Item 1.01 Entry into a Material Definitive Agreement

ePlus Technology, inc., a wholly-owned subsidiary of ePlus inc., modified the current credit facility agreements with GE Commercial Distribution Finance Corporation ("GECDF") that were originally executed on August 31, 2000. The changes to the agreements were effective October 29, 2007, but the agreement was not signed until October 31, 2007. The aggregate limit of the facility was increased to \$125,000,000 with a sub-limit on the accounts receivable component of \$30,000,000. The temporary overline period in the previous agreement was eliminated. The amounts available under the agreements may be limited by the asset value of the equipment we purchase and our accounts receivable, and may be further limited by certain covenants and terms and conditions of the facility.

The foregoing description of the amendment is qualified in its entirety by reference to the amendment, a copy of which is attached hereto as Exhibit 10.1 and incorporated herein by reference.

A copy of the Company's press release issued on November 6, 2007 relating to the foregoing is filed as Exhibit 99.1 and incorporated herein by reference.
