Table of Contents**FORWARD-LOOKING STATEMENTS**

This prospectus and certain documents incorporated by reference herein contain certain forward-looking statements within the meaning of Section 21E of the U.S. Securities Exchange Act of 1934, as amended (the Exchange Act), and Section 27A of the U.S. Securities Act of 1933, as amended (the Securities Act), with respect to the Group (as defined below). We caution readers that no forward-looking statement is a guarantee of future performance and that actual results or other financial condition or performance measures could differ materially from those contained in the forward-looking statements. These forward-looking statements can be identified by the fact that they do not relate only to historical or current facts. Forward-looking statements sometimes use words such as may, will, seek, continue, aim, anticipate, target, projected, expect, estimate, intend, plan, goal, believe, achieve or other meaning. Examples of forward-looking statements include, among others, statements or guidance regarding or relating to the Group's future financial position, income growth, assets, impairment charges, provisions, business strategy, structural reform, capital, leverage and other regulatory ratios, payment of dividends (including dividend pay-out ratios and expected payment strategies), projected levels of growth in the banking and financial markets, projected costs or savings, any commitments and targets and the impact of any regulatory deconsolidation resulting from the sell down of the Group's interest in Barclays Africa Group Limited, estimates of capital expenditures and plans and objectives for future operations, projected employee numbers, IFRS 9 impacts, and other statements that are not historical fact. By their nature, forward-looking statements involve risk and uncertainty because they relate to future events and circumstances. These may be affected by changes in legislation, the development of standards and interpretations under International Financial Reporting Standards (IFRS) including the implementation of IFRS 9, evolving practices with regard to the interpretation and application of accounting and regulatory standards, the outcome of current and future legal proceedings and regulatory investigations, future levels of conduct provisions, the policies and actions of governmental and regulatory authorities, geopolitical risks and the impact of competition. In addition, factors including (but not limited to) the following may have an effect: capital, leverage and other regulatory rules (including with regard to the future structure of the Group) applicable to past, current and future periods; United Kingdom (U.K.), United States, Africa, Eurozone and global macroeconomic and business conditions; the effects of continued volatility in credit markets; market-related risks such as changes in interest rates and foreign exchange rates; effects of changes in valuation of credit market exposures; changes in valuation of issued securities; volatility in capital markets; changes in credit ratings of any entities within the Group or any securities issued by such entities; the potential for one or more countries exiting the Eurozone; the implications of the exercise by the U.K. of Article 50 of the Treaty of Lisbon and the disruption that may result in the U.K. and globally from the withdrawal of the U.K. from the European Union; and the success of future acquisitions, disposals and other strategic transactions. A number of these influences and factors are beyond the Group's control. As a result, the Group's actual future results, dividend payments and capital and leverage ratios may differ materially from the plans, goals, expectations and guidance set forth in the Group's forward-looking statements. Additional risks and factors which may impact the Group's future financial condition and performance are identified in our filings with the SEC (including, without limitation, our Annual Report on Form 20-F for the fiscal year ended December 31, 2017, filed with the SEC on February 22, 2018 (the 2017 Form 20-F)), which are available on the SEC's website at www.sec.gov.

Any forward-looking statements made herein or in the documents incorporated by reference herein speak only as of the date they are made and it should not be assumed that they have been revised or updated in the light of new information or future events. Except as required by the PRA (as defined below), the Financial Conduct Authority (the FCA), the London Stock Exchange plc (the LSE) or applicable law, Barclays expressly disclaims any obligation or undertaking to release publicly any updates or revisions to any forward-looking statements contained herein or in the documents incorporated by reference herein to reflect any change in Barclays' expectations with regard thereto or any change in events, conditions or circumstances on which any such statement is based. The reader should, however, consult any additional disclosures that Barclays has made or may make in documents it has published or may publish via the Regulatory News Service of the LSE and/or has filed or may file with the SEC.

USE OF PROCEEDS

Unless otherwise indicated in the accompanying prospectus supplement, the net proceeds from the offering of the securities will be used for general corporate purposes of the Issuer and its subsidiaries and/or the Group and may be used to strengthen further the capital base of the Issuer and its subsidiaries and/or the Group.

