Any properly executed and timely received proxy, not so directing to the contrary, will be voted "FOR" each of the items listed on the proxy. Any person signing and mailing the enclosed proxy may revoke it at any time before it is voted by giving written notice of revocation to Howard L. Flanders, the Corporate Secretary of the Company, by submission of a duly executed proxy bearing a later date or by voting in person at the Meeting. Attendance at the Meeting will not in and of itself constitute a revocation of a proxy. Any notice revoking a previously submitted proxy should be sent to Howard L. Flanders, Corporate Secretary, All American Semiconductor, Inc., 16115 N.W. 52nd Avenue, Miami, Florida 33014. Revocations will not be effective unless received in writing by the Corporate Secretary of the Company prior to the Meeting.

Communications with Directors

Shareholders and others who wish to communicate with employee members of the Board may do so by submitting any such communication addressed directly to the Board member at the Company's address stated hereinabove. Shareholders and others who wish to communicate with nonemployee Board members may do so by submitting such communication to the Company, Attention: Howard L. Meeting Attendance

The Board formally met six times during the fiscal year ended December 31, 2003, in addition to acting five times during the year by unanimous written consent. All Board members attended the meetings, except for one meeting in which one member was absent, and executed the unanimous written consents. The Board encourages, but does not require, attendance of all incumbent directors and director nominees at the annual meeting of shareholders. At our 2003 annual meeting, seven Board members were present.

4

The independent directors will meet in executive sessions at least twice per year in connection with a meeting of the Board of Directors.

Certain Relationships and Related Transactions

During 2003, the Company purchased product aggregating approximately \$2.9 million from Supertex, Inc., a supplier of the Company where a Board member of the Company, Richard E. Siegel, is the Executive Vice President and a director. Despite this relationship, Mr. Siegel constitutes an independent director under NASD Rule 4200(a)(15).

Edgar Filing: ALL AMERICAN SEMICONDUCTOR INC - Form DEF 14A

In January 2001, the Company, with the approval of the Board, entered into a lease to rent residential space in San Jose, California from a partnership which includes two of the Company's executive officers (Paul Goldberg and Bruce Goldberg). The lease provides for rental payments of \$4,800 per month through January 1, 2006, the date of the expiration of the lease. In consideration of the impact of the severe industry downturn on the Company, the partnership reduced the monthly rent to \$3,400 in 2001. Towards the end of 2002 rental payments were increased to approximately \$4,300 per month, still below the rental amount provided for under the lease. The Company paid a total of approximately \$51,200 to this partnership during 2003.

Board Compensation

The members of the Board do not currently receive compensation from the Company for acting in their capacity as directors of the Company nor has the Company adopted any standard arrangement for compensating nonemployee directors of the Company other than grants of options under the 2000 Nonemployee Director Stock Option Plan. In addition to the 2000 Nonemployee Director Option Stock Plan, the Company may decide in the future to further compensate directors and/or to establish a standard cash compensation arrangement for nonemployee directors. See "2000 Nonemployee Director Stock Option Plan."

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), requires the Company's directors and executive officers, and persons who own more than 10% of a registered class of the Company's equity securities, to file with the SEC initial reports of ownership and reports of changes in ownership of common stock and other equity securities of the Company. Directors, executive officers and greater than ten percent shareholders are also required by the SEC regulations to furnish the Company with copies of all Section 16(a) forms they file.

To the Company's knowledge, during the fiscal year ended December 31, 2003, all Section 16(a) filing requirements applicable to its directors, executive officers and greater than ten percent shareholders were satisfied.

BOARD COMMITTEES

Executive Committee

The Executive Committee is comprised of Paul Goldberg and Bruce M. Goldberg. During 2003, the Executive Committee did not meet formally, however, its members spoke on nearly a daily basis in connection with the operations of the Company. The Executive Committee possesses substantially all of the powers of the Board and acts as the Board between Board meetings.

