PROXY STATEMENT

**ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON MAY 13, 2004**

This statement is furnished to the stockholders of PSYCHEMEDICS CORPORATION (hereinafter, the Company) in connection with management's solicitation of proxies to be used at the Annual Meeting of Stockholders on May 13, 2004 and at any adjournment of that meeting. The approximate date on which this proxy statement and accompanying proxy are being sent to stockholders of the Company is April 1, 2004. Each proxy delivered pursuant to this solicitation is revocable at the option of the person executing the same by written notice delivered to the Secretary of the Company at any time before the proxy is voted. A stockholder who attends the Annual Meeting in person may revoke his or her proxy at that time and vote his or her shares if such stockholder so desires.

Most Psychemedics stockholders hold their shares through a stockbroker, bank, trustee, or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Stockholders of Record. If your shares are registered directly in your name with Psychemedics' transfer agent, EquiServe, you are considered the stockholder of record of those shares and these proxy materials are being sent directly to you by Psychemedics. As the stockholder of record, you have the right to grant your voting proxy directly to Psychemedics or to vote in person at the meeting.

Beneficial Owner. If your shares are held in a stock brokerage account, by a bank, trustee, or other nominee, you are considered the beneficial owner of shares held in street name and these proxy materials are being forwarded to you by your broker, trustee, or nominee who is considered the stockholder of record of those shares. As the beneficial owner, you have the right to direct your broker, trustee or nominee on how to vote and are also invited to attend the meeting. However, since you are not the stockholder of record, you may not vote these shares in person at the meeting. Your broker, trustee, or nominee is obligated to provide you with a voting instruction card for you to use.

The presence in person or by proxy of stockholders entitled to cast a majority of the outstanding shares, or 2,563,454 shares, shall constitute a quorum. With respect to the election of Directors, the Company will treat votes withheld as shares that are present for purposes of determining a quorum. A plurality is required to elect Directors, so the four persons receiving the greatest number of votes will be elected. Withheld votes will not affect the outcome of the election. If a broker indicates on a proxy that it does not have discretionary authority as to certain shares to vote on a particular matter, those shares will be considered as present for quorum purposes but not as shares entitled to vote with respect to that matter. Accordingly, broker non-votes will have no effect on such a matter.

All shares represented by a properly executed proxy will be voted unless it is revoked and, if a choice is specified, will be voted in accordance with such specification. If no choice is specified, the proxies will be voted FOR the election of the four nominees named under "Election of Directors", unless authority to do so is withheld with respect to one or more of the nominees. In addition, the proxy will be voted in the discretion of the proxy holders with respect to such other business as may properly come before the meeting.

Table of Contents

As of March 15, 2004, the Company had outstanding 5,126,907 shares of Common Stock. The Common Stock is the only type of security entitled to vote at the Annual Meeting. Each share of Common Stock entitles the holder of record thereof at the close of business on March 15, 2004 to one vote on each of the matters to be voted upon at the Annual Meeting.

ELECTION OF DIRECTORS

At the Annual Meeting, directors are to be elected to hold office for the ensuing year and until their respective successors are chosen and qualified. The Board of Directors has fixed the size of the Board at four and has nominated four persons, all of whom are now directors of the Company, to serve until the next Annual Meeting of Stockholders and until their successors are elected and qualified. If the enclosed proxy is duly executed and received in time for the Meeting, and unless authority to do so is withheld, it will be voted to elect as directors the following nominees: Raymond C. Kubacki, Jr., Harry F. Connick, Walter S. Tomenson and Fred J. Weinert. In the event that any of the nominees become unavailable, then the proxy holders shall have the right: (i) to vote for such substitute, if any, as the present Board of Directors may designate; or (ii) to leave a vacancy on the Board.

CORPORATE GOVERNANCE

General

The Company believes that good corporate governance is important to ensure that Psychemedics is managed for the long-term benefit of its stockholders. During the past year, the Company has undertaken a comprehensive review of its corporate governance policies and practices in light of new requirements imposed by the Sarbanes-Oxley Act of 2002, the new and proposed rules of the Securities and Exchange Commission and the new listing standards of the American Stock Exchange, or AMEX. Based on this review, in March, 2004, our Board of Directors adopted a new charter for our Audit Committee, established a Nominating Committee, adopted a charter for the Nominating Committee and adopted a comprehensive Code of Ethics and Conduct. You may obtain a copy of the Company's current committee charters and Code of Ethics and Conduct by writing to the Company at: Investor Relations, Psychemedics Corporation, 1280 Massachusetts Avenue, Cambridge, Massachusetts 02138.

