PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of eMagin Corporation (“eMagin” or the “Company”) to be voted at the Annual Meeting of Stockholders (“Annual Meeting”) which will be held at the offices of Sichenzia Ross Friedman Ference LLP at 61 Broadway, New York, New York 10006 on Thursday, June 4, 2015, at 10:00 a.m. Eastern Time, and at any postponements or adjournments thereof. REVOCABILITY OF PROXY AND SOLICITATION

Any stockholder executing a proxy that is solicited hereby has the power to revoke it prior to the voting of the proxy. Revocation may be made by attending the Annual Meeting and voting the shares of stock in person, or by delivering to the Secretary of the Company at the principal office of the Company prior to the Annual Meeting a

written notice of revocation or a later-dated, properly executed proxy. Solicitation of proxies may be made by directors, officers and other employees of the Company by personal interview, telephone, facsimile transmittal or electronic communications. No additional compensation will be paid for any such services. This solicitation of proxies is being made by the Company which will bear all costs associated with the mailing of this proxy statement and the solicitation of proxies.

INTERNET AND ELECTRONIC AVAILABILITY OF PROXY MATERIALS

Under rules adopted by the Securities and Exchange Commission (the “SEC”), the Company is making this Proxy Statement and the Company’s Annual Report on Form 10-K for the fiscal year ended December 31, 2014 available on the Internet instead of mailing a printed copy of these materials to each stockholder. Stockholders who received a Notice of Internet Availability of Proxy Materials (the “Notice”) by mail will not receive a printed copy of these materials other than as described below. Instead, the Notice contains instructions as to how stockholders may access and review all of the important information contained in the materials on the Internet, including how stockholders may submit proxies by telephone or over the Internet.

If you received the Notice by mail and would prefer to receive a printed copy of the Company’s proxy materials, please follow the instructions for requesting printed copies included in the Notice.

RECORD DATE

Stockholders of record at the close of business on April 17, 2015, will be entitled to receive notice of, attend and vote at the meeting.

INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

Why am I receiving these materials?

eMagin Corporation has made these materials available to you on the Internet or, upon your request, has delivered printed versions of these materials to you by mail, in connection with the Company's solicitation of proxies for use at the Annual Meeting of Stockholders to be held on June 4, 2015, at 10:00 a.m. local time at 61 Broadway, 32nd Floor, New York, New York 10006. These materials describe the proposals on which the Company would like you to vote and also give you information on these proposals so that you can make an informed decision. We are furnishing our proxy materials on or about April 24, 2015 to all stockholders of record entitled to vote at the Annual Meeting.

What is included in these materials?

These materials include:

- this Proxy Statement for the Annual Meeting;
- the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2014; and

•if you requested printed versions of these materials by mail, these materials also include the proxy card or vote instructions for the Annual Meeting.

What is the proxy card?

The proxy card enables you to appoint Andrew Sculley, our Chief Executive Officer, and Paul Campbell, our Chief Financial Officer, as your representatives at the Annual Meeting. By completing and returning a proxy card, you are authorizing these individuals to vote your shares at the Annual Meeting in accordance with your instructions on the proxy card. This way, your shares will be voted whether or not you attend the Annual Meeting.

What is the purpose of the Annual Meeting?

At our Annual Meeting, stockholders will act upon the matters outlined in the Notice of Annual Meeting on the cover page of this Proxy Statement, including (i) the election of seven persons named herein as nominees for directors of the Company, to hold office subject to the provisions of the bylaws of the Company, until the next annual meeting of stockholders and until their successors are duly elected and qualified, (ii) ratification of the appointment of McGladrey LLP as the Company's independent auditors for the fiscal year ending December 31, 2015, and (iii) to conduct an advisory vote on executive compensation. In addition, management will report on the performance of the Company during fiscal year 2014 and respond to questions from stockholders.

What constitutes a quorum?

The presence at the meeting, in person or by proxy, of the holders of a majority of the number of shares of common stock and Series B Convertible Preferred Stock (on an as-converted basis with the common stock) issued and outstanding on the record date will constitute a quorum permitting the meeting to conduct its business. As of the record date, there are 25,198,796 shares of eMagin common stock and 5,659 shares of Series B Convertible Preferred Stock, convertible into 7,545,333 shares of common stock, issued and outstanding. Each share of Series B Convertible Preferred Stock is entitled to voting rights equal to the number of shares of common stock issuable upon conversion of the Series B Convertible Preferred Stock. Thus, the presence of the holders of common stock and Series B Convertible Preferred Stock (on an as-converted basis with the common stock) representing at least 16,372,065 votes will be required to establish a quorum.

