### PROXY STATEMENT FOR THE 2003 ANNUAL MEETING OF STOCKHOLDERS

To Be Held on September 3, 2003

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of JAKKS Pacific, Inc. (the Company) for use at the 2003 Annual Meeting of Stockholders to be held on September 3, 2003, and at any adjournment of that meeting (the Annual Meeting). Throughout this Proxy Statement, we, us and our are used to refer to the Company.

The shares of our common stock represented by each proxy will be voted in accordance with the stockholder's instructions as to each matter specified thereon, unless no instruction is given, in which case, the proxy will be voted in favor of such matter. Any proxy may be revoked by a stockholder at any time before it is exercised by delivery of written revocation or a subsequently dated proxy to our corporate secretary or by voting in person at the Annual Meeting.

We are mailing this Proxy Statement to our stockholders on or about July 30, 2003, accompanied by our Annual Report to Stockholders for our fiscal year ended December 31, 2002.

#### Voting Securities and Votes Required

At the close of business on July 8, 2003, the record date for the determination of stockholders entitled to vote at the Annual Meeting, there were outstanding and entitled to vote an aggregate of 25,300,766 shares of our common stock, par value \$.001 per share. All holders of our common stock are entitled to one vote per share.

The affirmative vote of the holders of a plurality of the shares of our common stock present or represented by proxy at the Annual Meeting is required for election of directors. The affirmative vote of the holders of a majority of the shares of our common stock present or represented by proxy at the Annual Meeting is required for the ratification of the appointment by the Board of Directors of PKF, Certified Public Accountants, A Professional Corporation, as our independent auditors for the current fiscal year, all as hereinafter described. A majority of the outstanding shares of our common stock represented in person or by proxy at the Annual Meeting will constitute a quorum at the meeting. All shares of our common stock represented in person or by proxy (including shares which abstain or do not vote for any reason with respect to one or more of the matters presented for stockholder approval) will be counted for purposes of determining whether a quorum is present at the Annual Meeting. Abstentions will be treated as shares that are present and entitled to vote for purposes of determining the number of shares present and entitled to vote with respect to any particular matter, but will not be counted as a vote in favor of such matter. Accordingly, an abstention from voting on a matter has the same legal effect as a vote against the matter. If a broker or nominee holding stock in street name indicates on the proxy that it does not have discretionary authority to vote as to a particular matter (broker non-votes), those shares will not be considered as present and entitled to vote with respect to such matter. Accordingly, a broker non-vote on a matter has no effect on the voting on such matter.

The following table sets forth certain information as of July 8, 2003 with respect to the beneficial ownership of our common stock by (1) each person known by us to own beneficially more than 5% of the outstanding shares of our common stock, (2) each of our directors and nominees for director, (3) each of our

### **Certain Relationships and Related Transactions**

One of our directors, Murray L. Skala, is a partner in the law firm of Feder, Kaszovitz, Isaacson, Weber, Skala, Bass & Rhine LLP, which has performed, and is expected to continue to perform, legal services for us.

In 2002, we incurred approximately \$2,326,000 for legal fees and \$327,000 for reimbursable expenses payable to that firm.

In April 2000, we loaned \$1,500,000 to each of Jack Friedman and Stephen G. Berman. The entire principal amount of each loan was originally due on April 28, 2003 and, until repaid, interest thereon was payable semi-annually at the rate of 6.5% per annum. As of March 27, 2003, the outstanding principal balances on Mr. Friedman's and Mr. Berman's loans including interest accrued thereon were paid in full. In May 2000, we loaned \$250,000 to Joel M. Bennett. The entire principal amount of his loan, together with interest accrued thereon at the rate of 7.0% per annum, was originally due on May 12, 2002, except that, since he continued to be employed by us through such date, in accordance with the terms of his loan agreement, we forgave all \$285,000 of his indebtedness to us including accrued interest of \$35,000. All three loans were made to assist our executive officers in meeting certain personal financial obligations.

