Attachment Sheet for Part III of Form 12b-25 of
Abercrombie & Fitch Co. Savings and Retirement Plan

Abercrombie & Fitch Co. ("ANF"), the sponsor of the Abercrombie & Fitch Co. Savings and Retirement Plan (the "Plan"), began the implementation of a new payroll accounting system in October of 2000. In the course of compiling various account information in respect of Plan participants for purposes of preparing the Plan's 2000 fiscal year end reports and financial statements, ANF discovered that in the process of converting to the new payroll accounting system, inaccurate participant account information had been compiled. Such inaccuracies have been discovered in both the files compiled by ANF's internal staff and the

files compiled by third party administrators interfacing with the new payroll accounting system. The nature and extent of the inaccuracies has necessitated manual validation of the account information for all of the participants and former participants in the Plan before the preparation of the Plan's 2000 fiscal year end financial statements can be completed.