What is the difference between a stockholder of record and a beneficial owner of shares held in street name?

Most of our stockholders hold their shares in an account at a brokerage firm, bank or other nominee holder, rather than holding share certificates in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially in street name.

Why did I receive a one-page notice in the mail regarding the Internet availability of proxy materials this year instead of a full set of proxy materials?

Pursuant to rules adopted by the SEC, the Company has elected to provide access to its proxy materials over the Internet. Accordingly, the Company is sending the Notice to the Company's stockholders of record and beneficial owners. All stockholders will have the ability to access the proxy materials on the website referred to in the Notice or request to receive a printed set of the proxy materials. Instructions on how to access the proxy materials over the Internet or to request a printed copy may be found in the Notice. In addition, stockholders may request to receive proxy materials in printed form by mail or electronically by email on an ongoing basis. The Company encourages you to take advantage of the availability of the proxy materials on the Internet.

What does it mean if I receive more than one Notice?

You may have multiple accounts at the transfer agent and/or with brokerage firms. Please follow directions on each Notice to ensure that all of your shares are voted.

How can I get electronic access to the proxy materials?

The Notice will provide you with instructions regarding how to:

- view the Company's proxy materials for the Annual Meeting on the Internet;
- request hard copies of the materials; and
- instruct the Company to send future proxy materials to you electronically by email.

Choosing to receive future proxy materials by email will save the Company the cost of printing and mailing documents to you and will reduce the impact of the Company's annual meetings on the environment. If you choose to receive future proxy materials by email, you will receive an email message next year with instructions containing a link to those materials and a link to the proxy voting website. Your election to receive proxy materials by email will remain in effect until you terminate it.

Stockholder of Record

If on April 17, 2015, your shares were registered directly in your name with our transfer agent, Continental Stock Transfer & Trust Company, you are considered a stockholder of record with respect to those shares, and the Notice of Annual Meeting and Proxy Statement was sent directly to you by the Company. As the stockholder of record, you have the right to direct the voting of your shares by returning the proxy card to us. Whether or not you plan to attend the Annual Meeting, if you do not vote over the Internet, please complete, date, sign and return a proxy card to ensure that your vote is counted.

Beneficial Owner of Shares Held in Street Name

If on April 17 2015, your shares were held in an account at a brokerage firm, bank, broker-dealer, or other nominee holder, then you are considered the beneficial owner of shares held in "street name," and the Notice of Annual Meeting & Proxy statement was forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the Annual Meeting. As the beneficial owner, you have the right to instruct that organization on how to vote the shares held in your account. However, since you are not the stockholder of record, you may not vote these shares in person at the Annual Meeting unless you receive a valid proxy from the organization.

How do I vote?

Stockholders of Record. If you are a stockholder of record, you may vote by any of the following methods:

• Via the Internet. You may vote by proxy via the Internet by following the instructions provided on the enclosed Proxy Card.

• By Telephone. You may vote by calling the toll free number found on the Proxy Card.

• By Mail. You may vote by completing, signing, dating and returning your proxy card in the pre-addressed, postage-paid envelope provided.

In Person. You may attend and vote at the Annual Meeting. The Company will give you a ballot when you arrive. ***•***You must bring a valid photo identification such as your driver's license or passport and may be requested to provide proof of stock ownership as of the record date.

Beneficial Owners of Shares Held in Street Name. If you are a beneficial owner of shares held in street name, you may vote by any of the following methods:

Via the Internet. You may vote by proxy via the Internet by following the instructions provided on the enclosed Proxy Card.

By Telephone. You may vote by proxy by calling the toll free number found on the vote instruction form.

By Mail. You may vote by proxy by filling out the vote instruction form and returning it in the pre-addressed, postage-paid envelope provided.

- *In Person.* If you are a beneficial owner of shares held in street name and you wish to vote in person at the Annual Meeting, you must obtain a legal proxy from the organization that holds your shares. You must bring a valid photo identification such as your driver's license or passport.