Table of Contents**DESCRIPTION OF DEBT SECURITIES**

The following is a summary of the general terms of the debt securities (as defined below). It sets forth possible terms and provisions for each series of debt securities. Each time that we offer debt securities, we will prepare and file a prospectus supplement with the SEC, which you should read carefully. The prospectus supplement may contain additional terms and provisions of those securities. If there is any inconsistency between the terms and provisions presented here and those in the prospectus supplement, those in the prospectus supplement will apply and will replace those presented here.

The debt securities of any series will be either our senior obligations (the Senior Debt Securities) or our dated subordinated obligations (the Dated Subordinated Debt Securities and, together with the Senior Debt Securities, the debt securities). Neither the Senior Debt Securities nor the Dated Subordinated Debt Securities will be secured by any assets or property of Barclays PLC or any of its subsidiaries or affiliates (including Barclays Bank PLC, its subsidiary).

We will issue Senior Debt Securities and Dated Subordinated Debt Securities, respectively, under the Senior Debt Securities Indenture dated as of January 17, 2018, between us and The Bank of New York Mellon, London Branch, as trustee (the Senior Debt Securities Indenture) and the Dated Subordinated Debt Securities Indenture dated as of May 9, 2017, between us and The Bank of New York Mellon, London Branch, as trustee (the Dated Subordinated Debt Securities Indenture). The terms of the debt securities include those stated in the relevant indenture and any supplements thereto, and those terms made part of the relevant indenture by reference to the U.S. Trust Indenture Act of 1939, as amended (the Trust Indenture Act). The Senior Debt Securities Indenture and Dated Subordinated Debt Securities Indenture and any supplements thereto are sometimes referred to in this section of the prospectus individually as an indenture and collectively as the indentures. We have filed the forms of each indenture as exhibits to the registration statement of which this prospectus is a part.

Because this section is a summary, it does not describe every aspect of the debt securities in detail. This summary is subject to, and qualified by reference to, all of the definitions and provisions of the relevant indenture, any supplement to the relevant indenture and the form of the instrument representing each series of debt securities. Certain terms, unless otherwise defined here, have the meaning given to them in the relevant indenture.

References to you and holder in the subsections to this section Description of Debt Securities, entitled Ranking, No Set-Off, Dated Subordinated Enforcement Events and Remedies Limited remedies for breach of obligations (other than non-payment), Dated Subordinated Enforcement Events and Remedies No other remedies, Agreement with Respect to the Exercise of U.K. Bail-in Power, Subsequent Holders Agreement and Payment of Debt Security Additional Amounts below, include beneficial owners of the debt securities.

General

The debt securities are not deposit liabilities of Barclays PLC and are not insured by any regulatory body of the United States or the United Kingdom.

Because we are a holding company, our rights to participate in the assets of any of our subsidiaries upon its liquidation will be subject to the prior claims of the subsidiaries' creditors, including, in the case of our bank subsidiaries, their respective depositors, except, in our case, to the extent that we may ourselves be a creditor with recognized claims against the relevant subsidiary.

Table of Contents

the names and duties of any co-trustees, depositaries, authenticating agents, paying agents, calculation agents, transfer agents or registrars of any series;

any applicable additional or alternative provision or provisions related to the U.K. Bail-in Power (as defined below);

any other or different terms of the debt securities; and

what we believe are any additional material U.S. federal and U.K. tax considerations.

If we issue debt securities in bearer form, the special restrictions and considerations relating to such bearer debt securities, including applicable offering restrictions and U.S. tax considerations, will be described in the relevant prospectus supplement.

Debt securities may bear interest at a fixed rate or a floating rate or we may sell debt securities that bear no interest or that bear interest at a rate below the prevailing market interest rate or we may sell Senior Debt Securities at a discount to their stated principal amount (Discount Senior Debt Securities). The relevant prospectus supplement will describe special U.S. federal income tax considerations applicable to Discount Senior Debt Securities or to debt securities issued at par that are treated for U.S. federal income tax purposes as having been issued at a discount.

Holders of debt securities have no voting rights except as explained in this section below under **Modification and Waiver** and **Senior Events of Default; Dated Subordinated Enforcement Events and Remedies; Limitation on Suits**.

