The annual meeting will commence at 9:00 a.m., local time, and will be held at The Exchange National Bank of Jefferson City's facility located at 132 East High Street, Jefferson City, Missouri. Our Company's principal business activity is the ownership, directly or indirectly, of all the issued and outstanding stock of The Exchange National Bank of Jefferson City, Citizens Union State Bank & Trust of Clinton, and Osage Valley Bank of Warsaw.

Our principal executive offices are located at 132 East High Street, Jefferson City, Missouri, 65101. This proxy statement and the enclosed form of proxy were first mailed to shareholders on or about April 28, 2004.

INFORMATION ABOUT THE MEETING AND VOTING

PURPOSE OF THE MEETING

Edgar Filing: EXCHANGE NATIONAL BANCSHARES INC - Form DEF 14A

The purposes of the annual meeting are:

- to elect two Class III directors to hold office for a term expiring at the 2007 annual meeting of the shareholders of our Company;
- to consider and vote upon ratification and approval of the selection of the accounting firm of KPMG LLP as the independent auditors of our Company for the current year; and
- to transaction such other business as may properly come before the annual meeting, including a proposal to adjourn or postpone the meeting.

SHAREHOLDERS ENTITLED TO VOTE AT THE MEETING

Shareholders of record as of the close of business on the April 2, 2004 record date are entitled to notice of, and to vote at, the annual meeting or any adjournment or adjournments thereof. As of the record date, 4,169,847 shares of our Company's common stock were issued and outstanding and an additional 128,506 shares were issued and held in treasury. Each such share of common stock is entitled to one vote on each matter properly to come before the annual meeting.

ATTENDING THE MEETING AND VOTING IN PERSON

If you plan to attend the annual meeting and vote in person, we will give you a ballot when you arrive. However, if your shares are held in the name of your broker, bank or other nominee (commonly referred to as being held in "street" name), proof of ownership may be required for you to be admitted to the meeting. A recent brokerage statement or letter from a bank or broker are examples of proof of ownership. If you want to vote your shares of common stock held in street name in person at the meeting, you will have to get a written proxy in your name from the broker, bank or other nominee who holds your shares.

VOTING BY PROXY

This proxy statement is being sent to you by our board of directors for the purpose of requesting that you allow your shares of common stock to be represented at the annual meeting by the persons named in the enclosed proxy card. We urge you to complete, date and sign the enclosed form of proxy and return it promptly in the enclosed postage prepaid envelope. If you properly complete and sign your proxy card and send it to us in time to vote, the shares represented by your proxy will be voted as you have directed. If you sign the proxy card but do not make specific voting instructions, your shares will be voted as follows:

- "FOR" the election of the nominees for director named in this proxy statement, and
- "FOR" ratification of the selection of the accounting firm of KPMG LLP as our Company's independent auditors for the current year.

If any other matter is properly brought before the annual meeting, your shares will be voted in accordance with the discretion and judgment of the appointed proxies. A shareholder who has given a proxy may revoke it at any time before it is exercised at the annual meeting by filing written notice of revocation with the Secretary of our Company, by executing and delivering to the Secretary of our Company a proxy bearing a later date, or by appearing at the annual meeting and voting in person.

Edgar Filing: EXCHANGE NATIONAL BANCSHARES INC - Form DEF 14A

If your shares of common stock are held in street name, you will receive instructions from your broker, bank or other nominee that you must follow in order to have your shares voted. Your broker or bank may allow you to deliver your voting instructions via the telephone or the Internet.

If you participate in The Exchange National Bank of Jefferson City Profit Sharing Trust, a form of proxy/direction to trustee will be furnished to you which represents a voting instruction to the trustee of the plan as to the number of shares in your plan account. Each participant in the plan may direct the trustee as to the manner in which shares of common stock allocated to the participant's plan account are to be voted.

QUORUM REQUIREMENT

A quorum of shareholders is necessary to hold a valid meeting. The presence in person or by proxy of shareholders holding a majority of the total outstanding shares of our Company's common stock will constitute a quorum at the annual meeting. Shares of common stock represented by a proxy which directs that the shares be voted to abstain or to withhold a vote on any matter will be counted in determining whether a quorum is present. Shares of common stock as to which there is a broker non-vote (i.e., when a broker holding shares for clients in street name is not permitted to vote on certain matters without instruction) also will be counted for quorum purposes. If a quorum should not be present, the annual meeting may be adjourned from time to time until a quorum is obtained.

REQUIRED VOTE TO APPROVE EACH PROPOSAL

Election of Directors. Directors are elected by a majority of the votes cast, in person or by proxy, of shareholders entitled to vote at the annual meeting for that purpose. Shareholders can withhold authority to vote for one or more nominees for director. Votes withheld from a particular nominee will have the same effect as a vote against the nominee. Shareholders do not have cumulative voting rights in the election of directors.

Selection of Auditors and Other Matters. The affirmative vote of a majority of the shares of our Company's common stock, represented in person or by proxy and entitled to vote at the annual meeting, is required for (i) the ratification of the selection of KPMG LLP as our Company's independent auditors, and (ii) the approval of such other matters as properly may come before the annual meeting or any adjournment thereof. Shareholders can abstain from voting on these proposals. If you abstain from voting on any of these proposals, it has the same effect as a vote against the proposal.

Effect of Broker Non-Votes. If your broker does not vote your shares on any proposal, such "broker non-votes" do not count as shares present for purposes of such proposal. This means that a broker non-vote would reduce the number of affirmative votes that are necessary to approve the proposal.

2

SOLICITATION OF PROXIES

This solicitation of proxies for the annual meeting is being made by our Company's board of directors. Our Company will bear all costs of such solicitation, including the cost of preparing and mailing this proxy statement and the enclosed form of proxy. After the initial mailing of this proxy statement, proxies may be solicited by mail, telephone, facsimile transmission or personally by directors, officers, employees or agents of our Company, Exchange National Bank, Citizens Union State Bank or Osage Valley Bank. Brokerage houses and other custodians, nominees and fiduciaries will be

Edgar Filing: EXCHANGE NATIONAL BANCSHARES INC - Form DEF 14A

requested to forward soliciting materials to beneficial owners of shares held of record by them, and their reasonable out-of-pocket expenses, together with those of our Company's transfer agent, will be paid by our Company.

