PROXY STATEMENT
ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON APRIL 21, 2008

The Board of Directors of Huttig Building Products, Inc. (Huttig or the Company) is soliciting the enclosed proxy for use at the Annual Meeting of Stockholders to be held at the Hyatt Regency Greenwich, 1800 East Putnam, Old Greenwich, Connecticut, on Monday, April 21, 2008, at 3:00 p.m., local time, and at any adjournments or postponements thereof. The enclosed proxy, when properly executed and received by the Corporate Secretary prior to the meeting, and not revoked, will be voted in accordance with the directions thereon. If no directions are indicated on a proxy that is properly executed and received by the Corporate Secretary prior to the meeting, and not revoked, the proxy will be voted FOR each nominee for election as a director and FOR the proposal to ratify the selection of KPMG LLP as our independent registered public accounting firm for the year ending December 31, 2008. If any other matter should be presented at the Annual Meeting upon which a vote may properly be taken, the shares represented by the proxy will be voted with respect thereto in accordance with the discretion of the person or persons holding such proxy.

The first date on which this Proxy Statement and the enclosed proxy card are being sent to the Company's stockholders entitled to notice of and to vote at the Annual Meeting is on or about March 13, 2008.

How to Vote

Stockholders may vote by marking their proxy, dating and signing it and returning it to the Corporate Secretary in the enclosed envelope. As an alternative to using the written form of proxy, stockholders may also vote their proxy by using the toll-free number listed on the proxy card or by voting via the Internet. The telephone voting and Internet voting procedures are designed to authenticate votes cast by use of a Personal Identification Number. The procedures allow stockholders to appoint a proxy to vote their shares and to confirm that their instructions have been properly recorded. Specific instructions to be followed by any stockholder of record interested in voting by telephone or the Internet are set forth on the enclosed proxy card. If your shares are held in the name of a bank or broker, follow the voting instructions on the form you receive from that firm. The availability of telephone or Internet voting will depend on that firm's voting processes.

How to Revoke a Vote

Stockholders may revoke proxies at any time prior to the voting of the proxy by providing written notice to the Company, by submitting a new later-dated proxy or by voting in person at the meeting.

Special Voting Rules for Participants in Huttig's 401(k) Plans

If you participate in the Huttig Building Products, Inc. Savings and Profit Sharing Plan, the Crane Co. Savings and Investment Plan or Crane Co.'s Unidynamics Employee Savings & Investment Plan (collectively, the 401(k) Plans), you will receive one proxy with respect to all of your shares of Huttig stock registered in the same name, even if such shares are held in more than one 401(k) Plan. If your accounts are not registered in the same name, you will receive a separate proxy with respect to each registered name for which you have accounts. Shares of Huttig common stock held in each 401(k) Plan will be voted by The Prudential Investment Company of America, as trustee of each 401(k)

Plan, as directed by Plan participants. Participants in the 401(k) Plans should indicate their voting instructions for each action to be taken under the Huttig proxy. All voting instructions from the 401(k) Plans participants will be kept confidential. If a participant fails to sign or to return the enclosed proxy/voting instruction card, the Huttig shares allocated to such participant will be voted in accordance with the pro rata vote of the participants in the applicable 401(k) Plan who did provide instructions.

Table of Contents

Outstanding Shares and Required Votes

As of the close of business on February 22, 2008, the record date for determining stockholders entitled to vote at the annual meeting, the Company had issued and outstanding 21,389,976 shares of common stock, par value \$0.01 per share. Each share of common stock is entitled to one vote on each matter to be voted on at the meeting. The presence in person or by proxy at the meeting of stockholders entitled to cast at least a majority of the votes that all holders of shares of common stock are entitled to cast will constitute a quorum for the transaction of business at the meeting. Abstentions and broker non-votes are counted as present or represented for purposes of determining whether a quorum is present at the meeting. A broker non-vote occurs when a broker returns a proxy card but does not vote on one or more matters because the broker does not have the authority to do so. Shares represented by proxies that are marked "withhold" with respect to the election of one or more directors will be counted as present in determining whether there is a quorum.

Directors will be elected by a plurality of the votes cast by holders of shares of common stock present in person or represented by proxy and entitled to vote at the meeting. Votes may be cast in favor of a director nominee or withheld, and the three persons receiving the highest number of favorable votes will be elected as directors of the Company. Abstentions and broker non-votes will not affect the outcome of the election of directors.

A majority of shares entitled to vote and present in person or by proxy at the meeting must be voted in favor of the ratification of KPMG LLP as the Company's independent registered accounting firm for the year ending December 31, 2008 in order for that proposal to be approved. Abstentions and broker non-votes will have the practical effect of voting against these proposals.

ITEM 1 ELECTION OF DIRECTORS

The Board of Directors of the Company is currently comprised of eleven members divided into three classes with each director elected to serve for a three-year term. At the 2008 annual meeting, three directors will be elected to hold office until the 2011 annual meeting. If it is properly executed and received by the Corporate Secretary prior to the meeting, and not revoked, the enclosed proxy will be voted for the election of R. S. Evans, J. Keith Matheney and Steven A. Wise, unless a stockholder indicates that a vote should be withheld with respect to one or more of such nominees. The election of all three nominees has been proposed by the Nominating and Governance Committee and recommended by the Board of Directors. Each of the nominees has consented to being named in this Proxy Statement and has indicated his willingness to serve if elected. If any nominee shall, prior to the meeting, become unavailable for election as a director, the persons named in the accompanying form of proxy will vote for such replacement nominee, if any, as may be recommended by the Board of Directors.

Dorsey R. Gardner and Philippe J. Gastone have resigned from the Board of Directors, effective immediately prior to the 2008 annual meeting. Messrs. Gardner and Gastone will not be replaced on the Board and the size of the Board has been reduced to nine members from eleven. Messrs. Gardner and Gastone are both members of the Board class whose terms expire in 2009. In order that the Board classes be equal in number, Donald L. Glass resigned from the Board class whose terms expire in 2010 and was re-appointed to the Board class whose terms expire in 2009, effective immediately prior to the 2008 annual meeting. As a result, there are three directors with terms expiring in 2008, three continuing directors with terms expiring in 2009 and three continuing directors with terms expiring in 2010.

The Board unanimously recommends a vote FOR the election of Messrs. Evans, Matheney and Wise as directors for terms expiring in 2011.

