*Annual Incentive Plan*

On October 30, 2006, the Board of Directors (the Board ) of Stoneridge, Inc. (the Company ), upon the approval and recommendation of the Compensation Committee of the Board of Directors (the Committee ), approved the Stoneridge, Inc. Annual Incentive Plan ( AIP ). Beginning with the 2007 fiscal year, under the AIP executive officers and certain other key employees will be eligible to receive annual bonuses, payable in cash based on the level of attainment of Company and individual performance goals over one-year performance periods. The amount of the bonus will be determined by multiplying the recipient's base salary by a percentage that varies by individual determined by the Committee. The AIP will be administered by the Committee and annual awards under it will be made to individuals who are determined by the Committee to be reasonably likely to be a covered employee under Section 162(m) of the Internal Revenue Code not later than 90 days after the start of a fiscal year. The Company expects to seek shareholder approval of the AIP at the 2007 annual meeting of shareholders.

A copy of the AIP is attached hereto as Exhibit 99.1.

*Non-Executive Chairman Compensation*

On October 29, 2006, the Committee approved a change in the director compensation for the director serving as the non-executive Chairman of the Board. William L. Lasky was elected as the Company's non-executive Chairman on October 30, 2006. Lasky had been serving as Chairman on an interim basis since July 2006. The non-executive Chairman will receive two times the Board compensation normally paid to outside directors so that he or she will be paid twice the regular annual retainer, twice meeting fees, and, if made, twice equity compensation pursuant to either the Directors' Share Option Plan or the Directors' Restricted Shares Plan. As a result, commencing on October 30, 2006, the non-executive Chairman will receive a pro rated annual retainer of \$70,000, and \$2,000 for attending each meeting of the Board and \$1,000 for each telephonic meeting of the Board.

**ITEM 5.02 Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers**

After a comprehensive search by a national third-party search firm conducted on behalf of the Nominating and Corporate Governance Committee of the Board (the NCG Committee ) and after a recommendation by the NCG Committee, on October 30, 2006 the Board of Directors appointed Kim Korth to fill a vacancy on the Board. During the search process the NCG Committee sought and received the input from management and other Board members. The NCG Committee concluded that Korth possesses high personal and professional integrity, the ability to exercise sound business judgment, an inquiring mind, and the time available to devote to Board activities and the willingness to do so. Korth's management consulting experience and expertise in the automotive industry were also positive factors considered by the NCG Committee and the Board in determining to appoint her to the Board. She will serve a term until the 2007 annual meeting of shareholders. Since 1983, Korth, 51, has been the owner and president of IRN, Inc., an international automotive consulting firm she founded that provides strategic planning, market research and operations consulting to clients ranging from Tier One auto suppliers to diversified manufacturing and service firms. The Board has not yet determined which Board committee or committees, if any, Korth will be named. The Company will file an amendment to this Form 8-K to the extent required by Instruction 2 to Item 5.02 of Form 8-K.
