PROXY STATEMENT

INFORMATION CONCERNING SOLICITATION AND VOTING

GENERAL

The enclosed proxy is solicited on behalf of SkillSoft Public Limited Company (the "Company") for use at the Annual General Meeting of Shareholders to be held on October 31, 2003 at the offices of William Fry Solicitors, Fitzwilton House, Wilton Place, Dublin 2, Ireland at 9:30 a.m., local time, or at any adjournment of the Annual General Meeting, for the purposes set forth in the accompanying Notice of Annual General Meeting.

These proxy solicitation materials were first mailed on or about September 26, 2003 to ADS holders and to all ordinary shareholders entitled to attend and vote at the Annual General Meeting as of such date.

RECORD DATE

Record Date for Holders of the Company's Ordinary Shares. Holders of the Company's ordinary shares, or Members, whose names appear in the Register of Members, maintained by the Company's registrars, Computershare Investor Services (Ireland) Limited, on the date the proxy statement is mailed to Members are entitled to receive notice of the Annual General Meeting or any adjournment of the Annual General Meeting. In addition, any person who is a Member on the date of the Annual General Meeting is entitled to attend and vote at the Annual General Meeting and any adjournment of the Annual General Meeting.

Record Date for Holders of the Company's ADSs. The Bank of New York, as the registrar and transfer agent for the Company's ADSs, as well as the depositary for the Company's ordinary shares represented by the ADSs, has fixed the close of business on August 18, 2003, which date is the same as the record

Edgar Filing: SKILLSOFT PUBLIC LIMITED CO - Form DEF 14A

date set by the Company, as the record date for determining the ADS holders entitled to give instructions for the exercise of voting rights at the Annual General Meeting and any adjournment of the Annual General Meeting.

As of July 31, 2003, there were 99,619,514 of the Company's ordinary shares, par value E 0.11 per share, issued and outstanding held by approximately 11 holders of record. As of July 31, 2003, there were 99,614,195 of the Company's ADSs issued and outstanding. Each ADS represents one ordinary share. The ADSs are quoted on the NASDAQ National Market under the symbol "SKIL." As of July 31, 2003, there were approximately 382 registered holders of the Company's ADSs. The ordinary shares represented by the ADSs are owned of record by AIB Custodial Nominees Limited on behalf of The Bank of New York.

QUORUM

To conduct business at the Annual General Meeting, a quorum must be present. The Company's Articles of Association provide that the presence at an Annual General Meeting, either in person or by proxy, of three (3) persons entitled to vote at the Annual General Meeting, and who together hold not less than one-third of

3

the Company's voting share capital in issue, each being a Member or a proxy for a Member or a duly authorized representative of a corporate Member, constitutes a quorum for the transaction of business. The Company will treat ordinary shares represented by a properly signed and returned proxy (including holders of shares who abstain or do not vote with respect to one or more of the matters presented for a vote) as present at the meeting for the purposes of determining the presence or absence of a quorum for the transaction of business.

VOTING OF ORDINARY SHARES

Generally. Votes may be given at the Annual General Meeting either personally or by proxy. Voting at the Annual General Meeting will be by a show of hands, unless a poll (a count of the number of shares voted) is duly demanded. On a show of hands, each shareholder present in person and every proxy shall have one vote, provided, that no individual shall have more than one vote, and, on a poll, each shareholder shall have one vote for each share of which he, she or it is the holder. Where there is a tie, whether on a show of hands or on a poll, the chairman of the meeting is entitled to a casting vote in addition to any other vote he may have. A poll may, subject to the provisions of the Irish Companies Acts, be demanded by: (i) the chairman of the meeting; (ii) at least three Members present (in person or by proxy) having the right to attend and vote at the meeting; (iii) any Member or Members present (in person or by proxy) representing in aggregate not less than one-tenth of the total voting rights of all the Members having the right to attend and vote at the meeting; or (iv) a Member or Members present (in person or by proxy) holding the Company's shares conferring the right to attend and vote at the meeting being shares on which an aggregate sum has been paid up equal to not less than one-tenth of the total sum paid up on all the shares conferring that right. On a poll, a person entitled to more than one vote need not use all his, her or its votes or cast all the votes he, she or it uses in the same way.

Proxies. Ordinary shares represented by a properly signed and dated proxy will be voted at the Annual General Meeting in accordance with instructions indicated on the proxy. Proxies that are properly signed and dated but which do not contain voting instructions will be voted FOR approval of each of the proposals presented at the Annual General Meeting as more fully described in this proxy statement. Subject to any limitations imposed by law, a proxy holder may vote the proxy in his, her or its discretion as to any other matter which

Edgar Filing: SKILLSOFT PUBLIC LIMITED CO - Form DEF 14A

may properly come before the Annual General Meeting.

Abstentions. The Company will count a properly executed proxy marked ABSTAIN as present for purposes of determining whether a quorum is present, but the shares represented by that proxy will not be voted at the Annual General Meeting. An abstention will not have an effect on the vote for any of the proposals to be voted upon at the meeting. Shares held by shareholders who abstain from voting as to a particular matter, and shares held in "street name" by brokers or nominees who indicate on their proxies that they do not have discretionary authority to vote such shares as to a particular matter, will not be counted as votes in favor of such matter and will also not be counted as votes cast on such matter. Accordingly, abstentions and "broker non-votes" will have no effect on the voting on the election or re-election of the directors, authorization of the Audit Committee to fix the auditors' remuneration, the approval of the amendment to the Company's 1995 Employee Share Purchase Plan or the consideration of the consolidated financial statements of the Company for the fiscal year ended January 31, 2003 and the Report of the Directors and Auditors thereon.

VOTING OF ADSs

Generally. Holders of ADSs may not vote at the Annual General Meeting. The Bank of New York has the right, subject to certain limitations set forth in the Deposit Agreements among the Company, The Bank of New York and the owners and beneficial owners of ADSs, to vote all of the Company's ordinary shares

4

represented by ADSs. Under the terms of the Deposit Agreements, however, The Bank of New York is required to cast its votes with respect to those ordinary shares for which it receives instructions from the holders of the ADSs representing such ordinary shares in accordance with the instructions received.

Record Date; Notice of Annual General Meeting. Under the terms of the Deposit Agreements, whenever The Bank of New York receives notice of any meeting of holders of ordinary shares, The Bank of New York is required to fix a record date, which shall be the record date, if any, established by the Company for the purpose of such meeting or, if different, as close to the date established by the Company as practicable, for the determination of the owners of ADSs who will be entitled to give instructions for the exercise of voting rights at any such meeting, subject to the provisions of the Deposit Agreements.

