This Proxy Statement is solicited by the Board of Directors of Caesars Entertainment, Inc. (the "Company") and is being furnished to the stockholders of the Company in connection with its Annual Meeting of Stockholders to be held at Caesars Palace, 3570 Las Vegas Boulevard South, Las Vegas, Nevada 89109, on May 26, 2004 at 8:00 a.m. (local time), and at any adjournments of that meeting. QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING AND VOTING

What am I being asked to vote on?

Edgar Filing: CAESARS ENTERTAINMENT INC - Form DEF 14A

Item One: The election of A. Steven Crown and Gilbert L. Shelton, who are two nominees for re-election to the Board of Directors for terms of three years.

Item Two: To approve the Caesars Entertainment, Inc. 2004 Long Term Incentive Plan.

What constitutes a quorum for purposes of voting?

A majority of the outstanding shares of common stock, represented either in person or by proxy at the meeting, will constitute a quorum for the transaction of business. As of the record date on April 6, 2004, there were 306,587,100 shares of common stock outstanding, which constitutes all of the outstanding voting securities of the Company.

Abstentions and broker non-votes (shares held by a broker or nominee that are represented at the meeting, but with respect to which the broker or nominee is not empowered to vote on a proposal) are included in determining the presence of a quorum.

How many votes are needed to approve each item?

Item One: The individuals receiving a plurality of the votes cast by holders of shares of common stock will be elected as directors. Abstentions and broker non-votes (if any) will not count as a vote for or against any director nominee.

Item Two: To approve the Caesars Entertainment, Inc. 2004 Long Term Incentive Plan, a majority of the shares of the Company's common stock present in person or represented by proxy and entitled to vote on the Caesars Entertainment, Inc. 2004 Long Term Incentive Plan must vote "For" such plan. Abstentions will have the effect of a vote against the Caesars Entertainment, Inc. 2004 Long Term Incentive Plan, whereas broker non-votes will not count as a vote for or against the Caesars Entertainment, Inc. 2004 Long Term Incentive Plan.

Other Matters: For any other business that properly comes before the meeting, the affirmative vote of a majority of the shares present in person or by proxy is required. Abstentions and broker non-votes (if any) will have the effect of a vote against the matter being considered.

Broker Voting: Under the rules of the New York Stock Exchange, the election of directors is considered to be a "routine" matter upon which a brokerage firm that holds your shares in its name may vote on your behalf, even if you have not furnished the firm voting instructions within a specified period prior to the annual meeting. Under the rules of the New York Stock Exchange, approval of the Caesars Entertainment, Inc. 2004 Long Term Incentive Plan is not a "routine" matter and therefore a brokerage firm that holds your shares in its name may not vote on your behalf, unless you have furnished the brokerage firm voting instructions within a specified period prior to the annual meeting.

How many votes do I have?

Each share of the Company's common stock that you own entitles you to one vote. The proxy card shows the number of shares that you owned as of the record date for voting, which was April 6, 2004.

How does the Board of Directors recommend I vote on the proposals?

The Board of Directors recommends a vote FOR each of the nominees for the Board of Directors. If you do not make a specific selection, your proxy will vote your shares as recommended by the current Board of Directors FOR the election of these nominees.

The Board of Directors recommends a vote FOR approval of the Caesars Entertainment, Inc. 2004 Long Term Incentive Plan. If you do not make a specific selection, your proxy will vote your shares as recommended by the current Board of Directors FOR the Caesars Entertainment, Inc. 2004 Long Term Incentive Plan.

How do I vote?

You may vote by proxy card, by telephone, by internet, or in person at the annual meeting. We encourage you to vote in advance by proxy card, telephone, or internet even if you plan to attend the annual meeting.

By Proxy Card: To vote by proxy card, you should complete, sign and date the enclosed proxy card and return it promptly in the enclosed pre-addressed, postage pre-paid envelope. One of the individuals named on your proxy card (your "proxy") will vote your shares as you direct on your proxy card.

Edgar Filing: CAESARS ENTERTAINMENT INC - Form DEF 14A

By Telephone: We have established a toll-free telephone number which is printed on your proxy card. You can use any touch-tone telephone to vote 24 hours a day, 7 days a week.

By Internet: We have established a secure website where you can also vote 24 hours a day, 7 days a week. The website address is listed on your proxy card.

Can I revoke my proxy after I have sent it in?

Yes. You may revoke your vote at any time before the proxy is exercised in the following ways:

You may attend and vote in person at the annual meeting, which automatically revokes any previously received vote from you; or

You may send in a later-dated proxy card, or vote again by mail or internet. This will automatically revoke your earlier vote; or

2

You may notify the Secretary of the Company that you wish to revoke your previously mailed proxy card, your telephone or your internet vote. This must be done in writing and sent to his attention at this address:

Bernard E. DeLury, Jr., Secretary
Caesars Entertainment, Inc.
3930 Howard Hughes Parkway
Las Vegas, Nevada 89109

What if my shares are held in the name of my broker, bank, or another institution?

You may vote now by mailing in the enclosed proxy card, or by using our telephone or internet voting. If you want to vote in person at the annual meeting, you must bring to the annual meeting an account statement or a letter from your institution indicating that you were the beneficial owner of the shares on April 6, 2004, the record date for voting.