What are abstentions and broker non-votes?

While the inspector of elections will treat shares represented by Proxies that reflect abstentions or include "broker non-votes" as shares that are present and entitled to vote for purposes of determining the presence of a quorum, abstentions or "broker non-votes" do not constitute a vote "for" or "against" any matter and thus will be disregarded in any calculation of "votes cast." However, abstentions and "broker non-votes" will have the effect of a negative vote if an item requires the approval of a majority of a quorum or of a specified proportion of all issued and outstanding shares.

Brokers holding shares of record for customers generally are not entitled to vote on "non-routine" matters, unless they receive voting instructions from their customers. As used herein, "uninstructed shares" means shares held by a broker who has not received voting instructions from its customers on a proposal. A "broker non-vote" occurs when a nominee holding uninstructed shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that non-routine matter. In connection with the treatment of abstentions and broker non-votes, the proposed ratification of McGladrey LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2015 is considered a "routine" matter. Accordingly, brokers are entitled to vote uninstructed shares with respect to this proposal.

What happens if I do not give specific voting instructions?

Stockholders of Record. If you are a stockholder of record and you:

- indicate when voting on the Internet or by telephone that you wish to vote as recommended by the Board of Directors, or
- sign and return a proxy card without giving specific voting instructions,

then the proxy holders will vote your shares in the manner recommended by the Board of Directors on all matters presented in this proxy statement and as the proxy holders may determine in their discretion with respect to any other matters properly presented for a vote at the Annual Meeting.

Beneficial Owners of Shares Held in Street Name. If you are a beneficial owner of shares held in street name and do not provide the organization that holds your shares with specific voting instructions, under the rules of various national and regional securities exchanges, the organization that holds your shares may generally vote on routine matters, such as the ratification of McGladrey LLP as the Company's independent registered public accounting firm for the year ending December 31, 2015, but cannot vote on non-routine matters, such as the election of directors.

What are the Board's recommendations?

The Board's recommendation is set forth together with the description of each item in this Proxy Statement. In summary, the Board recommends a vote:

• *for* election of the seven directors nominated by the Company to hold office subject to the provisions of the Bylaws of the Company, until the next annual meeting of stockholders and until their successors are duly elected and qualified;

• *for* ratification of the appointment of McGladrey LLP as the Company's independent auditors for fiscal year 2015; and

• *for* approval of executive compensation disclosed in this Proxy Statement of the Company's executive officers who are named in this Proxy Statement's Summary Compensation Table,

With respect to any other matter that properly comes before the meeting, the proxy holders will vote as recommended by the Board of Directors or, if no recommendation is given, in their own discretion.

Dissenters' Right of Appraisal

Holders of shares of our Common Stock or Series B Convertible Preferred Stock do not have appraisal rights under Delaware law or under the governing documents of the Company in connection with this solicitation.

How Are Proxy materials delivered to households?

Only one copy of the Company's Annual Report on Form 10-K for the fiscal year ending December 31, 2014 and this Proxy Statement will be delivered to an address where two or more stockholders reside with the same last name or who otherwise reasonably appear to be members of the same family based on the stockholders' prior express or implied consent.

We will deliver promptly upon written or oral request a separate copy of the Company's Annual Report on Form 10-K for the fiscal year ending December 31, 2014 and this Proxy Statement upon such request. If you share an address with at least one other stockholder, currently receive one copy of our Annual Report on Form 10-K and Proxy Statement at your residence, and would like to receive a separate copy of our Annual Report on Form 10-K and Proxy Statement for future stockholder meetings of the Company, please specify such request in writing and send such written request to eMagin Corporation, 2070 Route 52, Hopewell Junction, NY 12533; Attention: Corporate Secretary.

Interest of Officers and Directors in Matters to Be Acted Upon

Except for the election to our Board of the seven nominees set forth herein, none of our officers or directors has any interest in any of the matters to be acted upon at the Annual Meeting.

** Beneficial Ownership is determined in accordance with the rules of the SEC and generally includes voting or investment power with respect to securities. Shares of common stock subject to options, warrants, or preferred shares exercisable or convertible within 60 days of April 17, 2015 are deemed outstanding for computing the percentage of the person holding such option or warrant. Percentages are based on a total of 36,906,118 shares: 25,198,796 shares of common stock outstanding on April 17, 2015 and 11,707,322 shares issuable upon the exercise of options exercisable and preferred shares convertible on or within 60 days of April 17, 2015, as described below.