Please review the following information regarding Messrs. Evans, Matheney and Wise and the other directors continuing in office.

Pursuant to a Registration Rights Agreement entered into by the Company and The Rugby Group Limited in 1999, so long as the Company common stock owned by Rugby and received in the 1999 sale of Rugby's U.S. building products business to the Company constitutes at least 30%, 20% and 10% of the Company's outstanding common stock, Rugby is entitled to designate for nomination by the Board of Directors three, two or one director(s), respectively. If shares of common stock beneficially owned by Rugby and its affiliates in the aggregate at any time would constitute less than 30% of the Company's outstanding stock solely as a result of Rugby's sale of shares to the Company in August 2001, Rugby will continue to have the right to nominate three directors so long as the common stock received in the December 1999 transaction and held by Rugby and its affiliates in the aggregate constitutes at least Rugby's new ownership percentage after giving effect to the Company's repurchase of these shares, as this percentage may increase from time to time as a result of the Company's repurchase of common stock. So long as the Company common stock owned by Rugby and received in the 1999 transaction constitutes 10% or more of the Company's outstanding common stock, Rugby is required to be present at all meetings of the Company's stockholders and to vote its shares in favor of the Board's nominees for election to the Board of Directors. The Crane Fund, one of the Company's principal stockholders at the time, also agreed with Rugby that, so long as the Company common stock owned by Rugby and received in the 1999 transaction constitutes 10% or more of the Company's outstanding common stock, the Crane Fund would be present at all meetings of the Company's stockholders and vote its shares of common stock for the nominees designated by Rugby as provided in the Registration Rights Agreement.

Based on information as of February 15, 2008, Rugby beneficially owns 26.9% of the Company's common stock. Rugby is an indirect subsidiary of CEMEX S.A.B. de C.V. Messrs. Gastone, Glass and Wise are Rugby's current designees on the Board of Directors. Mr. Gastone has resigned from the Board of Directors, effective immediately prior to the 2008 annual meeting, and will not be replaced. Mr. Wise's term expires in 2008 and he is nominated for election as a director for a term expiring in 2011. See "Certain Relationships and Related Transactions" in this Proxy Statement.

BOARD OF DIRECTORS AND COMMITTEES OF THE BOARD OF DIRECTORS

Board of Directors

During 2007, the Board of Directors was comprised of eleven directors. Dorsey R. Gardner and Philippe J. Gastone have resigned from the Board of Directors, effective immediately prior to the 2008 annual meeting. Messrs. Gardner and Gastone will not be replaced on the Board and the size of the Board has been reduced to nine members from eleven.

During 2007, the Board of Directors held seven meetings and all directors attended at least 75% of the Board meetings and meetings of the committees on which they served, except for Mr. Wise, who attended five Board meetings. The Company's directors are encouraged to attend the Annual Meeting of Stockholders. All of our directors attended the 2007 Annual Meeting, except for Mr. Wise, who was unable to attend.

Director Independence

The Board of Directors has affirmatively determined that each of the non-employee directors Messrs. Bigelow, Evans, Forté, Gardner, Gastone, Glass, Matheney, Tanner and Wise is independent in accordance with the standards established by the New York Stock Exchange and that none of such directors has a material relationship with the Company. In reaching its determination, the Board considered the status of Messrs. Gastone, Glass and Wise as designees of The Rugby Group Limited, the Company's principal stockholder. The Board considered the NYSE's view

that ownership of even a significant amount of stock, by itself, does not bar an independence finding. The Board determined that because none of Messrs. Gastone, Glass or Wise is an executive officer or director of CEMEX S.A.B. de C.V., which indirectly owns 100% of the outstanding capital stock of Rugby, and, therefore, none has a beneficial interest in the Company shares owned by Rugby, each such director's status as a designee of Rugby Group is not a relationship that precludes him from exercising independent judgment in carrying out his

Table of Contents

responsibilities. Mr. Vrabely does not meet the independence standards because he is an employee of the Company. Mr. Lupo does not meet the independence standards because he was an employee of the Company through December 31, 2007.

The Board of Directors has also affirmatively determined that:

each member of the Audit Committee qualifies as independent under the provisions of Section 10A of the Securities Exchange Act of 1934 and the rules of the SEC promulgated thereunder, as well as the NYSE's independence rules relating to audit committees;

each member of the Management Organization and Compensation Committee meets the independence requirements of the NYSE's corporate governance listing standards; and

each member of the Nominating and Governance Committee meets the independence requirements of the NYSE's corporate governance listing standards.

Corporate Governance

The Company has adopted Corporate Governance Guidelines. The Company has also adopted a Code of Business Conduct and Ethics applicable to all directors, officers and employees. The Corporate Governance Guidelines and the Code of Business Conduct and Ethics are available on the Company's website at www.huttig.com. Copies are also available in print at no charge upon request to the Company addressed to the Office of the Corporate Secretary at 555 Maryville University Dr., Suite 400, St. Louis, MO 63141. The Company intends to post on its website any amendments to, or waivers from, its Code of Business Conduct and Ethics within two days of such amendment or waiver.

In accordance with our Corporate Governance Guidelines, non-management directors regularly hold executive sessions without management present. During 2007, two of the Board meetings included executive sessions from which management was excused. Mr. R. S. Evans, Chairman of the Board, presided at those executive sessions.

Board Committees

The Board of Directors has four standing committees: (1) Executive, (2) Audit, (3) Management Organization and Compensation, and (4) Nominating and Governance. The Executive Committee meets when a quorum of the full Board of Directors cannot be readily obtained. Each of the other committees operates under a written charter adopted by the Board of Directors. All of the committee charters are available on the Company's website at www.huttig.com. Copies are also available in print upon request to the Company addressed to the Office of the Corporate Secretary at 555 Maryville University Dr., Suite 400, St. Louis, MO 63141. During 2007, the Management Organization and Compensation Committee amended its charter and the complete text of the amended Management Organization and Compensation Committee charter is included as Appendix A to this Proxy Statement.

