PROXY STATEMENT
VOTING INFORMATION

Purpose

This Proxy Statement and the accompanying proxy card are being mailed to Synovus shareholders beginning on or about March 24, 2006. The Synovus Board of Directors is soliciting proxies to be used at the 2006 Annual Meeting of Synovus Shareholders which will be held on April 27, 2006, at 10:00 a.m., at the RiverCenter for the Performing Arts, 900 Broadway, Columbus, Georgia. Proxies are solicited to give all shareholders of record an opportunity to vote on matters to be presented at the Annual Meeting. In the following pages of this Proxy Statement, you will find information on matters to be voted upon at the Annual Meeting of Shareholders or any adjournment of that meeting.

Who Can Vote

You are entitled to vote if you were a shareholder of record of Synovus stock as of the close of business on February 21, 2006. Your shares can be voted at the meeting only if you are present or represented by a valid proxy.

Quorum and Shares Outstanding

A majority of the votes entitled to be cast by the holders of the outstanding shares of Synovus stock must be present, either in person or represented by proxy, in order to conduct the Annual Meeting of Synovus Shareholders. On February 21, 2006, [] shares of Synovus stock were outstanding.

Proxy Card

The Board has designated two individuals to serve as proxies to vote the shares represented by proxies at the Annual Meeting of Shareholders. If you properly submit a proxy but do not specify how you want your shares to be voted, your shares will be voted by the designated proxies in accordance with the Board's recommendations as follows:

FOR:

The election of all the director nominees;

The proposal to amend the Articles of Incorporation and bylaws to declassify the Board of Directors;

The Synovus Financial Corp. Executive Cash Bonus Plan; and

The ratification of the appointment of KPMG LLP as Synovus' independent auditor for the year 2006;

and AGAINST:

The shareholder proposal regarding director election by majority vote.

The designated proxies will vote in their discretion on any other matter that may properly come before the meeting. At the date the Proxy Statement went to press, we did not anticipate that any other matters would be raised at the Annual Meeting.

Voting of Shares

Holders of Synovus stock are entitled to ten votes on each matter submitted to a vote of shareholders for each share of Synovus stock owned on February 21, 2006 which: (i) has had the same owner since February 21, 2002; (ii) was acquired by reason of participation in a dividend reinvestment plan offered by Synovus and is held by the same owner who acquired it under such plan; (iii) is held by the same owner to whom it was issued as a result of an acquisition of a

Table of Contents

company or business by Synovus where the resolutions adopted by Synovus Board of Directors approving the acquisition specifically grant ten votes per share; (iv) was acquired under any employee, officer and/or director benefit plan maintained for one or more employees, officers and/or directors of Synovus and/or its subsidiaries, and is held by the same owner for whom it was acquired under any such plan; (v) is held by the same owner to whom it was issued by Synovus, or to whom it was transferred by Synovus from treasury shares, and the resolutions adopted by Synovus Board of Directors approving such issuance and/or transfer specifically grant ten votes per share; (vi) was acquired as a direct result of a stock split, stock dividend or other type of share distribution if the share as to which it was distributed was acquired prior to, and has been held by the same owner since, February 21, 2002; (vii) has been owned continuously by the same shareholder for a period of 48 consecutive months prior to the record date of any meeting of shareholders at which the share is eligible to be voted; or (viii) is owned by a holder who, in addition to shares which are owned under the provisions of (i)-(vii) above, is the owner of less than 1,139,063 shares of Synovus stock (which amount has been appropriately adjusted to reflect stock splits and with such amount to be appropriately adjusted to properly reflect any other change in Synovus stock by means of a stock split, a stock dividend, a recapitalization or otherwise). Shareholders of shares of Synovus stock not described above are entitled to one vote per share for each share. The actual voting power of each holder of shares of Synovus stock will be based on information possessed by Synovus at the time of the Annual Meeting.

As Synovus stock is registered with the Securities and Exchange Commission and is traded on the New York Stock Exchange, Synovus stock is subject to the provisions of an NYSE rule which, in general, prohibits a company's common stock and equity securities from being authorized or remaining authorized for trading on the NYSE if the company issues securities or takes other corporate action that would have the effect of nullifying, restricting or disparately reducing the voting rights of existing shareholders of the company. However, the rule contains a grandfather provision, under which Synovus ten vote provision falls, which, in general, permits grandfathered disparate voting rights plans to continue to operate as adopted. The number of votes that each shareholder will be entitled to exercise at the Annual Meeting will depend upon whether each share held by the shareholder meets the requirements which entitle one share of Synovus stock to ten votes on each matter submitted to a vote of shareholders. Shareholders of Synovus stock must complete the Certification on the proxy in order for any of the shares represented by the proxy to be entitled to ten votes per share. All shares entitled to vote and represented in person or by properly completed proxies received before the polls are closed at the Annual Meeting, and not revoked or superseded, will be voted in accordance with instructions indicated on those proxies.