Upon receipt of notice of any of the Company's meetings or the solicitation for consents or proxies from the holders of ordinary shares, The Bank of New York is required, if so requested in writing by the Company, as soon as practicable thereafter, to mail to all owners of ADSs a notice, the form of which shall be in the sole discretion of The Bank of New York, containing:

- the information contained in the notice of meeting received by The Bank of New York from the Company;
- a statement that the owners of ADSs at the close of business on a specified record date are entitled, subject to any applicable provisions of Irish law and of the Company's Articles of Association, to instruct The Bank of New York as to the exercise by The Bank of New York of the voting rights, if any, pertaining to the number of ordinary shares represented by their respective ADSs;
- a statement that owners of ADSs who instruct The Bank of New York as to the exercise of their voting rights will be deemed to have instructed The Bank of New York or its authorized representative to call for a poll with respect to each matter for which instructions are given, subject to any

Edgar Filing: SKILLSOFT PUBLIC LIMITED CO - Form DEF 14A

applicable provisions of Irish law and of the Company's Articles of Association; and

- a statement as to the manner in which the instructions may be given, including an express indication that instructions may be given or deemed to be given in accordance with the next paragraph, and if no instruction is received, to The Bank of New York to give a discretionary proxy to a person designated by the Company.

Voting of Ordinary Shares Underlying ADSs. Upon the written request of an owner of ADSs on the record date, received on or before the date established by The Bank of New York for the purpose of such meeting, The Bank of New York will, insofar as practicable, vote or cause to be voted the number of ordinary shares represented by such ADSs in accordance with the instructions set forth in such request. Accordingly, pursuant to the Company's Articles of Association and applicable Irish law, The Bank of New York will cause its authorized representative to attend each meeting of holders of ordinary shares and call for a poll as instructed for the purpose of effecting such vote. The Bank of New York will not vote or attempt to exercise the rights to vote that attach to the ordinary shares other than in accordance with such instructions or deemed instructions.

Discretionary Proxies. The Deposit Agreements provide that if no instructions are received by The Bank of New York from any owner of ADSs with respect to any of the ordinary shares represented by the ADSs on or before the date established by The Bank of New York for the purpose of such meeting, The Bank of New York will deem such owner of ADSs to have instructed The Bank of New York to give a discretionary proxy to a person designated by the Company with respect to such ordinary shares and The Bank of New York will give a discretionary proxy to a person designated by the Company to vote such ordinary shares, under circumstances and according to the terms as set forth in the Deposit Agreements. However, no such instructions will be deemed given and no such discretionary proxy will be given if the Company notifies The

5

Bank of New York, and the Company has agreed to provide such notice as promptly as practicable in writing, that the matter to be voted upon is one of the following:

- a matter not submitted to shareholders by means of a proxy statement comparable to that specified in Schedule 14A promulgated by the U.S. Securities and Exchange Commission (the "SEC") pursuant to the U.S. Securities Exchange Act of 1934, as amended (the "Exchange Act");
- the subject of a counter-solicitation, or is part of a proposal made by a shareholder which is being opposed by the Company's management (i.e., a contest);
- relates to a merger or consolidation in limited circumstances involving a merger between the Company and a wholly-owned subsidiary;
- involves rights of appraisal;
- authorizes mortgaging of property;
- authorizes or creates indebtedness or increases the authorized amount of indebtedness;
- authorizes or creates preference shares or increases the authorized amount of existing preference shares;

Edgar Filing: SKILLSOFT PUBLIC LIMITED CO - Form DEF 14A

- alters the terms or conditions of any shares then outstanding or existing indebtedness;
- involves the waiver or modification of preemptive rights, except when the Company's proposal is to waive such rights for ordinary shares being offered under share option or purchase plans involving the additional issuance of not more than 5% of the Company's outstanding ordinary shares;
- alters voting provisions or the proportionate voting power of a class of shares, or the number of its votes per share, except where cumulative voting provisions govern the number of votes per share for election of directors and the Company's proposal involves a change in the number of the Company's directors by not more than 10% or not more than one;
- changes existing quorum requirements for shareholder meetings;
- authorizes the issuance of ordinary shares, or options to purchase ordinary shares, to the Company's directors, officers, or employees in an amount which exceeds 5% of the total amount of the class outstanding. However, when no plan is amended to extend its duration, the Company shall factor into the calculation the number of ordinary shares that remain available for issuance, the number of ordinary shares subject to outstanding options and any ordinary shares being added. Should there be more than one plan being considered at the same meeting, all ordinary shares will be aggregated;
- authorizes (a) a new profit-sharing or special remuneration plan, or a new retirement plan, the annual cost of which will amount to more than 10% of the Company's average annual income before taxes for the preceding five years, or (b) the amendment of an existing plan which would bring the annual costs above 10% of such average annual income before taxes. Should there be more than one plan being considered at the same meeting, all costs are aggregated; exceptions may be made in cases of: (1) retirement plans based on agreement or negotiations with labor unions or which have been or are to be approved by such unions, and (2) any related retirement plan for the benefit of non-union employees having terms substantially equivalent to the terms of such union-negotiated plan, which is submitted for action of shareholders concurrently with such union-negotiated plan;
- changes the Company's purposes or powers to an extent which would permit the Company to change to a materially different line of business and the Company's stated intention is to make such a change;

6

- authorizes the acquisition of property, assets or a company, where the consideration to be given has a fair value of 20% or more of the market value of the Company's previously outstanding ADSs and ordinary shares;
- authorizes the sale or other disposition of 20% or more of the Company's assets or earning power as measured prior to the closing of the transactions;
- authorizes a transaction which is not in the ordinary course of business in which an officer, director or substantial security holder of the Company has a direct or indirect interest; or
- reduces the Company's earned surplus by 51% or more, or reduces earned surplus to an amount less than the aggregate of three years' ordinary

Edgar Filing: SKILLSOFT PUBLIC LIMITED CO - Form DEF 14A

share dividends computed at the current dividend rate.

Each proposal to be acted upon at the Annual General Meeting is a matter for which The Bank of New York may deem that instruction has been given for The Bank of New York to give a discretionary proxy to a person designated by the Company where no instruction is received. Therefore, The Bank of New York will give a discretionary proxy to a person designated by the Company to vote such ordinary shares for which no instruction has been given.

