- (2) Pursuant to Rule 416 under the Securities Act of 1933, this registration statement also covers an indeterminable number of shares of common stock which may become issuable pursuant to the anti-dilution provisions of Restricted Stock Agreements between the Registrant and each of Brian R. These shares are being carried forward in the combined reoffer prospectus being filed herewith (to the extent that they are or may be control or restricted securities). See the Rule 429 note immediately below.

As permitted by Rule 429 under the Securities Act of 1933, the prospectus filed together with this registration statement is a combined resale prospectus which shall be deemed a post-effective amendment to the registrant's registration statements numbered 333-101538, 33-48363, 33-79146, 333-06021, 333-48697, 333-57585, 333-46726 and 333-55574, each on Form S-8.

The documents containing the information specified by Part I will be sent or given to eligible participants as specified by Rule 428(b)(1) under the Securities Act.

PART II

INFORMATION REQUIRED IN THE REGISTRATION STATEMENT

Item 3. Incorporation of Documents by Reference.

The registrant's Annual Report on Form 10-K and Definitive Proxy Statement for the fiscal year ended June 30, 2003; current report on Form 8-K filed on July 3, 2003; and the description of the registrant's common stock contained in the registrant's registration statement on Form S-3 (File No. 333-107321) filed on July 25, 2003 pursuant to Section 12(b) of the Securities Exchange Act of 1934 (the Exchange Act), including all exhibits thereto, are incorporated herein by this reference and made a part of this registration statement.

All documents subsequently filed by the registrant under Sections 13(a), 13(c), 14 or 15(d) of the Exchange Act after the effective date of this registration statement and prior to the termination of the offering of the common stock offered hereby shall be deemed to be incorporated by reference into this registration statement and to be a part hereof from the date of filing of those documents. Any statement contained herein or in a document incorporated or deemed to be incorporated by reference herein shall be deemed to be modified or superseded for purposes of this registration statement to the extent that a statement contained herein or in any document which is or is deemed to be incorporated by reference herein modifies or supersedes such statement. Any statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part of this registration statement.

Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

The legality of the issuance of the shares of common stock offered hereby will be passed upon for the registrant by Shack Siegel Katz & Flaherty P.C., 530 Fifth Avenue, New York, New York 10036. As of November 7, 2003 shareholders of Shack Siegel Katz & Flaherty P.C. held, in the aggregate, options to purchase 30,000 shares of common stock.

Item 6. Indemnification of Directors and Officers.

The registrant's authority to indemnify its officers and directors is governed by the provisions of Section 145 of the General Corporation Law of the State of Delaware (the DGCL), by the Amended and Restated Bylaws of the registrant, as amended (the Bylaws), by the Restated Certificate of

Incorporation, as amended, of the registrant (the Certificate of Incorporation) and by certain indemnification agreements entered into with officers and directors (the Indemnity Agreements).

Under Section 145 of the DGCL, directors and officers as well as other employees and individuals may be indemnified against expenses (including attorneys fees), judgments, fines and amounts paid in settlement in connection with specified actions, suits or proceedings, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation (a derivative action)) if they acted in good faith and in a manner they reasonably believed to be in or not opposed to the best interests of the registrant, and with respect to any criminal action or proceeding, had no reasonable cause to believe their conduct was unlawful. A similar standard of care is applicable in the case of derivative actions, except that indemnification only extends to expenses (including attorneys fees) incurred in connection with defense or settlement of such an action and the DGCL requires court approval before there can be any indemnification where the person seeking indemnification has been found liable to the registrant.

The Certificate of Incorporation and Bylaws of the registrant provide that the registrant shall, to the fullest extent permitted by Section 145 of the DGCL, (i) indemnify any and all persons whom it shall have power to indemnify under said section from and against any and all of the expenses, liabilities or other matters referred to in or covered by said section, and (ii) advance expenses related thereto to any and all said persons. The indemnification and advancement of expenses provided for therein shall not be deemed to be exclusive of any other rights to which those indemnified may be entitled under any bylaw, agreement, vote of stockholders or disinterested directors or otherwise, both as to action in their official capacities and as to action in another capacity while holding such offices, and shall continue as to persons who have ceased to be directors, officers, employees or agents and shall inure to the benefit of the heirs, executors and administrators of such person. In addition, the Certificate of Incorporation of the registrant provides for the elimination of personal liability of directors of the registrant to the registrant or its stockholders for monetary damages for breach of fiduciary duty as a director, to the fullest extent permitted by the DGCL, as amended and supplemented.

Each Indemnity Agreement provides for the indemnification of the officer or director, to the fullest extent permitted by the laws of the State of Delaware, and obligate the registrant to provide the maximum protection allowed under Delaware law. In addition, each Indemnity Agreement supplements and increases such protection in certain respects.

The registrant has purchased directors, officers and corporate liability insurance policies. The policies cover up to an aggregate amount of \$30 million for losses of directors and officers of the registrant arising from claims made against the directors or officers for any actual or alleged wrongful act in their capacities as directors or officers of the registrant. The policy also covers losses of the registrant for class action securities claims made against the registrant and for the amount of any indemnification paid to directors and officers, in each case up to the aggregate limit of \$20 million. The policy covers securities derivative claims and claims without indemnification for up to \$30 million.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers or persons controlling the registrant pursuant to the foregoing provisions, the registrant has been informed that, in the opinion of the Commission, such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

Item 9. Undertakings.

a. The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

(2) That, for the purpose of determining liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

b. The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

c. Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

ABOUT THIS PROSPECTUS

This prospectus relates to 1,978,218 shares (the Shares) of our common stock. The selling stockholders described in this prospectus may sell the Shares until we terminate this offering. As used in this prospectus, the terms we, us, our and WMS mean WMS Industries Inc., a Delaware corporation, and its subsidiaries, unless the context indicates a different meaning.

