PROXY STATEMENT

The enclosed proxy is solicited by the Board of Directors of Skyline Corporation (Skyline) for use at the Annual Meeting of Shareholders to be held September 20, 2007. The shares represented by properly executed proxies received prior to the meeting will be voted. If the shareholder directs in the proxy how the shares are to be voted, they will be voted accordingly. When no direction has been given by the shareholder, it is the intention of the proxies named in the proxy to vote the same in accordance with their best judgment. Any proxy given may be revoked by the shareholder at any time prior to the voting of the proxy. The approximate date on which this proxy statement and the form of proxy are first sent or given to security holders is August 16, 2007.

VOTING SECURITIES

Only shareholders of record as of the close of business on July 20, 2007, or their proxies are entitled to vote at the meeting. As of that date, Skyline had outstanding 8,391,244 shares of Common Stock having one vote per share.

ELECTION OF DIRECTORS

Each share of Common Stock is entitled to one vote, which means that the holders of more than 50% of the shares voting for the election of Directors can elect all of the Directors and approve any other matter as may properly come before the meeting if they choose to do so. While the Corporation does not have a policy requiring Board members to attend the annual meeting, traditionally all Directors have attended the annual meeting and did so at the 2006 annual meeting.

It is proposed that eight Directors be elected at the meeting, each to serve until the next Annual Meeting of Shareholders and until his successor qualifies and is elected.

It is intended that the votes authorized by the enclosed proxy will be cast for the election of the eight nominees for Directors whose names are set forth below. In the event that one or more of the nominees shall unexpectedly become unavailable for election, the votes will be cast, pursuant to authority granted by the enclosed proxy, for

such person or persons as may be designated by the present Board of Directors or the Board may be reduced accordingly. All of the nominees for whom the proxies intend to vote have agreed to serve as Directors if elected.

COMPENSATION, DISCUSSION AND ANALYSIS

Overview

The Compensation Committee of our Board of Directors established, subject to the approval of the full Board of Directors, the compensation for our Chief Executive Officer, our Chief Financial Officer, and our three most highly compensated executive officers whose total compensation for the fiscal year ended May 31, 2007 exceeded \$100,000. We refer to these five individuals as the Named Executive Officers.

In determining compensation, the Compensation Committee takes into account several factors, including compensation paid by our competitors and compensation data for other industries. The Compensation Committee also considers qualitative factors bearing on an individual's experience, responsibilities, management and job performance, to evaluate whether the demands of a particular position are being fulfilled effectively by the relevant individual. The Compensation Committee evaluates the contributions to our overall profitability performance during the last fiscal year, leadership, effectiveness and commitment of each of our Named Executive Officers, including our Chief Executive Officer.

Objectives and Elements of Compensation Program

Our compensation program is intended to enable us to attract, motivate, reward and retain the executive management talent required to achieve corporate objectives. It is our policy to reward exceptional performance and contributions to the development of our business.

To attain these objectives, our compensation programs include a competitive base salary coupled with the opportunity to participate in a bonus pool, which is created based on the performance of our business. Our Compensation Committee is responsible for making recommendations to our Board of Directors with respect to incentive based compensation plans and equity based plans. For the fiscal year ended May 31, 2007, we did not pay any long-term compensation or any non-cash compensation to our Named Executive Officers. We have not utilized long-term compensation or non-cash compensation programs from a desire to keep our compensation system simple and straightforward.

Base Salary. The Compensation Committee sets salary levels for Named Executive Officers so as to reflect the duties and level of responsibilities inherent in the

Table of Contents

position and current economic conditions relating to our business. In establishing the salary level for a given position, the Compensation Committee considers comparative salaries paid by other companies in the industries in which we do business. The Compensation Committee does not, however, target a specific percentile range within the comparative group in setting salaries of our Named Executive Officers. The Compensation Committee also considers the particular qualifications and level of experience of the individual holding the position in establishing a salary level when the individual is first appointed to a given position.

Annual Incentive Bonuses. We provide certain employees, including the Named Executive Officers, the opportunity to earn an annual incentive bonus based on an evaluation of the employee's individual performance and our performance, which is based on earnings before interest and taxes. These bonuses are discretionary, and no Named Executive Officer is automatically entitled to a bonus or a bonus in any particular amount. In considering bonuses for Named Executive Officers other than the Chief Executive Officer, the Compensation Committee consults with our Chairman of the Board and Chief Executive Officer regarding instances of exceptional effort demonstrated by an employee.

Potential Payments upon Termination or Change in Control. We provide benefits on death, disability or retirement for substantially all employees, including our Named Executive Officers, pursuant to the Skyline Corporation and Affiliates Employees' Profit Sharing Plan. We also provide fixed payment amounts to the Named Executive Officers over a ten-year period upon retirement after age 60 or later or to the Named Executive Officer's estate upon death during active employment with us. For more information, see the discussions below under Defined Contribution Profit Sharing Plan and Retirement Benefits.