If we issue Senior Debt Securities designed to count towards any minimum requirements for own funds and eligible liabilities and/or loss absorbing capacity for the purposes of the Capital Regulations, the terms (including the events of default and redemption provisions) of such Senior Debt Securities may differ from those described in this prospectus and will be set out in the accompanying prospectus supplement.

If we issue Dated Subordinated Debt Securities that qualify as Tier 2 Capital or other capital for the purposes of the Capital Regulations, the terms may vary from those described in this prospectus and will be set forth in the accompanying prospectus supplement.

Market-Making Transactions. If you purchase your debt security in a market-making transaction, you will receive information about the price you pay and your trade and settlement dates in a separate confirmation of sale. A market-making transaction is one in which Barclays Capital Inc. or another of our affiliates resells a security that it has previously acquired from another holder. A market-making transaction in a particular debt security occurs after the original issuance and sale of the debt security.

Table of Contents

Payments

The relevant prospectus supplement will specify the date on which we will pay interest, if any, the date for payments of principal and any premium, on any particular series of debt securities. The prospectus supplement will also specify the interest rate or rates, if any, or how the rate or rates will be calculated.

Ranking

Senior Debt Securities. Senior Debt Securities constitute our direct, unconditional, unsecured and unsubordinated obligations ranking *pari passu* without any preference among themselves. In the event of our winding-up or administration, the Senior Debt Securities will rank *pari passu* with all our other outstanding unsecured and unsubordinated obligations, present and future, except such obligations as are preferred by operation of law.

Dated Subordinated Debt Securities. Dated Subordinated Debt Securities constitute our direct, unsecured and subordinated obligations ranking *pari passu* without any preference among themselves.

Unless the applicable prospectus supplement provides otherwise, in the event of our winding-up or administration, the claims of the trustee (on behalf of the holders of the Dated Subordinated Debt Securities but not the rights and claims of the trustee in its personal capacity under the Dated Subordinated Debt Securities Indenture) and the holders of the Dated Subordinated Debt Securities against us, in respect of such Dated Subordinated Debt Securities (including any damages or other amounts (if payable)) shall:

- (i) be subordinated to the claims of all Senior Creditors;
- (ii) rank at least *pari passu* with the claims in respect of Parity Obligations and with the claims of all other subordinated creditors of the Issuer which in each case by law rank, or by their terms are expressed to rank, *pari passu* with the Dated Subordinated Debt Securities; and
- (iii) rank senior to the Issuer's ordinary shares, preference shares and any junior subordinated obligations (including Junior Obligations) or other securities which in each case either by law rank, or by their terms are expressed to rank, junior to the Dated Subordinated Debt Securities.

Senior Creditors with respect to a particular series of Dated Subordinated Debt Securities, means creditors of the Issuer (i) who are unsubordinated creditors; or (ii) who are subordinated creditors (whether in the event of a winding-up or administration of the Issuer or otherwise) other than (x) those whose claims by law rank, or by their terms are expressed to rank, *pari passu* with or junior to the claims of the holders of the Dated Subordinated Debt Securities or (y) those whose claims are in respect of Parity Obligations or Junior Obligations.

Parity Obligations with respect to a particular series of Dated Subordinated Debt Securities, shall have the meaning set forth in the applicable prospectus supplement.

Junior Obligations with respect to a particular series of Dated Subordinated Debt Securities, shall have the meaning set forth in the applicable prospectus supplement.

In the event of our winding-up or liquidation, if any amount in respect of the Dated Subordinated Debt Securities is paid to the holders of such Dated Subordinated Debt Securities or to the trustee (including any damages or other amounts (if payable)) before the claims of Senior Creditors, then such payment or distribution shall be held by such holders or the trustee upon trust to be applied in the following order: (i) to the amounts due to the trustee in connection

with the Dated Subordinated Debt Securities Indenture, the Dated Subordinated Debt Securities and the acceptance or administration of the trust or trusts under the Dated Subordinated Debt Securities Indenture; (ii) in payment of all claims of Senior Creditors outstanding at the commencement of, or

Table of Contents

arising solely by virtue of, a winding up of the Issuer to the extent that such claims shall be admitted in the winding up and shall not be satisfied out of the Issuer's other resources; and (iii) in payment of Dated Subordinated Debt Securities issued under the Dated Subordinated Debt Securities Indenture. By accepting the Dated Subordinated Debt Securities, each holder agrees to be bound by the Dated Subordinated Debt Securities Indenture's subordination provisions and irrevocably authorizes the Issuer's liquidator to perform on behalf of the holder the above subordination trust.