ITEM 1 ELECTION OF DIRECTORS

Until March 29, 2004, our Board of Directors consisted of ten members, although the Board has the authority to establish its membership at between one and twenty members. On March 29, 2004, Ralph C. Ferrara resigned from the Board of Directors after which the size of the Board was reduced to nine members. The term of office for A. Steven Crown and Gilbert L. Shelton expires at this Annual Meeting of Stockholders. The directors are divided into three classes with staggered terms of office. One class has four directors and there are three directors in the second class and two directors in the third class. At each annual meeting, one class of directors is elected to serve three-year terms.

Each director elected at this Annual Meeting of Stockholders will hold office until the Annual Meeting of Stockholders in 2007 or until his successor has been elected. If any director resigns, dies, or is otherwise unable to serve out his/her term, the Board may fill such vacancy.

The Board has nominated A. Steven Crown and Gilbert L. Shelton for re-election. The nominees have been selected on the basis of their exemplary service as current directors, their integrity and independence, their understanding of our business environment, and their willingness to devote substantial time to Board duties. For biographical information about each of these nominees, please see "Directors and Executive Officers" beginning on page 12. Each of the nominees has consented to serve if elected. If any of them becomes unavailable to serve as a director, the Board may designate a substitute nominee. In that case, the persons named as proxies will vote for the substitute nominee

designated by the Board.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS
A VOTE "FOR" EACH OF THESE NOMINEES:**

**A. STEVEN CROWN
GILBERT L. SHELTON**

**ITEM 2
APPROVAL OF THE
CAESARS ENTERTAINMENT, INC.
2004 LONG TERM INCENTIVE PLAN**

On March 26, 2004, the Board of Directors adopted the Caesars Entertainment, Inc. 2004 Long Term Incentive Plan (the "Plan"), subject to the approval of the Company's stockholders. The purpose of the Plan is to afford an incentive to directors, officers, employees and consultants of the Company, its subsidiaries and related entities (i.e., entities in which the Company or one of its subsidiaries holds at least 25% ownership interest) to continue as directors, officers, employees and consultants, as the case may be, to increase their efforts on behalf of the Company and promote the Company's business, by offering them an opportunity through equity-based compensation to participate in the Company's growth and success. If the Plan is approved by stockholders at the 2004 Annual Meeting, the Plan will replace the Park Place Entertainment Corporation 1998 Stock Incentive Plan, the Park Place Entertainment Corporation 1998 Independent Directors Stock Option Plan and the Park Place Entertainment Corporation Supplemental Retention Plan (the "Prior Plans"); no further awards would be made under the Prior Plans, but the Prior Plans will remain in effect with respect to awards previously made under the Prior Plans. If stockholders do not approve the Plan, the Plan will have no effect and awards may continue to be granted under the Prior Plans.

The Board believes that the Plan, which provides flexibility to grant different types of equity-based awards, will enhance the long-term stockholder value of the Company by enabling the Company to tie a greater proportion of employee's total compensation to the overall performance of the Company, including increases in the price of the Company shares and the achievement of specific performance goals.

The Plan is being submitted to the Company's stockholders in order to ensure its compliance with Section 162(m) ("Section 162(m)") of the Internal Revenue Code of 1986, as amended (the "Code") and the recently-adopted New York Stock Exchange Corporate Governance Standards concerning stockholder approval of equity compensation plans. Section 162(m) denies a deduction by any publicly held corporation for certain compensation in excess of \$1,000,000 per year paid by a publicly held corporation to the following individuals who are employed at the end of the corporation's taxable year ("Covered Employees"): the Chief Executive Officer, and the four other most highly compensated executive officers for whom compensation disclosure is required under the proxy rules. Certain compensation, including compensation based on the attainment of performance goals, is excluded from this deduction limit if certain requirements are met. Among the requirements for compensation to qualify for this exception is that the material terms pursuant to which the compensation is to be paid be disclosed to and approved by the stockholders in a separate vote prior to the payment of any such compensation, and that the plan be administered by "outside directors." Accordingly, if the Plan is approved by stockholders and other conditions of Section 162(m) relating to the exclusion for performance-based compensation are satisfied, compensation paid to Covered Employees pursuant to the Plan will not be subject to the deduction limit of Section 162(m).

PLAN DESCRIPTION

The following summary of the material features of the Plan does not purport to be complete and is qualified in its entirety by the full text of the Plan, which is attached hereto as Annex A.

Administration of the Plan

The Plan will be administered by the Compensation Committee of the Board of Directors of the Company or such other committee established by the Board of Directors of the Company (the

5

Edgar Filing: CAESARS ENTERTAINMENT INC - Form DEF 14A

"Committee"). The Committee will have the full power and authority, subject to the terms of the Plan and applicable law, to:

grant awards;

designate grantees;

determine the types of awards to be granted;

determine the number of shares to be covered by awards, and the terms, provisions, conditions, restrictions and performance goals (if any) relating to any award;

determine and adjust performance goals for awards intended to comply with the requirements of Section 162(m) of the Code;

determine whether, to what extent, and under what circumstances an award may be settled in cash, shares of common stock, other securities, and the methods by which awards may be settled, exercised, cancelled, forfeited, exchanged or suspended;

determine whether and to what extent cash, shares of common stock, other securities, other awards, other property and other amounts payable with respect to an award may be deferred;

designate related entities whose directors, officers, employees and consultants may receive awards;

construe and interpret the Plan and any award to prescribe, amend and rescind rules and regulations relating to the Plan;

determine the terms and provisions of award agreements (which need not be identical for each grantee); and

make all other determinations deemed necessary or advisable for the administration of the Plan.