(1) This figure represents: (i) 6,316,826 shares of common stock owned by Stillwater Holdings LLC (f/k/a Stillwater LLC), which includes 4,250,000 shares of common stock placed with Flat Creek Fiduciary Management LLC as trustee of a trust for the benefit of minor beneficiaries of the sole member of Stillwater Holdings LLC, in which the sole member of Stillwater Holdings LLC has investment control, and 783,325 shares of common stock owned by Rainbow Gate Corporation of which the sole member of Stillwater Holdings LLC is the investment manager; and (ii) 6,314,666 shares of common stock underlying Series B Convertible Preferred Stock which includes 937,333 shares of common stock underlying Series B Convertible Preferred Stock held by Rainbow Gate Corporation of which the sole member of Stillwater Holdings LLC is the investment manager. Mortimer D. A. Sackler exercises sole voting power with respect to the shares held in the name of Stillwater Holdings LLC as sole member, Mortimer D. A. Sackler exercises sole voting power with respect to the shares held in the name of Rainbow Gate Corporation as investment manager, and Mortimer D.A. Sackler has investment control with respect to the shares held in the name of Flat Creek Fiduciary Management LLC, as trustee; therefore Stillwater Holdings LLC is deemed to beneficially own the shares held by Rainbow Gate Corporation and Flat Creek Fiduciary Management LLC.

(2) This figure represents: (i) 2,532,694 shares of common stock owned by Ginola Limited, which include: 783,325 shares of common stock held indirectly by Rainbow Gate Corporation; 78,478 shares of common stock owned by Mount Union Corp.; and 57,372 shares of common stock owned by Chelsea Trust Company Limited, as trustee (Ginola Limited disclaims beneficial ownership of the shares owned by Rainbow Gate Corporation, Mount Union Corp. and Chelsea Trust Company Limited, as trustee); and (ii) 2,008,000 shares of common stock underlying Series B Convertible Preferred Stock, which includes 937,333 shares of common stock underlying Series B Convertible Preferred Stock held by Rainbow Gate Corporation. Stillwater Holdings LLC (f/k/a Stillwater LLC) and Ginola Limited are beneficially owned by separate parties and therefore do not exert voting control over one another. However, the figure for Stillwater Holdings LLC includes the shares held by Rainbow Gate Corporation since the sole member of Stillwater Holdings LLC is the investment manager and sole director of Rainbow Gate Corporation and exerts voting control over such shares. Jonathan White, Philip Le Cornu and Joerg Fischer exercise shared voting power with respect to the shares held in the name of Mount Union Corp. During 2014, the Compensation Committee held 5 meetings in person or through conference calls.

Governance and Nominating Committee

The Governance and Nominating Committee is responsible for considering potential Board members, nominating Directors for election to the Board, implementing the Company’s corporate governance policies, and for all other purposes outlined in the Governance and Nominating Committee Charter, which is posted which is posted on our Corporate Governance landing page, under the tab labeled “Investors” on our website at <http://www.emagin.com>. The current members of the Governance and Nominating Committee are Stephen Seay (Chair), Christopher Brody and Ellen Richstone. During 2014, the Governance and Nominating Committee held 5 meetings in person or through conference calls.

Strategy Committee

The primary purpose of the Strategy Committee is to be responsible to the Board of Directors for the oversight of the Company’s Strategic Plan. The Strategy Committee maintains an on-going, cooperative, interactive strategic planning process with the Company’s executive management, including the identification, setting and maintenance of strategic goals and expectations as well as the review of potential acquisitions, joint ventures, and strategic alliances. The Strategy Committee held 6 meetings in person or through conference calls. Its current members are Leslie Polgar (Chair), Paul Cronson, Stephen Seay and Jill Wittels.

Nomination of Directors

As provided in its charter, the Governance and Nominating Committee is responsible for identifying individuals qualified to become directors. The Governance and Nominating Committee seeks to identify director candidates based on input provided by a number of sources, including (1) the Governance and Nominating Committee members, (2) our other directors, (3) our stockholders, (4) our Chief Executive Officer or Chair of the Board, and (5) third parties such as service providers. In evaluating potential candidates for director, the Governance and Nominating Committee considers the entirety of each candidate's credentials.