Audit Committee

The Audit Committee is currently comprised of Howard M. Pinsley, Robin L. Crandell and Michael W. Forman, all independent directors of the Company. Mr. Pinsley and Mr. Crandell have served on the Audit Committee since 2002 and Mr. Forman became a member in June 2003. During the fiscal year ended December 31, 2003, the Audit Committee met five times. The Board and the Audit Committee believe the Audit Committee's member composition satisfies the rules of The Nasdaq Stock Market that govern audit committee composition, including the requirement that audit committee members all be "independent directors" as that term is defined by NASD Rule 4200(a)(15). The Audit Committee operates under a written charter recently amended and restated by the Board in order to incorporate certain changes

required by the NASD Rules. A copy of the amended and restated charter is attached to this Proxy Statement as Exhibit A. The Audit Committee monitors and oversees the Company's financial reporting process on behalf of the Board. It reviews the independence of the Company's auditors and is responsible for, among other matters, authorizing or approving the engagement of the independent auditors for both audit services and permitted non-auditing services, the scope of audit and non-audit assignments, related fees, the accounting principles used in financial reporting, internal financial accounting procedures, the adequacy of the internal control procedures, critical accounting policies, the overall quality of the Company's financial reporting, and reviewing and approving in advance, if appropriate, any proposed related party transactions. The Audit Committee has established procedures for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters, and for the confidential, anonymous submission by Company employees of concerns regarding questionable accounting or auditing matters or other Company-related matters. The procedures for submission and investigation of communications regarding accounting and auditing matters and other Company-related matters are posted on our web site, www.allamerican.com. This document is also available in print upon written request. Such written request should be sent to the Company, Attention: Chief Financial Officer, at the Company's address stated hereinabove. The Board has determined that Mr. Pinsley, who as noted above is independent as that term is used in Item 7(d)(3)(iv) of Schedule 14A under the Exchange Act, is an audit committee financial expert as defined in Item 401(h)(2) of Regulation S-K. See "Audit Committee Report" below.

Compensation Committee

The Compensation Committee consists of Howard M. Pinsley and Robin L. Crandell, two independent directors of the Company. The Compensation Committee is responsible for determining the compensation of all executive officers of the Company and acts as the stock option committee of the Board, administering the Employees', Officers', Directors' Stock Option Plan. The senior management of the Company makes all decisions with respect to the compensation (other than the granting of stock options) of all employees other than the executive officers of the Company. See "BOARD OF DIRECTORS." During the fiscal year ended December 31, 2003, the Compensation Committee met once and acted once by unanimous written consent.

Nominating Committee

The Nominating Committee is currently comprised of Howard M. Pinsley and Robin L. Crandell, both independent directors of the Company. The Nominating Committee was formed in September 2004 and, accordingly, has not yet held any meetings. The Nominating Committee operates under a written charter approved by the Board and consistent with such charter will evaluate and propose nominees for the Board considering the minimum qualifications required of Board members as set forth in the charter. A copy of the Nominating Committee charter is available on our web site, www.allamerican.com. The charter requires that all members of the Nominating Committee be "independent directors" as that term is defined by NASD Rule 4200(a)(15). The Nominating Committee will consider shareholder recommendations for nominees for membership on the Board. Such recommendations may be submitted to the Company, Attention: Howard L. Flanders, Corporate Secretary, at the Company's address stated hereinabove. The Corporate Secretary will present such recommendations to the Nominating Committee. There are no specific, minimum qualifications that the Nominating Committee believes must be met by nominees recommended by the Nominating Committee and the Nominating Committee will utilize the same criteria in evaluating nominees recommended by the Nominating Committee and nominees recommended by shareholders. In evaluating candidates for nomination to the Board, the charter of the Nominating Committee

Edgar Filing: ALL AMERICAN SEMICONDUCTOR INC - Form DEF 14A

requires the Nominating Committee to consider the contribution that a candidate would be expected to make to the Board and the Company based upon the current composition and needs of the Board and the candidate's expertise, integrity, prior experience, education, relationships and other factors that the Board determines are relevant. The Nominating Committee will identify potential candidates through recommendations from the Company's officers, directors, shareholders and other appropriate third parties. Although the Company is not currently paying a fee to any third party to identify or evaluate potential nominees, there is no guarantee that the Nominating Committee will not engage a third party search firm in the future, which engagement is authorized by the Nominating Committee charter.