A list of shareholders entitled to vote at the annual meeting will be available for examination at least ten days prior to the date of the annual meeting during normal business hours at the registered office of our Company located at 132 East High Street, Jefferson City, Missouri. The list also will be available at the annual meeting.

ITEM 1: ELECTION OF DIRECTORS

THE BOARD OF DIRECTORS

Our Company's board of directors consists of eight directors. The articles of incorporation of our Company divides the board of directors into three classes of directors, with the directors serving staggered terms of three years and until their respective successors are duly elected and qualified or until their respective earlier resignation or removal. The present terms of Kevin L. Riley and David T. Turner, the two directors in Class III, expire at this annual meeting. Directors in Class I (Charles G. Dudenhoeffer, Jr., Philip D. Freeman and James E. Smith) and Class II (David R. Goller, James R. Loyd and Gus S. Wetzell, II) have been elected to terms expiring at the time of the annual meeting of shareholders in 2005 and 2006, respectively.

One of the purposes of this annual meeting is to elect two directors in Class III to serve for a three-year term expiring at the annual meeting of shareholders in 2007 and until their respective successors are duly elected and qualified or until their respective earlier resignation or removal. The board of directors has designated Kevin L. Riley and David T. Turner as the two nominees proposed for election at the annual meeting. Unless authority to vote for the nominees or a particular nominee is withheld, it is intended that the shares represented by properly executed proxies in the form enclosed will be voted for the election as directors of these two nominees. In the event that one or both of the nominees should become unavailable for election, it is intended that the shares represented by the proxies will be voted for the election of such substitute nominee or nominees as may be designated by the board of directors, unless the authority to vote for all nominees or for the particular nominee who has ceased to be a candidate has been withheld. Each of the nominees has indicated his willingness to serve as a director if elected, and the board of directors has no reason to believe that any nominee will be unavailable for election.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR THE ELECTION OF KEVIN L. RILEY AND DAVID T. TURNER AS CLASS III DIRECTORS.

NOMINEES AND DIRECTORS CONTINUING IN OFFICE

The following table sets forth certain information with respect to each person nominated by the board of directors for election as a Class III director at the annual meeting and each director whose term of office will continue after the annual meeting.

He served as Senior Vice President of Exchange National Bank from June 1992 through December 1996 and as Vice President from 1985 until June 1992.

Gus S. Wetzel, II has served as a Director of Citizens Union State Bank since 1974, and of our Company since 1999. He served as Chairman of Citizens Union State Bank from 1974 until May 2000. Dr. Wetzel has served as a physician/surgeon with the Wetzel Clinic, Clinton, Missouri since 1972. He also serves on our Company's Audit and Compensation Committees.

There is no arrangement or understanding between any director and any other person pursuant to which such director was selected as a director.

COMPENSATION OF DIRECTORS

Only outside (non-employee) members of our Company's board of directors receive compensation for their service to our Company as a director. Each of these outside (non-employee) directors is paid \$300 for each meeting of the Board attended in person. Each member of our Company's Audit Committee receives \$700 for each committee meeting attended. Each member of our Company's Compensation Committee receives \$300 for each meeting attended.

All directors of our Company (other than Mr. Wetzel) are also directors of Exchange National Bank, and in that capacity may receive compensation from Exchange National Bank. Each of Exchange National Bank's outside (non-employee) directors is paid a monthly \$500 retainer and \$300 for each meeting of the Board attended in person. In addition, these directors are eligible for a \$2,400 bonus if Exchange National Bank meets certain financial goals and the director attends at least 80% of the Board meetings held (which could include one telephone conference meeting). All of Exchange National Bank's non-employee directors received this bonus for 2003. Currently, any director deferring receipt of this bonus will have 124 shares of Exchange National Bank stock imputed to his account under the Exchange National Bank's Director Deferred Compensation Plan on the last day of the year. These imputed shares accumulate from year to year but do not represent actual shares or the right to receive payment of the value of such shares. Each year the director is credited an amount in his Plan account equal to Exchange National Bank's net income per share multiplied by the number of imputed shares in the director's Plan account as of the beginning of the year.

Three of our Company's directors -- Mr. Smith, Mr. Turner and Mr.

Edgar Filing: EXCHANGE NATIONAL BANCSHARES INC - Form DEF 14A

Wetzel -- also are directors of Citizens Union State Bank. Mr. Smith and Mr. Turner are not eligible to receive compensation for their service to Citizens Union State Bank as a director. For his service to Citizens Union State Bank as a director, Mr. Wetzel is paid a quarterly \$300 retainer plus \$300 for each meeting of the Board that he attends in person. Mr. Wetzel also receives \$100 for each meeting of Citizens Union State Bank's Trust Committee held, and \$50 for each meeting of Citizens Union State Bank's Loan (Discount) Committee that he attends. One of our Company's directors -- Mr. Smith -- also is a director of Osage Valley Bank, but is not eligible to receive compensation for his service in that capacity.

MEETINGS OF THE BOARD AND COMMITTEES

During 2003 the board of directors of our Company held nine meetings. All directors attended at least 75% of the meetings of the board of directors which were held during 2003. Our Company's directors discharge their responsibilities throughout the year, not only at such board of directors and committee meetings, but through personal meetings and other communications with members of management and others regarding matters of interest and concern to our Company.

Our Company's board of directors has established an Audit Committee. The Audit Committee assists the Board in fulfilling its responsibilities with respect to accounting and financial reporting practices and the scope and expense of audit and related services provided by external auditors, among others. The Audit Committee is responsible for apprising the Board of management's compliance with Board mandated policies, internal procedures

5

and applicable laws and regulations. The committee works with the internal audit department and external auditors and supervises the internal audit function directly, reviews and approves the hiring of audit personnel and evaluates the performance of the internal audit function and the external auditors. The committee also has the duty to make, or cause to be made, a suitable examination and audit of the financial affairs of our Company and its subsidiaries at least annually, and to report thereon to the board of directors. Members of the Audit Committee currently are Messrs. Freeman, Goller, Loyd, Riley and Wetzel. Each committee member attended at least 75% of the committee meetings held during 2003. The Audit Committee met six times during 2003. The Audit Committee has adopted a written charter, which is attached to this proxy statement as Appendix A.