Subject to the terms of the Plan and applicable law, the Committee may delegate its authorities under the Plan to grant awards to individuals who are not executive officers of the Company, subject to such conditions determined by the Committee. The Committee may also delegate its administrative duties as it may deem advisable. All determinations made by the Committee with respect to the Plan and any award will be final, conclusive and binding upon all persons. Notwithstanding any provision of the Plan to the contrary, neither the Committee nor any of its delegates will have the authority to reprice (or cancel and regrant) any stock option or other award at a lower exercise, base or purchase price without first obtaining the approval of the Company's stockholders. No member of the Board of Directors of the Company or the Committee or any of their respective delegates will be liable for any action taken or determination made in good faith with respect to the Plan or any award granted under the Plan.

Eligibility

Any director, officer, employee, or consultant of the Company or any of its subsidiaries or its related entities will be eligible to receive an award under the Plan. There are currently approximately 500 individuals who may be eligible to be selected to participate in the Plan.

Shares Reserved for Issuance

The maximum number of shares of common stock with respect to which awards may be granted under the Plan is 20.0 million shares. A grantee under the Plan may not be awarded more than 5 million shares of common stock subject to stock options and no more than 10 million shares of common stock subject to awards other than stock options in a single year. Common stock delivered pursuant to an award may consist

of authorized and unissued shares or shares acquired by the

Company on the open market, in private transactions or otherwise. If any award granted under the Plan is forfeited, cancelled, exchanged or surrendered without the delivery of common stock, then the shares covered by the award, or to which the award relates, will again be available for awards under the Plan. The closing price of a share of common stock on March 26, 2004, was \$13.40 per share on the New York Stock Exchange.

In the event that the Committee determines that any dividend or other distribution, recapitalization, stock split, reorganization, merger, consolidation, spin-off, combination, repurchase or exchange of shares, or other similar corporate transaction or event affects the common stock such that an adjustment is appropriate in order to prevent dilution or enlargement of the rights of grantees under the Plan, the Committee will equitably adjust any or all of the maximum number and kind of shares of common stock or other property with respect to which awards may be granted under the Plan or to any particular grantee, the number or kind of shares of common stock or other property subject to outstanding awards, and the grant, exercise or purchase price with respect to any award or the performance goals applicable to outstanding awards.

Types of Awards

The Plan provides for the grant of stock options (including options intended to be "incentive stock options" within the meaning of Section 422 of the Code), stock appreciation rights, restricted stock, restricted stock units, and other stock-based awards.

Options. The Committee will have sole and complete authority to determine the grantees to whom options will be granted under the Plan, the number of shares to be subject to options and the terms and conditions of options (including whether the option is an incentive stock option), provided that the per share exercise price of an option granted under the Plan may not be less than 100% of the fair market value (as defined in the Plan) of the common stock on the date of grant. The term of any option granted under the Plan may not exceed 10 years.

Stock Appreciation Rights. The Committee will have sole and complete authority to determine the grantees to whom stock appreciation rights will be granted under the Plan, the number of stock appreciation rights to be awarded, whether the stock appreciation rights will be granted independently or in tandem with an option grant and other terms and conditions of the award. A stock appreciation right granted in tandem with an option will only be exercisable to the extent the underlying option is exercisable. Stock appreciation rights will be paid out in an amount measured by the appreciation in the fair market value of the common stock from the date of grant to the date of exercise.

Restricted Stock. The Committee will have sole and complete authority to determine the grantees to whom awards of restricted stock will be granted under the Plan, the number of shares to be subject to the awards, and the terms and conditions of the awards, including whether the vesting of such an award will be subject to the attainment of one or more performance goals (as described below). A recipient of restricted stock has all the rights of a stockholder, including voting and dividend rights. Dividends paid on shares of restricted stock may be paid directly to the grantee or payment may be deferred to a later date, as determined by the Committee.

Restricted Stock Units. The Committee will have sole and complete authority to determine the grantees to whom awards of restricted stock units will be granted under the Plan, the number of restricted stock units to be awarded, and the terms and conditions of the awards, including whether the vesting of such an award will be subject to the attainment of one or more performance goals. Restricted stock units may be paid out in cash or common stock, as determined by the Committee, upon the expiration of the deferral period

Other Stock-Based Awards. Other stock-based awards, valued in whole or in part by reference to or otherwise based on shares of common stock, may be granted under the Plan. The Committee will

have sole and complete authority to determine the grantees to whom the awards will be granted, the form of the award and all terms and conditions of the awards, including whether the vesting or payment of any portion of any such award will be subject to the attainment of one or more performance goals.