Michael Bianco, Jr. was one of the selling shareholders from whom we acquired Flying Colors Toys in October 1999. In connection with that acquisition, we agreed to pay an earn-out, in an amount not less than \$2.5 million nor more than \$4.5 million to all of the selling shareholders, in each of the three twelve-month periods following the closing if the gross profit of *Flying Colors* products achieved certain targeted levels during these periods. We most recently paid \$1,850,000 to Mr. Bianco as his portion of the earn-out for the twelve-month period ended September 30, 2002.

#### **Legal Proceedings**

We are a party to, and certain of our property is the subject of, various pending claims and legal proceedings that routinely arise in the ordinary course of our business, but we do not believe that any of these claims or proceedings will have a material effect on our business, financial condition or results of operations.

#### **Section 16(a) Beneficial Ownership Reporting Compliance**

To the best of our knowledge, during the fiscal year ended December 31, 2002, Jack Friedman untimely filed one report on Form 5 reporting one late transaction, which Form 5 was filed in lieu of a delinquent Form 4. Mr. Friedman was an executive officer and director of our Company during the fiscal year ended December 31, 2002. To the best of our knowledge, all other Forms 3, 4 or 5 required to be filed pursuant to Section 16(a) of the Exchange Act during or with respect to the fiscal year ended December 31, 2002 were filed on a timely basis.

**Executive Compensation**

The following table sets forth the compensation we paid for our fiscal years ended December 31, 2002, 2001 and 2000 to our Chief Executive Officer and to each of our other executive officers whose compensation exceeded \$100,000 on an annual basis (the Named Officers ).

## Board Compensation

During each year that our Directors serve in such capacity, we pay them a cash stipend in the amount of \$15,000 and grant them 1,000 restricted shares of our common stock, which grant would only vest upon the one year anniversary thereof and provided the holder is still a Director at that time. We also reimburse our Directors for reasonable expenses incurred in attending meetings. In addition, each newly elected non-employee director receives at the commencement of his term an option to purchase 10,000 shares of our common stock at its then current fair market value, and our non-employee directors are each granted on January 1 and July 1 of each year an option to purchase 7,500 shares of our common stock at its then current fair market value. Options granted to a non-employee director expire upon the termination of the director's services for cause, but may be exercised at any time during a one-year period after such person ceases to serve as a director for any other reason.

## Employment Agreements

In March 2003 we amended and restated our employment agreements with each of the Named Officers.

Mr. Friedman's amended and restated employment agreement, pursuant to which he serves as our Chairman and Chief Executive Officer, provides for an annual base salary in 2003 of \$965,000. Mr. Friedman's agreement is for a term of eight years, expiring December 31, 2010. His annual base salary is subject to annual increases determined by our Board of Directors, but in an amount not less than \$25,000. For our fiscal year ending December 31, 2003, Mr. Friedman is entitled to receive the same annual bonus as he was entitled to under his previous employment agreement, namely an amount equal to 4% of our pre-tax income, but not more than \$2,000,000, if our pre-tax income is at least \$2,000,000. For each fiscal year between 2004 through 2010, Mr. Friedman's bonus will depend on our achieving certain earnings per share growth targets. The earnings per share growth targets for 2004 have been set, but the earnings per share growth targets for subsequent fiscal years will be determined annually by the Compensation Committee of our Board of Directors. Depending on the levels of earnings per share growth that we achieve in each fiscal year, Mr. Friedman shall receive an annual bonus from 0% to up to 200% of his base salary. This bonus will be paid in accordance with the terms and conditions of our 2002 Stock Award and Incentive Plan. In addition, in consideration for modifying and replacing the pre-tax income formula for determining his annual bonus, and for entering into the amended agreement, Mr. Friedman was granted the right to be issued an aggregate of 1,080,000 shares of restricted stock. The first tranche of restricted stock, totaling 240,000 shares, was granted at the time the agreement became effective. In each subsequent year of the contract term, Mr. Friedman shall receive 120,000 shares of restricted stock. The grant of these shares is in accordance with our 2002 Stock Award and Incentive Plan, and the vesting of each tranche of restricted stock is subject to our achieving pre-tax income in excess of \$2,000,000 in the fiscal year that the grant is made. Each tranche of restricted stock to be granted through January 1, 2008 is subject to a two-year vesting period which may be accelerated to one year if we achieve certain earnings per share growth targets. Each tranche of restricted stock to be granted through January 1, 2010, is subject to a one-year vesting period. Finally, the agreement provides Mr. Friedman with the opportunity, commencing at age 67, to retire and receive a single-life annuity retirement payment equal to \$975,000 a year for a period of 10 years, or in the event of his death during such retirement period, his estate will receive a death benefit equal to the difference between \$2,925,000 and any prior retirement benefits previously paid to him.