The memberships of Board committees as of the date of this Proxy Statement are as follows:

Audit Committee

The Audit Committee assists the Board in fulfilling the Board's oversight responsibility with respect to the integrity of the Company's financial statements, the qualification and independence of the Company's independent auditors, the performance of the Company's internal audit function and its internal auditors and the Company's compliance with legal and regulatory requirements. The Audit Committee has the authority to select, evaluate and, where appropriate, replace the independent auditors. The Audit Committee meets periodically with representatives from the Company's internal auditors and independent auditors separate from management. The Audit Committee also is responsible for reviewing compliance with the Company's Code of Business Conduct and Ethics policy, and for administering and enforcing the Company's accounting and auditing compliance procedures adopted in accordance with Section 301 of the Sarbanes-Oxley Act of 2002.

In discharging its oversight responsibility as to the audit process, the Audit Committee obtained from the independent auditors a formal written statement confirming the absence of any relationships between the auditors and the Company that might bear on the auditors' independence consistent with Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees. The Audit Committee discussed with the independent auditors any activities that may impact their objectivity and independence, including fees for non-audit services, and satisfied itself as to the auditors' independence. The Audit Committee also received a report on the quality control procedures of the independent auditors as well as the most recent peer review conducted under guidelines of the American Institute of Certified Public Accountants. The Audit Committee also discussed with management, the internal auditors and the independent auditors the quality and adequacy of the Company's internal controls and the internal audit function's organization, responsibilities, budget and staffing, and results of the internal audit examinations. The Audit Committee reviewed with the independent auditors and the internal auditors their audit plan and audit scope and the independent auditors' examination of the financial statements.

The Board of Directors has determined that each member of the Audit Committee meets the financial literacy and expertise requirements of the NYSE and that J. Keith Matheney meets the requirements of an audit committee financial expert as defined in regulations of the SEC under the Sarbanes-Oxley Act of 2002. During 2007, the Audit Committee held ten meetings.

The report of the Audit Committee is included under Report of the Audit Committee in this Proxy Statement.

Management Organization and Compensation Committee

The Management Organization and Compensation Committee oversees the Company's compensation plans and practices, including its executive compensation plans and director compensation plans, reviews and evaluates the performance of the Chief Executive Officer, reviews with the Chief Executive Officer his evaluation of the performance of other members of senior management, administers the Company's stock option, restricted stock and other stock-based compensation plans and programs, reviews management development and succession planning policies and produces the annual report on executive compensation for inclusion in the Company's annual proxy statement. During 2007, the Management Organization and Compensation Committee held four meetings.

The report of the Management Organization and Compensation Committee on executive compensation is included under Report on Executive Compensation by the Management Organization and Compensation Committee of the Company in this Proxy Statement.

Nominating and Governance Committee

The Nominating and Governance Committee's duties include assisting the Board by identifying individuals qualified to become members of the Board, recommending to the Board the director nominees for election at the next Annual Meeting of Stockholders, advising the Board with respect to Board composition and procedures, advising the Board with respect to corporate governance principals and overseeing the evaluation of the Board. During 2007, the Nominating and Governance Committee held three meetings.

Table of Contents

Director Qualifications and Nominating Procedures

The Company's Corporate Governance Guidelines provide that the Board should generally have from seven to eleven directors, a substantial majority of whom must qualify as independent directors under the listing standards of the NYSE. The Corporate Governance Guidelines provide that a director who serves as the Company's Chief Executive Officer should not serve on more than two public company boards in addition to the Board, other directors should not serve on more than four public company boards in addition to the Board and members of the Audit Committee should not serve on more than two other public company audit committees.

The Nominating and Governance Committee seeks to identify and recruit the best available director candidates to sustain and enhance the composition of the Board with the appropriate balance of knowledge, experience, skills, expertise and diversity. Characteristics required for service on the Company's Board include integrity, an understanding of the workings of large business organizations such as the Company, senior level executive experience, the ability to make independent, analytical judgments, the ability to be an effective communicator, and the ability and willingness to devote the time and effort to be an effective and contributing member of the Board. To assist it in identifying potential director candidates, the Nominating and Governance Committee has the authority to retain a search firm, at the Company's expense. The Nominating and Governance Committee will consider potential director candidates proposed by other members of the Board, by management or by stockholders.

To have a candidate considered by the Nominating and Governance Committee, a stockholder must submit the recommendation in writing to the Company addressed to the Office of the Corporate Secretary at 555 Maryville University Dr., Suite 400, St. Louis, MO 63141 and must supply the following information:

The candidate's name, age and business and residence address;

The candidate's detailed resume;

A description of any arrangements or understandings between the stockholder and the candidate;

A signed confirmation of the candidate's willingness to serve on the Board; and

The stockholder's name, number of Company shares owned and the length of time of ownership.

Stockholders may submit potential director candidates at any time pursuant to these procedures. The Nominating and Governance Committee will consider such candidates in connection with annual elections of directors or the filling of any director vacancies. Any stockholder nominations for the 2009 Annual Meeting, together with the information described above, must be submitted in accordance with the procedures described under "Miscellaneous - Next Annual Meeting; Stockholder Proposals" in this Proxy Statement.

To the extent that the communication involves a request for information, such as an inquiry about Huttig or stock-related matters, the Corporate Secretary's office may handle the inquiry directly. In the case of communications to the Board or any group or committee of directors, the Corporate Secretary's office will make sufficient copies of the contents to send to each director who is a member of the group or committee to which the envelope or email is addressed.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The Management Organization and Compensation Committee (the Committee) of the Board of Directors of the Company is responsible for overseeing the Company s executive compensation programs.

Philosophy

The primary objective of our executive compensation program is to attract and retain qualified employees. Our compensation program is designed to reward individual performance, Company performance and increases in Company stockholder value.

Overview and Process

Executive compensation is comprised of the following components:

- base salary
- annual incentive compensation
- long-term equity incentive awards
- defined contribution plan
- deferred compensation plan
- perquisites and other personal benefits.

Each of these components represents a portion of each executive officer s total compensation package, although participation in the defined contribution plan and the deferred compensation plan is at the option of the executive officer. Our policy for allocating between long-term and currently paid compensation is to ensure adequate base compensation to attract and retain personnel, while providing incentives to maximize long-term value for the Company and its stockholders. There is no pre-established policy or formula for the allocation between either cash and non-cash or short-term and long-term incentive compensation.

On an annual basis, the Committee reviews and evaluates the performance and leadership of the Chief Executive Officer (CEO) and recommends to the Board of Directors all compensation actions affecting the CEO. The Committee also annually reviews with the CEO his evaluation of the performance of the other executive officers and his

recommendations regarding compensation actions for such officers.