AUDIT COMMITTEE REPORT

The Audit Committee of the Company's Board (the "Audit Committee") is currently comprised of Howard M. Pinsley, Robin L. Crandell and Michael W. Forman, all independent directors of the Company. Mr. Pinsley and Mr. Crandell

6

have served on the Audit Committee since 2002 and Mr. Forman became a member in June 2003. The Audit Committee operates under a written charter adopted and amended and restated by the Board in order to incorporate the changes required by the Sarbanes-Oxley Act, SEC rules and rules of The Nasdaq Stock Market. The Board and the Audit Committee believe that the Audit Committee's current member composition satisfies the rules of NASD that govern audit committee composition, including the requirement that audit committee members all be "independent directors" as that term is defined by NASD Rule 4200(a)(15).

The Audit Committee holds discussions with management and the independent accountants regarding current audit activities. Management has the primary responsibility for the Company's financial statements, systems of internal controls and the financial reporting process. The independent accountants are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted accounting standards and to issue a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

The Audit Committee authorized and approved in 2003 the appointment of the Company's independent accountants, subject to shareholder ratification. The Company's independent accountants also provided to the Audit Committee the written disclosure and letter required by Independence Standards Board Standard No. 1 ("Independence Discussions with Audit Committees"), and the Audit Committee discussed with the independent accountants that firm's independence from the Company and its management.

Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles in the United States, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent accountants. The Audit Committee also discussed with the independent accountants matters required to be discussed by Statement on Auditing Standards No. 61 ("Communication with Audit Committees"). Based on these discussions and reviews, the Audit Committee recommended that the Board include the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2003 for filing with the SEC.

The Audit Committee has considered whether the provision of the non-audit services described in "Tax Fees" below is compatible with maintaining Lazar Levine & Felix LLP's independence.

The Company pays for a \$550,000 universal life insurance policy on the life of Paul Goldberg with benefits payable to his wife, which had an annual premium in 2003 of \$7,668. Pursuant to the terms of an employment agreement with Bruce M. Goldberg, the Company makes annual payments, currently in the amount of \$21,995, to Bruce M. Goldberg to cover the annual premium on a \$1,000,000 whole life insurance policy (the "Whole Life Policy") on the life of Bruce M. Goldberg. The Company is obligated to continue, for the duration of Bruce M. Goldberg's employment with the Company, to pay the annual premium to Bruce M. Goldberg for the Whole Life Policy. In addition, pursuant to the terms of an insurance agreement effective as of January 1, 1993 with each of Howard L. Flanders and Rick Gordon, beginning in 1993 the Company had advanced substantially all of the premiums for \$1,000,000 flexible premium life insurance policies owned by each of Howard L. Flanders and Rick Gordon. Under the respective insurance agreement the

9

Company's obligations to make premium payments in connection with Howard L. Flanders' and Rick Gordon's policies lasted for a maximum of ten years from the time the insurance policies were acquired in 1993. This obligation terminated in January 2003. The Company's premium advances were secured by a collateral assignment of the cash surrender value and death benefit of each of the policies subject to a five year vesting period which commenced on January 1, 1998. On January 1, 2003 (the tenth anniversary of the insurance agreements), all advances were deemed cancelled, the security interests fully released and the cash surrender value and other benefits of their respective insurance policies were fully vested in the employees.

Option Grants in Last Fiscal Year

The following table shows all grants of options to the named executive officers of the Company during the fiscal year ended December 31, 2003. Pursuant to SEC rules, the table also shows the value of the options granted at the end of the option terms (as indicated below) if the price of the Company's stock was to appreciate annually by 0%, 5% and 10%, respectively. There is no assurance that such stock price will appreciate at the rates shown in the table. All of the options set forth in the table are stock options issued pursuant to the Option Plan. The Company does not have a plan whereby tandem stock appreciation rights

("SARS") are granted. See "Employees', Officers', Directors' Stock Option Plan" hereinbelow.

The Compensation Committee of the Company believes this calculation more accurately reflects "fair market value" of the Company's Common Stock on any given day as compared to simply using the closing market price on the date of grant. As a result, the closing market price on the date of grant at times may be different than the exercise price per share.

