Retirement Income Benefits

Ralcorp's general strategy is to provide the Company-paid portion of retirement income benefits through enhanced Company contributions to 401k-type plans

As part of our integration strategy for the Post business, we will provide benefits that mirror key provisions of the current Kraft Pension and Thrift (401k) plans for a two year period following completion of the Post acquisition

Pension Benefits

All Kraft service will be recognized for determining eligibility and vesting

Ralcorp will duplicate the following features of the Kraft pension plan

Benefit accrual formulas

Vesting provisions

Eligibility for retirement benefits

Early retirement subsidy provisions

Pension Benefits

We will use the same process to determine your final average earnings

The calculation of final average earnings will include eligible compensation paid to you during your Kraft service

Benefits earned while employed by Kraft will be paid from the Kraft pension plan; benefits earned for Ralcorp service will be paid from the Ralcorp pension plan

401k Benefits

During the two-year transition period, we will continue to provide the same level of Company matching contributions

Kraft service will be recognized for purposes of eligibility and vesting

Company contributions will vest at a rate of 25% for each year of service fully vested after 4 years

You will have an opportunity to receive a distribution of your vested Kraft 401k plan balance and rollover that amount into the Ralcorp 401k plan, subject to some restrictions.

Next Steps

Continue to work on many plan details  
and transition

Prepare for benefit enrollment activities