To assist it in its review of executive compensation, the Committee periodically engages outside consultants to provide competitive compensation information. The Committee retained Hewitt Associates, an independent consulting firm, to prepare an executive compensation competitive study in 2006. The Committee reviewed the data from this study, after adjustment for inflation, in its assessment of executive compensation for 2007. The study included competitive information for two peer groups of companies – a group of nine distributorship companies and a group of ten companies with similar market capitalization to the Company. The companies included in the distributorship group are: Applied Industrial Technologies, Inc.; Audiovox Corporation; Bell Microproducts, Inc.; BlueLinx Holdings, Inc.; Building Materials Holding Corporation; Kaman Corporation; Keystone Automotive

Table of Contents

Industries, Inc.; Navarre Corporation; and Richardson Electronics, Inc. The companies included in the group with similar market capitalization are: Bell Microproducts, Inc.; BFC Financial Corporation; Dura Automotive Systems, Inc.; Exide Technologies; Hayes Lemmerz International, Inc.; PC Connection, Inc.; Salton, Inc.; Stepan Company; Wellman, Inc.; and Wheeling-Pittsburgh Corporation. The study also included information on a broad all-industry group comprised of companies with similar revenues to the Company. The study included base compensation, annual incentives and long-term incentives, including stock-based compensation.

The Committee generally targets the executives' base salaries and long-term equity incentive awards to be competitive with the size-adjusted (based on revenue) market median of the peer group of companies. However, the base salaries and long-term incentive awards of individual executives can and do vary from that benchmark based on such discretionary factors as individual performance, potential for future advancement, responsibilities and, for recently-hired executives, their prior compensation packages. The executives' annual incentive compensation is based on the Company's financial performance and is formula-driven - see Annual Incentive Compensation below.

Base Salaries

Each year, the Committee reviews the base salaries of each executive officer and assesses salary levels based on the individual's performance and responsibilities and competitive salary data. The Board approves all salary actions affecting the CEO. For 2007, the base salaries of the incumbent executive officers named in the Summary Compensation Table were increased, and the initial base salary of a newly-hired executive officer named in the Summary Compensation Table (collectively, the named executive officers) was established, as follows:

Name and Principal Position	Increased or Initial 2007	%	Effective Date
	Base Salary	Increase	
Jon P. Vrabely President and Chief Executive Officer	\$ 400,000	42.9%(1)	January 1, 2007
David L. Fleisher Vice President, Chief Financial Officer and Secretary	\$ 300,000	9.1%	April 1, 2007
Gregory W. Gurley Vice President, Product Management and Marketing	\$ 225,000	N/A(2)	N/A(2)
Brian D. Robinson Vice President, Chief Information Officer	\$ 199,500	5.0%	October 1, 2007
Richard A. Baltz Vice President, Internal Audit	\$ 190,000	5.6%	October 1, 2007

- (1) Mr. Vrabely's salary was increased in connection with his promotion, effective January 1, 2007, to President and Chief Executive Officer from his prior position as Vice President - Chief Operating Officer. See additional discussion of Mr. Vrabely's compensation arrangements below under Compensation of Chief Executive Officer.
- (2) Mr. Gurley was hired by the Company in January 2007 as its Vice President - Product Management and Marketing. Mr. Gurley's base salary of \$225,000 was established after consideration of his prior compensation package and competitive salary data.

The Company believes that all of the base salaries of the Company's executive officers are at levels that are appropriate for executives of a public corporation of the Company's size and industry category.

Annual Incentive Compensation

The Company's annual incentive compensation program is based on the principle of economic value added (EVA¹). EVA is a measurement of the amount by which the Company's after-tax profits, after certain adjustments, exceed the cost of capital employed by the Company. The Company believes that, as compared to other common performance measures such as return on equity or growth in earnings per share, EVA has a higher correlation with the Company's overall financial performance and the creation of long-term stockholder value. Although the plan is

(1 EVA is a registered trademark of Stern, Stewart & Co.

Table of Contents

formula driven, the Committee retains discretion to review and adjust the calculation and its impact on individuals for reasonableness.

All of the Company's executive officers participate in the Company's EVA Incentive Compensation Plan, which the Committee administers. Each year, the Committee approves the cost of capital used in the EVA formula. The amount of the EVA bonus pool available for awards is determined after the end of each year and has two components: a percentage of the absolute EVA generated for the year and a percentage of the change in EVA from the prior year. Thirty percent of the EVA bonus pool is allocated to the CEO and the remaining 70% is allocated among the other executive officers based on their relative base salaries. The EVA bonus pool can be positive or negative. If positive, EVA awards are paid 50% when awarded and the remaining 50% is banked to be paid evenly in each of the next two years, plus interest. The banked amounts for each of the executive officers are at risk because, if the EVA award for a subsequent year is negative, banked amounts and related accrued interest scheduled to be paid to such officers for such year are reduced dollar-for-dollar, but not below zero. The Company believes that the bank account concept, with the deferred payout at risk, gives the plan a longer term perspective than annual cash bonus programs.

In January 2008, the Committee approved the EVA bonus pool calculation for the Company for 2007. The bonus pool for 2007 was negative primarily due to the incurrence by the Company of a loss in 2007. As a result, none of the named executive officers earned any EVA bonus for 2007. In addition, because the EVA bonus pool has been negative for several years, none of the named executive officers received a bonus payment in 2007 for prior years and none has any remaining banked bonus amounts.

Gregory W. Gurley, the Company's Vice President, Product Management and Marketing, received a \$10,000 signing bonus in connection with his hiring in January 2007.

Equity Incentive Awards

The Company's equity award program is a long-term incentive program which the Company considers to be a key retention tool. In making decisions regarding long-term equity incentive awards for executive officers, the Committee reviews the comparable equity award data from the compensation survey and also considers other factors, such as each individual's performance and responsibilities. In 2007, each of the executive officers of the Company received grants of restricted stock under the Company's 2005 Executive Incentive Compensation Plan (the Executive Equity Plan). The awards vest ratably over three years assuming the executive's continued employment and vest immediately in the event of the executive's death, permanent disability, retirement or upon a change in control of the Company.

