REASON FOR AMENDMENT

This Amendment No. 1 to Current Report on Form 8-K/A amends and restates in its entirety the Current Report on Form 8-K dated April 7, 2003 and filed by SkyWest, Inc. This Amendment is being filed for the purpose of filing with the Securities and Exchange Commission the letter from KPMG LLP identified in Item 7 below and filed herewith as Exhibit 16.1.

ITEM 4. CHANGE IN CERTIFYING ACCOUNTANTS

On March 31, 2003, SkyWest, Inc. (NASDAQ/NM: SKYW) ("SkyWest") dismissed its independent auditors, KPMG LLP ("KPMG"), and, effective April 7, 2003, selected Ernst & Young LLP to be its new independent auditors. SkyWest's actions were approved by the Audit Committee of its Board of Directors.

KPMG was appointed as SkyWest's independent auditors on June 24, 2002. In connection with KPMG's review of SkyWest's consolidated financial statements as of and for the three and nine-month periods ended September 30, 2002, KPMG identified certain adjustments to SkyWest's accounting for Canadair Regional Jet engine overhaul costs and related agreements. SkyWest and KPMG initially disagreed as to the amount of the adjustments to be recorded in prior fiscal periods. Following discussions between SkyWest and KPMG, which discussions involved SkyWest's Board of Directors and its Audit Committee, those disagreements were ultimately resolved through a re-audit and restatement of SkyWest's consolidated financial statements as of and for the year ended December 31, 2001 and KPMG's issuance of their report with respect thereto. Additionally, SkyWest restated its consolidated financial statements as of and for the interim periods ended March 31 and June 30, 2002. There has been no subsequent disagreement between SkyWest and KPMG on any matter of accounting principles or practices,

financial statement disclosure, auditing scope or procedure, which disagreement, if not resolved to KPMG's satisfaction, would have caused KPMG to make reference to the subject matter of such disagreement in connection with its reports. SkyWest has authorized KPMG to respond fully to any inquiries of any successor accountant concerning the subject matter of such disagreements. There have occurred no reportable events as defined in Item 304(a)(1)(V) of Regulation S-K promulgated by the Securities and Exchange Commission.

The audit reports of KPMG on SkyWest's consolidated financial statements for the fiscal years ended December 31, 2002 and 2001 did not contain an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles, except as follows:

KPMG's report on SkyWest's consolidated financial statements as of and for the year ended December 31, 2001 contained a separate paragraph stating that "the Company has restated the consolidated balance sheet as of December 31, 2001, and the related consolidated statements of income, stockholders' equity and comprehensive income, and cash flows and financial statement schedule for the year then ended, which consolidated financial statements and financial statement schedule were previously audited by other independent auditors who have ceased operations."

KPMG's report on SkyWest's consolidated financial statements as of and for the year ended December 31, 2002 contained a separate paragraph stating that "the Company changed its method of accounting for CRJ engine overhaul costs from the accrual method to the direct expense method in 2002."

During the two most recent fiscal years ended December 31, 2002 and 2001, and the subsequent interim period through April 7, 2003, SkyWest did not consult with Ernst & Young LLP regarding any of the matters or events set forth in Item 304(a)(2)(i) and (ii) of Regulation S-K.

SkyWest provided a copy of the foregoing disclosures to KPMG prior to the date of filing of this report. A copy of KPMG's letter (as required by Item 304 (a) (3) of Regulation S-K) is filed herewith as Exhibit 16.1.