Independence

Under AMEX rules, a director of Psychemedics only qualifies as independent if the Board of Directors of the Company affirmatively determines, in accordance with AMEX guidelines, that the director has no material relationship with Psychemedics (either directly or as a partner, shareholder or officer of an organization that has a relationship with Psychemedics). The Board of Directors has determined that none of Messrs. Connick, Tomenson or Weinert has a material relationship with Psychemedics and each of these directors is independent as determined under the AMEX listing requirements.

Director Candidates

The Nominating Committee identifies Board candidates through numerous sources, including recommendations from Directors, executive officers and stockholders of Psychemedics. The Nominating Committee evaluates identified Board candidates based on the criteria established by and periodically reviewed by the committee. The committee seeks to identify those individuals most qualified to serve as Board members and will consider many factors with regard to each candidate, including judgment, integrity, diversity, prior experience, the interplay of the candidate's experience with the experience of other Board members, the extent to which the candidate would be desirable as a member of any committees of the Board, and the candidate's willingness to devote the time and effort required for Board responsibilities. Selected candidates are interviewed by members of the committee and certain other Board members. Based on the foregoing, the Nominating Committee makes recommendations to the Board with respect to director nominees.

Psychemedics stockholders may recommend individuals to the Nominating Committee for consideration as potential director candidates by submitting their names and appropriate background and biographical information to the Psychemedics Nominating Committee, 1280 Massachusetts Avenue, Cambridge, Massachusetts 02138. Assuming that the appropriate information has been timely provided, the committee will consider these candidates substantially in the same manner as it considers other Board candidates it identifies.

Board of Directors Meetings and Committees

The Board of Directors has responsibility for establishing broad corporate policies and reviewing our overall performance rather than day-to-day operations. The Board's primary responsibility is to oversee the management of the

Company and, in so doing, serve the best interests of the Company and its stockholders. The Board selects, evaluates and provides for the succession of executive officers and, subject to stockholder election, directors. It reviews and approves corporate objectives and strategies, and evaluates significant policies and proposed major commitments of corporate resources. It participates in decisions that have a potential major economic impact on the Company. Management keeps the directors informed of Company activity through regular reports and presentations at Board and committee meetings.

Table of Contents

The Board of Directors met four times in fiscal 2003 (including two teleconference meetings). In addition, the directors acted by unanimous written consent in lieu of meetings on eight occasions during 2003. During fiscal 2003, each of our current directors that served as a director during fiscal year 2003 attended 75% or more of the total number of meetings of the Board of Directors and the committees of which such director was a member. The Board has standing Audit, Compensation and Nominating Committees. The Audit Committee and the Nominating Committee each has a charter that has been approved by the Board. Each committee must review the appropriateness of its charter and perform a self-evaluation at least annually. Mr. Kubacki is the only director who is also an employee of Psychemedics Corporation. He does not participate in any meeting at which his compensation is evaluated. All members of all committees are non-employee directors.

The Company encourages all incumbent directors, as well as all nominees for election as director, to attend the Annual Meeting of Stockholders. All of the Company's then-incumbent directors attended the Company's Annual Meeting in May, 2003.

Audit Committee

The Audit Committee, whose members are Messrs. Connick, Tomenson and Weinert, held five meetings and acted by unanimous written consent once during 2003. All of the members of the Audit Committee are independent from the Company and its management, as independence is defined in the AMEX listing standards. The Audit Committee reviews the appropriateness, quality and acceptability of the Company's accounting policies and the integrity of financial statements report to the public, and compliance with legal and regulatory requirements. The Board has determined that each member of the Audit Committee satisfies the requirements of the AMEX regarding competency in financial matters. In addition, the Board of Directors has determined that Mr. Weinert qualifies as an audit committee financial expert as defined by the Securities and Exchange Commission rules. None of Messrs. Connick, Tomenson or Weinert serves on the audit committees of any other public company. The responsibilities of the Audit Committee and its activities during fiscal year 2003 are described in the Report of the Audit Committee set forth below in this proxy statement.