Compensation Committee Report

The Compensation Committee is responsible for recommending to the Board the compensation of the executive officers, including annual base salaries, cash and non-cash bonuses, stock ownership plans, retirement plans and other benefits. With respect to the compensation of the executive officers other than the Chief Executive Officer, the Compensation Committee makes its recommendations after consulting with the Chief Executive Officer. In addition, the Compensation Committee administers the Employees', Officers', Directors' Stock Option Plan and the Company's deferred compensation plans and will administer all future benefit plans of the Company. The policies of the Compensation Committee and the Board with respect to the compensation of the executive officers is intended to establish levels of annual compensation that are consistent with the Company's annual and long-term goals and to reward individuals for corporate performance as well as individual achievements. In part, the Compensation Committee believes in using incentives such as annual incentive cash bonuses and stock option grants and deferred compensation plans as a means of motivating its executive officers to perform at the highest levels possible and to tie directly the compensation of the Company's executive officers to the operating performance of the Company. The Compensation Committee also takes into consideration the compensation of executive officers at companies similar in size to the Company and at other companies within the same industry as the Company.

During fiscal year 2003 executive officers named in the Summary Compensation Table were compensated pursuant to employment agreements entered into prior to 2003 or previously existing compensation arrangements. See "Employment Agreements" hereinbelow.

Employees', Officers', Directors' Stock Option Plan

In 1987, the Company established an Employees', Officers', Directors' Stock Option Plan (as previously amended and restated, the "Option Plan"). Subsequent thereto certain amendments to and a restatement of the Option Plan have been adopted by the Board and approved by the shareholders of the Company. The Option Plan may be further modified or amended by the Board, but certain modifications and amendments are subject to approval by the Company's shareholders. The Option Plan provides for the granting to key employees of both "incentive stock options," within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended (the "Code") and "nonqualified stock options" ("nonqualified stock options" are options which do not comply with Section 422 of the Code) and for the granting to nonemployee directors and independent contractors associated with the Company of nonqualified stock options. Unless earlier terminated, the Option Plan will continue in effect through April 18, 2009, after which it will

Edgar Filing: ALL AMERICAN SEMICONDUCTOR INC - Form DEF 14A

expire and no further options could thereafter be granted under the Option Plan. The expiration of the Option Plan, or its termination by the Board, will not affect any options previously granted and then outstanding under the Option Plan. Such outstanding options would remain in effect until they have been exercised, terminated or have expired. A maximum of 1,100,000 shares of the Company's Common Stock have been reserved for issuance upon the exercise of options granted under the Option Plan, subject to any adjustments required upon changes in capitalization to prevent dilution or enlargement of the shares issuable pursuant to the Option Plan by reason of any stock split, stock dividend, combination of shares, recapitalization or other change in the capital structure of the Company.

The Option Plan is administered by the Compensation Committee comprised of two or more independent directors appointed by the Board from among its members. Any member of the Compensation Committee may be removed at any time either with or without cause by action of the Board and a vacancy on the Compensation Committee due to any reason can be filled by the Board. The current members of the Compensation Committee are two of the independent directors of the Company, Howard M. Pinsley and Robin L. Crandell. Subject to the express limitations of the Option Plan, the Compensation Committee has authority, in its discretion, to interpret the Option Plan, to adopt, prescribe, amend and rescind rules and regulations as it deems appropriate concerning the holding of its meetings and administration of the Option Plan, to determine and recommend persons to whom options should be granted, the date of each option grant, the number of shares of Common Stock to be included in each option, any vesting schedule, the option price and term (which in no event will be for a period more than ten years from the date of grant) and the form and content of agreements evidencing options to be issued under the Option Plan.

