**Table of Contents****Summary Financial Data****Rite Aid Corporation***RA Alliance Property*

On October 20, 2005, we acquired an approximately 11,325 square foot single-tenant retail building on an approximately 1.79 acre site located in Alliance, Ohio (the RA Alliance Property), which was constructed in 1996. The RA Alliance Property is 100% leased to RA Ohio, a wholly-owned subsidiary of Rite Aid Corporation (Rite Aid), which guarantees the lease. The RA Alliance Property is subject to a net lease pursuant to which the tenant is required to pay substantially all operating expenses and capital expenditures in addition to base rent.

The purchase price of the RA Alliance Property was approximately \$2.1 million, exclusive of closing costs. The acquisition was funded by net proceeds from the Company's ongoing public offering.

In evaluating the RA Alliance Property as a potential acquisition and determining the appropriate amount of consideration to be paid for our interest in the RA Alliance Property, a variety of factors were considered, including our consideration of a property condition report; unit-level store performance; property location, visibility and access; age of the property, physical condition and curb appeal; neighboring property uses; local market conditions, including vacancy rates; area demographics, including trade area population and average household income; neighborhood growth patterns and economic conditions; and the presence of demand generators. After reasonable inquiry, the Company is not aware of any material factors relating to the RA Alliance Property, other than those discussed above, that would cause the reported financial information not to be necessarily indicative of future operating results.

Because the RA Alliance Property is 100% leased to a single tenant on a long-term basis under a net lease that transfers substantially all of the operating costs to the tenant, we believe that the financial condition and results of operations of the lease guarantor, Rite Aid, are more relevant to investors than the financial statements of the property acquired. As a result, pursuant to guidance provided by the Securities and Exchange Commission (SEC), we have not provided audited financial statements of the property acquired.

Rite Aid currently files its financial statements in reports filed with the SEC, and the following summary financial data regarding Rite Aid are taken from its previously filed public reports:

**Walgreen Co.**

*WG SL Properties*

On November 2, 2005, we acquired the following properties (collectively, the *WG SL Properties*): (i) an approximately 15,120 square foot single-tenant retail building on an approximately 2.11 acre site located in St. Louis, Missouri, constructed in 2001, (ii) an approximately 15,120 square foot single-tenant retail building on an approximately 2.13 acre site located in St. Louis, Missouri, constructed in 2001, and (iii) an approximately 15,120 square foot single-tenant retail building on an approximately 1.82 acre site located in Florissant, Missouri, constructed in 2001. The *WG SL Properties* are 100% leased to Walgreen Co. (*Walgreens*) subject to separate net leases pursuant to which the tenant is required to pay substantially all operating expenses and capital expenditures in addition to base rent.

The aggregate purchase price of the *WG SL Properties* was approximately \$16.4 million, exclusive of closing costs. The acquisition was funded by net proceeds from the Company's ongoing public offering and an approximately \$13.1 million loan from Wachovia Bank, National Association (the *Lender*) secured by the *WG SL Properties*.

*WG Olivette Property*

On November 22, 2005, we acquired an approximately 15,030 square foot single-tenant retail building on an approximately 2.40 acre site located in Olivette, Missouri (the *WG Olivette Property*), constructed in 2001. The *WG Olivette Property* is 100% leased to Walgreens subject to a net lease pursuant to which the tenant is required to pay substantially all operating expenses and capital expenditures in addition to base rent.

The purchase price of the *WG Olivette Property* was approximately \$7.8 million, exclusive of closing costs. The acquisition was funded by net proceeds from the Company's ongoing public offering and an approximately \$5.4 million loan from the *Lender* secured by the *WG Olivette Property*.

*WG Columbia Property*

On November 22, 2005, we acquired an approximately 13,970 square foot single-tenant retail building on an approximately 1.03 acre site located in Columbia, Missouri (the *WG Columbia Property*), constructed in 2002. The *WG Columbia Property* is 100% leased to Walgreens subject to a net lease pursuant to which the tenant is required to pay substantially all operating expenses and capital expenditures in addition to base rent.

The purchase price of the *WG Columbia Property* was approximately \$6.3 million, exclusive of closing costs. The acquisition was funded by net proceeds from the Company's ongoing public offering and an approximately \$4.5 million loan from the *Lender* secured by the *WG Columbia Property*.

In evaluating the *WG SL Properties*, the *WG Olivette Property*, and the *WG Columbia Property* as potential acquisitions and determining the appropriate amount of consideration to be paid for our interests therein, a variety of factors were considered, including our consideration of property condition reports; unit-level store performance; property locations, visibility and access; age of the properties, physical condition and curb appeal; neighboring property uses; local market conditions, including vacancy rates; area demographics, including trade area population and average household income; neighborhood growth patterns and economic conditions; and the presence of demand generators. After reasonable inquiry, the Company is not aware of any material factors relating to the *WG SL Properties*, the *WG Olivette Property* and the *WG Columbia Property*, other than those discussed above, that would cause the reported financial information not to be necessarily indicative of future operating results.

Because the *WG SL Properties*, the *WG Olivette Property*, and the *WG Columbia Property* are each 100% leased to a single tenant on a long-term basis under a net lease that transfers substantially all of the operating costs to the tenant, we believe that the financial condition and results of operations of the lessee, Walgreens, are more relevant to investors than the financial statements of each property acquired. As a result, pursuant to guidance provided by the SEC, we have not provided audited financial statements of each property acquired.