Defined Contribution Profit Sharing Plan

We have defined contribution profit sharing plans for hourly and salaried workers, including the Named Executive Officers, that provide benefits on death, disability or retirement for substantially all employees. Employees become eligible as of the June 1 or December 1 immediately following completion of six months of employment. The amount we contribute under the plans each year is at our discretion. The maximum contribution for any participant, including any Named Executive Officer, may not exceed 12% of the participant's basic compensation, subject to the maximum amount allowed by the Internal Revenue Code.

Table of Contents

Upon retirement, death or permanent total disability, a participant, including a Named Executive Officer, is entitled to all of the funds credited to his or her account. In case of termination of employment by resignation or discharge, the participant is entitled to a percentage of the amount credited to his or her account, ranging from 0% after one year of employment to 100% after six years. We will use forfeitures resulting from any employee's termination of employment prior to full vesting to reduce employer contributions. Net investment earnings or net losses for each fiscal year are allocated to the account of each participant in the same ratio as the participant's account balance bears to the total account balances of all participants. We reserve the right to modify, amend or terminate the plans. In the event of termination of the plans, we must pay the entire amount previously contributed under the plans to participants or their beneficiaries and under no circumstances may those amounts revert to Skyline.

**Retirement Benefits
for fiscal year ended May 31, 2007**

We have entered into arrangements with certain employees, including our Named Executive Officers, which provide for us to pay benefits to the employees' estates in the event of death during active employment or to pay retirement benefits over 10 years beginning at the date of retirement. To fund all such arrangements, we have purchased life insurance or annuity contracts on the covered employees. The cash surrender value of the insurance contracts are recorded as a long-term other asset and the net present value of the maximum potential benefit is recorded as a liability on our financial statements.

Table of Contents

The following table provides information on each plan that provides for payments or other benefits in connection with a Named Executive Officer's retirement, excluding tax-qualified and non-qualified defined contribution plans.

The Board of Directors has affirmatively determined that each of the five non-management Directors, Andrew J. McKenna, Jerry Hammes, William H. Lawson, David T. Link, and John C. Firth is an independent Director and therefore, that a majority of Skyline's eight-person Board of Directors is currently independent as so defined. For this purpose, Skyline's Board adopted the following categorical standards based in part on the New York Stock Exchange Corporate Governance Listing Standards approved by the SEC on November 4, 2003, and additional categories considered appropriate by the Board:

1. No Director qualifies as independent unless the Board affirmatively determines that the Director has no material relationship with Skyline or any of its subsidiaries (either directly or as a partner, shareholder or officer of an organization that has a relationship with Skyline or its subsidiaries);
2. A Director who is an employee, or whose immediate family member is an executive officer of Skyline or any of its subsidiaries, is not independent until three (3) years after the end of such employment relationship;
3. A Director who receives, or whose immediate family member receives, more than \$100,000 per year in direct compensation from Skyline or any of its subsidiaries, other than Director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service), is not independent until three (3) years after he or she ceases to receive more than \$100,000 per year in such compensation;
4. A Director who is affiliated with or employed by, or whose immediate family member is affiliated with or employed in a professional capacity by a present or former internal or external auditor of our company or any of its subsidiaries, is not independent until three (3) years after the end of the affiliation or the employment or auditing relationship;
5. A Director who is employed, or whose immediate family member is employed, as an executive officer of another company when any of Skyline or any of its subsidiaries' present executives serve on that other company's compensation committee is not independent until three (3) years after the end of such service or the employment relationship;
6. A Director who is an executive officer or an employee, or whose immediate family member is an executive officer, of a company that makes payments to, or receives payment from, Skyline or any of its subsidiaries for property or

services in an amount which, in any single fiscal year, exceeds the greater of \$1,000,000 or 2% of such other company's consolidated gross revenues, is not independent until three (3) years after falling below such threshold; and

7. The Board has determined that there are no relationships between Skyline and the Directors classified as independent other than service on Skyline's Board of Directors and compensation paid to such Directors.

The foregoing independence determination of the Board of Directors also included the conclusions of the Board that:

1. Each of the members of the Audit Committee, Nominating and Governance Committee, and Compensation Committee listed above is respectively independent under the standards listed above for purposes of membership on each of these committees; and
2. Each of the members of the Audit Committee also meets the additional independence requirements under Sec. Rule 10A-3(b).

Mr. McKenna is currently serving as the lead independent Director for purposes of scheduling and setting the agenda for executive sessions of the independent Directors. It is presently contemplated that there will be regular executive sessions during the fiscal year ending May 31, 2008 in conjunction with regularly scheduled Board meetings, in addition to the separate meetings of the key standing committees of the Board of Directors. There were two executive sessions in fiscal year ending May 31, 2007.

Our Board of Directors has adopted a statement of governance principles that is available on our Company's website at www.skylinecorp.com and is available in paper form upon request to the Skyline assistant secretary.