Inspection of Reports. The Bank of New York will make available for inspection by the owners of ADSs at its Corporate Trust Office any reports and communications, including any proxy soliciting material, received from the Company, which are both (a) received by The Bank of New York as the holder of the ordinary shares and (b) generally made available to the holders of ordinary shares by the Company. The Bank of New York will also send to the owners of ADSs copies of such reports when furnished by the Company pursuant to the Deposit Agreements.

EXPENSES OF SOLICITATION OF PROXIES

The Company will pay the cost of preparing, assembling, printing and mailing the proxy statement, the Notice of Annual General Meeting of Shareholders and the enclosed form of proxy, as well as the cost of soliciting proxies relating to the Annual General Meeting. Following the original mailing of the proxies and other solicitation materials, the Company will request banks, brokers, dealers and voting trustees or other nominees, including The Bank of New York in the case of the ADSs, to solicit their customers who are owners of shares listed of record and names of nominees, and will reimburse them for reasonable out-of-pocket expenses of such solicitation.

In addition to solicitation by mail, directors, officers and key employees of the Company may solicit proxies in person or by telephone, telegram or other means of communications. These persons will receive no additional compensation for solicitation of proxies but may be reimbursed for reasonable out-of-pocket expenses.

PROPOSAL FIVE -- INCREASE IN NUMBER OF SHARES UNDER THE 1995 EMPLOYEE SHARE PURCHASE PLAN

GENERAL

On May 15, 2003, the Board of Directors adopted, subject to shareholder approval at the Annual General Meeting, an amendment to the 1995 Employee Share Purchase Plan (the "ESPP") increasing the total number of shares reserved for issuance by an additional 800,000 ordinary shares to an aggregate of 3,800,000 ordinary shares. This amendment will enable the Company to continue to grant purchase rights to eligible employees under the terms and conditions of the ESPP.

The Board of Directors believes that the approval of the amendment to the ESPP is in the Company's best interests and that of the Company's shareholders. SUMMARY OF THE 1995 EMPLOYEE SHARE PURCHASE PLAN

The ESPP was adopted by the Board of Directors and approved by the Company's shareholders on March 31, 1995. The ESPP, which is intended to qualify under Section 423 of the U.S. Internal Revenue Code of 1986, as amended ("Section 423") permits eligible employees to purchase the Company's ordinary shares through payroll deductions at a price equal to 85% of the lower of the fair market value of the ordinary shares on the first day of the applicable six-month offering period or the last day of the applicable six-month offering period. The Company reserved a total of 3,000,000 ordinary shares for issuance under the ESPP, and as of September 4, 2003, 923,400 shares remained available for future issuances.

The following summary of the ESPP is qualified in its entirety by the specific language of the ESPP, a copy of which is available to any shareholder upon written request to the Secretary of the Company.

PURPOSE

The purposes of the ESPP are to attract and retain the best available personnel for positions of substantial responsibility, to provide additional incentive to the Company's employees and to promote the success of the Company's business.

ADMINISTRATION

The ESPP may be administered by the Board of Directors or a committee of the Board of Directors, which committee is required to be constituted to comply with Rule 16b-3 under the Exchange Act, if applicable, and other applicable laws.

15

ELIGIBILITY; LIMITATIONS

The ESPP provides that employees are eligible to participate if they are customarily employed by the Company or any designated subsidiary for at least 20 hours per week and for more than five months in any calendar year.

TERMS AND CONDITIONS OF SUBSCRIPTION

Participation in the ESPP is evidenced by a written subscription agreement between the employee and the Company and is subject to the following terms and conditions of the ESPP:

(a) Purchase Price and Method. Generally, employees who participate in the ESPP may purchase ordinary shares having up to a maximum value of \$25,000 in any calendar year (the "Maximum Purchase Amount") through payroll deductions of up to 20% of their eligible compensation. Payroll

Edgar Filing: SKILLSOFT PUBLIC LIMITED CO - Form DEF 14A

deductions may be further limited in any offering period to comply with the provisions of Section 423. In each determination of the Maximum Purchase Amount, the fair market value is determined as of the first day of the applicable six-month offering period. The price of ordinary shares purchased under the ESPP is 85% of the lower of the fair market value of the ordinary shares on the first day of the applicable six-month offering period and the last day of the applicable six-month offering period.

(b) Offering Periods. The current offering period, which commenced on November 1, 2002, will terminate on the first trading day on or after the last day of the month (the "Effective Month") during which the Registration Statement on Form S-8 filed by the Company with the SEC on September 3, 2002 becomes available for the issuance of the Company's ordinary shares under the ESPP. The next offering period will commence on or after the first trading day on or after the first day in the month immediately following the Effective Month and shall terminate on the first trading day on or after November 30, 2003. Thereafter, the subsequent offering periods will commence on the first trading day on or after June 1 and December 1 and terminate on the first trading day on or after November 30 and May 31. If the current offering period terminates on September 30, 2003, the next offering period will commence on the first trading day on or after the first day in the month immediately following the Effective Month and shall terminate on the first trading day on or after February 28, 2004 and subsequent offering periods will commence on the first trading day on or after March 1 and September 1 and terminate on the first trading day on or after August 31 and February 28.

(c) Withdrawal; Termination of Employment. If an employee decides to terminate his or her participation in the ESPP, all the payroll deductions credited to his or her purchase account will be withdrawn, and returned to him or her. Upon the termination of employment for any reason, all payroll deductions will likewise be returned to the (former) employee.

(d) Death. A participating employee may designate who is to receive any shares and cash, if any, from the participant's account under the ESPP in the event of such participant's death subsequent to exercising a purchase option but prior to delivery of the ordinary shares.

(e) Nontransferability. Payroll deductions and rights granted under the ESPP are not transferable by a participant other than by will, the laws of descent and distribution, or as otherwise provided under the ESPP, and the Company may treat any prohibited attempt to transfer as an election to withdraw.

(f) Other Provisions. The subscription agreement may contain such other terms, provisions and conditions not inconsistent with the ESPP as may be determined by the administrator of the ESPP.

16

ADJUSTMENT UPON CHANGES IN CAPITALIZATION; CORPORATE TRANSACTIONS

In the event of changes in the issued ordinary shares by reason of any share splits, reverse share splits, share dividends, combinations, reclassifications or other similar change in the number of the Company's ordinary shares, an appropriate adjustment shall be made by the Board of Directors in the following: (i) the number and class of ordinary shares subject to the ESPP and (ii) the number and class of ordinary shares subject to any purchase rights outstanding under the ESPP. The determination of the Board of Directors as to which adjustments shall be made shall be conclusive. In the event of a proposed dissolution or liquidation of the Company, the offering

Edgar Filing: SKILLSOFT PUBLIC LIMITED CO - Form DEF 14A

period then in progress shall terminate immediately prior to the consummation of such proposed action, unless otherwise provided by the Board of Directors.

