of the year and is designed to reward each executive for achieving

results.

**Table of Contents**

Of the criteria, 60% are weighted against objective quantitative goals, such as earnings and cash flow, and 40% against subjective qualitative goals. The executives are eligible to receive annual cash bonuses set at a maximum percentage of their base salary times the percent of goals achieved. The following table sets forth the maximum annual cash bonus levels for each Named Executive Officer shown as a percentage of their base salaries for 2007:

Melvin C. Payne	75%
Joseph Saporito	55%
George J. Klug	45%
Terry E. Sanford	30%
W. Clark Harlow	30%

Mr. Payne's cash incentive bonus for 2006 totaled \$172,000 or 55% of his 2006 maximum potential annual bonus. Mr. Payne's 2006 incentive bonus was linked to quantitative and qualitative goals approved by the Compensation Committee in February 2006. The quantitative goals had a 75% weighting and the qualitative goals had a 25% weighting. The Company achieved one of three quantitative goals (free cash flow) with a weighting of 30% and Mr. Payne achieved all of the qualitative goals.

**Long-Term Share-Based Incentives**

Stock options have not been granted to Named Executive Officers since 2002. Restricted stock was granted to Named Executive Officers and other key employees in 2003, 2005, and 2007. The shares are awarded by the Compensation Committee after consideration of the individual's performance toward the Company's recent goals, as well as expected contributions to the long-term success of the Company. The shares vest 25 percent each year beginning one year after the date of the award. The individuals are responsible for the income taxes attributable to the value of the shares. The Compensation Committee believes that this form of equity ownership helps to align the executive's interests closely with those of the stockholders and incentivizes the executives to contribute to the long-term growth and success of the Company as a whole. Restricted stock grants awarded to the Named Executive Officers on February 13, 2007 were as follows:

	<b>Number of Shares</b>	<b>Value at Grant Date</b>
Melvin C. Payne	40,000	\$ 256,000
Joseph Saporito	25,000	\$ 160,000
George J. Klug	15,000	\$ 96,000
Terry E. Sanford	15,000	\$ 96,000
W. Clark Harlow	10,000	\$ 64,000

**Other Benefits and Perquisites**

The Company sponsors a defined contribution 401(K) plan to which we match 100% of the first one percent of the participants' contributions and 50% of the next five percent of the participants' contributions. Additionally, the Company sponsors an employee stock purchase plan that provides the participants the ability to purchase Company stock at a discount. The Company's health and related plans include medical, dental, life and disability coverage. The benefits provided to executive officers are offered through broad-based plans applicable to all employees, except that the Chief Executive Officer is prohibited from participating in the employee stock purchase plan. The Chief Executive Officer was reimbursed for life insurance premiums, the cost of which totaled \$18,416 in 2006. Otherwise, the Company provides no other perquisites to the executives.

**Outside Consultant**

Based on our relatively straight-forward compensation arrangements and policies, the Compensation Committee set compensation for 2006 without using an outside consultant or any benchmarking statistics. For 2007, the Compensation Committee has engaged an outside consultant to review our compensation levels and practices and to recommend appropriate changes.

**Tax and Accounting Considerations**

For compensation in excess of \$1 million, Section 162(m) of the Code generally limits our ability to take a federal income tax deduction for compensation paid to the Chief Executive Officer and the four most highly compensated executive

**Table of Contents**

officers other than the Chief Executive Officer, except for qualified performance-based compensation. Restricted stock awards do not qualify for this exemption. While the Compensation Committee will seek to utilize deductible forms of compensation, it does not believe that compensation decisions should be made solely to maintain the deductibility of compensation for federal income tax purposes. None of the executive officers reached the deduction limitation in 2006. The Compensation Committee plans to continue to evaluate salary, bonus and stock awards programs relative to the Section 162(m) deduction limitation.

We adopted SFAS 123R as of January 1, 2006 and, accordingly, expenses the grant-date fair value of equity-based compensation issued to employees, using the modified prospective method in which compensation cost is recognized based (1) on the requirements of SFAS 123R for all share-based payments granted after January 1, 2006 and (2) on the requirements of SFAS 123R for all awards granted to employees prior to January 1, 2006 that remained unvested on January 1, 2006. Once the fair value of each award is determined, it is expensed in the income statement ratably over the vesting period. The Compensation Committee considers the impact of expensing share-based awards when awarding incentives.