Performance Goals

Edgar Filing: CAESARS ENTERTAINMENT INC - Form DEF 14A

Under the Plan, the Committee has the authority to determine that vesting or payment of an award under the Plan will be subject to the attainment of one or more performance goals with respect to a performance period. Performance periods are determined by the Committee but are not shorter than twelve months. The performance goals may relate to all or any portion of the performance period. The performance goals may include any or a combination of, or maintenance of or a specified increase in, the following:

earnings including operating income, earnings before or after taxes, earnings before or after interest, depreciation, amortization, or extraordinary or special items;

earnings per common share (basic or diluted);

return on assets (gross or net), return on investment, return on capital, or return on equity;

return on revenues;

cash flow, free cash flow, cash flow return on investment (discounted or otherwise), net cash provided by operations, or cash flow in excess of cost of capital;

economic value created;

operating margin or profit margin;

common stock price or total stockholder return;

cost targets, reductions and savings, productivity and efficiencies;

strategic business criteria, consisting of one or more objectives based on meeting specified market penetration or market share, geographic business expansion, customer satisfaction, employee satisfaction, human resources management, supervision of litigation, information technology, and goals relating to acquisitions, divestitures, joint ventures and similar transactions; and

personal professional objectives, including any of the foregoing performance goals, the implementation of policies and plans, the negotiation of transactions, and the development of long-term business goals.

Termination of Employment

Unless otherwise provided by the Committee in the award agreement, upon termination of a grantee's employment with or service to the Company, its subsidiary or related entity, the grantee will forfeit any outstanding options, restricted stock and restricted stock units. Treatment of stock appreciation rights and other stock-based awards upon termination of a grantee's employment with or service to the Company, its subsidiary or related entity will be set forth in the award agreement.

Change in Control

Upon a change in control (as defined in the Plan) the restrictions, limitations and conditions applicable to outstanding awards will lapse, performance goals will be deemed to be fully achieved and the awards will become fully vested (and in the case of options, exercisable).

Transferability of Awards

Unless otherwise provided by the Committee, awards granted under the Plan generally may not be transferred by a grantee other than by will or the laws of descent and distribution and may be exercised during the grantee's lifetime only by the grantee or his guardian or legal representative.

Term of the Plan, Amendment or Termination of the Plan

The Plan will become effective upon its approval by the Company's stockholders. If the Plan is not so approved, the Plan will be of no force and effect and all shares reserved under the Prior Plans will remain available in accordance with the terms of the Prior Plans. No award may be granted under the Plan after the tenth anniversary of the effective date of the Plan.

The Board of Directors of the Company may amend, alter, suspend, or terminate the Plan at any time, provided that no such amendment, alteration, suspension, or termination will be made without stockholder approval if such approval is necessary to comply with any tax, regulatory or stock exchange requirement. No amendment to or termination of the Plan will adversely affect any awards granted under the Plan without the grantee's permission.

NEW PLAN BENEFITS

The benefits to be derived under the Plan by grantees cannot be determined, as the ultimate value of awards under the Plan depends on a variety of factors, including the market value of the common stock, and future grants under the Plan will be made at the sole discretion of the Committee, based on a variety of factors.

CERTAIN FEDERAL INCOME TAX CONSEQUENCES

The following discussion is a brief summary of the principal United States federal income tax consequences under current federal income tax laws relating to awards under the Plan. This summary is not intended to be exhaustive or to constitute tax advice and, among other things, does not describe state, local or foreign income and other tax consequences.

Nonqualified Stock Options

A grantee will not recognize any taxable income upon the grant of a nonqualified stock option, and the Company will not be entitled to a tax deduction with respect to such grant. Upon exercise of a nonqualified stock option, the excess of the fair market value of the common stock on the exercise date over the option exercise price will be taxable as ordinary income to the grantee and will be subject to applicable withholding taxes. The Company will generally be entitled to a tax deduction at such time in the amount of such ordinary income. The grantee's tax basis for the common stock received pursuant to the exercise of a nonqualified stock option will equal the sum of the ordinary income recognized and the exercise price.

A grantee who pays the option exercise price upon exercise of an option, in whole or in part, by delivering already owned shares of common stock will generally not recognize gain or loss on the shares surrendered at the time of such delivery, except under certain circumstances. Rather, such gain or loss recognition will generally occur upon disposition of the shares acquired in substitution for the shares surrendered.

In the event of a sale of common stock received upon the exercise of a nonqualified stock option, any appreciation or depreciation after the exercise date generally will be taxed as capital gain or loss.

Incentive Stock Options

A grantee will not recognize any taxable income at the time of grant or timely exercise of an incentive stock option, and the Company will not be entitled to a tax deduction with respect to such grant or exercise. Exercise of an incentive stock option may, however, give rise to taxable income subject to applicable withholding taxes, and a tax deduction to the Company, if the incentive stock option is not exercised on a timely basis (generally, while the grantee is employed by the Company or within three months after termination of employment) or if the grantee subsequently engages in a "disqualifying disposition," as described below. In addition, the amount by which the fair market value of the common stock on the exercise date of an incentive stock option exceeds the exercise price generally will increase the grantee's alternative

minimum taxable income.

