**Item 1.01. Entry into a Material Definitive Agreement.**

The disclosure set forth below under Item 3.02 to this Current Report is hereby incorporated by reference into this Item 1.01.

**Item 3.02 Unregistered Sales of Equity Securities.**

On October 24, 2006, to repay indebtedness, Linn Energy, LLC (the Company) entered into a Class B Unit and Unit Purchase Agreement (the Purchase Agreement) whereby it privately placed 9,185,965 Class B Units and 5,534,687 Units for aggregate net proceeds of \$305 million (the Private Placement). Institutional investors who participated in the private placement include certain third party investors, led by Zimmer Lucas Partners, LLC and co-led by GPS Partners LLC and Lehman Brothers MLP Partners, L.P. Other investors included Principal Strategies Group of Goldman, Sachs & Co., Magnetar Capital, Alerian Capital Management LLC and RCH Energy. A copy of the Purchase Agreement is attached to this Current Report as Exhibit 10.1 and is incorporated by reference into this Item 3.02.

The purchase price for the Class B Units and Units was a negotiated price. The Class B Units represent a new class of equity securities that is entitled to a special quarterly distribution equal to 115% of the distribution received by the Units, has no voting rights other than as required by law and is subordinated to the Units on dissolution and liquidation. If approved by a vote of the Company's unitholders, the Class B Units will convert into Units on a one-for-one basis. The Company has agreed to hold a special meeting of its unitholders to consider the conversion as soon as feasible but no later than 90 days following the closing.

In connection with the Private Placement, the Company also agreed to file a registration statement with the Securities and Exchange Commission covering the Units and Units underlying the Class B Units. A copy of the Registration Rights Agreement is attached to this Current Report as Exhibit 10.2 and is incorporated by reference into this Item 3.02.

In completing the Private Placement, the Company relied on the provisions of Section 4(2) of the Securities Act of 1933, as amended (the Securities Act), in claiming exemption for the offering, sale and delivery of such securities from registration under the Securities Act.

**Item 5.03 Amendment to Articles of Incorporation or Bylaws; Change in Fiscal Year.**

On October 24, 2006, the Company amended its limited liability company agreement to provide for the issuance of the Class B Units, a new class of equity securities that is entitled to a special quarterly distribution equal to 115% of the distribution received by the Units, has no voting rights other than as required by law and is subordinated to the Units on dissolution and liquidation. If approved by a vote of the Company's unitholders, the Class B Units will convert into Units on a one-for-one basis. A copy of the amendment is filed as Exhibit 4.1 to this Current Report and is hereby incorporated into this Item 5.03 by reference.
