Item 1.01 Entry into a Material Definitive Agreement.

On August 3, 2006, the Board of Directors of Oxford Industries, Inc. (the Company) approved an amendment to the Oxford Industries, Inc. Long-Term Stock Incentive Plan (the Plan), subject to shareholder approval at the Company s 2006 annual meeting of shareholders (the Pending Proposal), that would increase by an aggregate of 500,000 shares the Plan s limit on the number of shares of common stock that could be transferred over the life of the Plan to Plan participants (i) free of a substantial risk of forfeiture in connection with grants of restricted shares under the Plan or (ii) in satisfaction of restricted share units awarded under the Plan.

The Plan, as previously approved by the Company s shareholders at the Company s 2004 annual meeting of shareholders, effectively authorized the Company to transfer in excess of 2,600,000 shares of common stock to Plan participants over the life of the Plan. As disclosed in the proxy statement for the Company s 2006 annual meeting of shareholders, which was filed with the U.S. Securities and Exchange Commission on September 8, 2006, (i) since the Plan went into effect as of July 27, 2004, the Nominating, Compensation and Governance Committee of the Company s Board of Directors has granted awards under the Plan exclusively in the form of restricted shares and restricted share units, (ii) as of August 3, 2006, the aggregate number of restricted shares and shares issuable in respect of restricted share units that had been granted under the Plan was 120,004 shares, and (iii) as of August 3, 2006, there were 2,651,259 shares of common stock that remained available for issuance under the Plan.

Subsequent to the distribution to the Company s shareholders of the proxy statement for the Company s 2006 annual meeting of shareholders, the Company received feedback from Institutional Shareholder Services (ISS) regarding the Plan. As a result, effective September 26, 2006, the Board of Directors of the Company approved an additional amendment to the Plan (the September Amendment) which limits to an aggregate of 1,000,000 shares (including shares previously granted under the Plan) the number of shares of common stock that could be transferred to Plan participants over the life of the Plan. The September Amendment does not require shareholder approval and is effective as of September 26, 2006 regardless of whether the Company s shareholders approve the Pending Proposal. The September Amendment does not have any effect on the Pending Proposal.

The September Amendment is attached hereto as Exhibit 99.1.

Item 9.01 Financial Statements and Exhibits.