A grantee who pays the option exercise price upon exercise of an option, in whole or in part, by delivering already owned shares of common stock will generally not recognize gain or loss on the shares surrendered at the time of such delivery, except under certain circumstances. Rather, such gain or loss recognition will generally occur upon disposition of the shares acquired in substitution for the shares surrendered.

A grantee will recognize long-term capital gain or loss upon his or her disposition of shares acquired upon the exercise of an incentive stock option if such disposition occurs at least one year after the transfer of the shares to such grantee and at least two years after the date of grant of the incentive stock option. Such long-term capital gain or loss will be measured by the difference between the amount realized on such disposition and the option exercise price. If, however, a grantee disposes of shares acquired upon the exercise of an incentive stock option within two years after the date of grant of the incentive stock option or within one year from the date of transfer of the incentive stock option shares to the grantee, such sale or exchange will generally constitute a "disqualifying disposition" of such shares and will have the following results: any excess of (a) the lesser of (i) the fair market value of the shares at the time of exercise of the incentive stock option and (ii) the amount realized on such disqualifying disposition of the shares over (b) the option exercise price of such shares, will be ordinary income to the grantee, subject to applicable withholding taxes, and the Company will be entitled to a tax deduction in the amount of such income. Any further gain or loss after the date of exercise generally will qualify as capital gain or loss and will not be deductible by the Company.

Stock Appreciation Rights.

A grantee will not realize taxable income upon the receipt of stock appreciation rights and the Company will not be entitled to a deduction with respect to such grant on the date of such grant. Upon the exercise of a stock appreciation right, the recipient will realize ordinary income equal to the amount of cash (including the amount of any taxes withheld) and the fair market value of any shares received at the time of exercise. In general, the Company will be entitled to a corresponding deduction, equal to the amount of income realized.

Restricted Stock

A grantee will not recognize any income upon the receipt of restricted stock unless the grantee elects under Section 83(b) of the Code, within thirty days of such receipt, to recognize ordinary income in an amount equal to the fair market value of the restricted stock at the time of receipt, less any amount paid for the shares. If the election is made, the grantee will not be allowed a deduction for amounts subsequently required to be returned to the Company. If the election is not made, the grantee will generally recognize ordinary income, on the date that the restrictions to which the restricted stock are subject are removed, in an amount equal to the fair market value of such shares on such date, less any amount paid for the shares. At the time the grantee recognizes ordinary income, the Company

10

generally will be entitled to a deduction in the same amount, subject to the application of Section 162(m).

Generally, upon a sale or other disposition of restricted stock with respect to which the grantee has recognized ordinary income (i.e., a Section 83(b) election was previously made or the restrictions were previously removed), the holder will recognize capital gain or loss in an amount equal to the difference between the amount realized on such sale or other disposition and the grantee's basis in such shares.

Restricted Stock Units and Other Stock-Based Awards

In general, the grant of restricted stock units and other stock-based awards will not result in income for the grantee or in a tax deduction for the Company. Upon the settlement of such an award, the grantee will recognize ordinary income equal to the aggregate value of the payment received, and the Company generally will be entitled to a tax deduction in the same amount, subject to the application of Section 162(m).

INFORMATION REGARDING THE BOARD OF DIRECTORS AND ITS COMMITTEES

The Board of Directors

In November 2003, the New York Stock Exchange (the "NYSE") adopted rules requiring that a majority of the Company's directors be "independent." The NYSE rules, which will be effective with respect to the Company as of the 2004 Annual Meeting of Stockholders, require a NYSE listed company to review whether the directors are "independent." The NYSE rules set forth circumstances under which a Board of Directors cannot deem a director to be "independent;" in particular, the NYSE rules provide that a Board of Directors cannot deem "independent" a director who is an employee. To classify a director as "independent" for purposes of the NYSE rules, the Company has to determine affirmatively that the director has no material relationship with the Company (either directly or as a partner, stockholder or officer of an organization that has a relationship with the Company). To make this determination, the Company, as permitted by the NYSE rules, adopted the following categorical standard: a director has no material relationship with the Company and therefore is independent if fees paid to an organization associated with the director do not exceed the greater of (i) \$1 million or (ii) 2% of the consolidated gross revenues of the organization associated with the director.

The Board assessed each director against this categorical standard and also considered whether there were any other relationships, direct or indirect, between the Company and each director that would cause each director not to be "independent," as defined by the NYSE rules.

The Board affirmatively determined that a majority of the Board of Directors are "independent," as defined by the NYSE rules. Specifically, the following directors are "independent" pursuant to the categorical standard and the NYSE rules: Barbara Coleman, A. Steven Crown, Peter G. Ernaut, Eric M. Hilton, William Barron Hilton and Gilbert L. Shelton. Due to employment relationships with the Company, Messrs. Bollenbach, Barr and Cummis did not meet the NYSE's definition of "independent."

Edgar Filing: CAESARS ENTERTAINMENT INC - Form DEF 14A

The Company's directors are expected to regularly attend the annual and any special meetings of the Company's stockholders. All members of the Board of Directors attended the Company's Annual Meeting of Stockholders in May 2003 and the Company's Special Meeting of Stockholders in September 2003. The Company's directors are also expected to regularly attend meetings of the Board and Committees on which the directors sit, and to review prior to meetings the material distributed in advance of such meetings. The Board of Directors held eight meetings during 2003. Each member of the Board of Directors attended at least 75% of the meetings of the Board of Directors and the Committees of which he or she is a member.