In 2007, the Committee awarded a total of 241,750 shares of restricted stock, including 145,000 shares awarded to the named executive officers of the Company as follows: Jon P. Vrabely, President and Chief Executive Officer (75,000 shares); David L. Fleisher, Vice President, Chief Financial Officer and Secretary (25,000 shares); Gregory W. Gurley, Vice President, Product Management and Marketing (20,000 shares); Brian Robinson, Vice President, Chief Information Officer (15,000 shares) and Richard A. Baltz, Vice President, Internal Audit (10,000 shares).

Timing of Equity Awards

The Committee grants stock awards to the Company's executive officers and other key employees annually at a regularly scheduled meeting of the Committee. The Committee generally grants stock awards at its January or February meeting. However, in 2007, in order to ensure that sufficient shares would be available under the Executive Equity Plan for the anticipated stock awards, the Committee deferred the stock awards, other than the award to Mr. Vrabely, to its April 2007 meeting. The Committee's April meeting followed the annual stockholders meeting at which the Company's stockholders authorized an increase in the number of shares available for issuance under the Executive Equity Plan. Mr. Vrabely's 2007 equity award was granted on January 1, 2007. The Board approved this

award at its October 2006 meeting in connection with Mr. Vrabely's appointment, effective January 1, 2007, as President and Chief Executive Officer. Grants to newly hired employees are effective on the later of the employee's first day of employment or the date the grant is approved.

Table of Contents

The exercise price of all stock options is set at the market price of our common stock on the New York Stock Exchange on the date of grant, although no stock options were granted to any of the named executive officers in 2007. See the Outstanding Equity Awards at Fiscal Year-End below for the terms of options granted to the named executive officers in prior years.

Defined Contribution Plan

The Company provides retirement benefits to the named executive officers, including matching contributions, under the terms of its tax-qualified 401(k) defined contribution plan. The named executive officers participate in the plan on substantially the same terms as our other participating employees. The Company does not maintain any defined benefit or supplemental retirement plans.

Deferred Compensation Plan

The named executive officers are permitted to defer up to 50% of their base salaries and bonuses under the Company's deferred compensation plan and 401(k) plan combined. The Company also makes a matching contribution to the plan on behalf of participants equal to 50% of compensation deferred, up to 6% of a participant's annual base salary. Participation in the deferred compensation plan is available to the Company's executive officers and certain other key employees. See the Non-Qualified Deferred Compensation table and related narrative section below for a description of the Company's deferred compensation plan and the benefits thereunder.

Defined Benefit Plan

The Company does not sponsor a defined benefit pension plan for salaried employees.

Perquisites and Other Personal Benefits

The Company provides the named executive officers with perquisites and other personal benefits that the Company believes are reasonable and consistent with its overall compensation program to better enable the Company to attract and retain superior employees for key positions. The Committee periodically reviews the levels of perquisites and other personal benefits provided to named executive officers. The named executive officers are provided use of a leased Company automobile or a car allowance, life insurance, use of a Company-provided cell phone and reimbursement for relocation expenses, if applicable. In certain instances, as determined on a case-by-case basis, the Company provides signing bonuses for new hires and reimbursement for spouse travel in connection with business functions.

Costs of the perquisites and personal benefits described above for the named executive officers for the fiscal years ended December 31, 2007 and December 31, 2006 that meet the threshold established by SEC regulations are included in the Summary Compensation Table below in the All Other Compensation column.

Change of Control Agreements

The Company has entered into change of control agreements with certain key employees, including the named executive officers. The change of control agreements are designed to promote stability and continuity of senior management. The change of control agreements provide benefits only upon an involuntary termination or constructive termination of the officer within three years following a change-in-control. In addition, the Company's equity incentive plans and the award agreements under such plans provide that all restrictions on restricted stock lapse in the event of a change in control of the Company, and that all stock options become fully vested and exercisable either immediately upon a change in control or in the event that the employee is terminated following a change of control, depending on

the plan. Further, the EVA Incentive Compensation Plan provides that the participants' entire deferred balances become payable upon a change in control. Information regarding payments and benefits that would accrue to the named executive officers under such arrangements is provided under the heading "Potential Payments Upon Termination or Change in Control" below.

Employment Agreements

During 2007, no named executive officer was party to a written employment agreement, except Mr. Vrabely, whose compensation is discussed below under Compensation of Chief Executive Officer .

Compensation of Chief Executive Officer

Effective January 1, 2007, Jon P. Vrabely was appointed as the Company's President and Chief Executive Officer. In connection with such appointment, the Company entered into a written employment agreement with Mr. Vrabely which expires on December 31, 2008, the key terms of which are as follows:

Base salary of \$400,000 per year

An initial grant on January 1, 2007 of 75,000 shares of restricted stock, which vest one-third on the first anniversary of the date of grant, one-third on the second anniversary of the date of grant, and one-third on the third anniversary of the date of grant

30% allocation of the EVA bonus pool under the Company's EVA Incentive Compensation Plan

Use of a Company-provided automobile

Other employee benefits provided by the Company and generally available to executive officers

Severance payment of twice Mr. Vrabely's current salary and average bonus (for the past 3 years) if the Company terminates Mr. Vrabely without cause (as defined in the agreement) during the two-year term or fails to renew his employment at the end of the term

Mr. Vrabely's employment agreement also includes change of control provisions with the same terms as the change of control agreements with the other named executive officers. The change of control agreement terms are described below under Potential Payments Upon Termination or Change in Control Change in Control Arrangements .

The Committee believes that Mr. Vrabely's compensation, while higher in the aggregate than that of our other executive officers, is commensurate with such officers' compensation, taking into consideration the level of Mr. Vrabely's responsibilities with the Company. The Committee's goals in setting Mr. Vrabely's compensation are similar to its goals for compensation to our executive officers generally: provide compensation that is competitive with that of the peer companies with which we compete for talent; align his interests with those of our stockholders through annual incentive compensation with the deferred payout at risk; and promote his retention through long-term equity incentives.

Because the EVA bonus pool for 2007 was negative, Mr. Vrabely did not earn any EVA bonus for 2007.

On January 29, 2008, the Board granted Mr. Vrabely an award of restricted stock as described below under Post Year-End Compensation Actions.

Post Year-End Compensation Actions

On January 29, 2008, the Board, upon recommendation of the Committee, granted the Chief Executive Officer, Jon P. Vrabely, 100,000 shares of restricted stock, and the Committee granted restricted stock to the other named executive officers as follows: David L. Fleisher Vice President, Chief Financial Officer and Secretary (50,000 shares); Gregory

W. Gurley Vice President, Product Management and Marketing (30,000 shares); Brian Robinson Vice President, Chief Information Officer (30,000 shares) and Richard A. Baltz Vice President, Internal Audit (30,000 shares).

