**FOR IMMEDIATE RELEASE**

**Fresh Del Monte Produce Supports EU Commission Banana Import Tariff-Only System  
to Be Effective January 1, 2006**

*Company believes the Tariff-Only System is the only system that will provide  
fair and equitable market access for bananas to the European Market*

CORAL GABLES, Fla. November 29, 2005 Fresh Del Monte Produce Inc. (NYSE: FDP), a leading global producer, marketer and distributor of fresh and fresh-cut fruit and vegetables, and a top producer, marketer and distributor of prepared fruit, vegetables and other products in Europe, the Middle East and Africa, today announced its support of the European Union decision to adopt a new tariff-only import regime from January 1, 2006 with a tariff of 176 euros per ton for bananas imported from Latin American countries.

We have always maintained that the tariff only system is the only system that will correct the injustice suffered for years by Fresh Del Monte as well as other supplying companies under the current quota and licenses system, said Mohammad Abu-Ghazaleh, Fresh Del Monte's Chairman and Chief Executive Officer. Fresh Del Monte has consistently supported the WTO's finding that the current quota system is iniquitous in many respects; having led to trading in licenses, flouting trade and most importantly, it has penalized companies such as Fresh Del Monte by forcing them to buy licenses from middlemen and / or competitors in order to sell bananas in the EU. Beginning on January 1<sup>st</sup>, 2006, we will see free access and fair competition for supplying countries and companies.

Fresh Del Monte is well-positioned to take advantage of its vertically-integrated production, outstanding quality, shipping, distribution, sales and marketing network to more effectively compete in the EU banana market with an open-market, tariff-only system, concluded Mr. Abu-Ghazaleh.

Fresh Del Monte Produce Inc. is one of the world's leading vertically integrated producers, marketers and distributors of high-quality fresh and fresh-cut fruit and vegetables, as well as a leading producer and distributor of prepared fruit and vegetables, juices, beverages, snacks and desserts in Europe, the Middle East and Africa. Fresh Del Monte markets its products worldwide under the Del Monte® brand, a symbol of product quality, freshness and reliability since 1892.