The Board's non-management directors, including directors who are not independent under the NYSE rules, meet in executive sessions, which sessions are chaired by the Chairman of the Board. The Company may also schedule executive sessions consisting only of directors who are independent under the NYSE rules. As of January 23, 2004, the Company's policy is to have an independent director preside over the executive sessions of independent directors. Under the Company's policy, the Chairman of the Board of Directors would preside over such executive sessions of independent directors, except where the Chairman is not an independent director. If the Chairman is not independent, the position of presiding director (the "Rotating Presiding Director") would rotate for each session of the independent directors based on the alphabetical order of the last names of the independent directors. To contact Mr. Bollenbach or the non-management directors as a group, please see the information below on stockholder communications with the Board of Directors.

Stockholder Communications with the Board of Directors. The Board of Directors has adopted a process by which the Company's stockholders can send written communication to the directors. Committees of the Board of Directors.

The Board of Directors has standing Audit, Compensation, Compliance, Diversity and Nominating and Corporate Governance Committees.

Audit Committee

The members of the Audit Committee are Gilbert L. Shelton (Chair), A. Steven Crown, Eric M. Hilton and William Barron Hilton. Ralph C. Ferrara served on the Audit Committee until March 29, 2004, when he resigned from the Board of Directors. The Board has determined that Mr. Shelton is the Audit Committee's "audit committee financial expert," as such term is defined in the rules and regulations promulgated by the Securities and Exchange Commission, and is, along with the other Audit Committee members, "independent," as defined by the NYSE rules. The Audit Committee met five times in 2003. The Audit Committee provides oversight of the accounting, auditing, internal control and financial reporting practices of the Company. The Audit Committee reviews the independence of the independent auditors, recommends to the Board the engagement and discharge of independent auditors, reviews with the independent auditors their audit reports, their scope of review and plan, their findings, their recommendations and their fees. The Audit Committee reviews the scope and results of the Company's procedures for internal auditing, sets staffing levels and compensation for internal audit personnel, the adequacy of internal accounting controls, and directs and supervises special investigations. The Audit Committee meets periodically with internal and independent auditors. The Audit Committee meets both with and without management in attendance. The Board adopted a written Audit Committee charter and it is attached hereto as Annex B and is available on the "Corporate Governance" section of the "About Us" section of Company's website at the internet address of www.caesars.com/corporate/aboutus/corporategovernance. A copy may also be obtained, without cost, by written request submitted to Bernard E. DeLury, Jr., Secretary, Caesars Entertainment, Inc., 3930 Howard Hughes Parkway, Las Vegas, Nevada 89109.

Compensation Committee

The members of the Compensation Committee are A. Steven Crown (Chair), Barbara Coleman, Peter G. Ernaut, Eric M. Hilton and William Barron Hilton. The Board has determined that all Compensation Committee members are "independent," as defined by the NYSE rules. The Compensation Committee met five times in 2003. The Compensation Committee is comprised of outside directors and determines salary, bonus, stock option, and other compensation for executive officers of the Company, as well as overall employment and compensation practices of the Company in general. It administers the Company's 1998 Stock Incentive Plan and Supplemental Retention Plan and will administer the Caesars Entertainment, Inc. 2004 Long Term Incentive Plan if approved at the Annual Meeting of Stockholders. The Compensation Committee reports to the Board of Directors regarding all its decisions concerning such plans. The Compensation Committee prepares an annual report in which it discusses the compensation of the Company executives and the philosophy behind that compensation. The Compensation Committee Charter is available on the "Corporate Governance" section of the "About Us" section of the Company's website at www.caesars.com/corporate/aboutus/corporategovernance. A copy may also be obtained, without cost, by written request submitted to Bernard E. DeLury, Jr., Secretary, Caesars Entertainment, Inc., 3930 Howard Hughes Parkway, Las Vegas, Nevada 89109.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board of Directors is composed entirely of independent outside directors. The Compensation Committee is responsible for establishing and administering the compensation philosophy, policies, and programs applicable to the executive officers of the Company, including specific decisions regarding each executive officer's compensation and the overall compensation practices of the Company.

The Company is largely dependent upon the judgment, initiative, and effort of its executive officers for the successful conduct of its business. Therefore, the Compensation Committee's primary objective is to establish plans that will attract, retain, and motivate highly skilled and talented executives in a dynamic and competitive industry. This is accomplished through implementation of the following policies:

Ensuring that executive compensation is competitive within the gaming industry as well as within the realm of other public companies of similar size, scope and revenues;

Providing incentives to executives to increase stockholder value, both in the short term and in the long term;

Providing executives with a personal financial interest in the Company similar to the interest of our stockholders;

Linking executive compensation to Company performance; and

Reflecting the performance and contribution of each executive officer in the Committee's compensation determinations.

Our executive officers are compensated through a combination of salary, performance bonuses, equity grants, and a deferred compensation program. The Company also pays benefits upon certain executive officers' deaths through an executive death benefit plan.