In January 2000, our Company established a Compensation Committee which assumed the responsibility to make recommendations to the board of directors regarding the compensation and benefits of our executive officers and directors and the establishment and administration of our Company's executive compensation program. In February 2000, our board of directors approved an Incentive Stock Option Plan under which an Incentive Stock Option Committee was established. The committee was authorized to construe, interpret and administer the Plan, and to exercise exclusive authority over the grant of options under the Plan. At our Board's June 2003 meeting, the responsibilities of the Incentive Stock Option Committee were assigned to the Compensation Committee. Members of the Compensation Committee currently are Messrs. Freeman, Goller, Loyd, Riley and Wetzel. Each committee member attended at least 75% of the committee meetings held during 2003. The Compensation Committee met three times during 2003. Before transferring responsibilities to the Compensation Committee, the Incentive Stock Option Committee met once during 2003.

With the exception of the Audit and Compensation Committees, there currently are no other standing compensation, executive, nominating or other

Edgar Filing: EXCHANGE NATIONAL BANCSHARES INC - Form DEF 14A

committees of our Company's board of directors, or committees performing similar functions of the Board. Until recently, our board of directors did not find it necessary to have a separate nominating committee because of the low turnover of board of director seats among other reasons. Each member of the board of directors, including directors who are not "independent" under the applicable Nasdaq listing standards, participates in the consideration of director nominees. There currently is no charter that establishes procedures for the Board's consideration of director nominees and, in view of the infrequent inquiries of shareholders concerning the nomination of directors, there is no policy concerning the consideration of candidates recommended by our shareholders. Our Company anticipates establishing a nominating committee on the date of the 2004 annual meeting of shareholders. The Board believes that it should be comprised of directors with varied, complementary backgrounds, and that directors should, at a minimum, have expertise that may be useful to our Company. Directors should also possess the highest personal and professional ethics and should be willing and able to devote the required amount of time to our Company's business. In determining whether a director should be retained and stand for re-election, the Board also considers that member's performance and contribution to the Board during his tenure with the Board.

SHAREHOLDER COMMUNICATIONS WITH DIRECTORS

Our board of directors has not established a formal process for shareholders to follow to send communications to the Board or its members, as our Company's policy has been to forward to the directors any shareholder correspondence it receives that is addressed to them. Shareholders who wish to communicate with our directors may do so by sending their correspondence addressed to the director or directors at our Company's headquarters at 132 East High Street, Jefferson City, Missouri 65101.

Directors are encouraged by our Company to attend our annual meeting of shareholders if their schedules permit. All directors except Mr. Riley were present at the annual meeting of the shareholders held in June 2003.

EXECUTIVE COMPENSATION AND OTHER INFORMATION

REPORT ON EXECUTIVE COMPENSATION

This report has been prepared by the Compensation Committee of our Company's board of directors (the "Committee") which has general responsibility for the establishment, direction and administration of all aspects of the compensation policies and programs for the executive officers of our Company and its affiliate banks. Under an agreement between our Company and Exchange National Bank, employees of our Company and Exchange National

Bank, including persons who are employees of both our Company and Exchange National Bank, are compensated as such by Exchange National Bank. Our Company's executive compensation program, insofar as it pertains to the Chairman of the Board and Chief Executive Officer (the "Chief Executive Officer") and the President (the "President") of our Company, is administered by the Committee. The Committee is composed of five independent outside directors, none of whom is an officer or employee of our Company or any affiliate bank. Our Company's executive compensation program, insofar as it pertains to executive officers other than the Chief Executive Officer and the President, is administered by the Chief Executive Officer and the President. Mr. James Smith, the Chief Executive Officer, and certain other executive officers of our Company and affiliate banks, may attend meetings of the Committee, but are not present during discussions or deliberations regarding their own compensation.

Edgar Filing: EXCHANGE NATIONAL BANCSHARES INC - Form DEF 14A

COMPENSATION POLICY. Our Company's executive compensation policy is premised upon three basic goals: (1) to attract and retain qualified individuals who provide the skills and leadership necessary to enable our Company and its affiliate banks to achieve earnings growth, capital compliance and return on investment objectives, while maintaining a commitment to equal employment opportunity and affirmative action guidelines and practices; (2) to create incentives to achieve company and individual performance objectives through the use of performance-based compensation programs; and (3) to create a mutuality of interest between executive officers and shareholders through compensation structures that create a direct link between executive compensation and shareholder return.

In determining the structure and levels of each of the components of executive compensation needed to achieve these goals, all elements of the compensation package are considered in total, rather than any one component in isolation. As more fully described below, the determination of such levels of executive compensation is a subjective process in which many factors are considered, including our Company's and/or affiliate banks' performance and the individual executive's specific responsibilities, historical and anticipated personal contribution to our business, and length of service with our Company or affiliate banks.

COMPENSATION COMPONENTS. The Committee, as well as the Chief Executive Officer and the President, reviews our Company's compensation program annually to ensure that compensation levels and incentive opportunities are competitive and reflect the performance of our Company and its affiliate banks as well as performance of the individual executive officer. The particular elements of the compensation program for executive officers are base salary, incentive compensation and periodic stock option grants. The Committee believes that these compensation components together advance both the short- and long-term interests of our shareholders. In this regard, the Committee believes that the long-term interests of our shareholders are advanced by designating a portion of executive compensation to be at risk: namely, incentive compensation (which permits individual performance to be recognized on an annual and long-term basis based, in part, on an evaluation of the executive's contribution to our Company's and/or affiliate bank's performance) and the grant of stock options (which directly ties a portion of the executive's long-term remuneration to stock price appreciation realized by shareholders). Each of the components of the compensation program is addressed separately below.

Base Salary. The base salary for each executive officer is reviewed from the previous year. In determining whether to adjust base salary levels, management's recommendations and subjective assessments of each executive's growth and effectiveness in the performance of his or her duties are taken into account. In addition, the performance of our Company and/or the affiliate bank is considered. The increases in the base salaries of executives of our Company and affiliate banks for 2003 were based primarily upon a subjective analysis of our Company's and/or the banks' performance during the period since the last salary increase and the individual executive's role in generating that performance. In this regard, the analysis of performance included a review of our Company's and/or affiliate bank's earnings and return on investment for the prior year. The analysis of the role played by each individual executive in generating our Company's and/or bank's performance included a consideration of the executive's specific responsibilities, contributions to our Company's and/or bank's business, and length of service. The factors impacting base salary levels are not independently assigned specific weights. Rather, all of these factors are reviewed, and specific base pay recommendations are made which reflect an analysis of the aggregate impact of these factors. The Committee and the Chief Executive Officer and the President believe that base pay levels for the executive officers are maintained within a range that is considered to be appropriate and necessary.