Notwithstanding the above, in the event of a merger of the Company with or into another corporation or the sale of all or substantially all of the assets of the Company, each purchase right shall be assumed or an equivalent option shall be substituted by such successor corporation, unless the Board of Directors determines, in lieu of such assumption or substitution, to (i) shorten the offering period then in progress by setting a new exercise date and any offering period then in progress shall end on the new exercise date or (ii) cancel each outstanding right to purchase and refund all sums collected from participants during the offering period then in progress.

AMENDMENT AND TERMINATION OF THE ESPP

The Board of Directors may at any time amend or terminate the ESPP. The Company shall obtain shareholder approval of any amendment to the ESPP in such a manner and to such a degree as is necessary and desirable to comply with Section 423 (or any other applicable law or regulation, including the requirements of any exchange or quotation system on which the ordinary shares or the ADSs representing ordinary shares are traded). Any amendment of the ESPP shall not adversely affect the rights of participants with respect to purchase options already granted. Termination of the ESPP shall not affect purchase options already granted. The ESPP shall terminate on February 28, 2005 unless earlier terminated by the Board of Directors.

FEDERAL INCOME TAX CONSEQUENCES

No income will be taxable to a participant until the shares purchased under the ESPP are sold or otherwise disposed of. Upon sale or other disposition of the ordinary shares, the participant will generally be subject to tax and the amount of the tax will depend upon the holding period. If the ordinary shares are sold or otherwise disposed of more than two (2) years from the first day of the offering period and more than one (1) year from the date of transfer of the ordinary shares to the participant or ("the Statutory Holding Periods"), then the participant will recognize ordinary income measured as the lesser of (i) the excess of the fair market value of the ordinary shares at the time of such sale or disposition over the purchase price, or (ii) an amount equal to 15% of the fair market value of the shares as of the first day of the offering period. Any additional gain will be treated as long-term capital gain. If the participant sells the stock at a loss (if the sale proceeds are less than the purchase price) after satisfying the Statutory Holding Periods, the loss will be a long-term capital loss. Net capital gains on assets held for more than twelve months are currently taxed at a maximum federal rate of 15%. Capital losses are allowed in full against capital gains and up to \$3,000 against other income. If the ordinary shares are sold or otherwise disposed of before the expiration of the Statutory Holding Periods, the participant will recognize ordinary income generally measured as the excess of the fair market value of the ordinary shares on the date the ordinary shares are purchased over the purchase price. If the participant's profit exceeds the compensation income, then the excess profit will be capital gain. If the participant's profit is less than the compensation income, then the participant will have a capital loss equal to the value of the stock on the day he purchased the stock less the sales proceeds. This capital gain or loss will

17

be long-term or short-term capital gain or loss, depending on the length of the holding periods. The Company is not entitled to a deduction for amounts taxed as ordinary income or capital gain to a participant except to the extent ordinary income is recognized by participants upon the sale or disposition of ordinary shares prior to the expiration of the Statutory Holding Periods described above.

THE FOREGOING IS ONLY A SUMMARY OF THE EFFECT OF FEDERAL INCOME TAXATION UPON THE PARTICIPANT AND THE COMPANY WITH RESPECT TO THE SHARES PURCHASED UNDER THE ESPP. REFERENCE SHOULD BE MADE TO THE APPLICABLE PROVISIONS OF THE CODE. IN ADDITION, THE SUMMARY DOES NOT DISCUSS THE TAX CONSEQUENCES OF A PARTICIPANT'S DEATH OR THE INCOME TAX LAWS OF ANY STATE OR FOREIGN COUNTRY IN WHICH THE PARTICIPANT MAY RESIDE.

MANAGEMENT AND BOARD OF DIRECTORS INFORMATION

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth certain information as of July 31, 2003 with respect to the beneficial ownership of the Company's ADSs by:

- each person known to the Company to own beneficially more than 5% of the Company's outstanding securities;
- each director;

Edgar Filing: SKILLSOFT PUBLIC LIMITED CO - Form DEF 14A

- each of the Named Executive Officers; and
- the current directors and executive officers of the Company as a group.

The number of ADSs beneficially owned by each 5% shareholder, director or executive officer is determined under rules of the SEC. Under such rules, beneficial ownership includes any shares as to which the individual or entity has sole or shared voting power or investment power and includes any ADSs representing the ordinary shares which the individual has the right to acquire on or before September 29, 2003 through the exercise of share options, and any reference in the footnotes to this table to shares subject to share options refers only to share options that are so exercisable. For purposes of computing the percentage of outstanding ADSs held by each person or entity, any shares which that person or entity has the right to acquire on or before September 29, 2003, are deemed to be outstanding but are not deemed to be outstanding for the purpose of computing the percentage ownership of any other person. Unless otherwise indicated, each person or entity has sole investment and voting power (or shares such power with his or her spouse) with respect to the shares set forth in the following table. The inclusion herein of any shares deemed beneficially owned does not constitute an admission of beneficial ownership of those shares. As of July 31, 2003, the Company had approximately 99,619,514 ordinary shares outstanding. The shareholders of the Company may elect to hold their respective shares of the Company's outstanding securities in the form of ordinary shares or ADSs. In addition, holders of options to purchase ordinary shares of the Company may, upon exercise of their options, elect to receive such ordinary shares in the form of ADSs. The 5% shareholders, directors and executive officers identified in the following table hold their respective shares of the Company's outstanding securities in the form of ADSs.

DIRECTORS' COMPENSATION

No director receives any cash compensation for his services as a member of the Company's Board of Directors or any committee of the Board of Directors, although each director is reimbursed for his expenses in attending Board of Directors and related committee meetings. As described in the following paragraph, non-employee directors may receive stock compensation for their services as a member of the Board of Directors.