In 2003, the Compensation Committee retained the services of one of the nation's leading human resource and executive compensation consulting firms, to advise it on matters related to executive compensation.

20

Salaries

The Company entered into employment agreements with Messrs. Barr, Hagerty and DeLury. The employment agreements establish minimum annual base salaries for each executive. In setting salaries, we compare our salaries with those of other public companies, gaming and non-gaming, of similar size, scope of operations, and revenues. We also consider each officer's performance and responsibility level, as well as the Company's current financial condition and performance during the past fiscal year, such as growth in revenues, earnings before interest, taxes, depreciation and amortization ("EBITDA"), earning per share, and strategic acquisition or disposition of assets.

Performance Bonuses

At the beginning of each year, the Compensation Committee establishes performance objectives and the target potential bonus award for each executive officer, including the Chief Executive Officer. At the end of the performance period, the Compensation Committee determines the results achieved relative to such objectives, and establishes each executive officer's annual bonus.

In May 2000, stockholders approved the Company's Executive Incentive Plan, which is intended to qualify certain compensation paid to executive officers for deductibility under Section 162(m) of the Internal Revenue Code of 1986, as amended, which otherwise limits deductibility to \$1 million for the Chief Executive Officer and each of the four other most highly compensated officers. In making compensation decisions, the Compensation Committee will take into account the effect of Section 162 (m) and the Executive Incentive Plan, while retaining the flexibility to approve compensation that it deems to be in the best interest of the Company and its stockholders, but which may not always qualify for full tax deductibility.

The Committee established criteria for 2003 bonus awards that were based on the Company reaching certain targeted EBITDA and earnings per share objectives.

Stock Options

Annual stock option grants are a critical component of the Company's long-term executive compensation program by linking a major portion of executive financial interests to the performance of our stock. Options increase the executive's motivation and incentive to continue with the Company and grow the value of its stock by providing the executive with the same opportunity to benefit from appreciation in the stock price as do other stockholders. Pursuant to their employment agreements, we awarded options to purchase shares of common stock to Messrs. Barr, Hagerty and DeLury. The size of the option grants to the executive officers reflects the Compensation Committee's judgment as to current and potential contribution of the individual executive officer to the present and future growth and profitability of the Company and to the creation of stockholder value.

Supplemental Retention Plan

Effective November 1, 2001, the Company adopted the Supplemental Retention Plan ("SRP"). Under the SRP, senior executives of the Company and its subsidiaries may be granted supplemental retention rights ("Rights"). The Rights vest 20 percent on each of the first and second anniversaries of the date the Rights were granted and 30 percent on each of the third and fourth anniversaries of the date the Rights were granted. The Rights are payable in shares of the Company's common stock, on a one-for-one basis, upon the grantee's retirement, or the grantee may make a one-time election upon the grantee attaining retirement eligibility (age 65 or age plus years of service equal to 55) to have an "in service" distribution while still employed by the Company of up to 50 percent of the vested Rights. The SRP also provides for an adjustment in the number of Rights in a participant's account based upon dividends and distributions paid by the Company on the underlying shares of

common stock from the date of grant.

The grants of Rights to the named executive officers are set forth in the Summary Compensation Table under the caption "Restricted Stock Awards." The vesting schedule for these SRP Rights is explained in footnote 3 to the Summary Compensation Table.

As described in this proxy statement, the Company is seeking stockholder approval for a new long-term incentive plan that will replace all of the existing plans, and allow the Company to make equity grants to its executives that are performance-based on more closely aligned with shareholder interests, while continuing to attract and retain the high caliber of executive talent necessary to continue to drive the Company to success.

Executive Deferred Compensation Plan

Executive officers also may participate in a plan under which they may elect to defer any portion of their compensation in accordance with plan provisions. The Company provides a matching contribution of 50 percent of the first 10 percent of compensation deferred by the executive. The executive's interest in the Company's match vests at the rate of one-third per annum, with 100 percent acceleration in the event of death, permanent disability, change of control, or retirement at age 55 or thereafter.

Executive Death Benefit Plan

The Company adopted an Executive Death Benefit Plan in fiscal year 2000 for the purpose of providing benefits to a select group of management employees. Each of the five most highly compensated executive officers qualifies for this plan. The plan provides, in the event of the executive's death, for the Company to pay a benefit equal to 150 percent of the sum of (a) the executive's base salary at the time of death plus (b) the bonus paid for the fiscal year in which the death occurs, with a maximum cap of \$5 million, plus an amount to reimburse the executive's estate for taxes on the amount of the benefit paid.

Chief Executive Officer Compensation

Mr. Barr's employment agreement provides for a minimum annual base salary of \$1.0 million, with annual review by the Board of Directors. Mr. Barr is also eligible to receive an annual bonus subject to the criteria established by the Board of Directors. He was awarded a bonus for 2003 that was commensurate with those being paid to our other executive officers.

The Committee continues to monitor the compensation and benefits paid to our executive officers to ensure that they are effective, appropriate, competitive and tax efficient.

