PART II - RULES 12B-25(B) AND (C)

Edgar Filing: SIGHT RESOURCE CORP - Form NT 10-Q

If the subject report could not be filed without unreasonable effort or expense and the registrant seeks relief pursuant to Rule 12b-25(b), the following should be completed. (Check box if appropriate) [ ]

(a) The reasons described in reasonable detail in Part III of this form could not be eliminated without unreasonable effort or expense;

(b) The subject annual report, semi-annual report, transition report on Form 10-K, Form 20-F, 11-K, Form N-SAR or Form N-CSR, or portion thereof, will be filed on or before the fifteenth calendar day following the prescribed due date; or the subject quarterly report or transition report on Form 10-Q, or portion thereof will be filed on or before the fifth calendar day following the prescribed due date; and

(c) The accountant's statement or other exhibit required by Rule 12b-25(c) has been attached if applicable.

PART III - OTHER INFORMATION

State below in reasonable detail the reasons why Forms 10-K, 20-F, 11-K, 10-Q, N-SAR, N-SCR, or the transition report portion thereof, could not be filed within the prescribed time period.

The Company reported on Form 12b-25 filed with the Commission on March 28, 2003 that the Company would be unable to file its Annual Report on Form 10-K for the year ended December 28, 2002 within the prescribed time period (that is, by March 28, 2003). The Company anticipated, however, that it would be able to file the Report within 15 days after March 28.

The Company continues to be unable to file the Report due to the fact that its financial statements for the year ended December 28, 2002 have not yet been finalized. While the accounting for the refinancing transaction consummated on December 31, 2002 (as reported on the Company's Form 8-K filed with the Commission on January 10, 2003) has largely been completed, other steps in the preparation of the year-end statements have not been finalized. There will be charges for asset impairment under SFAS Nos. 142 and 144, but the amount of those charges (presently estimated to be between \$2,700,000 and \$3,300,000) has not yet been determined. In addition, the Company is still in the process of finalizing various accounting entries and completing other steps required for the year-end closing.

The Company presently anticipates that its Annual Report on Form 10-K for the year ended December 28, 2002 will be filed during the week of April 28, 2003. While not anticipated, it is possible that the filing could be further delayed.

If answer is no, identify report(s) [x]Yes [ ]No

Edgar Filing: SIGHT RESOURCE CORP - Form NT 10-Q

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?  
[x]Yes [ ]No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

The Company currently estimates that it will report, for the full year ended December 28, 2002, a net loss attributable to common shareholders in the range of \$6,700,000 to \$7,500,000, inclusive of the asset impairment charges estimated in the range of \$2,700,000 to \$3,300,000. By way of comparison, the Company sustained a net loss attributable to common shareholders of \$6,237,000 during the year ended December 29, 2001. The Company remains in compliance with its debt agreements.

As described in the Company's Report on Form 8-K filed with the Commission on January 10, 2003, the Company completed a refinancing transaction on December 31, 2002 (three days after the end of the Company's fiscal year). As reported on the Form 8-K, the refinancing transaction resulted in gain to the Company from extinguishment of debt. The estimated gain in the amount of approximately \$2,300,000 after deduction of applicable expenses will be recognized during the Company's first fiscal quarter of 2003.