No Set-off

Subject to applicable law and unless the applicable prospectus supplement provides otherwise, no holder of debt securities may exercise, claim or plead any right of set-off, compensation or retention in respect of any amount owed to it by us arising under, or in connection with, the debt securities and the Senior Debt Securities Indenture or Dated Subordinated Debt Securities Indenture, as applicable, and each holder of debt securities shall, by virtue of its holding of any debt security, be deemed to have waived all such rights of set-off, compensation or retention. Notwithstanding the foregoing, if any amounts due and payable to any holder of the debt securities by us in respect of, or arising under, the debt securities or the relevant indenture are discharged by set-off, such holder shall, subject to applicable law and unless the applicable prospectus supplement provide otherwise, immediately pay to us an amount equal to the amount of such discharge (or, in the event of our winding-up or administration, our liquidator or administrator, as the case may be) and, until such time as payment is made, shall hold an amount equal to such amount in trust for us (or our liquidator or administrator, as the case may be) and, accordingly, any such discharge shall be deemed not to have taken place. By its acquisition of debt securities, each holder agrees to be bound by these provisions relating to waiver of set-off. No holder of debt securities shall be entitled to proceed directly against us except as described in Limitation on Suits below.

Agreement with Respect to the Exercise of U.K. Bail-in Power

Notwithstanding any other agreements, arrangements or understandings between the Issuer and any holder of debt securities, by acquiring debt securities, each holder of debt securities acknowledges, accepts, agrees to be bound by, and consents to the exercise of, any U.K. Bail-in Power by the Relevant U.K. Resolution Authority that may result in (i) the reduction or cancellation of all, or a portion, of the principal amount of, or interest on, the debt securities; (ii) the conversion of all, or a portion of, the principal amount of, or interest on, the debt securities into shares or other securities or other obligations of the Issuer or another person (and the issue to, or conferral on, the holder of the debt securities of such shares, securities or obligations); and/or (iii) the amendment or alteration of the maturity of the debt securities, or amendment of the amount of interest due on the debt securities, or the dates on which interest becomes payable, including by suspending payment for a temporary period; which U.K. Bail-in Power may be exercised by means of a variation of the terms of the debt securities solely to give effect to the exercise by the Relevant U.K. Resolution Authority of such U.K. Bail-in Power. Each holder further acknowledges and agrees that the rights of the holders of the debt securities are subject to, and will be varied, if necessary, solely to give effect to, the exercise of any U.K. Bail-in Power by the Relevant U.K. Resolution Authority. For the avoidance of doubt, this consent and acknowledgment is not a waiver of any rights holders of the debt securities may have at law if and to the extent that any U.K. Bail-in Power is exercised by the Relevant U.K. Resolution Authority in breach of laws applicable in England.

For the purposes of the debt securities, a U.K. Bail-in Power is any write-down, conversion, transfer, modification and/or suspension power existing from time to time under any laws, regulations, rules or requirements relating to the resolution of banks, banking group companies, credit institutions and/or investment firms incorporated in the United Kingdom in effect and applicable in the United Kingdom to the Issuer or other members of the Group, including but not limited to any such laws, regulations, rules or requirements that are implemented, adopted or enacted within the context of any applicable European Union directive or regulation of the European Parliament and of the Council

establishing a framework for the recovery and resolution of credit institutions and investment firms, and/or within the context of a U.K. resolution regime under the U.K. Banking

Act 2009, as the same has been or may be amended from time to time (whether pursuant to the U.K. Financial Services (Banking Reform) Act 2013, secondary legislation or otherwise, the Banking Act), pursuant to which obligations of a bank, banking group company, credit institution or investment firm or any of its affiliates can be reduced, cancelled, amended, transferred and/or converted into shares or other securities or obligations of the obligor or any other person (and a reference to the Relevant U.K. Resolution Authority is to any authority with the ability to exercise a U.K. Bail-in Power).