Compensation Committee

The Compensation Committee, whose members are Messrs. Connick, Tomenson and Weinert, held one meeting and acted by unanimous written consent once during 2003. The responsibilities of the Compensation Committee and its activities during fiscal year 2003 are described in the Report of the Compensation Committee on Executive Compensation set forth below in this proxy statement.

Nominating Committee

The Nominating Committee was formed in March, 2004. The Nominating Committee, whose members are Messrs. Connick, Tomenson and Weinert, is charged with identifying and screening candidates, consistent with criteria approved by the Board of Directors, and making recommendations to the Board of Directors as to persons to be nominated by the Board of Directors for election thereto by the stockholders or to be chosen by the Board of Directors to fill newly created directorships or vacancies on the Board of Directors. The Board of Directors has determined that each of the members of the Nominating Committee is independent as defined in the American Stock Exchange's listing standards.

Shareholder Communications

Historically, the Company has not adopted a formal process for stockholder communications with the Board. Nevertheless, every effort has been made to ensure that the Board or individual directors, as applicable, hear the views

of stockholders and that appropriate responses are provided to stockholders in a timely manner. Any matter intended for the Board, or for any individual member or members of the board, should be directed to the Secretary of the Corporation, c/o Psychemedics Corporation, 1280

Table of Contents

Massachusetts Avenue, Cambridge, Massachusetts 02138, with a request to forward the same to the intended recipient.

Report of the Audit Committee

The Audit Committee of the Board of Directors is responsible for providing independent, objective oversight of the Company's accounting functions and internal controls. Management has the primary responsibility for the financial statements and the reporting process, including the system of internal controls. The Audit Committee oversees the financial reporting process on behalf of the Board of Directors, reviews financial disclosures, and meets privately, outside the presence of management, with the independent auditors to discuss internal accounting control policies and procedures. In fulfilling its oversight responsibilities, the Audit Committee reviews the audited financial statements in the Annual Report on Form 10-K with management including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements. The Audit Committee reports on these meetings to the Board of Directors. The Audit Committee also selects and appoints the independent auditors, reviews the performance of the independent auditors in the annual audit and in assignments unrelated to the audit, and reviews the independent auditors' fees. The Audit Committee operates under a written charter adopted by the Board of Directors, a copy of which is attached as Exhibit A to this proxy statement.

The Audit Committee is composed of three non-employee directors, Messrs. Connick, Tomenson and Weinert, each of whom is an independent director under the rules of the American Stock Exchange governing the qualifications of the members of audit committees. The Audit Committee held five meetings and acted by unanimous written consent once during 2003. Mr. Weinert qualifies as an audit committee financial expert under the rules of the Securities and Exchange Commission. In addition, the Board of Directors has determined that each member of the Audit Committee meets the minimum standards regarding competency in financial matters required under the rules of the American Stock Exchange. None of Messrs. Connick, Tomenson and Weinert serves on the audit committees of any other public company.

The Audit Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of the audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of accounting principles and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards. In addition, the Audit Committee has discussed with the independent auditors (i) the matters required to be discussed by SAS 61 (Codification of Statements on Auditing Standards, AU§380), and (ii) the auditors' independence from the Company and its management, including the matters in the written disclosures we received from the auditors as required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, and considered the compatibility of the provision of non-audit services by the independent auditors with the auditors' independence.

Based on its review and discussions, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Annual Report on Form 10-K for the fiscal year ended December 31, 2003.

Members of the Audit Committee:

Harry F. Connick
Walter Tomenson
Fred J. Weinert

Change in Control Agreement

The Company has entered into an arrangement with Mr. Kubacki providing for severance benefits for a period of up to 12 months in the event of termination within 12 months following a change in control

(as defined in the agreement). The agreement provides for severance benefits only if (1) the Company terminates the employee (other than termination for cause), or (2) the employee terminates his employment for good reason (as defined in his agreement), in either case within 12 months after a change in control (as defined in the agreement). The agreement does not provide for severance benefits in the event of an employee's death or disability, or in the event of his voluntary termination without good reason. The agreement also provides that the employee shall not compete with the Company during the period in which he is receiving severance payments. Mr. Kubacki does not otherwise have any employment agreement with the Company.

In connection with the grants by the Company to Mr. Kubacki and to Mr. Thistle of options to acquire shares of the Company's Common Stock, the Company agreed that notwithstanding the vesting schedule stated in the applicable option agreement, such options would become exercisable in full upon a change in control (as defined in each applicable option agreement) of the Company.

