Attached is information presented today to employees on Delta's intranet concerning a proposal submitted for the approval of shareowners at Delta's Annual Meeting of Shareowners on April 25, 2003 (the Meeting) to amend Delta's 2000 Performance Compensation Plan, DeltaShare Stock Option Plan and Pilots Stock Option Plan to authorize Delta to undertake a stock option exchange program (the Exchange Program) and the preliminary voting results on the proposals submitted to shareowners for approval at the Meeting.

The information does not constitute an offer to holders of options to purchase Delta Common Stock to exchange their options. At the time the Exchange Program is commenced, Delta will provide to option holders who are eligible to participate in the Exchange Program written materials explaining the terms, conditions and timing of the Exchange Program. Persons who are eligible to participate in the Exchange Program should read these written materials carefully when they become available because they will contain important information about the Exchange Program. Delta will also post these written materials on its website, www.delta.com, and file the materials with the Securities and Exchange Commission as part of a tender offer statement. Delta shareowners and option holders will be able to obtain these written materials and other documents filed by Delta with the Securities and Exchange Commission free of charge from the Securities and Exchange Commission's website at www.sec.gov.