On January 29, 2008, the Board, with respect to Mr. Vrabely, and the Committee, with respect to the other executive officers, approved management's recommendation that the Company's executive officers receive no increase in base salaries in 2008 as part of the Company's cost control efforts in response to the difficult conditions in the housing market.

Table of Contents**Accounting and Tax Considerations**

The Committee generally considers the accounting implications of stock awards and other compensation to the Company's executive officers in evaluating and establishing the Company's compensation policies and practices. In addition, Internal Revenue Code Section 162(m) limits the deductibility of annual compensation paid to certain executive officers to \$1 million per employee unless the compensation meets certain specific requirements. The Company's EVA Incentive Compensation Plan is designed to meet the performance-based compensation exception to the Section 162(m) deductibility limit. As a matter of policy, the Committee attempts to develop and administer compensation programs that maintain deductibility under Section 162(m) for all executive compensation, except in circumstances where the materiality of the deduction is in the judgment of the Committee significantly outweighed by the incentive value of the compensation.

All of the named executive officers participate in the Company's annual incentive program, the EVA Incentive Compensation Plan (the EVA Plan). The EVA bonus pool was negative for 2007 and 2006; as a result, none of the named executive officers earned an EVA bonus for either year and none has any balance remaining in his deferred bonus bank as of December 31, 2007. In addition, no named executive officer received a bonus payment in 2007 or 2006 for prior years, except for Mr. Fleisher, who was paid \$62,500 in 2006. Under the terms of Mr. Fleisher's employment arrangement entered into at the time of his

hiring in May 2005, Mr. Fleisher was awarded a bonus in 2005 of \$125,000 and was entitled to payment of 50% of that bonus, or \$62,500, in 2006. - (6) No item included in "All Other Compensation" for Mr. Gurley or Mr. Robinson meets the footnote quantification threshold established by SEC regulations. The Deferred Compensation Plan (DCP) permits eligible employees who elect to participate to defer receipt and taxation of a portion of their annual salary, bonuses and commission. Eligibility to participate in the DCP is limited to management and highly compensated employees as defined in the Employee Retirement Income Security Act of 1974, as amended. The amount of annual salary, bonus and commission that may be deferred under the DCP and the 401(k) plan combined is 50%. The Company makes a matching contribution to the DCP of 50% of the amount deferred; provided, that the Company's contributions under the DCP and the 401(k) plan combined cannot exceed 6% of total eligible compensation.

The Company chooses the available investment options for the participant's deferrals, with varying degrees of risk, and the participant selects specific funds from among the available options. The Company maintains a bookkeeping

account for each participant and account balances are maintained as if the funds were invested in the investment funds chosen by the participant. Company matching contributions are currently invested 50% in the hypothetical investments chosen by the participant and 50% in phantom shares of Company common stock. The participant bears the investment risk. The participant's deferrals and earnings vest immediately. The participant's vested interest in the Company matching contributions and earnings is based on the participant's years of service, with the Company matching contributions and earnings being fully vested after 5 years of service.

A participant may elect to receive payment of the vested amount credited to his or her deferral account in a single lump sum or in 5, 10 or 15 annual installments. No payments may commence in less than 5 years following the date of the deferral election, except in the case of retirement.

Potential Payments Upon Termination or Change in Control

Change of Control Arrangements

The Company has entered into separate change of control agreements with each of its named executive officers, except for Mr. Vrabely. The Company's change of control agreement with Mr. Vrabely is contained in his employment agreement, which expires on December 31, 2008. The change of control agreements with the other named executive officers are for an initial three-year period and are automatically extended for an additional year on each anniversary date of the agreement unless the Company gives notice that the period will not be extended.

Each agreement provides that if, within three years following a change of control of the Company, as defined below, the employee is terminated without cause or voluntarily terminates for good reason, as defined below, the employee will be entitled to the following, in addition to salary due at the date of termination: (i) a pro rata portion of the employee's highest annual bonus (the highest annual bonus is the greater of the annual bonus for the prior year or the average annual bonus for the prior three years), (ii) a lump sum payment equal to two times the employee's annual salary and average bonus for the prior three years, (iii) the payment of deferred compensation, and (iv) continuation of benefits under the Company's welfare benefit plans for two years after termination. The foregoing amounts (other than the continuation of benefits) are to be paid in cash in a lump sum within 30 days following the employee's termination, except that, to the extent necessary to comply with Section 409A of the Internal Revenue Code, payments will be withheld until the first day of the seventh month following termination.

The change in control agreements define a change in control to mean, generally:

the acquisition of at least 50% of the Company's outstanding shares, other than an acquisition by the Rugby Group Ltd., or any direct transferee of the Rugby Group Ltd.;

a change in the majority of the members of the Company's Board that is not supported by the incumbent Board;

a merger or other business combination that results in the Company's shareholders immediately before the transaction owning less than 50% of the voting power after the transaction;

a sale of substantially all of the Company's assets; or

the approval of a plan for complete liquidation or dissolution of the Company.

The change in control agreements define "cause" to mean, generally:

personal dishonesty or breach of fiduciary duty involving personal profit at the expense of the Company;

repeated, deliberate violations of the employee's duties;

commission of a criminal act related to the performance of the employee's duties;

furnishing of proprietary confidential information about the Company to a competitor;

habitual intoxication by alcohol or drugs during work hours; or

conviction of a felony.

The change in control agreements define "good reason" to mean, generally:

diminution in the employee's position, authority, duties or responsibilities;

failure of the Company to provide the employee with compensation and benefits as described in the agreement;

requiring the employee to be based at any office or location more than 35 miles from the location at which the employee was based prior to the change in control; or

any purported termination by the Company of the employee's employment except as expressly permitted by the agreement.

Table of Contents

If the Company's tax counsel determines that any economic benefit or payment or distribution by the Company to the employee pursuant to the agreement is subject to the excise tax imposed by Section 4999 of the Internal Revenue Code, the Company will reduce the aggregate payments due to the employee under the agreement and any other agreement, plan or program of the Company to an amount that is one dollar less than the maximum amount allowable without becoming subject to the excise tax.