Mr. Berman's amended and restated employment agreement, pursuant to which he serves as our President and Chief Operating Officer, provides for an annual base salary in 2003 of \$965,000. Mr. Berman's agreement is for a term of eight years, expiring December 31, 2010. His annual base salary is subject to annual increases determined by our Board of Directors, but in an amount not less than \$25,000. For our fiscal year ending December 31, 2003, Mr. Berman is entitled to receive the same annual bonus as he was entitled to under his previous employment agreement, namely an amount equal to 4% of our pre-tax income, but not more than \$2,000,000, if our pre-tax income is at least \$2,000,000. For each fiscal year between 2004 through 2010, Mr. Berman's bonus will depend on our achieving certain earnings per share growth targets. The earnings per share growth targets for 2004 have been set, but the earnings per share growth targets for subsequent fiscal years shall be determined annually by the Compensation Committee of our Board of

Directors. Depending on the levels of earnings per share growth that we achieve in each fiscal year, Mr. Berman shall receive an annual bonus of from 0% to up to 200% of his base salary. This bonus will be paid in accordance with the terms and conditions of our 2002 Stock Award and Incentive Plan. In addition, in consideration for modifying and replacing the pre-tax income formula for determining his annual bonus, and for entering into the amended agreement, Mr. Berman was granted the right to be issued an aggregate of 1,080,000 shares of restricted stock. The first tranche of restricted stock, totaling 240,000 shares, was granted at the time the agreement became effective. In each subsequent year of the contract term, Mr. Berman will receive 120,000 shares of restricted stock. The grant of these shares is in accordance with our 2002 Stock Award and Incentive Plan, and the vesting of each tranche of restricted stock is subject to our achieving pre-tax income in excess of \$2,000,000 in the fiscal year that the grant is made. Each tranche of restricted stock to be granted through January 1, 2008 is subject to a two-year vesting period which may be accelerated to one year if we achieve certain earnings per share growth targets. Each tranche of restricted stock to be granted through January 1, 2010, is subject to a one-year vesting period.

Mr. Bennett's amended and restated employment agreement, pursuant to which he serves as our Executive Vice President and Chief Financial Officer, provides for an annual base salary in 2003 of \$300,000. Mr. Bennett's agreement is for a term of four years, expiring December 31, 2006. His annual base salary is subject to annual increases determined by our Board of Directors, but in an amount not less than \$20,000. In addition, as consideration for relinquishing the prior formula for determining his annual bonus, and for entering into the amended agreement, Mr. Bennett was awarded at the time his agreement became effective 120,000 shares of restricted stock which will vest in equal annual installments over two years. This grant of restricted stock is in accordance with our 2002 Stock Award and Incentive Plan, and the vesting of the restricted stock granted to Mr. Bennett is subject to our achieving pre-tax income in excess of \$2,000,000 for our fiscal year ending December 31, 2003. Such vesting may be accelerated to one year if we achieve certain earnings per share growth targets.

