PROXY STATEMENT

The enclosed proxy is solicited by the Board of Directors of Skyline Corporation (Skyline) for use at the Annual Meeting of Shareholders to be held September 30, 2004. The shares represented by properly executed proxies received prior to the meeting will be voted. If the shareholder directs in the proxy how the shares are to be voted, they will be voted accordingly. When no direction has been given by the shareholder, it is the intention of the proxies named in the proxy to vote the same in accordance with their best judgment. Any proxy given may be revoked by the shareholder at any time prior to the voting of the proxy. The approximate date on which this proxy statement and the form of proxy are first sent or given to security holders is August 6, 2004.

VOTING SECURITIES

Only shareholders of record as of the close of business on July 23, 2004, or their proxies are entitled to vote at the meeting. As of that date, Skyline had outstanding 8,391,244 shares of Common Stock having one vote per share.

ELECTION OF DIRECTORS

Each share of Common Stock is entitled to one vote, which means that the holders of more than 50% of the shares voting for the election of Directors can elect all of the Directors and approve any other matter as may properly come before the meeting if they choose to do so. While the Company does not have a policy requiring Board members to attend the annual meeting, traditionally all Directors have attended the annual meeting and did so at the 2003 annual meeting.

It is proposed that seven Directors be elected at the meeting, each to serve until the next Annual Meeting of Shareholders and until his successor is elected and qualifies.

It is intended that the votes authorized by the enclosed proxy will be cast for the election of the seven nominees for Directors whose names are set forth below. In the event that one or more of the nominees shall unexpectedly become unavailable for election, the votes will be cast, pursuant to authority granted by the enclosed proxy, for such person or persons as may be designated by the present Board of Directors or the Board may be reduced accordingly. All of the nominees for whom the proxies intend to vote have agreed to serve as Directors if elected.

reports to James R. Weigand, Chief Financial Officer, and he received total compensation as an employee of \$61,000.

Termination of Employment Arrangements

The Skyline Corporation and Affiliates Employees Profit Sharing Plan provides benefits on death, disability or retirement for substantially all employees. Employees become eligible as of the June 1 or December 1 immediately following completion of six months of employment. The amount of contribution under the Plan is at the discretion of Skyline each year. The maximum contribution for any participant shall not exceed 12% of a participant's basic compensation. Upon retirement, death or permanent total disability, a participant is entitled to all of the funds credited to his account. In case of termination of employment by resignation or discharge, the participant is entitled to a percentage of the amount credited to his account, ranging from 0% after one year of employment to 100% after seven years. Forfeitures resulting from any employee's termination of employment prior to full vesting will be used to reduce employer contributions. Net investment earnings or net losses for each fiscal year are allocated to the account of each participant in the same ratio as the participant's account balance bears to the total account balances of all participants. Skyline reserves the right to modify, amend or terminate the Plan. In the event of termination of the plan, the entire amount theretofore contributed under the Plan must be paid to participants or their beneficiaries and under no circumstances reverts to Skyline.

Under an insurance plan, payments would be made to the below named executive officers and two former executive officers, and executive officers as a group, for a period of 10 years upon retirement from Skyline at age 60, 62 or later, in the following annual amounts: Thomas G. Deranek, \$75,000; William H. Murschel, \$75,000; Terrence M. Decio, \$75,000; James R. Weigand, \$60,000; Christopher R. Leader, \$60,000; Arthur J. Decio, \$100,000; and Ronald F. Kloska, \$100,000; and all current and former executive officers as a group, consisting of 9 individuals, \$645,000. Under the same insurance plan, in the event of the death of any of these individuals while employed by Skyline, payments would be made for a period of 10 years in the annual amounts hereinafter specified to the beneficiaries of the following individuals and group: Thomas G. Deranek, \$75,000; William H. Murschel, \$75,000; Terrence M. Decio, \$75,000; James R. Weigand, \$40,000; Christopher R. Leader, \$40,000; Arthur J. Decio, \$100,000; and Ronald F. Kloska, \$100,000 and 2 other executive officers, totaling 9 individuals, \$575,000. Skyline is the owner and beneficiary of policies insuring the lives of all these individuals in the total amount of \$4,925,000.

In addition, in the event of the death of Arthur J. Decio, whether before or after his retirement from Skyline, Skyline has agreed to pay his survivor(s) the sum of \$2,700,000, which at the present income tax rates, would result in after

tax cost to Skyline of approximately \$1,620,000. Skyline is the owner and beneficiary of policies insuring Arthur J. Decio's life in the amount of \$1,600,000.