On initial election to the Board of Directors, each new non-employee director receives an option to purchase 25,000 ordinary shares under the Company's Director Plan. Each non-employee director who has been a director for at least six months receives an option to purchase 10,000 ordinary shares on January 1st of each year. All options granted under the Director Plan have a term of ten years and an exercise price equal to fair market value of the ordinary shares on the date of grant. Each option becomes exercisable as to 25% of the shares subject to the option on each anniversary of the date of grant, provided the non-employee director remains a director on such dates. Upon exercise of an option, the non-employee director may elect to receive his ordinary shares in the form of ADSs. After termination as a non-employee director, an optionee may exercise an option during the period set forth in his option agreement. If termination is due to death or disability, the option will remain exercisable for 12 months. In all other cases, the option will remain exercisable for a period of three months. However, an option may never be exercised later than the expiration of its ten-year term. A non-employee director may not transfer options granted under the Director Plan other than by will or the laws of descent and distribution. Only the non-employee director may exercise the option during his lifetime. In the event of the Company's merger with or into another corporation or a sale of substantially all of the Company's assets, the successor corporation may assume, or substitute a new option in place of, each option. If such assumption or substitution occurs, the options will continue to be exercisable according to the same terms as before the merger or sale of assets. Following such assumption or substitution, if a non-employee director is terminated other than by voluntary resignation, the option will become fully exercisable and generally will remain exercisable for a period of three months. If the outstanding options are not assumed or substituted for, the Company's Board of Directors will notify each non-employee director that he has the right to exercise the option as to all shares subject to the option for a period of 30 days following the date of the notice. The option will terminate upon the expiration of the 30-day period. Unless terminated sooner, the Director Plan will automatically terminate in 2011. The Company's Board of Directors has the authority to amend, alter, suspend, or discontinue the Director Plan, but no such action may adversely affect any grant previously made under the Director Plan.

On November 26, 2001, Dr. von Prondzynski was granted an option to purchase 25,000 ordinary shares at an exercise price of \$20.68 per share reflecting his appointment to the Board of Directors in November 2001. Upon appointment to the Board of Directors on September 6, 2002, Messrs. Coleman, Edelstein and Gross were each granted an option to purchase 25,000 ordinary shares at an exercise price of \$4.25 per share. On January 1, 2002, Mr. Krzywicki was granted an option to purchase 10,000 ordinary shares at an exercise price of \$24.80 per share. On January 1, 2003, Mr. Krzywicki and Dr. von Prondzynski were each

- (1) All options granted to the Named Executive Officers were granted under the Company's 1994 Share Option Plan (the "1994 Plan") and 2002 Plan. The exercise price of all options was equal to the fair market value of the Company's ADSs on the date of grant. In general, under each of the 1994 Plan and the 2002 Plan, such options vest as to 25% of the ordinary shares subject to the option one year from the vesting commencement date, which is generally the date of grant or the date of hire of the optionee, and as to 1/48th of the shares subject to the option each month thereafter. The options are generally not transferable by the optionee, are exercisable for a ten year period from the date of the grant, and must generally be exercised within three months after the end of the optionee's status as an employee or within twelve months after the optionee's death or disability. This table excludes options granted by SkillSoft Corporation prior to the merger on September 6, 2002 to each of Messrs. Moran, Nine, McDonald and Townsend, which options were assumed by the Company in connection with the merger and, based on the merger exchange ratio of 1 share of SkillSoft Corporation common stock for 2.3674 ordinary shares of the Company, are exercisable to purchase an aggregate of 1,657,180, 1,065,330, 946,960 and 946,960 ordinary shares, respectively, at an exercise price of \$4.06 per share.
- (2) Based on a total of 7,060,844 ordinary shares subject to options granted by the Company to its employees during the 13 months ended January 31, 2003.
- (3) Amounts represent hypothetical gains that could be achieved for the respective options if exercised at the end of the option term. These gains

are based on assumed rates of share price appreciation of 5% and 10% compounded annually from the date the respective options were granted to their expiration date. The grants shown are net of their option exercise price but do not include deductions for taxes or other expenses associated with the exercise of the option or the sale of the underlying shares. The actual gains, if any, on the exercises of options will depend on the market price of the ADSs, the optionee's continued employment through the option period, and the date on which the options are exercised.

- (4) Pursuant to Mr. Newton's severance agreement, Mr. Newton's options continue to vest until September 6, 2005 (see "Severance Agreements -- Jeffrey N. Newton's Severance Agreement").

Fiscal Year-End Option Value Table. The following table provides certain information concerning the value of unexercised share options held by each of the Named Executive Officers as of January 31, 2003. COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

McDonagh, who served until his resignation as a director on September 6, 2002, and Messrs. Coleman and Gross (Chair), who were appointed as members of the Compensation Committee in October 2002. No executive officer of the Company has served as a director or member of the compensation committee of any other entity whose executive officers served as a director or member of the Company's Compensation Committee.

REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS ON EXECUTIVE COMPENSATION

This report is submitted by the Compensation Committee of the Board of Directors. During the fiscal year ended January 31, 2003, the Compensation Committee was responsible for administering and granting options to the Company's executive officers under the Company's stock plans and reviewing and approving compensation matters concerning the executive officers and key employees of the Company.

Overview and Philosophy. The Company uses its compensation program to achieve the following objectives:

- To provide compensation that attracts, motivates and retains the talented, high caliber officers and employees necessary to achieve the

Edgar Filing: SKILLSOFT PUBLIC LIMITED CO - Form DEF 14A

Company's strategic objectives, as determined by the Board of Directors.

- To align the interest of officers with the success of the Company.
- To align the interest of officers with shareholders by including long-term equity incentives.
- To increase the long-term profitability of the Company and, accordingly, increase shareholder value.

Compensation under the executive compensation program is comprised of cash compensation in the form of base salary, bonuses, and long-term incentive awards, generally in the form of share options. In addition, the compensation program includes various other benefits, including medical and insurance plans, the Company's 401(k) Plan, the 1995 Employee Share Purchase Plan and other employee benefit plans, which plans are generally available to all employees of the Company.

The principal factors which the Compensation Committee considered with respect to each officer's compensation package for fiscal year ended January 31, 2003 are summarized below. The Board of Directors or the Compensation Committee may, however, in its discretion, apply different or additional factors in making decisions with respect to executive compensation in future years.

Base Salary. Compensation levels for each of the Company's officers, including the Chief Executive Officer, are generally set within the range of salaries that the Compensation Committee believes are paid to officers with comparable qualifications, experience and responsibilities at similar companies. In setting compensation levels, the Compensation Committee takes into account such factors as (i) the Company's past performance and future expectations, (ii) individual performance and experience, (iii) past salary levels, which includes salaries paid historically by two different companies (SkillSoft PLC, formerly SmartForce PLC, and SkillSoft Corporation), and (iv) minimum salary levels set by employment agreements. The Compensation Committee does not assign relative weights or ranking to these factors, but instead makes a

33

determination based upon the consideration of all of these factors as well as the progress made with respect to the Company's long-term goals and strategies.