Options may be currently granted under the Option Plan to any key employee or nonemployee director or prospective key employee or nonemployee director (conditioned upon, and effective not earlier than, his or her becoming an employee or director) of or independent contractor associated with the Company or its subsidiaries. However, as required by the Code, nonemployee directors and independent contractors are only eligible to receive nonqualified stock options. In determining key employees to whom options will be granted, the Compensation Committee takes into consideration the key employee's present and potential contribution to the success and growth of the Company's business and other such factors as the Compensation Committee may deem proper or relevant in its discretion including whether such person performs important job functions or makes important decisions for the Company, as well as the judgment, initiative, leadership and continued efforts of eligible participants. Employees who are also officers or directors of the Company or its subsidiaries will not by reason of such offices be ineligible to receive options. However, no member of the Compensation Committee is eligible to receive options under the Option Plan and it is currently contemplated that nonemployee directors would be granted options under the Director Stock Option Plan described below and not the Option Plan. The Compensation Committee has not adopted formal eligibility limitation criteria. Therefore, quantification of the current number of employees, nonemployee directors and independent contractors that would technically be eligible for participation is not currently readily determinable.

The exercise price for all options granted under the Option Plan shall not be less than the fair market value of the Company's Common Stock on the date of grant (or, in the case of incentive stock options, 110% of the fair market value if the beneficiary of the grant beneficially owns 10% or more of the outstanding shares of the Company's Common Stock). For purposes of the Option Plan, fair market value on the date of grant of any option is the average of the "market price" of a share of Common Stock for each of the seven (7) consecutive business days preceding such date. The "market price" on each such day shall be (i) if the Common Stock is listed on a securities exchange (including The Nasdaq Stock Market), the closing sales price on such exchange on such day or, in the absence

Edgar Filing: ALL AMERICAN SEMICONDUCTOR INC - Form DEF 14A

of reported sales on such day, the mean between the reported closing bid and asked prices on such exchange on such day, or (ii) if the Common

12

Stock is not listed on a securities exchange (including The Nasdaq Stock Market), the mean between the closing bid and asked prices as quoted by the National Association of Securities Dealers, Inc. through the National Association of Securities Dealers Automated Quotation System ("NASDAQ") for such day; provided, however, that, if there are no such quotations or if it is determined that the fair market value is not properly reflected by such NASDAQ quotations or the Common Stock is not traded on an exchange or over the counter, fair market value shall be determined by such other method as the Compensation Committee determines to be reasonable. Notwithstanding the foregoing, if on, or within ten (10) days prior to, the date of grant of any options a registration statement filed by the Company with the SEC in connection with a public offering of Common Stock becomes effective, the fair market value of a share of such Common Stock shall be the public offering price per share of Common Stock being offered pursuant to such offering.

Except as may be specifically limited by the terms of the Option Plan, the granting of options is made at the sole discretion of the Compensation Committee. Further, the aggregate fair market value of the Company's Common Stock (determined at the date of the option grant) for which an employee may be granted incentive stock options which first become exercisable in any calendar year under the Option Plan may not exceed \$100,000. Options granted pursuant to the Option Plan are not transferable during an optionee's lifetime.

The term of and any vesting schedule (whether the option will be exercisable immediately, in stages or otherwise, or the vesting will be based upon any condition such as the operating performance of the Company or other events such as a change in control) for an option granted under the Option Plan is established by the Compensation Committee, but the term may not be more than ten years from the date of grant of the option, except that, in the case of a person receiving an incentive stock option who at such time owns the Company's Common Stock representing more than 10% of the Company's Common Stock outstanding at the time the option is granted, the term of such incentive stock option shall not exceed five years from the date of grant of the option. In general, options will not be exercisable after the expiration of their term. Furthermore, the Compensation Committee has the authority and discretion to determine the time frame in which an optionee has to exercise his options (subject to the ten-year limitation from date of grant) in the event of his termination of employment due to death, disability, termination without cause, retirement, voluntarily leaving the Company or a change in control.

As of the Record Date, a total of 985,546 options were granted and had not expired or been forfeited, of which 221,466 were exercised and 764,080 options were outstanding (of which 463,440 options were held by executive officers and directors of the Company as a group and 233,600 options are presently exercisable). These options, which are held by 133 persons, are exercisable at prices ranging from \$1.92 per share to \$14.32 per share and are exercisable through various expiration dates from 2005 to 2008.