Edgar Filing: EXCHANGE NATIONAL BANCSHARES INC - Form DEF 14A

Incentive Compensation. After careful analysis of our Company's needs and an examination of the competitive practices among peer companies, the Committee recommended, and the full board of directors approved, the adoption of an incentive bonus program. As a result, our Company's and affiliate banks' officers are

7

eligible to receive incentive bonus awards. Each of the officers who are eligible to receive bonus awards are assigned to one of four bonus tiers, which assignments are made primarily according to job category. Tier one consists of the Chief Executive Officer. Tier two consists of our Company's President and affiliate bank presidents. Tier three consists of senior officers of our Company and affiliate banks. Tier four includes officers of affiliate banks.

Officers identified by the Chief Executive Officer and the President and the Committee are eligible to receive incentive bonuses. These officers may earn annual awards only upon the achievement of performance objectives which are established at the beginning of the year. Threshold, target and maximum levels of awards are established, and no awards are paid if the threshold is not met. The performance objectives are weighted based upon their relative importance to each individual. The performance objectives for participants may include corporate performance objectives and personal targeted objectives for performance. The performance objectives may include functional or operating unit objectives. Each participant's target bonus is expressed as a percentage of his or her base salary, dependent on responsibility and function. The target award is 30% of base salary in the case of the Chief Executive Officer, and in the case of the Presidents, senior officers and other officers, the target award ranges from 20% to 10% of base pay. Earned awards may range from 0% to 150% of the target award. In 2003, the Committee granted an incentive bonus award of \$62,500, or 24% of base pay, to Mr. Smith for the 2002 fiscal year.

Incentive bonus awards to the Presidents are allocated based upon the recommendation of the Chief Executive Officer. In allocating bonus awards among the other participants, the Chief Executive Officer and our Company's President exercise their discretion and judgment after considering the individual participant's performance, responsibilities and contributions to our Company and/or affiliate banks, and subjectively analyzing the basis of their aggregate impact on the success of our Company and/or affiliate banks for the preceding year.

Stock Options. The Committee believes that in order to enhance long-term shareholder value it must provide incentives that provide motivation beyond short-term results. In February 2000, our board of directors adopted, and our shareholders subsequently approved, a stock option plan. The objective of stock option grants is to advance the longer term interests of our Company and its shareholders and complement incentives tied to annual performance by rewarding executives upon the creation of incremental shareholder value. Stock options only produce value to executives if the price of our Company's common stock appreciates, thereby directly linking the interests of executives with those of shareholders. Therefore, in order to provide long-term incentives to executive officers and other employees related to long-term growth in the value of our Company's common stock, it is intended that stock options be granted to such persons under our Company's stock option plan. The selection of the persons eligible to receive stock options and the designation of the number of stock options to be granted to such persons are made by our Company's Compensation Committee after taking into account management's assessment of each person's relative level of authority and responsibility with the Bank, years of service and base salary, among other factors.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Members of the Compensation Committee are Mr. Freeman, the Chairman, Mr. Goller, Mr. Loyd, Mr. Riley and Dr. Wetzel, II. As discussed above under "Report on Executive Compensation", in 2003 Mr. Smith, the Chief Executive Officer, administered the executive compensation program insofar as it pertained to executive officers other than the Chief Executive Officer. All decisions relating to the compensation of executive officers are reviewed by, and subject to the approval of, the Compensation Committee. Among the members of the banks' board of directors, Mr. Smith and Mr. Turner are officers and employees of the Company and affiliate banks.

None of the members of the Committee were an officer or employee of our Company or any of its subsidiaries during 2003. Messrs. Loyd, Riley, Goller and Wetzel, and certain corporations and firms in which such persons have interests, have obtained loans from the affiliate banks. Each of such loans are believed to have been made to such persons, corporations or firms in the ordinary course of business, on substantially the same terms,

8

including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons, and did not involve more than the normal risk of collectability or present other unfavorable features.

- (1) All stock options are incentive stock options.
- (2) All grants were made at 100% of the fair market value as of the grant date.
- (3) The dollar amounts under these columns are the result of calculations at the 5% and 10% assumed annual growth rates mandated by the Securities and Exchange Commission and, therefore, are not intended to forecast possible future appreciation, if any, in the common stock price. The calculations were based on the exercise prices and the 10-year term of the options. No gain to the optionees is possible without an increase in stock price which will benefit all shareholders proportionately. The "Potential Realizable Value" to all Exchange shareholders as a group which would result from the application of the same assumptions to the 4,169,847 shares of common stock outstanding at December 31, 2003, at the \$36.20 per share fair market value of our Company's common stock on the last trading day of 2003 is an incremental gain of \$0, \$94,930,676 and \$240,572,972 for 0%, 5% and 10%, respectively.
- (4) These stock options vest with respect to 1,222 shares on the first anniversary of the grant date, 1,223 shares on the second anniversary, 2,449 shares on the third anniversary and 3,429 shares on the fourth anniversary.
- (5) These stock options vest with respect to 1,090 shares on the first anniversary of the grant date, 1,091 shares on the second anniversary, 2,401 shares on the third anniversary and 2,018 shares on the fourth anniversary.
- (6) These stock options vest 25% each year on the first four anniversaries of the grant date.