Base salary, while reviewed annually, is only adjusted as deemed necessary by the Compensation Committee in determining total compensation for each officer. Base salary levels for each of the Company's officers, other than the Chief Executive Officer, were also based in part upon evaluations and recommendations made by the Chief Executive Officer.

Equity Incentives. The Compensation Committee believes that share ownership aligns officers' interests with those of the shareholders. In addition, the Compensation Committee believes that equity ownership by officers helps to balance the short term focus of annual incentive compensation with a longer term view and may help to retain key executive officers. Long term incentive compensation, generally granted in the form of options, allows the officers to share in any appreciation in the value of the Company's ADSs.

In making option grants, the Compensation Committee considers general corporate performance, individual contributions to the Company's financial, operational and strategic objectives, the Chief Executive Officer's recommendations, level of seniority and experience, existing levels of share ownership, previous grants of options, vesting schedules of options and the current share price.

Edgar Filing: SKILLSOFT PUBLIC LIMITED CO - Form DEF 14A

Incentive Bonuses. Mr. Priest received \$250,000 as a bonus earned and approved prior to the merger with SkillSoft Corporation on September 6, 2002. Mr. Darcy's bonus in the amount of \$66,250 was paid pursuant to the compensation plan in effect for him prior to Mr. Darcy becoming an executive officer. The Company did not pay any other incentive bonuses to its officers.

Other Benefits. The Company also has various broad-based employee benefit plans. Executive officers may participate in these plans on the same terms as eligible, non-executive employees, subject to any legal limits on the amounts that may be contributed or paid to executive officers under these plans. The Company offers a share incentive plan and a 401(k) plan, which allows employees to invest in a wide array of funds on a pre-tax basis. The Company also maintains insurance and other benefit plans for its employees, including executive officers of the Company.

Executive Compensation and Compensation of the Chief Executive Officer for the Fiscal Year Ended January 31, 2003. Executive compensation for the fiscal year ended January 31, 2003 included base salary and the issuance of options. The Company's President and Chief Executive Officer since September 6, 2002, Charles E. Moran, received a base salary of \$93,750 for the period from the Company's merger with SkillSoft Corporation on September 6, 2002 through January 31, 2003. Mr. Moran's current annual base salary is \$250,000. The base salary is believed by the Compensation Committee to be consistent with the range of salary levels received by executives in a similar capacity in companies of comparable size and stage of development.

In the fiscal year ended January 31, 2003, Gregory M. Priest, the Company's President and Chief Executive Officer until September 6, 2002, received a base salary of \$270,833. In addition to the bonus described above, Mr. Priest was granted options to purchase 412,500 shares at an exercise price per share of \$5.55 and options to purchase 1,725,000 shares at an exercise price per share of \$3.30.

Tax Deductibility of Executive Compensation. Section 162(m) of the Internal Revenue Code of 1986, as amended, generally disallows a tax deduction to public companies for certain compensation in excess of \$1 million paid to the company's Chief Executive Officer and the four other most highly compensated executive officers. Certain compensation, including qualified performance-based compensation, will not be subject to the deduction limit if certain requirements are met. In general, the Company structures and administers its option plans in a manner intended to comply with the performance-based exception to Section 162(m). Nevertheless, there can be no assurance that compensation attributable to awards granted

34

under the stock option plans will be treated as qualified performance-based compensation under Section 162(m). In addition, the Compensation Committee reserves the right to use its judgment to authorize compensation payments that may not be deductible when the Compensation Committee believes such payments are appropriate and in the best interests of the Company and its shareholders, after taking into consideration changing business conditions and the performance of its employees.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee of the Company's Board of Directors is composed of four members and acts under a written charter. The Audit Committee and the full Board of Directors reassessed the Audit Committee charter and the Board of Directors adopted a new Audit Committee charter, which is attached as Appendix A, in May 2003. Each of the members of the Audit Committee is an independent director, as that term is defined in the charter of the Audit Committee and in the rules of the NASDAQ Stock Market.

The Audit Committee reviewed the Company's audited financial statements for the fiscal year ended January 31, 2003 and discussed these financial statements with the Company's management. Management is responsible for the Company's internal controls and the financial reporting process. The Company's independent auditors are responsible for performing an independent audit of the Company's financial statements in accordance with generally accepted accounting principles and for issuing a report on those financial statements.

As appropriate, the Audit Committee reviews and evaluates, and discusses with the Company's management, internal accounting and financial personnel and the independent auditors, the following:

- the plan for, and the independent auditors' report on, each audit of the Company's financial statements;
- the Company's financial disclosure documents, including all financial statements and reports filed with the SEC or sent to shareholders;
- management's selection, application and disclosure of critical accounting policies;
- changes in the Company's accounting practices, principles, controls or methodologies;
- significant developments or changes in accounting rules applicable to the Company; and
- the adequacy of the Company's internal controls and accounting, financial and auditing personnel.

The Company's independent auditors also provided the Audit Committee with the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). Independence Standards Board Standard No. 1 requires auditors annually to disclose in writing all relationships that in the auditor's professional opinion may reasonably be thought to bear on independence, confirm their perceived independence and engage in a discussion of independence. The Audit

35

Committee discussed with the independent auditors the matters disclosed in this letter, their independence from the Company and other matters. The Audit Committee also considered whether the independent auditors' provision of the other, non-audit related services to the Company which are referred to in "Proposal Four -- Authorization of Audit Committee to Fix Auditors' Remuneration" is compatible with maintaining such auditors' independence.

Based on its discussions with management and the independent auditors, and its review of the representations and information provided by management and the independent auditors, the Audit Committee recommended to the Company's Board of Directors that the audited financial statements be included in the Company's

(d) The Board shall have the power to change the duration of Offering Periods (including the commencement dates thereof) with respect to future offerings without shareholder approval if such change is announced at least fifteen (15) days prior to the scheduled beginning of the first Offering Period to be affected thereafter.

5. Participation.

(a) An eligible Employee may become a participant in the Plan by completing a subscription agreement authorizing payroll deductions in the form of Exhibit A to this Plan and filing it with the Company's payroll office prior to the applicable Enrollment Date.

