The Nominee holds the Stockholder Warrants and 1,000 shares of Holding Common Stock on behalf of and for the benefit of persons (Centex Stockholders) who are from time to time the holders of the common stock, \$0.25 par value (Centex Common Stock), of Centex. Each Centex Stockholder owns a beneficial interest in that portion of the 1,000 shares of Holding Common Stock and the Stockholder Warrants that the total number of shares of Centex Common Stock held by such stockholder bears to the total number of shares of Centex Common Stock outstanding from time to time. This beneficial interest of the Holding stockholders is not represented by a separate certificate or receipt. Instead, each Centex Stockholder's pro rata portion of such beneficial interest is represented by the certificate or certificates evidencing such Centex Stockholder's Centex Common Stock, and is currently tradeable only in tandem with, and as a part of, each such Centex Stockholder's Common Stock.

Item 6. Indemnification of Directors and Officers.

Centex Corporation (Centex), 3333 Holding Corporation (Holding) and 3333 Development Corporation (Development), the general partner of Centex Development Company, L.P., are Nevada corporations. Pursuant to the provisions of Section 78.7502 of the Nevada General Corporation Law, every Nevada corporation has authority to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, except an action by or in the right of the corporation, by reason of the fact that he is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses, including attorneys' fees, judgments, fines and amounts paid in settlement, actually and reasonably incurred in connection with the action, suit or proceeding if he acted in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful.

Under Nevada law, Centex, Holding and Development also have the authority to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation, to procure a judgment in its favor by reason of the fact that he is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses, including amounts paid in settlement and attorneys' fees, actually and reasonably incurred by him in connection with the defense or settlement of the action or suit if he acted in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the corporation. No indemnification shall be made, however, for any claim, issue or matter as to which a person has been adjudged by a court of competent jurisdiction to be liable to the corporation or for amounts paid in settlement to the corporation, unless and only to the extent that the court determines that in view of all the circumstances, the person is fairly and reasonably entitled to indemnity for such expenses as the court deems proper.

To the extent any person referred to in the two immediately preceding paragraphs is successful on the merits or otherwise in defense of any action, suit or proceeding, the Nevada General Corporation Law provides that such person must be indemnified by the corporation against expenses, including attorneys' fees, actually and reasonably incurred by him in connection with the defense.

Section 78.751 of the Nevada General Corporation Law requires Nevada corporations to obtain a determination that any discretionary indemnification is proper under the circumstances. Such a determination must be made by the corporation's stockholders; its board of directors by majority vote of a quorum consisting of directors who were not parties to the action, suit or proceeding; or, under certain

Table of Contents

circumstances, by independent legal counsel. The Articles of Incorporation of Centex, Holding and Development provide for indemnification of its directors and officers to the extent provided by Nevada law.

In addition, Section 78.037 of the Nevada General Corporation Law permits Nevada corporations to include in their articles of incorporation a provision eliminating the personal liability of their directors and officers, to the corporation or stockholders, for damages resulting from their breach of fiduciary duties. An amendment to the Articles of Incorporation of Centex Corporation was adopted by its stockholders at the annual meeting held on July 15, 1987 in order to effect the permitted limitation on liability. The Articles of Incorporation of Holding and Development contain a similar provision limiting the liability of their directors and officers for such damages, as do the Bylaws of Centex, Holding and Development.

Edgar Filing: CENTEX CORP - Form S-8

The Bylaws of Centex, Holding and Development each provide that the corporation shall indemnify its directors, officers, employees and agents to the fullest extent provided by the Nevada General Corporation Law and such corporation's Articles of Incorporation. In addition, the Bylaws of each corporation provide for indemnification to the same extent of any director, officer or employee of the corporation who serves in any fiduciary capacity with respect to any profit sharing, pension or other type of welfare plan or trust for the benefit of employees of the corporation or its subsidiaries.

Centex has entered into indemnification contracts with its directors and may enter into similar contracts from time to time with certain officers and employees of Centex and its subsidiaries who are not directors of Centex. The general effect of the indemnification contracts is to provide that the indemnitees shall be indemnified to the fullest possible extent permitted by the law against all expenses, including attorneys fees, judgments, fines and amounts paid in settlement, actually and reasonably incurred by them in any action or proceeding, including any action by or in the right of Centex, by reason of their service in the foregoing capacities. The provisions of the aforementioned indemnification contracts were approved by Centex's stockholders at the annual meeting of stockholders held on July 16, 1986.

The Second Amended and Restated Agreement of Limited Partnership (the Limited Partnership Agreement) of Centex Development Company, L.P. (CDC) provides that to the fullest extent permitted by law, CDC will indemnify the general partner and its directors, officers, employees and agents and persons serving on behalf of CDC in similar capacities with other entities against liabilities, costs and expenses, including legal fees and expenses, incurred by the general partner or such persons in connection with litigation or threatened litigation, if the general partner or such persons acted in good faith and in a manner they reasonably believed to be in or not opposed to the best interests of CDC, and such general partner's or such other person's conduct did not constitute gross negligence or willful or wanton misconduct and, with respect to any criminal proceeding, did not have any reason to believe his conduct was unlawful. Any indemnification under these provisions will be limited to the assets of CDC.

Pursuant to authority granted by the Nevada General Corporation Law and its respective Articles of Incorporation and Bylaws, each of Centex, Holding and Development, and with respect to CDC, pursuant to the Limited Partnership Agreement, CDC has purchased directors and officers liability insurance.

The foregoing summaries are necessarily subject to the complete text of the statute, articles of incorporation, bylaws, agreements and insurance policies referred to above and are qualified in their entirety by reference thereto.

Item 8. Exhibits.

The information required by this Item 8 is set forth in the Index to Exhibits accompanying this Registration Statement.

Item 9. Undertakings.

(a) The undersigned registrants hereby undertake:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registrant statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) of the Securities Act of 1933 if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Edgar Filing: CENTEX CORP - Form S-8

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrants hereby undertake that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrants' annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934)

5

that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrants pursuant to the foregoing provisions, or otherwise, the registrants have been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by a registrant of expenses incurred or paid by a director, officer or controlling person of such registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, such registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