Report of the Compensation Committee on Executive Compensation

The following Report of the Compensation Committee of the Board of Directors and the performance graph included elsewhere in this proxy statement do not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Company filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent the Company specifically incorporates this Report or the performance graph by reference therein.

The Company's compensation policies for its executive officers are carried out by the Compensation Committee consisting of Messrs. Connick, Tomenson and Weinert. (Mr. Connick joined the Committee effective September 15, 2003). The Compensation Committee establishes compensation policies for the Company and approves employment agreements and salary increases for executive officers, and approves the grant of stock options by the Company.

The Company's executive compensation program is designed to attract, retain and reward executives who are responsible for leading the Company in achieving its business objectives. This report is submitted by the Compensation Committee and addresses the compensation policies for fiscal year 2003 as they affected Mr. Kubacki, in his capacity as Chief Executive Officer of the Company, and the other executive officers of the Company.

Compensation Philosophy

The Company's executive compensation philosophy is based on the belief that competitive compensation is essential to attract, motivate and retain highly qualified and industrious employees. The Company's policy is to provide total compensation that is competitive for comparable work and comparable corporate performance. The compensation program is also designed to link the interests of the Company's executives to the interests of the Company's shareholders.

At present, the executive compensation program is comprised of salary, cash incentive opportunities, long-term incentive opportunities in the form of stock options, and benefits typically offered to executives by major corporations. As an executive's level of responsibility increases, the greater the mix of compensation shifts to reliance on the value of the Common Stock through stock-based awards.

Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to a public company for compensation over \$1 million paid to its chief executive officer and its four other most highly compensated executive officers. Qualifying performance-based compensation is not subject to the deduction limit if certain requirements are met. It is the Board's objective to maximize deductibility under Section 162(m) with minimal sacrifices in flexibility and corporate objectives. Accordingly, with respect to compensation payable to an applicable executive officer which would otherwise be

Table of Contents

nondeductible, it is the Company's policy that such amounts be deferred until the limitation on deductibility no longer applies with respect to such person.

Compensation Elements

Base Salary

At the executive officer level, base salaries are conservative when compared with companies of similar size and financial performance. Salary ranges are assigned to each position based on a comparison of the Company's positions with similar positions in companies of similar size in the Company's industry, with range midpoints established at the average of the marketplace. Actual salaries within the appropriate range depend upon individual performance, experience and internal equity and are reviewed and may be adjusted annually by the Company. Salary levels for executive officers, other than the Chief Executive Officer, were determined for 2003 by Mr. Kubacki, the Chief Executive Officer, based on the foregoing criteria.

Incentive Compensation

The Company has generally not paid cash bonuses to executive officers as rewards for superior performance, preferring instead to reward executive officers with equity-based compensation in the form of stock options.

Stock Options

Under the Company's 2000 Stock Option Plan for officers, directors, and employees and consultants, the Stock Option Committee of the Board of Directors or any other committee performing similar functions is authorized to grant options with terms of up to ten years. The options generally become exercisable with respect to 25% of the shares covered thereby on the first anniversary of the date of grant and with respect to an additional 25% on each of the next three anniversary dates thereafter. In granting the stock options to executives, the Stock Option Committee takes into account the practices of other companies of comparable size as well as the executive's level of responsibility and past contributions to the Company, particularly in light of the Company's practice not to award cash bonuses.

Compensation to the Chief Executive Officer

Mr. Kubacki did not receive an increase in base salary in 2003 and he did not receive a bonus in 2003. He also was not granted any stock options in 2003. Mr. Kubacki's annual base salary was last adjusted in 2001. The primary factor considered in establishing Mr. Kubacki's base compensation was the base compensation paid to chief executive officers of comparably sized publicly held corporations. Also considered was the Company's success in regulatory matters under Mr. Kubacki's leadership.

PSYCHEMEDICS CORPORATION
CHARTER OF THE AUDIT COMMITTEE
OF THE BOARD OF DIRECTORS

A. STATEMENT OF POLICY

The Audit Committee (the Committee) of the Board of Directors of the Company (the Board) shall assist the Board in providing oversight of the systems and procedures relating to the integrity of the Company's financial statements, the Company's financial reporting process, its systems of internal accounting and financial controls, the annual independent audit process of the Company's annual financial statements, the Company's compliance with legal and regulatory requirements and the qualification and independence of the Company's primary independent audit firm (the Auditor). The Committee is not responsible for the implementation of the foregoing activities. Such implementation is the sole responsibility of management. In discharging its oversight role, the Committee is empowered to investigate any matter brought to its attention with full access to all books, records, facilities, and personnel of the Company and authority to engage independent legal, accounting or other advisors as it deems necessary to carry out its duties, at Company expense.