SHAREHOLDERS WHO DO NOT CERTIFY ON THEIR PROXIES SUBMITTED BY MAIL, INTERNET OR PHONE THAT THEY ARE ENTITLED TO TEN VOTES PER SHARE WILL BE ENTITLED TO ONLY ONE VOTE PER SHARE.

Synovus Dividend Reinvestment and Direct Stock Purchase Plan: If you participate in this Plan, your proxy card represents shares held in the Plan, as well as shares you hold directly in certificate form registered in the same name.

Required Votes

Directors are elected by a plurality of the votes cast, which means the seven nominees who receive the largest number of properly executed votes will be elected as directors. Cumulative voting is not permitted. Shares that are represented by proxies which are marked withhold authority for the election of one or more director nominees will not be counted in determining the number of votes cast for those persons.

Pursuant to Synovus Articles of Incorporation, the affirmative vote by the holders of shares representing at least 66 2/3% of the votes entitled to be cast by the holders of all of the issued and outstanding shares of Synovus stock is required to amend the Articles of Incorporation and bylaws to declassify the Board of Directors.

Table of Contents

The affirmative vote of a majority of the votes cast is needed to approve the Synovus Financial Corp. Executive Cash Bonus Plan, ratify the appointment of KPMG LLP as Synovus independent auditor for 2006 and approve the shareholder proposal regarding director election by majority vote.

Tabulation of Votes

Under certain circumstances, brokers are prohibited from exercising discretionary authority for beneficial owners who have not returned proxies to the brokers (a broker non-vote). In these cases, and in cases where the shareholder abstains from voting on a matter, those shares will be counted for the purpose of determining if a quorum is present, but will not be included as votes cast with respect to those matters and, therefore, will have no effect on the vote with respect to any proposal other than the proposal to amend the Articles of Incorporation and bylaws to declassify the Board of Directors. Because the proposal to amend the Articles of Incorporation and bylaws to declassify the Board of Directors requires the affirmative vote by the holders of shares representing at least 66 2/3% of the votes entitled to be cast by the holders of all of the issued and outstanding shares of Synovus stock, abstentions and broker non-votes will have the same effect as a vote against the proposal.

How You Can Vote

You may vote by proxy or in person at the meeting. To vote by proxy, you may select one of the following options:

Vote By Telephone:

You can vote your shares by telephone by calling the toll-free telephone number (at no cost to you) shown on your proxy card. Telephone voting is available 24 hours a day, seven days a week. Easy-to-follow voice prompts allow you to vote your shares and confirm that your instructions have been properly recorded. Our telephone voting procedures are designed to authenticate the shareholder by using individual control numbers. If you vote by telephone, you do NOT need to return your proxy card.

Vote By Internet:

You can also choose to vote on the Internet. The website for Internet voting is shown on your proxy card. Internet voting is available 24 hours a day, seven days a week. You will be given the opportunity to confirm that your instructions have been properly recorded, and you can consent to view future proxy statements and annual reports on the Internet instead of receiving them in the mail. If you vote on the Internet, you do NOT need to return your proxy card.

Vote By Mail:

If you choose to vote by mail, simply mark your proxy card, date and sign it, sign the Certification and return it in the postage-paid envelope provided.

Revocation of Proxy

If you vote by proxy, you may revoke that proxy at any time before it is voted at the meeting. You may do this by (a) signing another proxy card with a later date and returning it to us prior to the meeting, (b) voting again by telephone or on the Internet prior to the meeting, or (c) attending the meeting in person and casting a ballot.

CORPORATE GOVERNANCE AND BOARD MATTERS

Corporate Governance Philosophy

The business affairs of Synovus are managed under the direction of the Board of Directors in accordance with the Georgia Business Corporation Code, as implemented by Synovus' Articles of Incorporation and bylaws. The role of the Board of Directors is to effectively govern the affairs of Synovus for the benefit of its shareholders and other constituencies. The Board strives to ensure the success and continuity of business through the election of qualified management. It is also responsible for ensuring that Synovus' activities are conducted in a responsible and ethical manner. Synovus is committed to having sound corporate governance principles.