We have agreed to pay the expenses incurred in registering the Shares, including legal and accounting fees.

Most of the information about us that you need to know before you invest in the Shares is not included, but rather is incorporated by reference, in this prospectus. You should obtain and read the information described below under the headings Documents Incorporated by Reference and Where You Can Find More Information in order to get all the important information about WMS.

RISK FACTORS

The information included and incorporated by reference in this prospectus contains forward-looking statements, within the meaning of the federal securities laws. These statements describe our plans and beliefs concerning future business conditions and the outlook for WMS based on currently available information. Our actual results could differ materially from those described in the forward-looking statements due to a number of risks and uncertainties. These risk factors include the following:

Software anomalies and fraudulent manipulation of our gaming machines and software could reduce our revenue, increase our costs, burden our engineering and marketing resources, involve us in litigation and adversely affect our gaming licenses.

Regulators may not approve our new gaming platforms, cabinet designs and related hardware, and our revenues may be limited.

Our gaming machine business is heavily regulated, and we must obtain and maintain our gaming licenses and regulatory approvals to continue to operate our business and sell our products.

Our profitability depends heavily on recurring revenue from gaming operations, the loss of which could have a material adverse effect on our revenues and profitability.

If we do not continue to introduce new games and gaming machines that achieve and maintain market acceptance, our revenues and profitability will be adversely affected, and we will not recover our development costs.

The gaming industry is sensitive to declines in the public acceptance of gaming that may lead to the passage of laws to significantly increase gaming taxes or outlaw gaming in affected jurisdictions.

If we do not continually adapt to the rapid development of new technologies, we will not be able to successfully compete in our industry.

Patent infringement claims could limit or affect our ability to market some of our gaming machines.

If we do not obtain and retain licenses to use intellectual properties and licensors' approvals of new products on a timely basis, our revenues will be adversely affected.

If we are unable to protect or retain our intellectual property and proprietary rights, our revenues may be adversely affected.

The gaming machine market is intensely competitive, and some of our competitors have advantages over us in their ability to finance technology development and in obtaining favorable placement in casinos.

We face risks associated with doing business in foreign markets related to political and economic instability and related foreign currency fluctuations.

If the implementation of our enterprise resource planning information system is not successful, our operations could be disrupted, and we may incur unanticipated costs.

If we do not realize the value of licensed technology commitments, we may incur charges to earnings.

We may have conflicts of interest with Midway Games Inc.

Sumner Redstone owns or controls 27.4% of our common stock, and he may dispose of all or a portion of his stock at any time, which could cause our stock price to decrease.

The use of our rights plan or blank check preferred stock would inhibit the acquisition of WMS or have a dilutive effect on our stock.

The substantial number of shares of common stock available for sale in the future could have an adverse effect on the market price of our common stock.

More detailed descriptions of these and other items are set forth under Item 1. Business Risk Factors in our annual report on Form 10-K and additional risks may be described in more recent documents incorporated in this prospectus by reference.

USE OF PROCEEDS

We will not receive any of the proceeds from the sale of the common stock offered by this prospectus, but we will receive the exercise price upon the exercise of any options by the selling stockholders. We plan to use any such proceeds for working capital purposes.

SELLING STOCKHOLDERS

This prospectus relates to Shares that are being registered for reoffers and resales by selling stockholders who have acquired or may acquire Shares under our employee benefit plans (including any adjustment shares). The selling stockholders may resell any or all of the Shares, when issued, at any time they choose while this prospectus is effective.

Executive officers and directors, their family members, trusts for their benefit, or entities that they control, that acquire common stock under our benefit plans may be added to the selling stockholder list below by a prospectus supplement filed with the SEC. The number of Shares available to be sold by any selling stockholder under this prospectus also may be increased or decreased by a prospectus supplement. Non-affiliates who purchased restricted securities, as these terms are defined in Rule 144(a) under the Securities Act of 1933, under any of our employee benefit plans and who are not named below may use this prospectus for the offer or sale of their common stock if they hold 1,000 shares or less. Although a person's name is included in the table below, neither that person nor we are making an admission that the named person is our affiliate.

The information in the table below sets forth, for each selling stockholder, based upon information available to us as of November 6, 2003, the number of shares of our common stock beneficially owned before and after the sale of the Shares (assuming the sales of all Shares) and the percentage of the outstanding shares of our common stock beneficially owned after the sale of the Shares.

The table below also sets forth Shares Available to be Sold, which represents the maximum number of Shares that could be sold under this prospectus if the holder sold all of his or her Shares, exercised all of his or her options when vested and sold the underlying Shares. **The amounts listed under Shares Available to be Sold do not constitute commitments to sell any or all of the stated number of Shares.** The actual number of Shares to be sold, if any, shall be determined from time to time by each Selling Stockholder in his or her discretion. We have not been informed whether any selling stockholders intend to sell any Shares.