The change of control agreements prohibit the officer from doing the following during employment with the Company and for one year following termination: (i) engaging in any business that is competitive with the Company, (ii) soliciting for employment any current employee of the Company or any individual who had been employed by the Company in the one year prior thereto, and (iii) soliciting the business of the Company or doing business with any actual or prospective customer or supplier of the Company. The change of control agreements also prohibit the officer from disclosing any confidential information of the Company at any time.

The Company's equity incentive plans and the award agreements under such plans provide that all restrictions on restricted stock lapse in the event of a change in control of the Company, as defined below. In addition, the EVA Incentive Compensation Plan provides that the participants' entire deferred balances become payable upon a change in control.

The Company's equity incentive plans define a change in control to mean, generally:

the acquisition of at least 20% of the Company's outstanding shares;

a change in the majority of the members of the Company's Board that is not supported by the incumbent Board;

a merger or other business combination that results in the Company's shareholders immediately before the transaction owning less than 50% of the voting power after the transaction;

a sale of substantially all of the Company's assets;

the start of a tender offer for all or part of the Company's outstanding shares; or

the approval of a plan for complete liquidation or dissolution of the Company.

Potential Payments to Named Executive Officers Upon Qualifying Termination Following a Change in Control

Based on the above, each named executive officer would have been entitled to the following estimated payments and benefits from the Company or its successor if a change in control under the change in control agreements and equity incentive plans occurred on December 31, 2007 and each such officer was terminated without cause or terminated his employment for good reason immediately following the change in control.

Table of Contents

- (4) If the Company's tax counsel determines that any economic benefit or payment or distribution by the Company to the employee pursuant to his change of control agreement is subject to the excise tax imposed by Section 4999 of the Internal Revenue Code, the Company will reduce the aggregate payments due to the employee under the agreement and any other agreement, plan or program of the Company to an amount that is one dollar less than the maximum amount allowable without becoming subject to the excise tax.

Potential Payments to Named Executive Officers Upon a Change in Control With No Qualifying Termination

As noted above, under the Company's equity incentive plans, all restricted stock awards vest immediately upon a change in control. Therefore, if a change in control occurred on December 31, 2007, each named executive officer would be entitled to realization of the amount set forth in the preceding table under the caption "Early Vesting Restricted Stock" even if no qualifying termination—a termination by the Company without cause or by the employee for good reason—occurred.

The Company's EVA Incentive Compensation Plan also provides that the participants' deferred balances become payable upon a change in control; however, none of the named executive officers had a deferred balance under the EVA Incentive Compensation Plan at December 31, 2007.

Potential Payment to Chief Executive Officer Upon Termination Not Involving a Change in Control

Jon P. Vrabely, the Company's President and Chief Executive Officer, has a written employment agreement with the Company, which expires on December 31, 2008. Under Mr. Vrabely's employment agreement, if no change of control has occurred and the Company terminates Mr. Vrabely without cause (as defined in the agreement) during the term of his agreement or fails to renew his employment at the end of the term for reasons that do not constitute cause, the Company shall pay Mr. Vrabely a severance payment equal to two times Mr. Vrabely's current salary plus two times Mr. Vrabely's average bonus for the last three years. The severance payment is to be paid to Mr. Vrabely in 24 equal monthly installments. In exchange for the severance payment, Mr. Vrabely is to release all claims that he may have against the Company. If Mr. Vrabely had been terminated without cause on December 31, 2007, he would have been entitled to a severance payment of \$800,000—twice his annual salary of \$400,000. He has not earned a bonus in the last three years.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Based solely upon a review of the forms furnished to the Company or written representations of certain persons, each director, officer and beneficial owner of 10% of the outstanding shares of the Company timely filed all required reports under Section 16(a) of the Securities Exchange Act of 1934 for fiscal 2007 except as follows: Mr. Vrabely filed a late Form 4 to report a grant by the Company of shares of restricted stock, Mr. Fleisher file a late Form 4 to report the acquisition of phantom shares of Company stock acquired under the Company's deferred compensation plan, Mr. Lupo filed a late Form 4 to report the sale of shares of Company common stock and Mr. Gurley filed a late Form 3 upon his appointment as an executive officer of the Company.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Policies with Respect to Related Party Transactions

The Company's Audit Committee charter requires that the Audit Committee, which is comprised entirely of independent directors, review all related party transactions and potential conflict of interest situations involving members of the Board of Directors or senior management. Current SEC rules define a related party transaction to

include any transaction, arrangement or relationship in which the Company is a participant and the related party has a direct or indirect interest.

Certain Relationships and Related Transactions

Rugby Board Representation

In connection with the Company's purchase of the U.S. residential building products business of The Rugby Group Ltd. (Rugby) in December 1999, the Company entered into a Registration Rights Agreement with Rugby. Pursuant to the Registration Rights Agreement, so long as the shares of common stock owned by Rugby and received in the December 1999 transaction constitute at least 30%, 20%, or 10%, respectively, of the Company's outstanding common stock, Rugby has the right to designate for nomination by the Board of Directors of the Company three, two and one director(s), respectively. So long as the common stock owned by Rugby and received in the 1999 transaction constitutes 10% or more of the Company's outstanding common stock, Rugby is required to be present at all meetings of the Company's stockholders and to vote its shares of common stock in favor of the Board's nominees for election to the Board of Directors. On the date of the agreement pursuant to which the 1999 transaction was accomplished, the Crane Fund, one of the Company's principal stockholders at that time, agreed with Rugby that, so long as the common stock owned by Rugby and received in the 1999 transaction constitutes 10% or more of the Company's outstanding common stock, the Crane Fund would be present at all meetings of the Company's stockholders and vote its shares of common stock for the nominees designated by Rugby as provided in the Registration Rights Agreement.

As part of the Company's former \$15 million stock repurchase program, on August 20, 2001, the Company purchased 790,484 shares of its common stock from Rugby for a cash purchase price of \$4,735,000, or a per share price of \$5.99, the closing sales price of the Company's common stock on the New York Stock Exchange on the date of purchase. Pursuant to the repurchase agreement, Rugby and the Company agreed that, if solely as a result of Rugby's sale of these shares to the Company shares of common stock beneficially owned by Rugby and its affiliates in the aggregate at any time would constitute less than 30% of the Company's outstanding stock, the Registration Rights Agreement would be deemed to be amended so that Rugby would maintain its right to designate for nomination three directors to be elected to the Board. As a result, Rugby will continue to have the right to nominate three directors so long as the common stock received in the exchange transaction and held by Rugby and its affiliates in the aggregate constitutes at least Rugby's new ownership percentage after giving effect to the Company's repurchase of these shares, as this percentage may increase from time to time as a result of the Company's repurchase of common stock pursuant to its stock repurchase program.