Independence

The listing standards of the New York Stock Exchange provide that a director does not qualify as independent unless the Board of Directors affirmatively determines that the director has no material relationship with Synovus. The Board has established categorical standards of independence to assist it in determining director independence which conform to the independence requirements in the NYSE listing standards. The categorical standards of independence are incorporated within our Corporate Governance Guidelines and are attached to this Proxy Statement as Appendix A. The Board has determined that a majority of its members are independent as defined by the listing standards of the NYSE and meet the categorical standards of independence set by the Board as each independent director has only immaterial relationships with Synovus. Synovus' Board has determined that the following directors are independent: Daniel P. Amos, Richard Y. Bradley, Frank W. Brumley, Elizabeth W. Camp, C. Edward Floyd, T. Michael Goodrich, V. Nathaniel Hansford, John P. Illges, III, Mason H. Lampton, Elizabeth C. Ogie, H. Lynn Page, J. Neal Purcell and Melvin T. Stith. Please see "Certain Relationships and Related Transactions" on page 33 which includes information with respect to immaterial relationships between Synovus and its independent directors. This information was considered by the Board in determining a director's independence from Synovus under Synovus' categorical standards of independence and the NYSE listing standards.

Attendance at Meetings

The Board of Directors held five meetings in 2005. All directors attended at least 75% of Board and committee meetings held during their tenure during 2005 except Daniel P. Amos and William B. Turner, Jr. The average attendance by directors at the aggregate number of Board and committee meetings they were scheduled to attend was 91%. Although Synovus has no formal policy with respect to Board members' attendance at its annual meetings, it is customary for all Board members to attend as there is a Board meeting immediately preceding the annual meeting. All of Synovus' directors who were serving at the time attended the 2005 Annual Meeting of Shareholders.

Committees of the Board

Synovus' Board of Directors has four principal standing committees: an Executive Committee, an Audit Committee, a Corporate Governance and Nominating Committee and a Compensation Committee. Each committee has a written charter adopted by the Board of Directors that complies with the listing standards of the NYSE pertaining to corporate governance. Copies of the committee charters are available in the Corporate Governance section of our website at www.synovus.com/governance. The Board has determined that each member of the Audit, Corporate Governance and Nominating and Compensation Committees is an independent director.

Executive Committee. Synovus Executive Committee held four meetings in 2005. During the intervals between meetings of Synovus Board of Directors, Synovus Executive Committee possesses and may exercise any and all of the powers of Synovus Board of Directors in the management and direction of the business and affairs of Synovus with respect to which specific direction has not been previously given by Synovus Board of Directors unless Board action is required by Synovus governing documents, law or rule.

Audit Committee. Synovus Audit Committee held 10 meetings in 2005. Its Report begins on page 24. The Board has determined that all five members of the Committee are independent and financially literate under the rules of the NYSE and that at least one member, J. Neal Purcell, is an audit committee financial expert as defined by the rules of the Securities and Exchange Commission. The primary functions of Synovus Audit Committee include:

Monitoring the integrity of Synovus financial statements, Synovus systems of internal controls and Synovus compliance with regulatory and legal requirements;

Monitoring the independence, qualifications and performance of Synovus independent auditor and internal auditing activities; and

Providing an avenue of communication among the independent auditor, management, internal audit and the Board of Directors.

Corporate Governance and Nominating Committee. Synovus Corporate Governance and Nominating Committee held four meetings in 2005. The primary functions of Synovus Corporate Governance and Nominating Committee include:

Identifying qualified individuals to become Board members;

Recommending to the Board the director nominees for each annual meeting of shareholders and director nominees to be elected by the Board to fill interim director vacancies;

Overseeing the annual review and evaluation of the performance of the Board and its committees; and

Developing and recommending to the Board corporate governance guidelines.

Compensation Committee. Synovus Compensation Committee held seven meetings in 2005. Its Report on Executive Compensation begins on page 30. The primary functions of Synovus Compensation Committee include:

Designing and overseeing Synovus executive compensation program;

Designing and overseeing all compensation and benefit programs in which employees and officers of Synovus are eligible to participate; and

Performing an annual evaluation of the Chief Executive Officer.

Consideration of Director Candidates

Shareholder Candidates. The Corporate Governance and Nominating Committee will consider candidates for nomination as a director submitted by shareholders. Although the Committee does not have a separate policy that addresses the consideration of director candidates recommended by shareholders, the Board does not believe that such a separate policy is necessary as Synovus' bylaws permit shareholders to nominate candidates and as one of the duties set forth in the Corporate Governance and Nominating Committee charter is to review and consider director candidates submitted by shareholders. The Committee will evaluate individuals recommended by shareholders for nomination as directors according to the criteria discussed below and in accordance with Synovus' bylaws and the procedures described under Shareholder Proposals and Nominations on page 38.