Qualifications for consideration as a director nominee may vary according to the particular areas of expertise being sought as a complement to the existing composition of the Board of Directors. However, at a minimum, candidates for director must possess:

- high personal and professional ethics and integrity;
- the ability to exercise sound judgment;
- the ability to make independent analytical inquiries;
- a willingness and ability to devote adequate time and resources to diligently perform Board and committee duties;
- and
- the appropriate and relevant business experience and acumen.

The Governance and Nominating Committee will consider nominees recommended by stockholders if such recommendations are made in writing to the committee. The Governance and Nominating Committee does not plan to change the manner in which the committee evaluates nominees for election as a director based on whether the nominee has been recommended by a stockholder or otherwise.

The Governance and Nominating Committee does not have a formal policy relating to diversity among directors. In considering new nominees and whether to re-nominate existing members of the Board, the committee seeks to achieve a Board with strengths in its collective knowledge and a broad diversity of perspectives, skills and business and professional experience. Among other items, the committee looks for a range of experience in strategic planning, sales, finance, executive leadership, industry and similar attributes.

At least a majority of the directors on the Board must be Independent Directors as this term is defined in the rules of the NYSE MKT LLC.

Board Leadership Structure and Role in Risk Oversight

The Company has separated the positions of Chair of the Board of Directors and Chief Executive Officer. Given the demanding nature of these positions, the Board believes it is appropriate to separate the positions of Chair and Chief Executive Officer. Our Chair presides over all meetings of the Board of Directors, including executive sessions of the independent directors, which are held at each Board meeting. She briefs the Chief Executive Officer on issues arising in executive sessions and communicates frequently with him on matters of importance. She has responsibility for shaping the Board's agendas and consults with all directors to ensure that the board agendas and board materials provide the Board with the information needed to fulfill its responsibilities. From time to time she may also represent the Company in interactions with external stakeholders, at the discretion of the Board.

The Board of Directors has determined that each of our current directors, except for Mr. Sculley, is an "independent director" as that term is defined in the listing standards of the NYSE MKT LLC. The Board of Directors has also determined that each member of the Audit Committee, Compensation Committee and Governance and Nominating Committee meets the independence standards applicable to those committees prescribed by the NYSE MKT LLC and the SEC. In making this decision, the Board considered all relationships between the Company and the directors, including Dr. Wittels' role as (and compensation related to) a consultant to the Company from April through July of 2011. The Board determined each such relationship, and the aggregate of such relationships, to be immaterial to the applicable director's ability to exercise independent judgment.

Our Board has overall responsibility for risk oversight. The oversight is conducted primarily through committees of the Board of Directors, as disclosed in each of the descriptions of each of the committees above and in the charters of each of the committees, but the full Board of Directors has retained responsibility for general oversight of risks.

Stockholder Communications

Stockholders requesting communication with directors can do so by writing to eMagin Corporation, c/o Corporate Secretary, 2070 Route 52, Hopewell Junction, NY 12533 or emailing to pcampbell@emagin.com. At this time we do not screen communications received and would forward any requests directly to the named director. If no director was named in a general inquiry, the Secretary would contact either the Chair of the Board of Directors or the chairperson of a particular committee, as appropriate. We do not provide the physical address, email address, or phone numbers of directors to outside parties without a Director's permission.

Code of Ethics and Business Conduct

We have adopted a Code of Ethics and Business Conduct that applies to all of our directors, officers and employees, including our Chief Executive Officer and Chief Financial Officer and principal accounting officer. The Code of Ethics and Business Conduct is posted on our website at <http://www.emagin.com>.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

In 2014, we were successful in winning several new, important, R&D contracts and advancing key, new products, including an innovative new head-mounted display “HMD” prototype while navigating through an environment that continues to be challenging with increased competition. Total revenues for 2014 were down and operating income was almost flat in 2014, due to decreases in display sales, the income effect of which was offset by reductions in operating expenses. 2014 revenues were impacted by a stop ship order from three of our customers. The situation was resolved with respect to two of the three customers. We continue to work with and hope to resume shipments to the third customer soon. The new R&D contracts will increase R&D contract revenues significantly in 2015 and the availability of the new products should also help to increase revenues. As a result of not achieving all of our goals, no cash bonuses and no option grants were awarded to executive officers in 2014 (other than option grants awarded to new hires, new positions and promotions). In 2014, we maintained the previously implemented reduction of the percentage of executives’ salary bonus potential, the clawback policy and the cap on stock option grants at 4.5% of outstanding shares annually. The Compensation Committee continues to review the Company’s incentive plans and employment arrangements to ensure that pay is aligned with performance.

