Item 1.01. Entry into a Material Definitive Agreement.

On October 1, 2008, we amended and restated our Loan Agreement with Three Pillars Funding, LLC, as Lender, and Suntrust Robinson Humphrey, Inc., as Administrator. Capitalized terms used but not defined herein have the meanings set forth in the Loan Agreement. The purpose of the amendment and restatement was to:

Reflect all previous amendments to the Loan Agreement.

Modify the Dilution Ratio, which governs certain amortization events, to separately account for both long term and short term dilution.

Modify the definition of Advance Rate, which governs availability of the loan, to separately account for both expected long term and short term dilution.

Modify the Unused Fee for the unused portion of the facility, so that (i) if the utilized portion of the facility is greater than or equal to 50% of the facility limit, the fee is based on a formula of 0.35% of the unutilized amount, and (ii) if the utilized portion of the facility is less than 50% of the facility limit, the fee is based on a formula of 0.425% of the unutilized amount.

Change the Applicable Margin to 0.85%, and while an Event of Default exists, to 2.50%.

If a loan is funded pursuant to the Liquidity Agreement or the Voluntary Advance Agreement, to provide for a Liquidity Premium of 2.00%.

Change the Scheduled Commitment Termination Date to September 27, 2011.

As used in the Loan Agreement, (a) Applicable Margin means, while no Event of Default exists and is continuing, 0.85%, and while an Event of Default exists and is continuing, 2.50% and (b) Liquidity Premium means 2.00%. The following fees are payable in connection with the Loan Agreement:

Borrower shall pay to Administrator, for the account of Lender and its Liquidity Banks (in such proportions as they may from time to time agree upon), a fully-earned and non-refundable fee equal to (i) (A) (x) the product of 102% and the Facility Limit less (y) the daily used portion of the Facility (such portion, the Utilized Amount) divided by (B) 360, times, (ii) (A) if the Utilized Amount is greater than or equal to 50% of the Facility Limit, 0.35% and (B) if the Utilized Amount is less than 50% of the Facility Limit, 0.425% (such fee, the Unused Fee). The Unused Fee shall accrue daily and shall be payable monthly in arrears on each Distribution Date.

Upon approval of any request for extension of the Liquidity Commitment Termination Date and/or Scheduled Commitment Termination Date in accordance with Section 2.5 of the Loan Agreement, and as a condition precedent to the effectiveness of any such extension, Borrower shall pay to Administrator, for its own account, a fully-earned and non-refundable extension fee in immediately available funds as agreed from time to time between Borrower and Administrator.

This summary is qualified in its entirety by references to the terms of the amended and restated Loan Agreement attached hereto as Exhibit 10.1 which is incorporated herein by reference.
