CONFERENCE CALL

Item 7.01. Regulation FD Disclosure

Eaton Corporation announced that it is reconfirming the earnings guidance for the first quarter 2005 it provided on January 24, 2005. That guidance is for first quarter 2005 net income per share to be \$1.10 to \$1.20, and for operating earnings per share, which exclude restructuring charges to integrate our recent acquisitions and joint ventures, to be \$1.15 to \$1.25.

The preceding sentence contains forward-looking statements concerning Eaton's first quarter 2005. These statements should be used with caution and are subject to various risks and uncertainties, many of which are outside the Company's control. The following factors could cause actual results to differ materially from those in the forward-looking statements: unanticipated changes in the markets for the Company's business segments; unanticipated downturns in business relationships with customers or their purchases from the Company; competitive pressures on sales and pricing; increases in the cost of material and other production costs, or unexpected costs that cannot be recouped in product pricing; the introduction of competing technologies; unexpected technical or marketing difficulties; unexpected claims, charges, litigation or dispute resolutions; acquisitions and divestitures; failure to close, or delay in the closing of, acquisitions; unanticipated difficulties integrating acquisitions; new laws and governmental regulations; interest rate changes; stock market fluctuations; and unanticipated deterioration of economic and financial conditions in the United States and around the world. Eaton does not assume any obligation to update these forward-looking statements.

Eaton also announced it will host a conference call on Thursday, April 14, 2005, beginning at 10 a.m. Eastern Time, to discuss first quarter 2005 earnings results. The call will be available to interested listeners via an audio webcast that can be accessed through the Investor Relations tab on Eaton's home page at www.eaton.com.