Executive Compensation Objectives

The objectives of our compensation program are as follows:

- Attract, hire and retain well-qualified executives.

Reward performance that drives substantial increases in shareholder value, as evidenced through both future operating profits and increased market price of our common shares.

Compensation Setting Process

Role of Compensation Committee. The role of the Compensation Committee is to oversee the Company's executive compensation strategy, oversee the administration of its executive compensation and its equity based compensation plans, review and approve the compensation of the Company's CEO, and oversee the Company's compensation plan for the Board of Directors. The Compensation Committee is comprised exclusively of independent outside directors and includes members with executive level experience in other companies who bring a perspective of reasonableness to compensation matters with our Company. In addition, the Compensation Committee compares executive compensation practices of similar companies at similar stages of development.

Role of Compensation Consultant. The Compensation Committee has the authority to engage its own advisors to assist in carrying out its responsibilities. Towers Watson, a global professional services company with strong compensation and awards expertise, was previously engaged by Compensation Committee to assist in the identification and selection of peer companies for purposes of comparing compensation practices, to provide guidance regarding the amount and types of compensation that we provide to our executives and board of directors, and other compensation-related matters. In March 2012, Towers Watson provided its analysis of board and executive compensation to the Compensation Committee. In 2014, the Compensation Committee did not engage or receive services from Tower Watson or any other compensation consultant. The Compensation Committee anticipates continuing to improve our compensation program through implementation of agreed upon policies going forward.

Role of Management. In setting compensation for 2014, our CEO worked closely with the Compensation Committee and attended its meetings of the Compensation Committee. Our CEO made recommendations to the Compensation Committee regarding compensation of our executive officers other than him. No executive officer participated directly in the final deliberations regarding his own compensation package.

Use of Comparative Market Data. The Compensation Committee approved a benchmark peer group of companies based on the analysis and advice of Towers Watson in January of 2012. The companies were selected as peers based on their being in a similar industry, primarily manufacturers of electronic components or electronic equipment and instruments, and of a generally similar size, based mainly on revenue. Our peer group consists of the following 17 companies:

Advanced Photonix Inc.	Microvision Inc.
Clearfield, Inc.	NVE Corporation
Digital Ally Inc.	Photonic Products Group Inc.
Intricon Corporation	RF Monolithics Inc.
Kopin Corporation	Solar Power, Inc.
LightPath Technologies Inc.	Supertex Inc.
LRAD Corporation	The LGL Group, Inc.
Micronetics Inc.	Universal Display Corporation
Micropac Industries Inc.	

The Compensation Committee compared the total direct compensation of the Company's executive officers with the total direct compensation paid to the top executive officers at the companies in the peer group, as well as to compensation levels revealed in survey data provided by Towers Watson, for purposes of establishing 2014 salaries for executives other than Mr. Sculley, our CEO. The Compensation Committee set Mr. Sculley's base salary under his new employment contract at \$410,000, which represents approximately a 6-7% increase over the salary of \$384,000 that he had previously been earning since June 2011. The Compensation Committee evaluated Mr. Sculley's performance prior to the Company entering into the new employment contract and recognized his achievements since joining the Company as CEO in 2008 and the progress made. These achievements were documented in the 2013 proxy statement.

