Item 1.01 Entry into a Material Definitive Agreement.

The board of directors of TD AMERITRADE Holding Corporation (TD AMERITRADE) held a meeting on May 10, 2006, at which it approved amendment of the 1996 Directors Incentive Plan (the DIP) and the non-employee director compensation as described below.

Amendment of 1996 Directors Incentive Plan

The DIP was amended to permit the grant of restricted stock units to non-employee directors, in addition to stock options, stock awards and stock retainers. The restricted stock units will reflect an award of TD AMERITRADE common stock subject to a vesting schedule pursuant to which the common stock underlying the restricted stock units would not be issued until after satisfaction of applicable vesting requirements. The other features of the restricted stock units are identical to stock awards and stock retainers under the DIP.

The description of the amended DIP set forth herein does not purport to be complete and is qualified in its entirety by reference to the full plan document attached hereto as Exhibit 10.1 and incorporated herein by reference.

Form of Restricted Stock Unit Agreement

In connection with the approval of the DIP amendment and the new non-employee director compensation program, the board of directors of TD AMERITRADE also adopted a new form of restricted stock unit agreement, which is intended to serve as a standard form agreement for restricted stock unit grants issued to non-employee directors under the DIP. TD AMERITRADE may in the future grant equity awards to its non-employee directors substantially in accordance with the terms of the form of restricted stock unit agreement, the material terms of which are briefly described below.

General Terms. The terms of the restricted stock unit agreement provide for the grant of a number of restricted stock units that will be paid out in shares of TD AMERITRADE common stock after the applicable vesting criteria have been met.

Vesting. In the event of the recipient's death or disability, unvested units will vest as provided in the agreement on the applicable date. In the event of a change in control of TD AMERITRADE, the restricted stock units will vest as soon as practicable after the effective date of the change in control. In addition, the forms of agreement contain non-compete and non-solicitation provisions.

Stockholder Rights. A restricted stock unit recipient generally will not have any of the rights of a TD AMERITRADE stockholder, including voting rights and the right to receive dividends and distributions, until after shares of TD AMERITRADE common stock are issued in respect of the restricted stock unit in accordance with vesting criteria. The description of the form of Restricted Stock Unit Agreement set forth herein does not purport to be complete and is qualified in its entirety by reference to the full text of the form of restricted stock unit agreement attached hereto as Exhibit 10.2 and incorporated herein by reference.
