Edgar Filing: ADVANCED MEDICAL OPTICS INC - Form 8-K

On November 18, 2004, the Board of Directors of Advanced Medical Optics, Inc. ("AMO") approved an amendment to the Advanced Medical Optics, Inc. 2002 Incentive Compensation Plan (the "Plan") to remove the automatic grant of options to Independent Directors. Independent Directors are members of our Board of Directors who are not also employees of AMO or any of our U.S. subsidiaries. Independent Directors continue to remain eligible for grants of discretionary awards under the Plan. It is our intention to compensate our Independent Directors with restricted stock in lieu of stock options in 2005.

The description of the foregoing amendment is qualified in its entirety by reference to the First Amendment to the Advanced Medical Optics, Inc. 2002 Incentive Compensation Plan, as amended and restated, which is included as Exhibit 10.1 to this Report, and is incorporated herein by reference.

Section 885 of the American Jobs Creation Act of 2004 (the "Jobs Act") significantly altered the tax treatment of nonqualified deferred compensation plans, such as the Advanced Medical Optics, Inc. 2002 Executive Deferred Compensation Plan (the "Deferred Compensation Plan"). On November 18, 2004, the Board of Directors of AMO approved an amendment to the Deferred Compensation Plan to provide that no additional amounts of base salary or bonuses may be deferred thereunder by Eligible Employees after December 31, 2004. Eligible Employees are generally those employees in executive or management positions as approved by the committee authorized to administer the Deferred Compensation Plan.