Mr. Bianco's amended and restated employment agreement, pursuant to which he serves as our Executive Vice President and Chief Merchandising Officer, provides for an annual base salary in 2003 of \$700,000. Mr. Bianco's agreement is for a term of five years, expiring December 31, 2007. His annual base salary is subject to annual increases determined by our Board of Directors, but in an amount not less than \$25,000. For each fiscal year between 2003 through 2007, Mr. Bianco's bonus will depend on our achieving certain earnings per share growth targets. The earnings per share growth targets for 2003 have been set, but the earnings per share growth targets for subsequent fiscal years shall be determined annually by our compensation committee. Depending on the levels of earnings per share growth that we achieve in each fiscal year, Mr. Bianco shall receive an annual bonus from 0% to up to 200% of his base salary. This bonus will be paid in accordance with the terms and conditions of our 2002 Stock Award and Incentive Plan. In addition, in consideration for modifying and replacing the pre-tax income formula for determining his annual bonus, and entering into the amended agreement, Mr. Bianco was granted the right to be issued 480,000 shares of restricted stock. The first tranche of restricted stock, totaling 96,000 shares, was granted at the time the agreement became effective. In each subsequent year of the contract term, Mr. Bianco will receive 96,000 shares of restricted stock. The grant of these shares is in accordance with our 2002 Stock Award and Incentive Plan, and the vesting of each tranche of restricted stock is subject to the Company achieving pre-tax income in excess of \$2,000,000 in the fiscal year that the grant is made. Each tranche of restricted stock to be granted through January 1, 2007 is subject to a two-year vesting period which may be accelerated to one year if we achieve certain earnings per share growth targets.

If we terminate any of the Named Officers' employment agreements other than for cause or if any of them resign because of our material breach of their respective employment agreements or because we cause a material change in their employment responsibilities, we are required to make a lump-sum severance payment in an amount equal to such individual's base salary and bonus during the balance of the term of the employment agreement, based on his then applicable annual base salary and bonus. In the event of a termination of a Named Officer's employment agreement under certain circumstances after a Change of Control (as defined in the respective employment agreement), we are required to make to such individual a

one-time payment of an amount equal to 2.99 times his base amount determined in accordance with the applicable provisions of the Internal Revenue Code.

The foregoing is only a summary of the material terms of our employment agreements with the Named Officers. For a complete description, copies of such agreements are annexed hereto in their entirety as exhibits or are otherwise incorporated herein by reference.

**Compensation Committee Interlock and Insider Participation**

Messrs. Glick and Miller are the members of our Compensation Committee. **PERFORMANCE GRAPH**

The graph and tables below display the relative performance of our common stock, the Russell 2000 Price Index (the Russell 2000) and a peer group index, by comparing the cumulative total stockholder return (which assumes reinvestment of any dividends) on an assumed \$100 investment in our common stock (at its initial offering price of \$4.16), the Russell 2000 and the peer group index over the period from May 1, 1996 (the first day on which our common stock was publicly traded) to December 31, 2002. The seven companies included in the peer group index are: Acclaim Entertainment, Inc., Action Performance Companies, Inc., Equity Marketing, Inc., The First Years, Inc., Hasbro, Inc., Mattel, Inc. and Russ Berrie and Company, Inc. We believe that these companies represent a cross-section of publicly-traded companies with product lines and businesses similar to our own throughout the comparison period. The historical performance data presented below may not be indicative of the future performance of our common stock, either reference index or any component company in either reference index.

## COMPENSATION COMMITTEE REPORT

### Overview

Our approach to employee compensation is grounded in our belief that our most important resource is our people. While some companies may enjoy an exclusive or limited franchise or are able to exploit unique assets, proprietary technology or other special properties or rights, we depend fundamentally on the skills, energy and dedication of our employees to drive our business. It is only through their constant efforts that we are able to innovate through the creation of new products and the continual rejuvenation of our product lines, to maintain superior operating efficiencies, and to develop and exploit marketing channels. With this in mind, we have consistently sought to employ the most talented, accomplished and energetic people available in the industry.

One of our key management principles is to operate with a lean and effective executive staff. This allows for quick decision-making and efficient operation, but also stresses clearly delineated responsibilities and accountability for each area of business. We believe that we have assembled an outstanding management team and that this has been a primary factor in our success to date. Accordingly, we have determined that the paramount aim of our compensation policy should be to attract and retain the most promising people available to work for us and to motivate them so that they perform to their maximum potential.

The compensation of our executive officers is governed by the terms of their individual employment agreements. Mr. Friedman and Mr. Berman generally determine the compensation of other management employees, subject to oversight by the Board of Directors. Management compensation, including that covered by the employment agreements of our executive officers, is generally determined based on a subjective evaluation of an employee's efforts and achievements, our overall performance and the employee's contribution thereto. The role of our Board's Compensation Committee in this process is to review our Company's compensation policy for management employees, to recommend to the Board programs and policies related to employee compensation and benefits, and to administer programs and plans relating thereto, including our Third Amended and Restated 1995 Stock Option Plan and our 2002 Stock Award and Incentive Plan.

### Executive Compensation

Our executive compensation consists of four components:

#### *Base Salary*

The base salaries of Mr. Friedman, Mr. Berman, Mr. Bennett and Mr. Bianco are determined in accordance with their respective employment agreements. We determine the base salary of each of our other management employees on an annual basis.

#### *Incentive Bonus*

Generally, we award a cash bonus to our management employees based on their personal performance in the past year and our overall performance. Mr. Friedman and Mr. Berman are entitled to receive a formula-based bonus under their respective employment agreements, and may also receive additional discretionary bonuses.

#### *Stock Option Grants*

We believe that an important element of our compensation policy is to align the interests of our management employees with the long-term interests of our stockholders. The most direct way to accomplish this is by giving our employees an equity stake in our Company, which we do by granting stock options to our employees as a non-cash component of incentive compensation. Options are granted to employees by the Board of Directors or the Compensation Committee, based on the recommendations of Mr. Friedman and Mr. Berman (except that they do not participate in determining their own option grants). To date, the exercise price of each option granted under our Third Amended and Restated 1995 Stock Option Plan and our 2002 Stock Award and Incentive Plan was equal to the Nasdaq closing price of our common stock on the date of

grant (except where a higher exercise price was required in order for the option to qualify as an incentive stock option under the Internal Revenue Code when the option is granted to a 10% stockholder), and we intend to continue this practice in general. Beginning in 1999, we have provided for all options granted under our Option Plan to vest in increments of 15%, 15%, 15%, 25% and 30% over the five-year period beginning on the first anniversary of the date of grant, and to terminate six years after the date of grant. We believe that the relatively long and back-end weighted vesting period encourages a long-term commitment to us by the option grantee.

### ***Employee Benefits***

We provide customary employee benefits, such as medical and hospitalization insurance, paid vacation and a 401(k) retirement savings plan, to all our full-time employees. In addition, certain of our management employees are entitled to perquisites, such as an automobile allowance.

### **Chief Executive Officer Compensation**

In 2002, Mr. Friedman, our Chairman and Chief Executive Officer, earned a base salary of \$846,000 and a bonus of \$1,429,696, and Mr. Berman, our President and Chief Operating Officer, earned a base salary of \$821,000 and a bonus of \$1,429,696. Mr. Friedman and Mr. Berman are subject to employment agreements which require us to increase their salary each year by an amount not less than \$25,000 and which provide for formula-based bonuses (see Employment Agreements ).

We believe that our success to date has been to a significant extent attributable to the personal efforts of Mr. Friedman and Mr. Berman. They founded the Company, established our business philosophy and operating structure and were the driving force behind our central theme of focusing our business on evergreen products. In his nearly four-decade-long career in the toy industry, Mr. Friedman has established an important network of relationships that we have been able to exploit in product acquisition, production and sales. Both Mr. Berman and Mr. Friedman embody our management philosophy with a hands on approach in all areas of our business. In addition to their general supervisory functions, they are directly involved in license acquisition, product design and development, production, and sales and marketing, as well as our financing and acquisition efforts. Their efforts have resulted in our identifying and securing desirable licenses and properties, the rapid expansion of our product lines, our achieving significant production efficiencies and the development of a loyal and growing customer base.

### **Considerations with Respect to Tax Deductibility**

The deductibility of compensation payments in excess of \$1,000,000 to each of our Chief Executive Officer or four other most highly compensated executive officers is subject to certain limitations under Section 162(m) of the Internal Revenue Code. The Board of Directors and the Compensation Committee take into account the effect of the loss of deductibility of executive compensation that exceeds \$1,000,000 as one factor in its consideration of the appropriate manner and level of compensation for our executives. While they seek to minimize any adverse impact of these limitations, they may not confine compensation to the \$1,000,000 limit in order to maintain flexibility to award greater compensation where appropriate.