The appreciation in cash surrender value of all of the above-described insurance policies is such that there is no current cost to Skyline for their maintenance.

Compensation Committee Interlocks and Insider Participation

The following persons served as members of the Compensation Committee of Skyline's Board of Directors during the fiscal year ended May 31, 2004: Andrew J. McKenna, Jerry Hammes, William H. Lawson and David T. Link. Arthur J. Decio is the Chairman of the Board of Skyline, and is a member of the Board of Directors of Schwarz. Andrew J. McKenna is Chairman of Schwarz.

Report of the Compensation Committee on Executive Compensation

The compensation of Skyline's executive officers is determined by the Compensation Committee of the Board of Directors. Each member of the Compensation Committee is a director who is not an employee of Skyline or any of its affiliates. The following report with respect to compensation paid to Skyline's executive officers for the fiscal year ended May 31, 2004 is furnished by the Compensation Committee.

General Policies. Skyline's compensation programs are intended to enable Skyline to attract, motivate, reward and retain the executive management talent required to achieve corporate objectives. It is Skyline's policy to reward exceptional performance and contributions to the development of Skyline's business. To attain these objectives, Skyline's executive compensation program includes a competitive base salary coupled with the opportunity to participate in a bonus pool which is created based on the performance of Skyline's business. The Governance and Compensation Committee (the "Compensation Committee") establishes the base salaries and discretionary bonuses which will be paid to Skyline's executive officers for each fiscal year. In setting salaries and bonuses, the Compensation Committee takes into account several factors, including compensation paid by competitors and other industries' compensation data as well as qualitative factors bearing on an individual's experience, responsibilities, management and job performance. The Compensation Committee evaluates the contributions to Skyline's overall performance during the last fiscal year, leadership, effectiveness and commitment of all executive officers, including the Chief Executive Officer. For the fiscal year ended May 31, 2004, each of the executive

officers received a bonus, in the amounts set forth above in the executive compensation table.

Salaries. Salary levels for executive officer positions are set so as to reflect the duties and level of responsibilities inherent in the position and current economic conditions relating to Skyline's business. Comparative salaries paid by other companies in the industries in which Skyline does business are considered in establishing the salary level for a given position. The Compensation Committee does not, however, target a specific percentile range within the comparative group in setting salaries of Skyline's executive officers. The particular qualifications and level of experience of the individual holding the position are also considered in establishing a salary level when the individual is first appointed to a given position.

Bonus. Skyline provides executive officers the opportunity to earn an annual incentive bonus based on an evaluation of the executive's individual performance and Skyline's performance. No executive officer is automatically entitled to a bonus or a bonus in any particular amount. In considering bonuses for executives, the Compensation Committee consults with the Chairman of the Board.

Other. In addition, the executive officers participate in a profit sharing program and insurance and other plans described above providing payments on death or retirement.

Compensation of Chief Executive Officer (CEO). In setting the base salary and bonus for Skyline's CEO, for the fiscal year ended May 31, 2004, the Compensation Committee considered the same factors as with other executive officers of Skyline. The Compensation Committee believes the CEO's compensation was fully supported by those standards.

DIRECTOR INDEPENDENCE AND EXECUTIVE SESSIONS

The Board of Directors has affirmatively determined that each of the four non-management Directors, Andrew J. McKenna, Jerry Hammes, William H. Lawson, and David T. Link, is an independent Director and therefore, that a majority of Skyline's seven person Board of Directors is currently independent as so defined. For this purpose, Skyline's Board adopted the following categorical standards based in part on the New York Stock Exchange Corporate Governance Listing Standards approved by the SEC on November 4, 2003, and additional categories considered appropriate by the Board:

1. No Director qualifies as independent unless the Board affirmatively determines that the Director has no material relationship with Skyline or any of its subsidiaries (either directly or as a partner, shareholder or officer of an organization that has a relationship with Skyline or its subsidiaries);
2. A Director who is an employee, or whose immediately family member is an executive officer of Skyline or any of its subsidiaries is not independent until three (3) years after the end of such employment relationship;
3. A Director who receives or his immediately family member receives, more than \$100,000 per year in direct compensation from Skyline or any of its subsidiaries, other than Director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service), is not independent until three (3) years after he or she ceases to receive more than \$100,000 per year in such compensation;
4. A Director who is affiliated with or employed by, or whose immediate family member is affiliated with or employed in a professional capacity by a present or former internal or external auditor of our company or any of its subsidiaries is not independent until three (3) years after the end of the affiliation or the employment or auditing relationship;
5.