2000 Nonemployee Director Stock Option Plan

In June 2000, the Company established the 2000 Nonemployee Director Stock Option Plan, as amended (the "Director Stock Option Plan"). The Director Stock Option Plan provides for awards of options to purchase shares of Common Stock of the Company to nonemployee directors of the Company. Under the Director Stock Option Plan, on or about the day of each nonemployee director's initial election to the Company's Board, each nonemployee director will be awarded nonqualified stock

Edgar Filing: ALL AMERICAN SEMICONDUCTOR INC - Form DEF 14A

options to purchase at least 1,500 shares of the Company's Common Stock, but not to exceed a maximum of 15,000 shares, at the fair market value of the Company's Common Stock on the date on which the option is granted. The Board will determine the number of options to be granted to a nonemployee director upon his or her initial election as it deems necessary or advisable and in the best interests of the Company in order to attract and obtain outstanding and highly qualified candidates to serve on the Company's Board. On the date of the Company's annual meeting of shareholders occurring later than 12 months after a nonemployee director's initial election, the Director Stock Option Plan provides such nonemployee director (subject to his or her re-election if up for re-election at such annual meeting) will be automatically awarded additional options to purchase 1,000 shares of Common Stock at the fair market value of the Company's Common Stock on the date on which the option is granted. An aggregate of 75,000 shares of the Company's Common Stock have been reserved for issuance under the Director Stock Option Plan. As of the Record Date, a total of 13,000 options were granted and had not expired or been forfeited, of which 750 were exercised and 12,250 options were outstanding. These options, which are held by 4 persons, have exercise prices ranging from \$1.96 per share to \$10.53 per share (based on fair market value at date of grant) and vest in 50% annual increments over a two-year period and are exercisable over a ten-year period. Under certain circumstances, including death, permanent disability, retirement or a change in control, vesting is accelerated and the options become fully exercisable.

13

Registration Statements

The Company has filed registration statements on Form S-8 with the SEC in order to register all of the shares of Common Stock issuable under the Company's two option plans. So long as such registration statements remain effective under the Securities Act of 1933, as amended (the "Act"), shares of Common Stock issued upon the exercise of outstanding options under the option plans will be immediately and freely tradable without restriction under the Act, subject to applicable volume limitations, if any, under Rule 144 and, in the case of executive officers and directors of the Company, Section 16 of the Exchange Act.

Deferred Compensation Plans for Executive Officers and Key Employees

Effective January 1, 1988, the Company established a deferred compensation plan

Edgar Filing: ALL AMERICAN SEMICONDUCTOR INC - Form DEF 14A

(the "1988 Deferred Compensation Plan") for executive officers and key employees of the Company. The employees eligible to participate in the 1988 Deferred Compensation Plan (the "Participants") are chosen at the sole discretion of the Board, upon a recommendation from the Compensation Committee. In 2003, the 1988 Deferred Compensation Plan was amended to allow a Participant to elect to receive a lump sum benefit, providing such Participant has attained at least the age of 65 and has at such time 25 or more years of service with the Company. Pursuant to the 1988 Deferred Compensation Plan, commencing on a Participant's retirement date, he or she will receive an annuity for ten years, unless he or she has elected to receive a lump sum benefit as described above. The amount of the annuity shall be computed at 30% of the Participant's salary, as defined. Any Participant with less than ten years of service to the Company as of his or her retirement date will only receive a pro rata portion of the annuity. Retirement benefits paid under the 1988 Deferred Compensation Plan will be distributed monthly. The Company paid benefits under this plan of approximately \$53,600 during 2003, \$38,000 of which was paid to an executive officer as a lump sum election. The maximum annuity benefit payable to a Participant (including each of the named executive officers) under the 1988 Deferred Compensation Plan is presently \$30,000 per annum.

During 1996, the Company established a second deferred compensation plan (the "1996 Deferred Compensation Plan") for executives of the Company. The executives eligible to participate in the 1996 Deferred Compensation Plan are chosen at the sole discretion of the Board upon a recommendation from the Compensation Committee. The Company may make contributions each year in its sole discretion and is under no obligation to make a contribution in any given year. For the year 2003, no contributions were made to the plan. Participants in the plan will vest in their plan benefits over a ten-year period. If the participant's employment terminates due to death, disability or a change in control of management, he or she will vest 100% in all benefits under the plan. Retirement benefits will be paid, as selected by the participant, based on the sum of the contributions made and any additions based on investment gains. One executive officer (John Jablansky) of the Company has been chosen as a participant in the 1996 Deferred Compensation Plan.

