**Item 2. Acquisition or Disposition of Assets.**

On December 19, 2002, Progress Software Corporation ( Progress ) completed its acquisition of eXcelon Corporation ( eXcelon ). The acquisition was structured as a merger of Chopin Merger Sub, Inc., a wholly owned subsidiary of Progress, with and into eXcelon. Pursuant to the terms of an Agreement and Plan of Merger, dated as of October 18, 2002, among Progress, Chopin Merger Sub, Inc. and eXcelon, each outstanding share of eXcelon common stock was converted into the right to receive \$3.19 in cash, without interest. In addition, as a result of the acquisition, holders of outstanding options to purchase eXcelon common stock with an excess price of less than \$3.19 per share (the Merger Consideration ) are entitled to receive a cash payment equal to the number of shares of eXcelon common stock subject to such option multiplied by the amount by which the Merger Consideration exceeds the exercise price of such option. The aggregate purchase price of approximately \$24 million is being funded by Progress through cash on hand.

eXcelon shareholders approved the sale of the company to Progress at a special shareholders meeting held on December 18, 2002 at eXcelon s headquarters in Burlington, Massachusetts. eXcelon is a provider of data management software designed to accelerate the performance of distributed applications that are built using Extensible Markup Language and Java and that are deployed on market-leading software platforms.