Mr. Campbell and the Company entered into a new employment contract in December 2013. The Compensation Committee set Mr. Campbell's base salary under his new employment contract at \$335,000, which represents approximately a 5-6% increase over the salary of \$318,000 that he had previously been earning since 2012. The Compensation Committee evaluated Mr. Campbell's performance prior to the Company entering into the new employment contract and recognized his achievements since joining the Company as CFO in 2008 and the progress made. During his four year tenure from 2008 to 2013, the Company's stock price had increased from a low of \$0.37 to a high of \$9.50. Mr. Campbell had arranged gravely needed financing in August, 2008 allowing the Company to continue operations. In December 2008, he was instrumental in completing a financing to pay off the Company's \$6 million of toxic debt. The remaining revolving debt was paid off in 2009. Mr. Campbell helped manage the Company's results and qualified the Company to improve its listing from the OTC market to list its stock on a major exchange, the NYSE MKT LLC. The Compensation Committee reviewed CFO salaries of companies that they identified as comparable, based on their being competitive firms or in similar industries and of generally the same size, measured both in revenue and market capitalization as of early 2011. In setting Mr. Campbell's compensation, the Compensation Committee considered compensation levels for CFOs of the following companies: QuikLogic Corporation, RAE Systems, Lime Energy, Co., Microvision, Inc., RadiSys Corporation, Spectrum Control, Herley Industries, Kopin

Corporation and Planar Systems, Inc. Additional information on Mr. Campbell's employment agreement is provided below in the "Employment Agreements" section.

Mr. Carollo and the Company entered into a new employment contract in May 2014. The Compensation Committee set Mr. Carollo's base salary under his new employment contract at \$292,000, which represents approximately an 8-9% increase over the salary of \$270,000 that he had previously been earning since 2013. The Compensation Committee evaluated Mr. Carollo's performance prior to the Company entering into the new employment contract and recognized his achievements since joining the Company in 2011. Effective January 16, 2015, Mr. Carollo resigned as Senior Vice President of Business Development.

Elements of Executive Compensation

The compensation level of our executives generally reflects their level of experience and is designed to provide an incentive to positively affect our future operating performance and shareholder value.

Salary. Base salary is the primary fixed element in the Company's compensation program and is intended to provide an element of certainty and security to the Company's executive officers on an ongoing basis. Three of the Company's executive officers had employment agreements with the Company as of December 31, 2014 and their initial salaries are set by contract. Messrs. Prache and Ghosh, the two executive officers who have been employed the longest, do not have contracts. Salaries are based on the executive's level of experience, specialty and responsibility. Executive salaries are reviewed on an annual basis by the Compensation Committee. Any increases in salary are based on an evaluation of the individual's performance, level of responsibility and, when such information is available, the level of pay compared to the salaries paid to persons in similar positions in the Company's peer group or as shown in survey data.

In 2014, the base salaries of our executive officers were increased 5-9% over the prior year. The increases were primarily merit bases and intended to reward our executive officers for their overall performance on behalf of the Company in 2014.

Equity. Part of the compensation paid to our executives is in the form of equity, which to date has been exclusively through stock option grants. The stock option exercise price is generally the fair market value of the stock on the date of grant. Therefore, a gain is only recognized if the value of the stock increases, which promotes a long term alignment between the interests of the Company's executives and its stockholders. In 2014, the Compensation Committee determined that no stock option grants would be awarded to executive officers (other than new hires and employment contract renewals) and the aforementioned 4.5% cap on stock options would continue indefinitely. The Company has not awarded, and does not intend to award, any employees annual stock option grants in respect of performance in 2014.

The Compensation Committee approves all option grants with input and recommendations from the Chief Executive Officer, with the exception that the Chief Executive Officer and Chief Financial Officer have been delegated authority to approve initial grants made to newly hired employees. New employees may receive a stock option grant when hired in order to immediately align their interests with us and may be eligible for additional option grants going forward.

In 2014, Mr. Carollo received option grants valued at \$50,000 in connection with his new employment agreement. No other named executive officer received option grants in 2014.

Bonus. The executive officers' cash incentive awards are tied to achieving performance metrics established by the Compensation Committee at the beginning of each year, with input from the Chief Executive Officer, which are not re-set during the year, regardless of Company performance or economic conditions. The program creates incentive for the executive officers to direct their efforts toward achieving specified company goals and individual goals. To

measure our 2014 performance, the Compensation Committee established goals related to the Company's financial performance and attainment of strategic milestones and approved individual goals for executives. In 2014, we again fell short of reaching the Company's financial performance goals. Other strategic milestones related to the development of certain technologies and attaining certain production milestones and certain individual milestones were achieved. The program is funded by establishing a pool based on a percentage of annual EBITDA, which is then adjusted by an overall company performance modifier based on company performance to reach the final bonus pool. The individual goal attainment resulted in a score for each executive and a percentage of their potential bonus was derived. Potential bonus is based on a certain percentage of salary for each level within the Company. No cash bonus was paid to any employee in respect of 2014.