No repayment of the principal amount of the debt securities or payment of interest on the debt securities shall become due and payable after the exercise of any U.K. Bail-in Power by the Relevant U.K. Resolution Authority unless such repayment or payment would be permitted to be made by the Issuer under the laws and regulations of the United Kingdom and the European Union applicable to the Issuer.

By its acquisition of the debt securities, each holder of debt securities, to the extent permitted by the Trust Indenture Act, waives any and all claims against the trustee for, agrees not to initiate a suit against the trustee in respect of, and agrees that the trustee shall not be liable for, any action that the trustee takes, or abstains from taking, in either case in accordance with the exercise of the U.K. Bail-in Power by the Relevant U.K. Resolution Authority with respect to the debt securities.

Upon the exercise of the U.K. Bail-in Power by the Relevant U.K. Resolution Authority with respect to the debt securities, the Issuer shall provide a written notice to DTC as soon as practicable regarding such exercise of the U.K. Bail-in Power for purposes of notifying holders of such occurrence. The Issuer shall also deliver a copy of such notice to the trustee for information purposes.

By its acquisition of the debt securities, each holder of debt securities acknowledges and agrees that the exercise of the U.K. Bail-in Power by the Relevant U.K. Resolution Authority with respect to a particular series of debt securities shall not give rise to a default for purposes of Section 315(b) (*Notice of Default*) and Section 315(c) (*Duties of the Trustee in Case of Default*) of the Trust Indenture Act.

The Issuer's obligations to indemnify the trustee in accordance with the indentures shall survive the exercise of the U.K. Bail-in Power by the Relevant U.K. Resolution Authority with respect to the debt securities.

By its acquisition of the debt securities, each holder of debt securities acknowledges and agrees that, upon the exercise of any U.K. Bail-in Power by the Relevant U.K. Resolution Authority with respect to the debt securities, (a) the trustee shall not be required to take any further directions from holders of the debt securities under Section 5.12 (*Control by Holders*) of the Senior Debt Securities Indenture or Section 5.13 (*Control by Holders*) of the Dated Subordinated Debt Securities Indenture, as applicable, which sections authorize holders of a majority in aggregate principal amount of the outstanding debt securities of the relevant series of Senior Debt Securities or Dated Subordinated Debt Securities to direct certain actions relating to the relevant debt securities and (b) the Senior Debt Securities Indenture and the Dated Subordinated Debt Securities Indenture, as applicable, shall impose no duties upon the trustee whatsoever with respect to the exercise of any U.K. Bail-in Power by the Relevant U.K. Resolution Authority. Notwithstanding the foregoing, if, following the completion of the exercise of the U.K. Bail-in Power by the Relevant U.K. Resolution Authority in respect of the debt securities, the debt securities remain outstanding (for example, if the exercise of the U.K. Bail-in Power results in only a partial write-down of the principal of the debt securities), then the trustee's duties under the Senior Debt Securities Indenture or Dated Subordinated Debt Securities Indenture shall remain applicable with respect to the debt securities following such completion to the extent that the Issuer and the trustee shall agree pursuant to a supplemental indenture to the Senior Debt Securities Indenture or the Dated Subordinated Debt Securities Indenture, as applicable, or an amendment thereto.

By its acquisition of the debt securities, each holder of debt securities shall be deemed to have (a) consented to the exercise of any U.K. Bail-in Power as it may be imposed without any prior notice by the Relevant U.K. Resolution Authority of its decision to exercise such power with respect to the debt securities and (b) authorized,

directed and requested DTC and any direct participant in DTC or other intermediary through which it holds such debt securities to take any and all necessary action, if required, to implement the exercise of any U.K. Bail-in Power with respect to the debt securities as it may be imposed, without any further action or direction on the part of such holder or the trustee.

The exercise of the U.K. Bail-in Power by the Relevant U.K. Resolution Authority with respect to the debt securities shall not constitute a Senior Event of Default or a Dated Subordinated Enforcement Event, as applicable.

