**Item 1.01. Entry into a Material Definitive Agreement.**

***Purchase and Sale Agreement***

On July 2, 2007, Linn Energy, LLC (the Company ) announced that on June 29, 2007, it entered into a definitive purchase agreement to acquire certain oil and gas properties in the Mid-Continent from Dominion Resources, Inc. (the Dominion Acquisition ) for a contract price of \$2.05 billion, subject to customary purchase price adjustments. The Company anticipates that the Dominion Acquisition will close on or before October 1, 2007, subject to customary closing conditions. There can be no assurance that all of the conditions to closing the Dominion Acquisition will be satisfied. The Company's obligation to close the Dominion Acquisition is conditioned on the receipt of financing.

***Commitment Letter***

On June 29, 2007, the Company received a firm commitment from the lenders under its Senior Secured Revolving Credit Facility ( Credit Facility ) to provide an increase in the Company's borrowing base under the Credit Facility from \$765 million to approximately \$1.6 - \$1.8 billion upon the closing of the Dominion Acquisition.

***Class D Unit and Common Unit Purchase Agreement***

On June 29, 2007, the Company also executed a unit purchase agreement for a private placement of \$1.5 billion of equity securities to third party investors, consisting of 12,999,989 Units and 34,997,005 Class D Units, or a total of 47,996,994 units, at a negotiated, blended price per unit of \$31.25. Management believes that the proceeds, net of expenses, from this equity private placement, together with funds available under the Company's Credit Facility, will fully fund the purchase price of the Dominion Acquisition and that additional equity financing will not be necessary. The issuance of the Class D Units and Units is subject to customary closing conditions, including the closing of the Dominion Acquisition, and there can be no assurance that all of the conditions to closing will be satisfied.

The Class D Units represent a class of equity securities that is entitled to a special quarterly distribution equal to 115% of the distribution received by the holders of Units, has no voting rights other than as required by law and is subordinated to the Units on dissolution and liquidation. The Class D Units may convert into Units if the conversion is approved by a vote of the Company's unitholders. The Company has agreed to hold a meeting of its unitholders to consider this proposal as soon as reasonably practicable, but no later than 120 days from the closing date. The Class D Units and Common Units will be issued and sold in a private transaction exempt from registration under Section 4(2) of the Securities Act of 1933, as amended.

On July 2, 2007, the Company issued a press release related to the Dominion Acquisition and related private placement. A copy of the press release is attached as Exhibit 99.1 to this Current Report and is incorporated into this Item 1.01 by reference.