Management and the Auditor are responsible for planning and conducting audits and determining that the audited financial statements are complete, accurate and in accordance with Generally Accepted Accounting Principles. The Committee, in carrying out its oversight responsibilities, shall discuss with the Auditor and management their respective judgments regarding the quality and the acceptability of the Company's financial reporting.

This Charter governs the operation of the Committee. The Committee shall review and reassess the adequacy of this Charter periodically as conditions dictate, but at least annually, and recommend any proposed changes to the Board for approval. To the extent deemed necessary by the Committee, in its sole discretion, it shall have the authority to engage outside legal counsel and/or independent accounting consultants, at the Company's expense, to review any matter under its responsibility.

B. ORGANIZATION

The Committee shall be comprised of a minimum of three directors as appointed by the Board, who shall meet the independence and audit committee composition requirements set forth in applicable rules of the Securities and Exchange Commission (SEC) and the American Stock Exchange (AMEX), as in effect from time to time.

All members of the Committee shall be able to read and understand fundamental financial statements, including a balance sheet, cash flow statement and income statement. At least one member of the Committee shall be an audit committee financial expert as that term is defined by applicable rules of the SEC.

The Board may appoint one member who does not meet the independence requirements set forth above and who is not a current employee of the Company or an immediate family member of such employee if the Board, under exceptional and limited circumstances, determines that membership on the Committee by the individual is required in the best interests of the Company and its shareholders. The Board shall disclose in the next proxy statement after such determination the nature of the relationship and the reasons for the determination.

Table of Contents

The members of the Committee shall be elected by the Board at the meeting of the Board following each annual meeting of stockholders and shall serve until their successors shall be duly elected and qualified or until their earlier resignation or removal. Unless a Chair is elected by the full Board, the members of the Committee may designate a Chair by majority vote of the full Committee membership.

C. COMMITTEE MEETINGS

The Committee shall hold meetings at least quarterly each fiscal year, and at any additional time as either the Board or the Committee deems necessary. Members of the Committee may participate in meetings by means of conference telephone or similar communications equipment whereby all persons participating in the meeting can hear each other, and such participation shall constitute presence in person at the meeting. The Committee may also act as otherwise permitted by law or the Company's Bylaws. Minutes of each meeting will be kept and distributed to the entire Board. The presence of a majority of Committee members at any meeting shall constitute a quorum.

D. RESPONSIBILITIES AND DUTIES

The following shall be the principal recurring processes of the Audit Committee in carrying out its oversight responsibilities:

Independent Auditor

1. The Auditor reports directly to the Committee. Annually, the Committee shall evaluate and appoint the Auditor. The Committee shall have the sole authority to select, evaluate and, where it deems appropriate, replace the Auditor. The Committee shall receive from the Auditor an annual report on (1) the Auditor's quality control procedures, (2) any material issues raised by the most recent internal quality control review, or peer review, of the Auditor, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, with respect to audits carried out by the Auditor, (3) as necessary, the timetable for the rotation of partners under legal requirements, (4) all relationships between the Auditor and the Company, and (5) such other reports as the Committee deems appropriate from the Auditor regarding the Auditor's independence, and discuss with the Auditor such reports and the matters included in the written disclosures required by the Independence Standards Board Standard No. 1. If necessary, the Committee shall take appropriate action with respect to the independence of the Auditor.
2. The Committee shall meet with the Auditor prior to the audit to review the scope and staffing of the audit.
3. The Committee shall pre-approve all audit and non-audit services (and related fees) provided by the Company's Auditor, as outlined below, and implement procedures so that the Auditor does not perform any service that is prohibited under the AMEX and SEC rules.

Audit Fees:

Annually, prior to the audit, the Committee will review and approve the audit services and the estimated audit fees for the audit. Periodically thereafter, the Committee will pre-approve any amounts exceeding the original estimates.