EXCHANGE NATIONAL BANK PROFIT-SHARING TRUST

Exchange National Bank established a profit-sharing plan and trust in 1951, which has been amended and restated from time to time, and was most recently amended effective December 10, 2003. All employees of Exchange National Bank who have completed one year of service are eligible to participate. Exchange National Bank makes all contributions except for voluntary contributions by participants who are not highly compensated employees. Exchange National Bank is required to make an annual contribution to the trust in an amount equal to 6% of its income before provision for Federal and state income taxes and before provision for contributions to the profit-sharing plan and retirement plan, limited, however, to the maximum amount deductible for Federal income tax purposes. Exchange National Bank's contribution to the trust for any given year is allocated to the accounts of the participants in direct proportion to the compensation of the participants for such year. The trust can invest up to 60% of the value of its assets in our Company's stock, and such common stock held by the trust is allocated to the accounts of the participants. The interest of a participant in Exchange National Bank contributions does not vest prior to the completion of five years of service. After five years of service a participant becomes fully vested in the value of his or her employer contribution account. A participant whose employment with Exchange National Bank terminates because of his normal retirement, death, or permanent disability is also fully vested. Payments are made to participants upon termination of service. If cash instead of stock is distributed, any shares of our Company's stock previously allocated to the terminating participant's account would be reallocated among the remaining participants' accounts. A participant may withdraw his or her own contributions, but a participant may not borrow from the trust. Each participant may direct the trustee with respect to the voting of shares of our Company's stock allocated to his account on such matters upon which shareholders are entitled to vote. Exchange National Bank serves as trustee of the trust, and the trust is administered by a retirement committee which is appointed by the board of directors of Exchange National Bank. As of December 31, 2003, the trust held assets with an aggregate market value of

Edgar Filing: EXCHANGE NATIONAL BANCSHARES INC - Form DEF 14A

\$12,403,865. As of March 1, 2004, the trust held 207,957 shares (or 4.99%) of our Company's common stock.

CITIZENS UNION STATE BANK PROFIT-SHARING PLAN

Citizens Union State Bank established the Citizens Union State Bank & Trust of Clinton Profit Sharing Plan (the "Plan") in 1963. The Plan was restated effective June 27, 2003. All employees of Citizens Union State Bank who have completed one year of service and are twenty-one years old are eligible to participate in the Plan. Eligible Plan participants may make elective deferrals up to a maximum dollar amount as set forth by law. For 2003, the limit was \$12,000. Under the terms of the Plan, a discretionary matching contribution will be made on behalf of each participant by Citizens Union State Bank. In addition to the employer matching contributions, Citizens Union State Bank may make a discretionary annual profit sharing contribution to the Plan. Both the employer matching contribution and the discretionary employer profit sharing contribution are subject to the Plan's vesting schedule. Under the Plan's vesting schedule, a participant's interest in employer contributions does not begin to vest until the participant has completed two years of service. A participant becomes fully vested after he or she has completed six years of service. Unless a participant terminates employment due to death, disability or retirement, a participant is not eligible to receive an employer matching or employer profit sharing contribution for a

11

specific Plan year unless the participant has completed 1,000 hours or more of service during the Plan year and is employed on the last day of the Plan year. A participant may take a total distribution of his or her vested account balance upon his or her termination from employment. Under the terms of the Plan, in-service hardship withdrawals are allowed. Plan loans, however, are not permitted. Citizens Union State Bank currently serves as the plan administrator of the Plan. The Commerce Trust Company currently serves as the plan trustee. As of December 31, 2003, the trust held assets with an aggregate book value of \$1,197,739.

STOCK OPTION PLAN

On February 29, 2000, our board of directors adopted the Exchange National Bancshares, Inc. Incentive Stock Option Plan. The Plan is sponsored by our Company for key employees of our Company and its subsidiaries, and is intended to encourage such employees to participate in the ownership of our Company, and to provide additional incentive for them to promote the success of our business through sharing in the future growth of our business. As of March 1, 2004, options to purchase a total of 125,391 shares of common stock pursuant to the Plan were outstanding.

The Plan is administered by a committee composed of Messrs. Freeman, Goller, Riley, Loyd and Wetzell. The Plan committee has the power to determine in its discretion the persons to whom options are granted under the Plan, the number of shares covered by those options, and the time at which an option becomes exercisable, subject in each case to the limitations set forth in the Plan. Options can be granted under the Plan only to key employees of our Company or any of its subsidiary corporations. The eligibility of the persons to whom options may be granted under the Plan is limited to those persons whom the Plan committee determines have made, or are expected to make, material contributions to the successful performance of our Company. The period of up to ten years during which an option may be exercised, and the time at which it becomes exercisable, are fixed by the Plan committee at the time the option is granted. No option granted under the Plan is transferable by the holder other than by will or the laws of descent and distribution.

Edgar Filing: EXCHANGE NATIONAL BANCSHARES INC - Form DEF 14A

The aggregate number of shares of our common stock that may be issued pursuant to the exercise of options granted under the Plan is limited to 450,000 shares, subject to increase or decrease in the event of any change in our Company's capital structure. As of March 1, 2004, options for 303,217 shares remained available for grant under the Plan. Shares subject to options granted under the Plan which expire or terminate without being exercised in full become available, to the extent unexercised, for future grants under the Plan. No consideration is paid to our Company by any optionee in exchange for the grant of an option. The per share exercise price for an option granted under the Plan is determined by the Plan committee but may not be less than the greater of the par value or the fair market value of our common stock on the date that the option is granted. The Plan provides for automatic adjustments to prevent dilution or enlargement of the optionee's rights in the event of a stock split, stock dividend, reorganization, merger, consolidation, liquidation, combination or exchange of shares, or other change in the capital structure of our Company.

PENSION PLAN

Concurrently with the creation of the profit-sharing plan and trust in 1951, Exchange National Bank established a defined benefit plan for its employees, which has been amended and restated from time to time, and was most recently amended and restated effective January 1, 2002. Under the plan, all full-time employees become participants on the earlier of the first of June or the first of December coincident with or immediately following the later to occur of (i) the completion of one year of service or (ii) the attainment of the age of 21, and continue to participate so long as they continue to be full-time employees, until their retirement, death or termination of employment prior to normal retirement date. The plan has a five-year vesting schedule under which a participant becomes fully vested in his accrued benefit after completing five years of service. This plan provides for the payment of retirement and death benefits that are funded by investments which, at December 31, 2003, had an aggregate market value of \$5,268,668.

The normal retirement benefits provided under the plan for an employee with at least 25 years of continuous service are based upon 45% of his/her average compensation over a ten-year period, less 50% of his social security benefit. Compensation covered by the plan includes wages, salaries and overtime pay but excludes directors' fees, commissions, bonuses, expense allowances, and other extraordinary compensation. Amounts

12

reported in the compensation table include salaries, directors' fees, commissions and bonuses. For employees with less than 25 years of continuous service, retirement benefits are reduced proportionally. Provision is made for early or late retirement and optional payment provisions are available.