The relevant prospectus supplement may describe additional or alternative related provisions with respect to the U.K. Bail-in Power, including certain waivers by the holders of debt securities of certain claims against the trustee, to the extent permitted by the Trust Indenture Act.

Subsequent Holders Agreement

Holders of debt securities that acquire debt securities in the secondary market shall be deemed to acknowledge, agree to be bound by and consent to the same provisions specified herein and in the applicable prospectus supplement to the same extent as the holders of the debt securities that acquire the debt securities upon their initial issuance, including, without limitation, with respect to the acknowledgement and agreement to be bound by and consent to the terms of the debt securities, including in relation to the U.K. Bail-in Power, the waiver of set-off provisions described under **No Set-off** and, for the Dated Subordinated Debt Securities, the subordination provisions described under **Ranking**, and the limitations on remedies specified in **Dated Subordinated Enforcement Events and Remedies Limited remedies for breach of obligations (other than non-payment)**.

Payment of Debt Security Additional Amounts

Unless the relevant prospectus supplement provides otherwise, we will pay any amounts to be paid by us on any series of debt securities without deduction or withholding for, or on account of, any and all present or future income, stamp and other taxes, levies, imposts, duties, charges, fees, deductions or withholdings (**Taxes**) now or hereafter imposed, levied, collected, withheld or assessed by or on behalf of the United Kingdom or any political subdivision or authority thereof or therein that has the power to tax (each, a **Taxing Jurisdiction**), unless the deduction or withholding is required by law. Unless the relevant prospectus supplement provides otherwise, if at any time a Taxing Jurisdiction requires us to deduct or withhold Taxes, we will pay the additional amounts of, or in respect of, the principal of, premium, if any, and any interest on, the debt securities (**Debt Security Additional Amounts**) that are necessary so that the net amounts paid to the holders, after the deduction or withholding, shall equal the amounts which would have been payable had no such deduction or withholding been required. However, we will not pay Debt Security Additional Amounts for Taxes that are payable because:

the holder of the debt securities is a domiciliary, national or resident of, or engages in business or maintains a permanent establishment or is physically present in, a Taxing Jurisdiction requiring that deduction or withholding, or otherwise has some connection with the Taxing Jurisdiction other than the holding or ownership of the debt security, or the collection of any payment of, or in respect of, principal of, any premium, or any interest on, any debt securities of the relevant series;

except in the case of our winding-up in England, the relevant debt security is presented for payment in the United Kingdom;

the relevant debt security is presented for payment more than thirty (30) days after the date payment became due or was provided for, whichever is later, except to the extent that the holder would have been entitled to the Debt Security Additional Amounts on presenting the debt security for payment at the close of such 30-day period;

the holder of the relevant debt securities or the beneficial owner of any payment of (or in respect of) principal of, premium, if any, or any interest on debt securities failed to make any necessary claim or to

comply with any certification, identification or other requirements concerning the nationality, residence, identity or connection with the Taxing Jurisdiction of such holder or beneficial owner, if such claim or compliance is required by statute, treaty, regulation or administrative practice of the Taxing Jurisdiction as a condition to relief or exemption from such Taxes; or

if the Taxes would not have been imposed or would have been excluded under one of the preceding points if the beneficial owner of, or person ultimately entitled to obtain an interest in, the debt securities had been the holder of the debt securities.

Whenever we refer in this prospectus and any prospectus supplement to the payment of the principal of, or any interest on (and premium, if any), or in respect of, any debt securities of any series, we mean to include the payment of Debt Security Additional Amounts to the extent that, in context, Debt Security Additional Amounts are, were or would be payable.

For the avoidance of doubt, unless the relevant prospectus supplement provides otherwise, any amounts to be paid by us or any paying agent on the debt securities will be paid net of any deduction or withholding imposed or required pursuant to Sections 1471 through 1474 of the U.S. Internal Revenue Code of 1986, as amended (the Code), any current or future regulations or official interpretations thereof, any agreement entered into pursuant to Section 1471(b) of the Code, or any fiscal or regulatory legislation, rules or practices adopted pursuant to any intergovernmental agreement entered into in connection with the implementation of such Sections of the Code (or any law implementing such an intergovernmental agreement) (a FATCA Withholding Tax), and neither we nor any paying agent will be required to pay Debt Security Additional Amounts on account of any FATCA Withholding Tax.