(b) Payroll deductions for a participant shall commence on the first payroll following the Enrollment Date and shall end on the last payroll in the Offering Period to which such authorization is applicable, unless sooner terminated by the participant as provided in Section 10 hereof.

6. Payroll Deductions.

(a) At the time a participant files his or her subscription agreement, he or she shall elect to have payroll deductions made on each pay day during the Offering Period in an amount not exceeding twenty percent (20%) of the Compensation which he or she receives on each pay day during the Offering Period.

(b) All payroll deductions made for a participant shall be credited

Edgar Filing: SKILLSOFT PUBLIC LIMITED CO - Form DEF 14A

to his or her account under the Plan and will be withheld in whole percentages only. A participant may not make any additional payments into such account.

(c) A participant may discontinue his or her participation in the Plan as provided in Section 10 hereof, or may increase or decrease the rate of his or her payroll deductions during the Offering Period by completing or filing with the Company a new subscription agreement authorizing a change in payroll deduction rate. The Board may, in its discretion, limit the number of participation rate changes during any Offering Period. The change in rate shall be effective with the first full payroll period following five (5) business days after the Company's receipt of the new subscription agreement unless the Company elects to process a given change in participation more quickly. A participant's subscription agreement shall remain in effect for successive Offering Periods unless terminated as provided in Section 10 hereof.

(d) Notwithstanding the foregoing, to the extent necessary to comply with Section 423(b)(8) of the Code and Section 3(b) hereof, a participant's payroll deductions may be decreased to zero percent (0%) at such time during any Offering Period which is scheduled to end during the current calendar year (the "Current Offering Period") that the aggregate of all payroll deductions which were previously used to purchase shares under the Plan in a prior Offering Period which ended during that calendar year plus all payroll deductions accumulated with respect to the Current Offering Period equal \$21,250. Payroll deductions shall recommence at the rate provided in such participant's subscription agreement at the beginning of the first Offering Period

C-3

which is scheduled to end in the following calendar year, unless terminated by the participant as provided in Section 10 hereof.

(e) At the time the option is exercised, in whole or in part, or at the time some or all of the Company's Ordinary Shares issued under the Plan is disposed of, the participant must make adequate provision for the Company's federal, state, or other tax withholding obligations, if any, which arise upon the exercise of the option or the disposition of the Ordinary Shares. At any time, the Company may, but will not be obligated to, withhold from the participant's compensation the amount necessary for the Company to meet applicable withholding obligations, including any withholding required to make available to the Company any tax deductions or benefits attributable to sale or early disposition of Ordinary Shares by the Employee.

7. Grant of Option. On the Enrollment Date of each Offering Period, each eligible Employee participating in such Offering Period shall be granted an option to purchase on the Exercise Date of such Offering Period (at the applicable Purchase Price) up to a number of shares of the Company's Ordinary Shares determined by dividing such Employee's payroll deductions accumulated prior to such Exercise Date and retained in the Participant's account as of the Exercise Date by the applicable Purchase Price. In no event shall an Employee be permitted to purchase during each Offering Period more than a number of Shares determined by dividing \$50,000 by the Fair Market Value of a share of the Company's Ordinary Shares on the Enrollment Date. Each such purchase shall be subject to the limitations set forth in Sections 3(b) and 12 hereof. Exercise of the option shall occur as provided in Section 8 hereof, unless the participant has withdrawn pursuant to Section 10 hereof, and shall expire on the last day of the Offering Period.

8. Exercise of Option. Unless a participant withdraws from the Plan as provided in Section 10 hereof, his or her option for the purchase of shares shall be exercised automatically on the Exercise Date, and the maximum number of full shares subject to option shall be purchased for such participant at the applicable Purchase Price with the accumulated payroll deductions in his or her account. No fractional shares shall be purchased; any payroll deductions accumulated in a participant's account which are not sufficient to purchase a full share shall be retained in the participant's account for the subsequent Offering Period, subject to earlier withdrawal by the participant as provided in Section 10 hereof. Any other monies left over in a participant's account after the Exercise Date shall be returned to the participant. During a participant's lifetime, a participant's option to purchase shares hereunder is exercisable only by him or her.

9. Delivery. Shares purchased by a participant upon exercise of his or her option shall, at the election of the participant, be issued (i) in the name of the participant or the participant and the participant's spouse, or (ii) in the name of AIB Custodial Nominees Limited, having its registered office at P.O. Box 518, IFSC, Dublin 1, Ireland, to hold the shares as nominee and on behalf of the participant and subject to the participant's instructions.

10. Withdrawal; Termination of Employment.

(a) A participant may withdraw all but not less than all the payroll deductions credited to his or her account and not yet used to exercise his or her option under the Plan at any time by giving written notice to the Company in the form of Exhibit B to this Plan. All of the participant's payroll deductions credited to his or her account will be paid to such participant promptly after receipt of notice of withdrawal and such participant's option for the Offering Period will be automatically terminated, and no further payroll deductions for the purchase of shares will be made during the Offering Period. If a participant withdraws from an Offering Period, payroll deductions will not resume at the beginning of the succeeding Offering Period unless the participant delivers to the Company a new subscription agreement.

(b) Upon a participant's ceasing to be an Employee (as defined in Section 2(g) hereof) for any reason, he or she will be deemed to have elected to withdraw from the Plan and the payroll deductions credited to such participant's account during the Offering Period but not yet used to exercise the option will be returned to such participant or, in the case of his or her death, to the person or persons entitled thereto under Section 14 hereof, and such participant's option will be automatically terminated. The preceding sentence notwithstanding, a participant who receives payment in lieu of notice of termination of employment shall be treated as continuing to be an Employee for the participant's customary number of hours per week of employment during the period in which the participant is subject to such payment in lieu of notice.

C-4

(c) A participant's withdrawal from an Offering Period will not have any effect upon his or her eligibility to participate in any similar plan which may hereafter be adopted by the Company or in succeeding Offering Periods which commence after the termination of the Offering Period from which the participant withdraws.

Edgar Filing: SKILLSOFT PUBLIC LIMITED CO - Form DEF 14A

11. Interest. No interest shall accrue on the payroll deductions of a participant in the Plan.

12. Shares.

(a) The maximum number of the Company's Ordinary Shares which shall be made available for sale under the Plan shall be 3,800,000 Ordinary Shares (which will be represented by 3,800,000 American Depositary Shares), subject to adjustment upon changes in capitalization of the Company as provided in Section 18 hereof. If on a given Exercise Date the number of shares with respect to which options are to be exercised exceeds the number of shares then available under the Plan, the Company shall make a pro rata allocation of the shares remaining available for purchase in as uniform a manner as shall be practicable and as it shall determine to be equitable.