401(k) Plan

The Company maintains a 401(k) plan (the "401(k) Plan"), which is intended to qualify under Section 401(k) of the Internal Revenue Code. All full-time employees of the Company are eligible to participate in the 401(k) Plan after completing 90 days of employment. During 2003, each eligible employee could elect to contribute to the 401(k) Plan, through payroll deductions, up to 100% of his or her salary, limited to \$12,000 in 2003. The Company's 401(k) Plan provides for discretionary matching contributions by the Company. During 2001 and in prior years, the Company's 401(k) Plan provided for standard matching contributions by the Company in the amount of 25% on the first 6% contributed of each participating employee's salary. No matching contributions were made by the Company for 2003.

Employment Agreements

The Goldberg Agreements

The Company has employment agreements with each of Paul Goldberg, its Chairman of the Board, and Bruce M. Goldberg, its Chief Executive Officer and President (collectively and as amended the "Goldberg Agreements"). Effective January 1, 2000, the term of each of the Goldberg Agreements was extended until December 31, 2005, with automatic additional successive one-year renewal periods thereafter unless terminated in writing by the Company or the employee at least

Edgar Filing: ALL AMERICAN SEMICONDUCTOR INC - Form DEF 14A

60 days prior to the expiration of the then current term and subject, in the case of Paul Goldberg, to earlier termination in the event that Paul Goldberg elects to exercise his right to retire as hereinafter described. Each of the Goldberg Agreements provides for a base salary, in the case of Paul Goldberg, of \$291,167 per annum effective January 1, 2000, and, in the case of Bruce M. Goldberg, of \$391,723 per annum effective January 1, 1999, subject to an annual increase equal to the greater of 4% per annum or the increase in the cost of living. During 2001, 2002 and 2003, Bruce M. Goldberg and Paul Goldberg voluntarily agreed to reductions in the base salary that they would otherwise then have been entitled to receive. Under the Goldberg Agreements, Paul Goldberg and Bruce M. Goldberg are entitled to receive, in the case of Paul Goldberg, an annual cash bonus equal to 3% and, in the case of Bruce M. Goldberg, an annual cash bonus in 1999 equal to 4% and in 2000 and thereafter 5% of the Company's pre-tax income, before nonrecurring and extraordinary charges, in excess of \$1,000,000 in any calendar year. Such annual bonus compensation for each of Paul Goldberg and Bruce M. Goldberg is limited in any year to an amount no greater than two times his respective base salary for the applicable year. In addition, upon a change in control, all options granted by the Company to Paul Goldberg and Bruce M. Goldberg automatically vest.

Under the Goldberg Agreement for Paul Goldberg, as amended, he is able to elect, in his sole discretion, to retire at any time (the "Retirement Election"). Upon the earlier to occur of the Retirement Election or at the expiration of the term of his Goldberg Agreement, the Company will be obligated to pay Paul Goldberg (in addition to any other compensation he may be entitled to upon termination), and his spouse upon his death, a retirement benefit of \$100,000 per annum until the later of the death of Paul Goldberg or his spouse, provide him and his spouse, without cost, until the later of their respective deaths, at least the same level of medical and health insurance benefits as was provided prior to his retirement and continue to pay the premiums on the life insurance policy insuring his life as described under "Summary Compensation Table" hereinabove.

The Goldberg Agreements also provide certain additional benefits to each of Paul Goldberg and Bruce M. Goldberg, including participation in the Company benefit plans, use of or payment for an automobile and, in the case of Bruce M. Goldberg, continuance in the event of disability of all his respective compensation and other benefits for two years and the payment of the annual premium on the Whole Life Policy as described under "Summary Compensation Table" above.