The table below illustrates the projected amount of annual retirement income, based on a straight line annuity, available under the plan for a person retiring at 65 years of age at various levels of average annual compensation and years of service classifications, with an assumed annual social security benefit of \$10,000.

AVERAGE TEN- YEAR ANNUAL COMPENSATION -----	10 YEARS SERVICE -----	15 YEARS SERVICE -----	20 YEARS SERVICE -----	25 Y SER ---

Edgar Filing: EXCHANGE NATIONAL BANCSHARES INC - Form DEF 14A

\$ 50,000	\$ 7,000	\$10,000	\$14,000	\$17,000
100,000	16,000	24,000	32,000	40,000

200,000	34,000	51,000	68,000	85,000

The amounts shown above reflect benefits payable in the normal payment form. For a married participant, payment is by monthly benefit to the participant during his or her lifetime, and 50% of that amount is paid to the spouse monthly during the spouse's life after the participant's death. For an unmarried participant, payment is by a lifetime monthly benefit, with payments guaranteed for the first 120 months.

Mr. Turner has 25 years of continuous service under the plan. Mr. Smith is not a participant in the plan. Mr. Rose has 6 consecutive years of service.

SMITH EMPLOYMENT AGREEMENT

Our Company has entered into an employment agreement with James E. Smith. The agreement had an initial three-year term which expired on November 3, 2000, but is subject to automatic extensions of one additional year upon the expiration of each year prior to Mr. Smith's 62nd birthday (unless either party gives notice not to so extend the term). The agreement provides for an annualized base salary of \$110,000, and eligibility for merit-based increases. In addition to base salary, the agreement also provides that Mr. Smith is eligible to participate in bonus and other incentive compensation plans made available to employees having responsibilities comparable to those of Mr. Smith.

Mr. Smith's employment is subject to early termination in the event of his death, disability or adjudication of legal incompetence, and otherwise may be terminated only for cause (as defined). The employment agreement prevents Mr. Smith from competing with our Company, soliciting customers or hiring employees during the term of the agreement and for a period of two years thereafter. In addition, the employment agreement requires Mr. Smith to maintain the confidentiality of our Company's confidential information prior to its disclosure by our Company.

CHANGE OF CONTROL AGREEMENT

Our Company has entered into change of control agreements with 11 executive officers, including Messrs. Smith, Turner and Rose. These agreements provide that if, within two years after a change in control (as defined below), our Company or any subsidiary that is the primary employer of the executive terminates the executive's employment other than by reason of the executive's death, disability or for cause (as defined) or if the executive terminates his or her employment for good reason (as defined), the executive will be entitled to receive:

- an amount equal to one to three years' of the executive's salary (based on the executive's highest monthly base salary for the preceding twelve-month period);
- an amount equal to one to three times the executive's incentive bonus for the preceding year;
- the proportionate amount of any incentive bonus and other compensation, payments and benefits which would otherwise have been received by the executive for the year in which employment was terminated; and
- any accrued and unpaid vacation pay.

The total payments made under the change of control agreements and under any other agreements, plans or arrangements as a result of a change in control is not permitted to be in excess of 5% of the aggregate cash consideration that our shareholders would receive as a result of a change of control. Our Company will reimburse the executive for any excise taxes that result from any of such payments being considered "excess parachute payments" under Section 280G of the Internal Revenue Code of 1986, and will make a gross-up payment to reimburse the executive for any income or other tax attributable to the excess parachute payment and to the tax reimbursement payments themselves. The change of control agreements require the executives to maintain the confidentiality of our confidential information prior to its disclosure by our Company.

A "change in control" generally is defined to take place when (a) a person or group (other than our Company and various affiliated persons or entities) becomes the beneficial owner, directly or indirectly, of 50% or more of the total voting power of our Company's outstanding securities, (b) our shareholders approve a merger or consolidation involving our Company in which at least 50% of the total voting power of the voting securities of the surviving corporation is held by persons who were not previously shareholders of our Company, or (c) our shareholders approve a plan of complete liquidation of our Company or an agreement for the sale or disposition by our Company of all or substantially all of its assets.

COMPANY PERFORMANCE

The following performance graph shows a comparison of cumulative total returns for our Company, the Nasdaq Stock Market (U.S. Companies) and a peer index of financial institutions having total assets of between \$500 million and \$1 billion (as calculated by SNL Securities LC) for the period from January 1, 1999, through December 31, 2003. The cumulative total return on investment for each of the periods for our Company, the Nasdaq Stock Market (U.S. Companies) and the peer index is based on the stock price or index at January 1, 1999. The performance graph assumes that the value of an investment in our Company's common stock and each index was \$100 at January 1, 1999 and that all dividends were reinvested. The information presented in the performance graph is historical in nature and is not intended to represent or guarantee future returns.

1, 2002, with quarterly installments of accrued interest being made on each February 1, May 1, August 1 and November 1 of the loan term at the rate of 7% per annum. Upon maturity, the six notes were renewed through January 1, 2004 at a variable rate of interest tied to the London interbank offered rate (LIBOR). The promissory notes, and one other promissory note issued to a former shareholder of Union, were secured by Union's pledge of the shares of Union State Bank capital stock owned by it. On January 1, 2004, all outstanding promissory notes were paid in full.

The officers and directors of our Company and of its subsidiaries, some of their family members and our Companies with which some of the directors are associated, were customers of, and had banking transactions with, Exchange National Bank, Citizens Union State Bank and Osage Valley Bank in the ordinary course of Exchange National Bank's, Citizens Union State Bank's and Osage Valley Bank's respective businesses during 2002 and 2003. During each of these years Exchange National Bank, Citizens Union State Bank and Osage Valley Bank each continued its policy of making loans and loan commitments in the ordinary course of business to its employees, officers and directors, and their affiliates, only on substantially the same terms, including interest rates, collateral and repayment terms, as those prevailing at the time for comparable transactions with other persons. In the opinion of the board of directors of Exchange National Bank, Citizens Union State Bank and of Osage Valley Bank, respectively, none of its transactions with such persons involved more than a normal risk of collectability or other unfavorable features.