**COMPENSATION COMMITTEE REPORT**

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis with management. Based on the review and discussion of the Compensation Discussion and Analysis, the Compensation Committee has recommended to the Board of Directors that the Compensation Discussion and Analysis be included in the Company's annual report on Form 10-K and, as applicable, incorporated by reference to the Company's proxy or information statement.

The

annual cash incentive program does not have threshold or target amounts, but only a maximum percentage of the officer's base salary as discussed in the Compensation Discussion and Analysis section.

**Employment Agreements**

Effective November 8, 1999, we entered into an employment agreement with Melvin C. Payne. The employment agreement with Mr. Payne has an initial term of approximately five years with an evergreen two-year extension continuing after the first three years of the employment agreement unless either Carriage or Mr. Payne gives 90 days notice of termination. Pursuant to this agreement, Mr. Payne is entitled to receive a base salary of not less than his current level of \$435,000 per year, and a bonus to be determined on an annual basis by the Compensation Committee.

Carriage is also a party to separate employment agreements with Joseph Saporito and George J. Klug dated effective November 14, 2005 and March 30, 2005, respectively, providing for annual base salaries to them that are currently \$300,000 and \$210,000, respectively, plus certain benefits including but not limited to eligibility for a year-end bonus based on performance, eligibility for equity grants, and other benefits generally available to employees. Their agreements extend through September 30, 2010 and December 31, 2007, respectively, and each agreement may sooner terminate with no further obligation of Carriage for additional payments upon the death or disability of the employee or his termination from employment for cause.

In July 2006, James J. Benard resigned his position as Senior Vice President-Sales and Cemetery Operations. The Company is continuing to pay his base salary and benefits through April 2007 as part of his severance agreement.

***Pension Benefits***

Carriage does not sponsor a pension plan.

***Nonqualified Defined Contributions and Other Nonqualified Deferred Compensation Plans***

Carriage does not sponsor any nonqualified defined contribution or other nonqualified deferred compensation plans.

***Potential Payments upon Termination or Change in Control***

If Mr. Payne is terminated without cause during the term of his employment agreement, he will receive a monthly severance payment until the end of the term as if he had not been terminated plus a proportionate amount of the bonus earned for the year of termination. Such monthly severance payment would be equal to the average monthly amount (including salary and bonus) earned by Mr. Payne during the three calendar years prior to his termination. During the period that Mr. Payne receives the monthly severance payment, he also would be entitled to participate in any employee benefit plans or programs in which he was participating at the time of his termination. In addition, the agreement contains a covenant prohibiting Mr. Payne from competing with Carriage during the period he is receiving compensation under his agreement, provided, however, that following termination of employment, he may elect to forego certain severance payments which he would be entitled to under the employment agreement and thereafter would not be prohibited from competing with us. In addition, the agreement contains customary benefits and perquisites. The amount currently payable to Mr. Payne in the event of either termination or change in control would be \$870,000.

If Messrs. Saporito or Klug are terminated without cause, Carriage is obligated to continue to pay the employee his salary and provide benefits for a period of one year. Each such employee has agreed that for a certain period following the termination of his employment agreement, he will not compete with Carriage and will not induce any employees of Carriage to leave Carriage. In addition, if Carriage undergoes a Corporate Change (as defined in our current 2006 Long-Term Incentive Plan) and Messrs. Saporito or Klug leave our employment, then each would be entitled to his salary and benefits for one year. The amounts payable to Messrs. Saporito and Klug as a result of either termination or corporate changes would be \$300,000 and \$210,000, respectively.

We compensate our directors through cash payments, including quarterly retainers and meeting attendance fees, and through stock-related incentives. Each independent director is currently entitled to a quarterly retainer of \$7,500, increased to \$10,000 effective March 6, 2007. Independent directors currently consist of Messrs. Erickson, Foster and Davis. In addition, the Chair of the Audit Committee (who is required to be an independent director, currently Mr. Foster) receives an annual grant of 5,000 fully vested shares of our Common Stock.