Unless the relevant prospectus supplement provides otherwise, any paying agent shall be entitled to make a deduction or withholding from any payment which it makes under the debt securities and the relevant indenture for or on account of (i) any present or future taxes, duties or charges if and to the extent so required by any applicable law and (ii) any FATCA Withholding Tax (together, Applicable Law). In either case, the paying agent shall make any payment after a deduction or withholding has been made pursuant to Applicable Law and shall report to the relevant authorities the amount so deducted or withheld. In all cases, the paying agent shall have no obligation to gross up any payment made subject to any deduction or withholding pursuant to Applicable Law. In addition, amounts deducted or withheld by the paying agent under this paragraph will be treated as paid to the holder of a debt security, and we will not pay Debt Security Additional Amounts in respect of such deduction or withholding, except to the extent the provisions in this subsection Payment of Debt Security Additional Amounts explicitly provide otherwise.

Redemption

Redemption for Tax Reasons. Unless the relevant prospectus supplement provides otherwise, we may, at our option, at any time, redeem the debt securities of any series, in whole but not in part, upon not less than thirty (30) nor more than sixty (60) days notice (or the shorter or longer notice period specified in the relevant prospectus supplement) to the holders at any time, if (A) in the case of the Senior Debt Securities, we are required to issue definitive debt securities (see Description of Certain Provisions Relating to Debt Securities and Contingent Convertible Securities Special Situations When a Global Security Will Be Terminated) and, as a result, we are or would be required to pay Debt Security Additional Amounts with respect to the Senior Debt Securities; or (B) we determine that as a result of a change in or amendment to the laws or regulations of a Taxing Jurisdiction, including any treaty to which the relevant Taxing Jurisdiction is a party, or a change in an official application of those laws or regulations, including a decision of any court or tribunal, which becomes effective on or after the issue date of the relevant series of debt securities (and, in the case of a successor entity, which becomes effective on or after the date of that entity's assumption of our obligations),

- (i) we will or would be required to pay holders Debt Security Additional Amounts;

- (ii) we would not be entitled to claim a deduction in respect of any payments in respect of the relevant series of debt securities in computing our taxation liabilities or the value of the deduction would be materially reduced; or

- (iii) we would not, as a result of the relevant series of debt securities being in issue, be able to have losses or deductions set against the profits or gains, or profits or gains offset by the losses or deductions, of companies with which we are or would otherwise be so grouped for applicable United Kingdom tax purposes (whether under the group relief system current as at the issue date of the relevant series of debt securities or any similar system or systems having like effect as may from time to time exist),
(each such change in tax law or regulation or the official application thereof, a Tax Event),

in each of cases (A) and (B) above, at an amount equal to 100% of the principal amount of the debt securities being redeemed together with accrued but unpaid interest, if any, on the principal amount of the debt securities to be redeemed to (but excluding) the date fixed for redemption; or, in the case of Discount Senior Debt Securities, such portion of the principal amount of such Discount Senior Debt Securities as may be specified by their terms, provided that in the case of each Tax Event, the consequences of the Tax Event cannot be avoided by us taking reasonable measures available to us.

In each case and unless the relevant prospectus supplement provides otherwise, before we give a notice of redemption (which notice shall be irrevocable), we shall be required to deliver to the trustee a written legal opinion of independent counsel of recognized standing, chosen by us, confirming that we are entitled to exercise our right of redemption. Any redemption of debt securities as a result of a Tax Event will also be subject to the provisions described under Notice of Redemption of Debt Securities and Condition to Redemption of Debt Securities below.

Optional Redemption. The relevant prospectus supplement will specify whether we may redeem the debt securities of any series, in whole or in part, at our option, in any additional circumstances. The prospectus supplement will also specify the notice we will be required to give, what prices and any premium we will pay, and the dates on which we may redeem the debt securities. Any notice of redemption of debt securities will state:

the date fixed for redemption;

the amount of debt securities to be redeemed if we are only redeeming a part of the series;

the redemption price;

that on the date fixed for redemption the redemption price will become due and payable on each debt securi