Director Qualifications. Synovus' Corporate Governance Guidelines contain Board membership criteria considered by the Corporate Governance and Nominating Committee in recommending nominees for a position on Synovus' Board. The Committee believes that, at a minimum, a director candidate must possess personal and professional integrity, sound judgment and forthrightness. A director candidate must also have sufficient time and energy to devote to the affairs of Synovus, be free from conflicts of interest with Synovus, must not have reached the retirement age for Synovus directors and be willing to make, and financially capable of making, the required investment in Synovus' stock pursuant to Synovus' Director Stock Ownership Guidelines. The Committee also considers the following criteria when reviewing a director candidate:

The extent of the director's/potential director's business acumen and experience;

Whether the director/potential director assists in achieving a mix of Board members that represents a diversity of background and experience, including with respect to age, gender, race, place of residence and specialized experience;

Whether the director/potential director meets the independence requirements of the listing standards of the NYSE;

Whether the director/potential director would be considered a financial expert or financially literate as defined in the listing standards of the NYSE;

Whether the director/potential director, by virtue of particular technical expertise, experience or specialized skill relevant to Synovus' current or future business, will add specific value as a Board member; and

Whether the director/potential director possesses a willingness to challenge and stimulate management and the ability to work as part of a team in an environment of trust.

Identifying and Evaluating Nominees

The Corporate Governance and Nominating Committee has two primary methods for identifying director candidates (other than those proposed by Synovus' shareholders, as discussed above). First, on a periodic basis, the Committee solicits ideas for possible candidates from a number of sources including members of the Board, Synovus executives and individuals personally known to the members of the Board. Second, the Committee is authorized to use its authority under its charter to retain at Synovus' expense one or more search firms to identify candidates (and to approve such firms' fees and other retention terms).

The Committee will consider all director candidates identified through the processes described above, and will evaluate each of them, including incumbents, based on the same criteria. The director candidates are evaluated at regular or special meetings of the Committee and may be considered at any point during the year. If based on the

Committee's initial evaluation a director candidate continues to be of interest to the Committee, the Chair of the Committee will interview the candidate and communicate his evaluation to the other Committee members and executive management. Additional interviews are conducted, if necessary, and ultimately the Committee will meet to finalize its list of recommended candidates for the Board's consideration.

PROPOSALS TO BE VOTED ON

PROPOSAL 1: ELECTION OF DIRECTORS

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR ALL NOMINEES.

Number

At the date of this Proxy Statement, the Board of Directors of Synovus consists of 19 members. As 20 board seats have been authorized by Synovus shareholders, Synovus has one directorship which remains vacant. This vacant directorship could be filled in the future at the discretion of Synovus Board of Directors. This discretionary power gives Synovus Board of Directors the flexibility of appointing new directors in the periods between Synovus Annual Meetings should suitable candidates come to its attention. The Board is divided into three classes whose terms are staggered so that the term of one class expires at each Annual Meeting of Shareholders. The terms of office of the Class I directors expire at the 2007 Annual Meeting, the terms of office of the Class II directors expire at the 2008 Annual Meeting and the terms of office of the Class III directors expire at the 2006 Annual Meeting. However, if you approve the proposal to declassify the Board of Directors, as more fully described in Proposal 2 of this Proxy Statement, the term of all directors, including those elected at the 2006 Annual Meeting, will end at the 2007 Annual Meeting of Shareholders and all directors will thereafter be elected for one year terms. Proxies cannot be voted at the 2006 Annual Meeting for a greater number of persons than the number of nominees named.

Nominees

The following nominees have been nominated by the Corporate Governance and Nominating Committee and approved by the Board for submission to the shareholders: Richard Y. Bradley, Frank W. Brumley, Elizabeth W. Camp, T. Michael Goodrich, John P. Illges, III, J. Neal Purcell and William B. Turner, Jr., each to serve a three year term expiring at the 2009 Annual Meeting (or in 2007 if the proposal to declassify the Board of Directors and make related amendments to the Articles of Incorporation and bylaws is approved).

The Board believes that each director nominee will be able to stand for election. If any nominee becomes unable to stand for election, proxies in favor of that nominee will be voted in favor of the remaining nominees and in favor of any substitute nominee named by the Board upon the recommendation of the Corporate Governance and Nominating Committee. If you do not wish your shares voted for one or more of the nominees, you may so indicate on the proxy.
