Air Products Files Preliminary Proxy Materials
in Connection with Airgas 2010 Annual Meeting

Urges Airgas Shareholders to Vote for Three Independent and Highly Qualified
Board Nominees and Support Air Products' Additional Proposals to Establish
a Board Which Will Represent Their Best Interests

LEHIGH VALLEY, Pa., (June 16, 2010) – Air Products (NYSE: APD) today announced it has filed preliminary proxy materials with the Securities and Exchange Commission (SEC) in connection with its planned solicitation of proxies at the 2010 Annual Meeting of Airgas, Inc. (NYSE: ARG). Air Products intends to solicit proxies from Airgas stockholders to elect three independent nominees to the Airgas Board of Directors and approve its additional proposals in order to establish an Airgas Board that will act in the shareholders' best interests. Airgas' 2010 Annual Meeting remains unscheduled but Airgas has stated in SEC filings that it expects to hold the meeting on or before September 17, 2010.

As previously outlined in its formal notice to Airgas, Air Products is seeking support from Airgas shareholders to elect three highly qualified independent nominees to the Airgas Board: John P. Clancey, Chairman Emeritus of Maersk Inc. and Maersk Line Limited; Robert L. Lumpkins, Chairman of the Board of Directors of The Mosaic Company; and Ted B. Miller, Jr., former Chairman and Chief Executive Officer of Crown Castle International Corp.

Air Products is also seeking approval by Airgas shareholders of three additional proposals:

- A proposal amending Airgas' By-Laws to limit the Airgas Board's ability to re-seat directors not elected by Airgas shareholders (excluding the Chief Executive Officer)
 - A proposal requiring future Airgas annual shareholder meetings, including for 2011, to be held in January
 - A proposal repealing all By-Law amendments adopted by the Airgas Board after April 7, 2010

John E. McGlade, Air Products' chairman, president and chief executive officer, said, "We believe the current Airgas Board has not been acting in the best interests of Airgas shareholders. The current Airgas Board has rejected our all-cash, fully financed offer at a substantial premium, has refused to engage with us or to appoint a special committee of independent directors to evaluate our offer, and is maintaining defensive measures to block completion of our offer. We further believe that the current Board has failed to explain how Airgas will deliver value equal to the \$60.00 per share in cash we have offered."

McGlade continued, "We believe Airgas shareholders deserve a Board of Directors that answers to them and will act in their best interests. We therefore urge Airgas shareholders to vote for our proposals and highly qualified nominees. By supporting our proposals and voting for our nominees, Airgas shareholders can send a strong message to the Airgas Board that they want directors who will act in their best interests and constructively engage with Air Products."

The Air Products nominees to the Airgas Board of Directors are:
