**Item 2.02 Results of Operations and Financial Condition**

Due to technical difficulties during the October 17, 2007 conference call hosted by Champion Enterprises, Inc. (the Company ) to discuss its third quarter financial results, callers initially were not able to submit questions to the Company during the question and answer portion of the call. After correcting the technical problems, the call was reconvened with many, although not all, of the callers who initially participated in the call, and the normal question and answer portion of the call was held. Accordingly, the Company has filed with this Form 8-K a complete transcript of the conference call including the delayed question and answer portion of the call.