ITEM 2

RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS

The Audit Committee of our board of directors has selected the independent certified public accounting firm of KPMG LLP as our Company's independent auditors to audit the books, records and accounts of our Company for the year ending December 31, 2004. Shareholders will have an opportunity to vote at the annual meeting on whether to ratify the Audit Committee decision in this regard.

KPMG LLP has served as our Company's independent auditors since our Company commenced business operations in 1993. A representative of KPMG LLP is expected to be present at the annual meeting. Such representative will have an opportunity to make a statement if he or she desires to do so and will be available to respond to appropriate questions.

Submission of the selection of the independent auditors to the shareholders for ratification will not limit the authority of the Audit Committee to appoint another independent certified public accounting firm to serve as independent auditors if the present auditors resign or their engagement otherwise is terminated. Shareholder ratification of the Audit Committee's selection of KPMG LLP as our Company's independent auditors is not required by any statute or regulation or by our Company's bylaws. Nevertheless, if the shareholders do not ratify the selection of KPMG LLP at the annual meeting, the selection of independent auditors for the current year will be reconsidered by the Audit Committee.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR APPROVAL OF THE SELECTION OF KPMG LLP.

INDEPENDENT AUDITORS' FEES

The following table presents fees for professional audit services

AUDIT COMMITTEE PRE-APPROVAL OF AUDIT AND PERMISSIBLE NON-AUDIT SERVICES

Pursuant to its charter, the Audit Committee of our board of directors is responsible for reviewing and approving, in advance, any audit and any permissible non-audit engagement or relationship between our Company

and its independent auditors. Our engagement of KPMG LLP to conduct the audit of our Company for 2003 was approved by the Audit Committee on February 2, 2003. Additionally, each permissible non-audit engagement or relationship between our Company and KPMG LLP entered into since May 2, 2003 has been reviewed and approved by the Audit Committee. The percentage of audit-related fees, tax fees and all other fees that were approved by the Audit Committee for fiscal 2003 is 100% of the total fees incurred. We have been advised by KPMG LLP that substantially all of the work done in conjunction with its audit of our financial statements for the most recently completed fiscal year was performed by permanent full time employees and partners of KPMG LLP.

AUDIT COMMITTEE REPORT TO SHAREHOLDERS

The Audit Committee of our board of directors assists the Board in fulfilling its responsibilities with respect to accounting and financial reporting practices and the scope and expense of audit and related services provided by external auditors, among others. The Audit Committee is composed of five directors. All committee members satisfy the definition of an "independent" director as established in the National Association of Securities Dealers

Edgar Filing: EXCHANGE NATIONAL BANCSHARES INC - Form DEF 14A

listing standards, and the Board of Directors has determined that Messrs. Goller and Loyd qualify as an "audit committee financial experts" within the meaning of the rules and regulations of the Securities and Exchange Commission. The Audit Committee has adopted a written charter. In connection with the review and reassessment of the adequacy of the Audit Committee's charter by the members of the Audit Committee and management, the Audit Committee revised the Audit Committee charter on June 11, 2003. A copy of the revised Audit Committee charter is attached to this proxy statement as Appendix A.

In connection with these responsibilities, the Audit Committee reviewed, and met with management to discuss, the December 31, 2003 financial statements. The Audit Committee also discussed with the independent accountants the matters required by Statement on Auditing Standards No. 61, Codification of Statements on Auditing Standards. The Audit Committee received written disclosures from the independent accountants required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, and the Audit Committee discussed with the independent accountants that firm's independence. The Audit Committee has considered whether the services provided under financial information systems design and implementation and other non-audit services are compatible with maintaining the independence of KPMG LLP.

Based upon the Audit Committee's discussions with management and the independent accountants, and the Audit Committee's review of the representations of management, the Audit Committee recommended that the board of directors include the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2003, to be filed with the Securities and Exchange Commission.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires our Company's directors and executive officers, and persons who own more than 10% of any class of equity securities of our Company registered pursuant to Section 12 of the Exchange Act, to file with the Securities and Exchange Commission initial reports of ownership and reports of changes in ownership in such securities and other equity securities of our Company. Securities and Exchange Commission regulations require directors, executive officers and greater than 10% shareholders to furnish our Company with copies of all Section 16(a) reports they file.

To our Company's knowledge, based solely on review of the copies of such reports furnished to our Company and written representations that no other reports were required, during the year ended December 31, 2003, all Section 16(a) filing requirements applicable to its directors, executive officers and greater than 10% shareholders were complied with on a timely basis, except that Gus S. Wetzell, II was late in filing a change in beneficial ownership on Form 4 which reported four transactions.

OTHER BUSINESS OF THE MEETING

The board of directors is not aware of, and does not intend to present, any matter for action at the annual meeting other than those referred to in this proxy statement. If, however, any other matter properly comes before the annual

Edgar Filing: EXCHANGE NATIONAL BANCSHARES INC - Form DEF 14A

meeting or any adjournment, it is intended that the holders of the proxies solicited by the board of directors will vote on such matters in their discretion in accordance with their best judgment.

ANNUAL REPORT

Our Company's Annual Report to Shareholders, containing consolidated financial statements for the year ended December 31, 2003, is being mailed with this proxy statement to all shareholders entitled to vote at the annual meeting. Such Annual Report is not to be regarded as proxy solicitation material.

A COPY OF OUR COMPANY'S ANNUAL REPORT ON FORM 10-K FOR THE YEAR ENDED DECEMBER 31, 2003, EXCLUDING EXHIBITS, WILL BE FURNISHED WITHOUT CHARGE TO ANY SHAREHOLDER OF RECORD AS OF APRIL 2, 2004, UPON WRITTEN REQUEST TO KATHLEEN L. BRUEGENHEMKE, EXCHANGE NATIONAL BANCSHARES, INC., 132 EAST HIGH STREET, JEFFERSON CITY, MISSOURI 65101. Our Company will provide a copy of any exhibit to the Form 10-K report to any such person upon written request and the payment of our Company's reasonable expenses in furnishing such exhibits.

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries (including brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more shareholders sharing the same address by delivering a single proxy statement addressed to those shareholders. This process, which is commonly referred to as "householding," potentially means extra convenience for shareholders and cost savings for companies.