Messrs. Gastone, Glass and Wise are Rugby's current designees on the Board. Mr. Gastone and Mr. Wise have agreed with Rugby to transfer to Rugby all cash compensation paid to them for their services as directors. Mr. Gastone has resigned from the Board of Directors, effective immediately prior to the 2008 annual meeting, and will not be replaced.

Joint Defense Agreement with Rugby

In April 2002, the Company filed a lawsuit in the Supreme Court of the state of New York against Rugby and Rugby IPD Corp., a subsidiary of Rugby, alleging that they breached their contractual obligations to indemnify and defend the Company against asbestos-related liabilities and claims arising out of the business that was acquired in 1994 by Rugby Building Products, Inc. The Company acquired Rugby Building Products, Inc., a distributor of building materials, in December 1999, when it acquired the stock of its parent, Rugby USA, Inc., from Rugby. In its lawsuit, the Company sought to recover sums it spent to defend and, with respect to one lawsuit, settle its asbestos lawsuits, as well as a declaratory judgment that Rugby and Rugby IPD indemnify and defend the Company for these lawsuits and any similarly situated claims that may be asserted against the Company in the future. Rugby denied any obligation to defend or indemnify the Company for any of these cases. On January 19, 2005, the Company entered into a settlement agreement with Rugby and Rugby IPD settling the pending lawsuit. The parties agreed to dismiss the pending litigation without prejudice and without any admission of liability in any respect by any party. In accordance with the

terms of the settlement, Rugby paid to the Company \$.6 million on January 19, 2005. In addition, the Company and Rugby each released the other from further liabilities with respect to the underlying asbestos-related liabilities and claims and any future asbestos-related liabilities and claims, subject to termination of the joint defense agreement described below. The Company and Rugby also have agreed to certain other terms typical for a settlement agreement of this kind.

Table of Contents

Under the terms of a joint defense agreement entered into by the Company and Rugby on January 19, 2005, the parties agreed to jointly defend any future asbestos-related claims relating to the business acquired by Rugby Building Products, Inc. in 1994. Any asbestos-related claim against the Company not related to that business is not covered by the joint defense agreement. The parties have established a joint defense fund to which the Company and Rugby will contribute specified amounts in equal shares from time to time and from which they will pay amounts incurred in connection with covered claims. The joint defense agreement has a term of ten years and may be terminated by the Company or Rugby if either of their respective contributions to the joint defense fund exceeds a specified cap. The Company believes that it is unlikely that a termination right will occur during the term of the joint defense agreement, but there can be no assurances that will be the case. In the event of a termination of the joint defense agreement, the settlement agreement will be deemed to have been rescinded, and the Company, or, in certain circumstances, Rugby, may reinstitute the litigation between the parties. While the Company believes that its factual allegations and legal claims are meritorious, there can be no assurance at this time that, if this litigation is renewed, the Company will recover any of its costs related to future asbestos-related claims from Rugby or from insurance carriers or that such costs will not have a material adverse effect on the Company's business or financial condition.

Registration of Rugby Shares

Pursuant to the Registration Rights Agreement, the Company granted Rugby rights to cause the Company to register for sale the shares of Company common stock issued to Rugby in 1999. On December 20, 2005, the Company filed a resale shelf registration statement on Form S-3 with the Securities and Exchange Commission to register for sale the 5,755,940 shares of Company common stock owned by Rugby. The Company's filing of the S-3 Registration Statement is intended to satisfy its obligations under the Registration Rights Agreement.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Management Organization and Compensation Committee (the Compensation Committee) is comprised of Messrs. E. Thayer Bigelow, Dorsey R. Gardner, Donald L. Glass, and Delbert H. Tanner. Mr. Glass is one of three designees of The Rugby Group Ltd. (Rugby) on the Company's Board of Directors. For a description of certain transactions and arrangements between the Company and Rugby, see Certain Relationships and Related Transactions above.

No member of the Compensation Committee is or has ever been an officer or employee of the Company and no executive officer of the Company has served as a director or member of a compensation committee of another company of which any member of the Board of Directors is an executive officer.

Table of Contents

The Audit Committee has adopted a policy under which the independent auditors are prohibited from performing certain services in accordance with Section 202 of the Sarbanes-Oxley Act of 2002. The Audit Committee pre-approves all services to be provided by the independent auditors. The Audit Committee pre-approves the annual audit engagement terms and fees at the beginning of the year and pre-approves, if necessary, any changes in terms or fees resulting from changes in audit scope, Company structure or other matters. For services other than the annual audit engagement, if pre-approval by the full Audit Committee at a regularly scheduled meeting is not practical due to time limitations or otherwise, the Chairman of the Audit Committee may pre-approve such services and shall report any such pre-approval decision to the Audit Committee at the next regularly scheduled meeting.

The Audit Committee has concluded that the provision of the non-audit services listed above is compatible with maintaining the independence of KPMG LLP.

ITEM 2 RATIFICATION OF APPOINTMENT OF KPMG LLP AS INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE YEAR ENDING DECEMBER 31, 2008

The Audit Committee has appointed KPMG LLP as the Company's independent registered public accounting firm for the year ending December 31, 2008. KPMG LLP served as the Company's independent registered public accounting firm for the year ended December 31, 2007. A representative of KPMG LLP will be present, in person or via telephone, at the Company's 2008 Annual Stockholders Meeting, will have an opportunity to make a statement, if desired, and will be available to respond to appropriate questions from stockholders.

Although this appointment is not required to be submitted to a vote of stockholders, the Board of Directors believes it is appropriate to request that the stockholders ratify the appointment of KPMG LLP as the Company's independent registered accounting firm for the year ending December 31, 2008. If the stockholders do not so ratify, the Audit Committee will investigate the reasons for stockholder rejection and will reconsider the appointment.

The Board of Directors unanimously recommends a vote FOR ratification of the appointment of KPMG LLP as the Company's independent registered public accounting firm for the year ending December 31, 2008.