As a general rule, each independent director is entitled to \$1,000 for each regular or special meeting of the full Board attended in person, and \$500 if attended by phone. In addition, Audit Committee members receive \$1,500 for each committee meeting held in person and \$1,000 for each such meeting held by phone, except that those amounts are reduced by one-half if the committee meeting occurs on the same day as a full Board meeting. Members of the other committees receive \$750 for each committee meeting held in person and \$500 for each such meeting held by phone. The amounts are \$1,125 and \$750, respectively, for the chair of such committees, and no attendance fees are payable for these other committees for a meeting that occurs on the same day as a full Board meeting.

Independent directors have the ability to elect to receive all or any portion of the cash retainer and attendance fees in shares of our Common Stock, based on the fair market value thereof as of the date the amount is earned. Currently, Mr. Davis receives 100% of his fees in Common Stock, Mr. Foster receives 50%, and Mr. Erickson receives no portion of his fees in Common Stock.

We also have the ability to issue discretionary options and Common Stock grants under our 2006 Long-Term Incentive Plan. We issued 6,000 fully vested stock options on the day of our 2006 annual stockholder meetings to our directors, except to Mr. Payne, our one director who is an executive officer of Carriage. In accordance with an amendment to the director compensation policy, we expect that Messrs. Foster, Erickson and Davis will each receive a grant of 3,000 shares of Common Stock on the day of the 2007 Annual Meeting.

**PROPOSAL NO. 2**

**APPROVE THE COMPANY'S 2007 EMPLOYEE STOCK PURCHASE PLAN**

Carriage sponsors an employee stock purchase plan, the Carriage Services 1997 Employee Stock Purchase Plan (the 1997 ESPP). The 1997 ESPP was established with a term of ten years that expires December 31, 2007. The Board of Directors has approved the 2007 Employee Stock Purchase Plan (the 2007 ESPP) to continue the practice whereby all employees will continue to have the opportunity to purchase Carriage Common Stock through payroll deductions. At the annual meeting, stockholders are being asked to approve the 2007 ESPP. It is the intention of the Company to have the 2007 ESPP qualify under section 423 of the Internal Revenue Code of 1986. The provisions of the 2007 ESPP shall, accordingly, be construed so as to extend and limit participation in a manner consistent with the requirements of that section of the code.

The purpose of an employee stock purchase plan is to provide employees of the Company and its subsidiaries with an opportunity to purchase shares of Common Stock at a discount from the prevailing market price through a payroll deduction system. Employee stock purchase plans provide an incentive for employees to acquire or increase their ownership interest in the Company. Management believes that employee stock ownership is one of the guiding principles of the Company and is critical for the Company's success. Participation is open to all employees, including part-time employees. We believe that participation in the 1997 ESPP Plan has been one of many components that has encouraged employees to view their contribution to the Company from the perspective of an owner.

A copy of the 2007 ESPP is attached as Appendix A.

**Share Availability**

A total of 1,000,000 shares of Common Stock will be available for sale under the 2007 ESPP, subject to adjustment as provided in the 2007 ESPP.

**Administration**

The 2007 ESPP may be administered by the Board of Directors, or by a committee appointed by the Board. Currently, the Compensation Committee administers the 1997 ESPP. The Compensation Committee has the full power to adopt, amend and rescind any rules deemed desirable and appropriate to administer the 2007 ESPP.

**Eligibility**

All employees, including part-time employees, of the Company and those subsidiaries designated by the Board are eligible to participate in the employee stock purchase plan. An eligible employee, however, may not participate (i) if the employee would own 5% or more of the total combined voting power or value of all classes of stock of the Company, taking into account any stock options and stock that may be purchased under the employee stock purchase plan or (ii) if such option would permit the employee to purchase, under all stock purchase plans of the Company, Common Stock with a fair market value of more than \$25,000 (determined at the time such options are granted) in any calendar year.

## **Table of Contents**

### **Offering Periods and Purchase Periods**

The 2007 ESPP will be implemented by a series of one-year offering periods ( Offering Periods ) starting on January 1 of each year. Each Offering Period will have four purchase periods ( Purchase Periods) of three months each, starting on January 1, April 1, July 1 and October 1. Employees are allowed to begin participating in the Stock Purchase Plan at the beginning of an Offering Period or at the beginning of a Purchase Period within an Offering Period.

### **Participation Procedure**

An eligible employee may become a participant by completing a subscription agreement prior to the beginning of a Purchase Period. A participant may elect to have payroll deductions of between 1% and 15% of such participant's compensation on each payday, which is credited to the participant's account. No participant, however, may make payroll deductions during any year in excess of \$21,250 nor may a participant purchase more than 5,000 shares of Common Stock during any Offering Period. On the last day of each Purchase Period, the amount in each participant's account is used to purchase shares of Common Stock.