This year, a number of brokers with account holders who are shareholders of our Company will be "householding" our proxy materials. A single proxy statement may be delivered to multiple shareholders sharing an address unless contrary instructions have been received from the affected shareholders. Once you have received notice from your broker that it will be "householding" communications to your address, "householding" will continue until you are notified otherwise or until you notify your broker or us that you no longer wish to participate in "householding." If, at any time, you no longer wish to participate in "householding" and would prefer to receive a separate proxy statement and annual report in the future you may (1) notify your broker, (2) direct your written request to: Kathleen L. Bruegenhemke, Exchange National Bancshares, Inc., 132 East High Street, Jefferson City, MO 65101, or (3) contact Kathleen L. Bruegenhemke at (573) 761-6179. Shareholders who currently receive multiple copies of the proxy statement at their address and would like to request "householding" of their communications should contact their broker. In addition, we will promptly deliver, upon written or oral request to the address or telephone number above, a separate copy of the annual report and proxy statement to a shareholder at a shared address to which a single copy of the documents was delivered.

SHAREHOLDER PROPOSALS FOR 2005 ANNUAL MEETING

It is anticipated that the 2005 annual meeting of shareholders will be held on June 8, 2005. Any shareholder who intends to present a proposal at the 2005 annual meeting must deliver the proposal to our Company at 132 East High Street, Jefferson City, Missouri 65101, Attention: President by the applicable deadline below:

- If the shareholder proposal is intended for inclusion in our Company's proxy materials for that meeting pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, our Company must receive the proposal no event later than December 29, 2004. Such proposal must also comply with the other requirements of the proxy solicitation rules of the Securities and Exchange Commission.

- If the shareholder proposal is to be presented without inclusion in our Company's proxy materials for that meeting, our Company must receive the proposal no event later than May 10, 2005 in accordance with the

19

advance notice provisions of our Company's articles of incorporation and bylaws. See "Advance Notice of Shareholder Proposals."

Proxies solicited in connection with the 2005 annual meeting of shareholders will confer on the appointed proxies discretionary voting authority to vote on shareholder proposals that are not presented for inclusion in the proxy materials unless the proposing shareholder notifies our Company by May 10, 2005 that such proposal will be made at the meeting.

ADVANCE NOTICE OF SHAREHOLDER PROPOSALS

Our Company's articles of incorporation and bylaws provide that advance notice of shareholder nominations for the election of directors or other business must be given. With respect to this annual meeting, written notice of the shareholder's intent to make a nomination at the meeting must be received by our Company's Secretary at our Company's principal executive offices not later than the close of business on May 12, 2004. At future meetings of shareholders, notice of nominations or other business to be brought before the meeting must be delivered to our Company's Secretary at our principal executive offices not less than 60 days (30 days in the case of nominations for the election of directors) prior to the first anniversary of the previous year's annual meeting. In the event that the date of the annual meeting of shareholders is advanced by more than 30 days or delayed by more than 60 days from such anniversary date, however, notice by the shareholder to be timely must be so delivered not later than the close of business on the later of (i) the 60th day (in the case of nominations, the 30th day) prior to such annual meeting or (ii) the tenth day following the date on which public announcement of the date of such meeting is first made.

The shareholder's notice of nomination must contain (i) the name and address of the nominating shareholder, of each person to be nominated and of the beneficial owner (as defined in the articles of incorporation), if any, on whose behalf the nomination is made, (ii) a representation that the nominating shareholder is the holder of record of our Company's common stock entitled to vote in the election of directors at the meeting and intends to appear at the meeting to nominate the person or persons specified in the notice, (iii) the number of shares of our Company's common stock owned beneficially and of record by the nominating shareholder and by each person to be nominated, (iv) a description of all arrangements or understandings between the nominating shareholder and each nominee and any other person or persons (naming such person or persons) pursuant to which the nomination or nominations are to be made by the shareholder, (v) the consent of each nominee to serve as a director if so elected, and (vi) such other information regarding each nominee proposed by the nominating shareholder as would be required to be included in a proxy statement filed pursuant to the proxy rules of the Securities and Exchange Commission, as then in effect, if our Company were soliciting proxies for the election of such nominees. If no such notice has been received, the chairman of the annual meeting is entitled to refuse to acknowledge the nomination of any person which is not made in compliance with the foregoing procedure. The board of directors does not know if, and has no reason to believe that, anyone will attempt to nominate another candidate for director at this annual meeting.

("Nasdaq") and the independent audit committee requirements of Rule 4350 of Nasdaq.

B. QUALIFICATIONS. All members of the Audit Committee shall have a working knowledge of basic finance, accounting and auditing practices and shall be capable of reading and understanding fundamental financial statements,

III. AUDIT COMMITTEE MEETINGS

C. QUORUM. A majority of the members of the Audit Committee shall constitute a quorum. Except as otherwise provided in this Charter, the vote of a majority of the members present at any meeting at which a quorum exists shall constitute the act of the Audit Committee.

D. EXECUTIVE SESSIONS. To fulfill its responsibility to foster open communication, the Committee shall meet in separate executive sessions at least annually with management, the director of the internal auditing department, the independent auditors and as a committee to discuss any matters that the Audit Committee or any of these groups believes should be discussed privately. In addition, the Committee, or at least its Chairman, should communicate with management and the independent auditors at least quarterly to review the Corporation's financial statements and significant findings based upon the independent auditors' limited review procedures.

E. OTHER AUDIT COMMITTEE RESPONSIBILITIES. The Audit Committee shall:

1. As appropriate, obtain advice and assistance from outside legal, accounting or other advisors.

2. Perform an annual evaluation of its performance which encompasses (a) major issues regarding accounting principles and financial statement presentations, including any significant changes in the Corporation's selection or application of accounting principles; (b) major issues as to the adequacy of the Corporation's internal controls, disclosure controls and procedures and any special audit steps adopted in light of material control deficiencies; (c) analyses prepared by management and/or the independent auditors setting forth significant financial reporting issues and judgments made in connection with the preparation of the financial statements, including analyses of

the effects of alternative GAAP methods on the financial statements; (d) the effect of regulatory and accounting initiatives, as well as off-balance sheet structures, on the financial statements of the Corporation; and (e) earnings press releases (paying particular attention to any use of "pro forma," or "adjusted" non-GAAP, information), as well as financial information and earnings guidance provided to analysts and rating agencies.