The Goldberg Agreements, also provide that, in the event of change in control (as defined) of the Company, each of Paul Goldberg and Bruce M. Goldberg shall have the option in his sole discretion to terminate his Goldberg Agreement. In such event, Paul Goldberg would be entitled to elect (in lieu of electing to continue to receive some or all of the compensation, payments and benefits as and when due under his Goldberg Agreement) to receive a lump sum payment equal to the sum of (i) Paul Goldberg's compensation due through the greater of the end of the term of his Goldberg Agreement or three years after the change in control, (ii) the present value (assuming a certain discount rate and life expectancy) of the retirement payments payable to Paul Goldberg commencing from the later of the end of the term or three years after the change in control until his death, (iii) an amount sufficient to pay, until the later of his or his spouse's death, the premium for at least the same level of health insurance benefits as was provided before the change in control and (iv) an amount sufficient to pay until his death, the premiums on the life insurance policy insuring his life as described under "Summary Compensation Table" above. Similarly, under the Goldberg Agreement for Bruce M. Goldberg, in the event of a change in control and Bruce M. Goldberg's election to terminate his Goldberg Agreement, Bruce M. Goldberg at his option will be entitled to elect to receive a lump sum payment equal to his compensation due through the later of the end of the term of his Goldberg Agreement or three years after the change in control or for such period to continue to receive such compensation as and when due under

Edgar Filing: ALL AMERICAN SEMICONDUCTOR INC - Form DEF 14A

the Goldberg Agreement. The Goldberg Agreements (as well as the employment agreements for each of Howard L. Flanders and Rick Gordon discussed below) also provide for reimbursement of, and a gross-up for, any federal tax liability imposed pursuant to Section 4999 or Section 280G (or any successor provisions) of the Internal Revenue Code of 1986, as amended, and any similar state or local taxes, as a result of a change in control payment, consideration and/or benefit made or provided by the Company pursuant to such employment agreements.

15

The Flanders/Gordon Agreements

Effective as of January 1, 2000, the Company entered into a new employment agreement with Howard L. Flanders, its Executive Vice President, Chief Financial Officer and Corporate Secretary (the "Flanders Agreement"), and Rick Gordon, its Senior Vice President of Sales and Marketing (the "Gordon Agreement" and collectively with the Flanders Agreement, the "Flanders/Gordon Agreements"). The Flanders/Gordon Agreements each have an initial term through December 31, 2003, with automatic additional successive one-year renewal periods thereafter unless terminated in writing by the Company or the employee at least 60 days prior to expiration of the then current term. They provide for a base salary, effective as of January 1, 2000, of \$215,000 per annum for Mr. Flanders and \$218,000 per annum for Mr. Gordon, subject to an annual increase commencing January 1, 2001, equal to the greater of 5% per annum or the increase in the cost of living. During 2001, 2002 and 2003, Howard L. Flanders and Rick Gordon voluntarily agreed to reductions in the base salary that they would otherwise then have been entitled to receive. Under the Flanders/Gordon Agreements, Messrs. Gordon and Flanders are entitled to receive an annual cash bonus equal to 2% of the Company's pre-tax income, before nonrecurring and extraordinary charges, in excess of \$1,000,000 in any calendar year. Such annual cash bonus compensation is limited in any year to an amount no greater than such executive's base salary for the applicable year. The Flanders/Gordon Agreements also provide for certain additional benefits, including participation in the Company benefit plans, use of or payment for an automobile and continuance of all their respective compensation and other benefits for two years in the event of disability. Further, if Mr. Gordon or Mr. Flanders were to be terminated without cause (which includes requiring employee to perform duties not commensurate with his offices or which differ materially from duties that presently exist or, after a change in control, changing the location where employee is based), he is entitled to receive severance benefits equal to the greater of two-years compensation or the remainder of the compensation due under the applicable Flanders/Gordon Agreement. Additionally, under the Flanders/Gordon Agreements, the Company has paid premiums under a life insurance policy for each of Messrs. Gordon and Flanders with the beneficiary to be as designated by Mr. Gordon or Mr. Flanders, respectively, as described under "Summary Compensation Table" above. The Flanders/Gordon Agreements also provide that, in the event of a change in control (as defined) of the Company, each of Mr. Gordon and Mr. Flanders would have the option in his sole discretion to terminate the applicable Flanders/Gordon Agreement.