### **Purchase Price of Shares**

The purchase price for the shares of Common Stock on any purchase date will be the lower of (i) 85% of the fair market value of a share of Common Stock on the beginning date of the annual Offering Period (or the beginning date of the first Purchase Period if the employee entered the Stock Purchase Plan after the beginning of the first Offering Period), or (ii) 85% of the fair market value of a share of Common Stock on the purchase date (i.e. last date of the Purchase Period); *provided, however*, that for any employee who becomes a participant after the beginning date of the Offering Period, the amount in clause (i) will be the higher of 85% of the fair market value of a share of Common Stock on the beginning date of the Offering Period or the beginning date of the first Purchase Period. The fair market value of a share of Common Stock on a given date will be determined by the Board based on the closing price of the Common Stock on the NYSE for such date as reported in *The Wall Street Journal*. If the Common Stock is not traded on such date, the price will be determined on the immediately preceding trading date on which there was a closing price.

### **Delivery of Shares to Participants**

Shares of Common Stock purchased with a participant's payroll deductions will be issued to the participant as promptly as practicable after each purchase date. Delivery may be made by direct deposit into a book entry account or brokerage account in the name of the participant.

### **Termination of Employment**

Upon a participant's termination of employment for any reason including death or disability, participation in the Stock Purchase Plan ceases and all amounts credited to the participant's account will be immediately distributed to the participant or in the event of the participant's death, the participant's beneficiary.

### **Voluntary Withdrawal**

A participant may voluntarily withdraw all contributions credited to his or her account at any time prior to two business days prior to the last day of a Purchase Period. Should a participant voluntarily withdraw during an Offering Period, the participant will not be eligible to participate in the Stock Purchase Plan until the next Offering Period.

### **Transferability**

No interest in the 2007 ESPP or in payroll deductions credited to a participant's account may be transferred or assigned by a participant except by will or the laws of descent and distribution.

### **Equitable Adjustments**

The maximum number of shares of Common Stock that may be issued under the 2007 ESPP are subject to adjustment in the event of stock dividends, stock splits, combinations or reclassification of shares, reverse stock splits, or any

**Table of Contents**

other increase or decrease in the number of shares of Common Stock effected without receipt of consideration, provided that no adjustment will be made upon conversion of any convertible securities of the Company. In the event of a merger of the Company with another corporation, each option under the 2007 ESPP will be either assumed or substituted by the successor corporation, provided that the Board of Directors retains the sole discretion to shorten any Purchase Period in lieu of such assumption or substitution.

**Plan Amendment or Termination**

The Board may at any time terminate or amend the 2007 ESPP; provided, however no such termination may affect options previously granted nor may an amendment make any change in any option theretofore granted which adversely affects the rights of any participant.

**Federal Income Tax Consequences**

The 2007 ESPP is intended to qualify as an employee stock purchase plan under Section 423(a) of the Internal Revenue Code of 1986. This section provides that participants do not realize any income at the date of grant or at the time of receipt of the shares and that such income is postponed until they dispose of the shares. The tax consequences to participants upon disposition is dependent upon the variables determining the option price, the sale price, and the holding period.

The Company is entitled to a deduction under Section 162(m) of the Internal Revenue Code only to the extent that ordinary income is realized by the participant as a result of disqualifying dispositions.

**We recommend that you vote FOR this Proposal No. 2 to approve the 2007 Employee Stock Purchase Plan.  
PROPOSAL NO. 3**

**RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee has appointed KPMG LLP as Carriage's independent registered public accountants for the year ending December 31, 2007, and has further directed that management submit the selection of the independent registered accountants for your ratification at the Meeting. KPMG LLP has audited Carriage's financial statements since 2002. Representatives of KPMG LLP are expected to be present at the Meeting and will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Stockholder ratification of the appointment of KPMG LLP as Carriage's independent registered public accountants is not required by Delaware law or our By-laws. If Carriage's stockholders fail to ratify the selection, we will reconsider whether to retain that firm. Even if the selection is ratified, the Board, in its discretion, may direct the appointment of a different registered independent public accounting firm at any time during the year if we feel that such a change would be in the best interests of Carriage and its stockholders. The affirmative vote of the holders of a majority of the voting power of the shares of capital stock present or represented by proxy at the Meeting will be required to ratify the selection of KPMG LLP.