Non-Audit Services and Fees:

Annually, and otherwise as necessary, the Committee will review and approve all non-audit services and the estimated fees for such services for the current fiscal year. For recurring services such as employee benefit plans, and tax compliance, and statutory filings, the Committee will review and approve the services and estimated total fees therefor by category of service. Periodically thereafter, the Committee will pre-approve any amounts exceeding the original estimates. For non-recurring services such as tax planning or other consulting, the Committee will review and approve the services

and estimated fees by category of service and all individual projects exceeding an amount determined by the Committee from time to time. The Committee will pre-approve any amounts exceeding the original estimates and any new projects exceeding an amount determined by the Committee from time to time.

Approval Matrix:

Should an engagement need pre-approval before the next Committee meeting, authority to grant such approval is delegated to the Audit Committee Chairman. Such approval will be reviewed with the entire Committee at the next quarterly meeting.

4. The Committee shall monitor management's compliance with the following hiring policy for employees and former employees of the Auditor. The Company shall not hire an employee or former employee of the Auditor who has provided audit, review, or attest services for the Company during the last two previous fiscal years into an accounting role or financial reporting oversight role as defined by the SEC. This definition includes the following Corporate positions: Members of the Board of Directors, Chief Executive Officer, President, Chief Financial Officer, General Counsel, Controller, and Treasurer.

Internal Controls

1. In consultation with the Auditor and management, the Committee shall review annually (i) the adequacy of the Company's internal accounting controls and the financial reporting process, and (ii) the status of internal accounting control recommendations made by the Auditor.
2. The Committee shall periodically receive reports from and discuss with the Company's Chief Financial Officer and General Counsel the adequacy of the policies and practices of the Company related to compliance with key regulatory requirements, conflicts of interest and ethical conduct, including any potential or actual conflicts of interest involving directors or officers of the Company.

Annual Audit and Quarterly Reviews

The Committee shall discuss with the Auditor the results of the annual audit and quarterly reviews, the Company's critical accounting policies and practices, all alternative treatments within GAAP discussed with management (including ramifications of use of alternatives, and the preferred method of the Auditor), other written material communication (including any management letter or schedule of unadjusted differences), any audit problems or difficulties and management's response, and any other matters required to be communicated to the Committee by the Auditor under Generally Accepted Auditing Standards.

Financial Reporting

1. The Committee shall review with management and the Auditor the audited financial statements to be included in the Company's Annual Report on Form 10-K, and the Company's quarterly financial statements, including any disclosure by the Company under Management's Discussion and Analysis of Financial Condition and Results of Operations. Based on these reviews, the Committee shall annually report to the Board whether the Committee recommends inclusion of the audited financial statements in the Company's Annual Report and Form 10-K.
2. The Committee shall discuss the types of information to be included in, and the type of presentation of, earnings press releases and financial information and earnings guidance provided to analysts and ratings agencies. The Committee shall be informed by management of financial information and earnings guidance that have been provided to analysts and ratings agencies.

Proxy Report

The Committee shall approve the report of the Committee required to be included in the Company's annual proxy statement by the rules of the Securities and Exchange Commission.

Other Responsibilities

1. The Committee shall establish procedures for the receipt, retention and treatment of complaints made to the Company, by employees and non-employees, regarding accounting, internal accounting controls or auditing matters and for the confidential, anonymous submission by employees of concerns regarding questionable accounting or auditing matters. Such procedures may be incorporated into the Company's Code of Ethics and Conduct and shall be revised as the Committee shall deem necessary from time to time.
2. At least quarterly, the Committee shall meet separately with representatives from the Auditor and management.

Other Matters

1. The Committee and its members shall have unrestricted access to management. The Committee shall have sole discretion, in its areas of responsibility, at Company expense, to retain and terminate independent advisors, including sole authority to approve the fees and retention terms for such advisors, if it shall determine the services of such advisors to be necessary or appropriate. Should any member of the Committee believe that participation of management or independent advisors in any discussion of a particular subject at any meeting would be advisable, they are free to make such request.
2. The Committee may, when appropriate in its discretion, delegate authority with respect to specific matters to one or more members, provided that all decisions of any such members are presented to the full Committee at its next scheduled meeting.

E. REPORTS TO THE BOARD

The Committee shall report to the Board of Directors regularly regarding issues that arise in connection with the performance of its responsibilities outlined herein, including, but not limited to, issues that arise with respect to the quality or integrity of the Company's financial statements, the Company's compliance with legal or regulatory requirements, or the performance and independence of the Auditor.