(b) The participant will have no interest or voting right in shares covered by his option until such option has been exercised.

13. Administration.

(a) Administrative Body. The Plan shall be administered by the Board or a committee of members of the Board appointed by the Board. The Board or its committee shall have full and exclusive discretionary authority to construe, interpret and apply the terms of the Plan, to determine eligibility and to adjudicate all disputed claims filed under the Plan. Every finding, decision and determination made by the Board or its committee shall, to the full extent permitted by law, be final and binding upon all parties.

(b) Rule 16b-3 Limitations. Notwithstanding the provisions of Subsection (a) of this Section 13, in the event that Rule 16b-3 promulgated under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), or any successor provision ("Rule 16b-3") provides specific requirements for the administrators of plans of this type, the Plan shall be administered only by such a body and in such a manner as shall comply with the applicable requirements of Rule 16b-3. Unless permitted by Rule 16b-3, no discretion concerning decisions regarding the Plan shall be afforded to any committee or person that is not "disinterested" as that term is used in Rule 16b-3.

14. Designation of Beneficiary.

(a) A participant may file a written designation of a beneficiary who is to receive any shares and cash, if any, from the participant's account under the Plan in the event of such participant's death subsequent to an Exercise Date on which the option is exercised but prior to delivery to such participant of such shares and cash. In addition, a participant may file a written designation of a beneficiary who is to receive any cash from the participant's account under the Plan in the event of such participant's death prior to exercise of the option. If a participant is married and the designated beneficiary is not the spouse, spousal consent shall be required for such designation to be effective.

(b) Such designation of beneficiary may be changed by the participant at any time by written notice. In the event of the death of a participant and in the absence of a beneficiary validly designated under the Plan who is living at the time of such participant's death, the Company shall deliver such shares and/or cash to the executor or administrator of the estate of the participant, or if no such executor or administrator has been appointed (to the knowledge of the Company), the Company, in its discretion, may deliver such shares and/or cash to the

Edgar Filing: SKILLSOFT PUBLIC LIMITED CO - Form DEF 14A

spouse or to any one or more dependents or relatives of the participant, or if no spouse, dependent or relative is known to the Company, then to such other person as the Company may designate.

15. Transferability. Neither payroll deductions credited to a participant's account nor any rights with regard to the exercise of an option or to receive shares under the Plan may be assigned, transferred, pledged or otherwise disposed of in any way (other than by will, the laws of descent and distribution or as provided in Section 14 hereof) by the participant. Any such attempt at assignment, transfer, pledge or other disposition shall be without effect,

C-5

except that the Company may treat such act as an election to withdraw funds from an Offering Period in accordance with Section 10 hereof.

16. Use of Funds. All payroll deductions received or held by the Company under the Plan may be used by the Company for any corporate purpose, and the Company shall not be obligated to segregate such payroll deductions.

17. Reports. Individual accounts will be maintained for each participant in the Plan. Statements of account will be given to participating Employees at least annually, which statements will set forth the amounts of payroll deductions, the Purchase Price, the number of shares purchased and the remaining cash balance, if any.

18. Adjustments Upon Changes in Capitalization.

(a) Changes in Capitalization. Subject to any required action by the shareholders of the Company, the Reserves as well as the price per Ordinary Share covered by each option under the Plan which has not yet been exercised shall be proportionately adjusted for any increase or decrease in the number of issued shares of Ordinary Shares resulting from a share split, reverse share split, share dividend, combination or reclassification of the Ordinary Shares, or any other increase or decrease in the number of Ordinary Shares effected without receipt of consideration by the Company; provided, however, that conversion of any convertible securities of the Company shall not be deemed to have been "effected without receipt of consideration." Such adjustment shall be made by the Board, whose determination in that respect shall be final, binding and conclusive. Except as expressly provided herein, no issuance by the Company of shares of any class, or securities convertible into shares of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number or price of Ordinary Shares subject to an option.

(b) Dissolution or Liquidation. In the event of the proposed dissolution or liquidation of the Company, the Offering Period will terminate immediately prior to the consummation of such proposed action, unless otherwise provided by the Board.

(c) Merger or Asset Sale. In the event of a proposed sale of all or substantially all of the assets of the Company, or the merger of the Company with or into another corporation, each option under the Plan shall be assumed or an equivalent option shall be substituted by such successor corporation or a parent or subsidiary of such successor corporation, unless the Board determines, in the exercise of its sole discretion and in lieu of such assumption or substitution, to shorten the Offering Period then in progress by setting a new Exercise Date (the "New Exercise Date") or to cancel each outstanding right to purchase and refund all sums

collected from participants during the Offering Period then in progress. If the Board shortens the Offering Period then in progress in lieu of assumption or substitution in the event of a merger or sale of assets, the Board shall notify each participant in writing, at least ten (10) business days prior to the New Exercise Date, that the Exercise Date for his option has been changed to the New Exercise Date and that his option will be exercised automatically on the New Exercise Date, unless prior to such date he has withdrawn from the Offering Period as provided in Section 10 hereof. For purposes of this paragraph, an option granted under the Plan shall be deemed to be assumed if, following the sale of assets or merger, the option confers the right to purchase or receive, for each share subject to the option immediately prior to the sale of assets or merger, the consideration (whether shares, cash or other securities or property) received in the sale of assets or merger by holders of Ordinary Shares for each Ordinary Share held on the effective date of the transaction (and if such holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding Ordinary Shares); provided, however, that if such consideration received in the sale of assets or merger was not solely Ordinary Shares of the successor corporation or its parent (as defined in Section 424(e) of the Code), the Board may, with the consent of the successor corporation, provide for the consideration to be received upon exercise of the option to be solely Ordinary Shares of the successor corporation or its parent equal in fair market value to the per share consideration received by holders of Ordinary Shares in the sale of assets or merger. The Board may, if it so determines in the exercise of its sole discretion, also make provision for adjusting the Reserves, as well as the price per Ordinary Share covered by each outstanding option, in the event the Company effects one or more reorganizations, recapitalizations, rights offerings or other increases or reductions of its outstanding Ordinary Shares, and in the event of the Company being consolidated with or merged into any other corporation.

C-6

19. Amendment or Termination.

(a) The Board of Directors of the Company may at any time and for any reason terminate or amend the Plan.