**We recommend that you vote FOR this Proposal No. 3 to ratify the selection of KPMG LLP.**

**AUDIT COMMITTEE REPORT**

As members of the Audit Committee of the Board of Directors, we are responsible for helping to ensure the reliability of Carriage's financial statements. In keeping with this goal, the Audit Committee operates according to a written charter approved by the Board of Directors. A new charter was adopted in 2003 and amended in 2004. A copy of the amended charter was included as Appendix A to the proxy statement for the 2004 annual meeting.

**Review and Discussions**

The Audit Committee has reviewed and discussed Carriage's audited financial statements with management. It has also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standard Nos. 61

**Table of Contents**

and 90. Additionally, the Audit Committee has received the written disclosures and the letter from the independent auditors at KPMG LLP, as required by Independent Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and has discussed with the independent auditors their independence.

In an effort to maintain the auditor's independence, the Audit Committee considers whether KPMG LLP's rendering of non-audit services is compatible with maintaining its independence. No non-audit services were approved or rendered during 2006.

**Audit Fees**

The fees billed for services by KPMG LLP during 2005 and 2006 related to the audits of the annual consolidated financial statements and internal controls over financial reporting and reviews of quarterly financial statements filed in the reports on Form 10-Q totaled \$630,000 and \$750,000, respectively.

**Audit-Related Fees**

KPMG LLP billed Carriage \$121,000 for audit-related services during 2005 which were primarily related to services rendered in connection with our senior notes offering. There were no fees billed to Carriage by KPMG LLP for audit-related services during 2006.

**Tax Fees**

There were no fees billed to Carriage by KPMG LLP for tax services during 2005 and 2006.

**All Other Fees**

There were no fees billed to Carriage by KPMG LLP during 2005 and 2006 for any other professional services.

**Pre-Approval Policy for Services of Independent Registered Public Accounting Firm**

As part of its duties, the Audit Committee is required to pre-approve audit and non-audit services performed by the independent audit firm in order to assure that the provision of such services does not impair the audit firm's independence. If a type of service to be provided by the independent audit firm has not received pre-approval during this annual process, it will require specific pre-approval by the Audit Committee. The Audit Committee does not delegate to management its responsibilities to pre-approve services performed by the independent auditors.

**Recommendation to Include Audited Financial Statements in Annual Report**

Based on the Audit Committee's discussions with management and the independent accountants, and its review of the representation of management and the report of the independent accountants to the Audit Committee, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2006, with the SEC.

pro rata allocation of the shares remaining available for option grant in as uniform a manner as shall be practicable and as it shall determine to be equitable. In such event, the Company shall give written notice of such reduction of the number of shares subject to the option to each Employee affected thereby and shall similarly reduce the rate of Contributions, if necessary.

- b) A participant will have no interest or voting right in shares covered by his or her option until such option has been exercised.
  - c) Shares to be delivered to a participant under the Plan will be registered in the Street Name of a Company approved broker.
13. **Administration.** The Board, or a committee named by the Board, shall supervise and administer the Plan and shall have full power to adopt, amend and rescind any rules deemed desirable and appropriate for the administration of the Plan and not inconsistent with the Plan, to construe and interpret the Plan, and to make all other determinations necessary or advisable for the administration of the Plan. In addition, a participant may file a written designation of a beneficiary who is to receive any cash from the participant's account under the Plan in the event of such participant's death prior to the Exercise Date of an Offering Period. If a participant is married and the designated beneficiary is not the spouse, spousal consent shall be required for such designation to be effective.
  - b) Such designation of beneficiary may be changed by the participant (and his or her spouse, if any) at any time by written notice. In the event of the death of a participant and in the absence of a beneficiary validly designated under the Plan who is living at the time of such participant's death, the Company shall deliver such shares and/or cash to the executor or administrator of the estate of the participant, or if no such executor or administrator has been appointed (to the knowledge of the Company), the Company, in its discretion, may deliver such shares and/or cash to the spouse or to any one or more dependents or relatives of the participant or if no spouse, dependent or relative is known to the Company, then to such other person as the Company may designate.