Anti-Hedging Policy

Our insider trading policy prohibits directors and employees from engaging in short-term or speculative transactions such as trading in eMagin stock on a short-term basis, purchasing eMagin stock on the margin or engaging in short sales.

Clawback Policy

Our Clawback Policy provides that the Company will seek to recover, under the direction of the Compensation Committee, any compensation paid to an executive officer of the Company which is subject to recovery under any law, government regulation or stock exchange listing requirement, through such deductions or clawback as may be required to be made pursuant to such law, government regulation or stock exchange listing requirement.

Compensation Committee Interlocks and Insider Participation

None of the members of our Compensation Committee has been an officer or employee of eMagin during years ending December 31, 2012, 2013 or 2014. In addition, during the most recent fiscal year, no eMagin executive officer served on the Compensation Committee (or equivalent), or the Board, of another entity whose executive officer(s) served on our Compensation Committee or Board.

Compensation Committee Report of Executive Compensation

The Committee has reviewed the Compensation Discussion and Analysis and discussed that analysis with management. Based on its review and discussions with management, the Compensation Committee recommended to the Board that the Compensation Discussion and Analysis be included in eMagin's 10-K for the fiscal year ending December 31, 2014. This report is provided by the following independent directors, who comprise the membership of the Compensation Committee:

Christopher Brody (Chair)

PROPOSAL NO. 3

ADVISORY VOTE ON EXECUTIVE COMPENSATION

The recently enacted Dodd-Frank Wall Street Reform and Consumer Protection Act (the “Dodd-Frank Act”) requires the Company’s stockholders to have the opportunity to cast a non-binding advisory vote regarding the approval of the compensation disclosed in this Proxy Statement of the Company’s executive officers who are named above in the Summary Compensation Table (the “named executive officers”). The Company has disclosed the compensation of the named executive officers pursuant to rules adopted by the SEC.

Please read the “Compensation Discussion and Analysis” beginning on page 13 for additional details about our executive compensation program, including information about the fiscal year 2014 compensation of our named executive officers. We believe that our compensation policies for the named executive officers are designed to attract, motivate and retain talented executive officers and are aligned with the long-term interests of the Company’s stockholders. This advisory stockholder vote, commonly referred to as a “say-on-pay vote,” gives you as a stockholder the opportunity to approve or not approve the compensation of the named executive officers that is disclosed in this Proxy Statement by voting for or against the following resolution (or by abstaining with respect to the resolution):

“RESOLVED, that the compensation paid to the Company’s named executive officers, as disclosed in the Company’s 2015 Proxy Statement pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion, is hereby APPROVED.”

Because your vote is advisory, it will not be binding on either the Board of Directors or the Company. However, the Company’s Compensation Committee may take into account the outcome of the stockholder vote on this proposal at the Annual Meeting when considering future executive compensation arrangements. In addition, your non-binding advisory votes described in this Proposal 3 will not be construed: (1) as overruling any decision by the Board of Directors, any Board committee or the Company relating to the compensation of the named executive officers, or (2) as creating or changing any fiduciary duties or other duties on the part of the Board of Directors, any Board committee or the Company.

Required Vote

Adoption of the resolution requires the receipt of the affirmative vote of a majority of the shares of the Company's common stock and Series B Preferred Stock (on an as converted basis with the common stock) present in person or by proxy and voting at the Annual Meeting.

RECOMMENDATION OF THE BOARD FOR PROPOSAL NO. 3:

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE TO APPROVE THE COMPENSATION DISCLOSED IN THIS PROXY STATEMENT OF THE COMPANY'S EXECUTIVE OFFICERS WHO ARE NAMED IN THIS PROXY STATEMENT'S SUMMARY COMPENSATION TABLE.

OTHER MATTERS

The Board of Directors knows of no other business which will be presented at the Annual Meeting. If any other matters properly come before the meeting, the persons named in the enclosed Proxy, or their substitutes, will vote the shares represented thereby in accordance with their judgment on such matters.
