**Item 1.01. Entry into a Material Definitive Agreement.**

On June 5, 2007, Willbros Group, Inc. (the Company) announced that, on the same date, one of its subsidiaries had entered into a Share Purchase Agreement (the Agreement) providing for the subsidiary's purchase of all of the share capital (the Shares) of Midwest Management (1987) Limited (Midwest), a Canadian pipeline and facilities construction company which owns two wholly-owned subsidiaries, Midwest Pipelines Rental Inc. and Midwest General Contractors Ltd. Pursuant to the Agreement by and between Willbros Acquisition Canada Limited as purchaser (WACL), and AMEC Inc. and AMEC Americas Limited as sellers (together, AMEC), WACL will purchase the Shares from AMEC for total consideration of Canadian \$22,000,000 (approximately U.S.\$20,800,000), including working capital of Canadian \$3,500,000 (approximately U.S.\$3,300,000), subject to certain post-closing adjustments as provided in the Agreement. The Company has agreed to guarantee the performance by WACL of its obligations under the Agreement. Closing of this transaction, which is subject to regulatory approval under the Competition Act (Canada) and other typical closing conditions, is expected to take place in the late second quarter or early third quarter of 2007.

The Agreement contains customary representations, warranties, covenants and indemnification provisions which terminate at varying times unless the indemnified party has, before the expiration of the right to indemnification, asserted a claim for indemnification to the indemnifying party.

Midwest, together with its wholly-owned subsidiaries, offers a complete range of services, including cross country pipeline construction, rehabilitation and maintenance, water crossings installation and replacement, and facilities fabrication.