Approved by the Compensation Committee of the Board of Directors, March 25, 2004,

A. Steven Crown, Chair

Compliance Committee

The members of the Compliance Committee are Clive S. Cummis (Chair), Barbara Coleman, A. Steven Crown, Eric M. Hilton and Gilbert L. Shelton. The Compliance Committee met five times in 2003. The Compliance Committee supervises the Company's efforts to ensure that its business and operations are conducted in compliance with the highest standards applicable to it as a matter of legal and regulatory requirements as well as ethical business practices. In particular, the Compliance Committee is responsible for the establishment and implementation of the Company's internal reporting system regarding compliance with regulatory matters associated with the Company's gaming operations. The Compliance Committee supervises the activities of the Company's Compliance Officer and communicates on a periodic basis with gaming regulatory agencies on compliance matters. It reviews information and reports regarding the suitability of potential key employees of the

Company as well as persons and entities proposed to be involved in material transactions or relationships with the Company. The Company believes that the involvement of the Board in this endeavor creates an environment in which integrity and honesty are clearly identified as a critical component of our corporate culture.

Diversity Committee

The members of the Diversity Committee are Barbara Coleman (Chair), Wallace R. Barr, Stephen F. Bollenbach and Peter G. Ernaut. The Diversity Committee met two times in 2003. The Diversity Committee is dedicated to the development and implementation of policies and programs that promote equality of opportunity in all facets of the Company's business. The Diversity Committee's goals are to increase diversity in the Company's workforce, management, and in its dealings with vendors, with special emphasis on identifying qualified females and ethnic minorities.

Nominating and Corporate Governance Committee

The current members of the Nominating and Corporate Governance Committee are Stephen F. Bollenbach (Chair), William Barron Hilton and Gilbert L. Shelton. The Board has determined that Messrs. Hilton and Shelton are "independent," as defined by the NYSE rules. Immediately before the 2004 Annual Stockholder's Meeting, Mr. Bollenbach will step down as a member of the Nominating and Corporate Governance Committee, upon which his vacancy will be filled by a director who is "independent," as defined by the NYSE rules, and thereafter all members of the Nominating and Corporate Governance Committee will be "independent," as defined by the NYSE rules. The Nominating and Corporate Governance Committee met three times in 2003. The Nominating and Corporate Governance Committee evaluates and recommends candidates to the Board of Directors to fill positions on the Board of Directors and reviews matters that concern corporate governance. It reviews on a continuing basis, and at least once a year, the structure of the Board to assure its continuity and to assure that the proper skills and experience are represented on the Board, and reviews any potential conflicts of Board members when a prospective Board member is being considered for election to the Board. The Nominating and Corporate Governance Committee Charter is available on the "Corporate Governance" section of the "About Us" section of the Company's website at www.caesars.com/corporate/aboutus/corporategovernance. A copy may also be obtained, without cost, by written request submitted to Bernard E. DeLury, Jr., Secretary, Caesars Entertainment, Inc., 3930 Howard Hughes Parkway, Las Vegas, Nevada 89109.

Stockholder Nominations of Candidates to the Board of Directors. Stockholders may recommend to the Nominating and Corporate Governance Committee candidates for the Board of Directors if the Company receives such recommendations 120 days before the anniversary date of the Company's most recent annual meeting. In considering the candidates submitted by stockholders, the Nominating and Corporate Governance Committee will consider the needs of the Board of Directors and the qualifications of the candidates.

Stockholders who want to recommend a person as a candidate for the Board of Directors of the Company may do so by sending the following information to the Nominating and Corporate Governance Committee of the Board of Directors of the Company, c/o Bernard E. DeLury, Jr., Secretary, Caesars Entertainment, Inc., 3930 Howard Hughes Parkway, Las Vegas, Nevada 89109: (1) name and address of the candidate; (2) a brief biographical sketch and resume of the candidate; (3) contact information for the candidate; (4) a document evidencing the candidate's willingness to serve as a director if elected and to submit to the necessary regulatory approvals; and (5) a signed statement as to the submitting stockholder's current status as a stockholder and the number of shares currently held.

Qualifications and Evaluations of Nominees to the Board of Directors. The Board shall be responsible for nominating members for election to the Board, and the Board shall be responsible for filling vacancies on the Board that may occur between Annual Meetings of Stockholders. In selecting nominees, the Board of Directors considers, among other factors, a nominee's reputation for integrity and ethical dealings and willingness to devote adequate time and effort to the responsibilities of serving on the Board of Directors. The Nominating and Corporate Governance Committee is responsible for identifying, evaluating and recommending candidates to the Board for Board membership.

The Nominating and Corporate Governance Committee identifies potential nominees by asking current directors and executive officers to notify the Nominating and Corporate Governance Committee if such directors and executive officers become aware of persons, meeting the general criteria described below, who have had a change in circumstances that might make such persons available to serve on the Board for example, retirement of a person as a chief executive officer of a public company or from government or military service. The Nominating and Corporate Governance Committee may also periodically engage firms that specialize in identifying candidates for director. Currently, the Company does not pay a fee to any third party to identify or evaluate or assist in identifying or evaluating potential nominees. As described above, the Nominating and Corporate Governance Committee will consider candidates recommended by stockholders.

Once a person has been identified by the Nominating and Corporate Governance Committee as a potential candidate, the Nominating and Corporate Governance Committee may collect and review publicly available information regarding the person to assess whether the person should be considered further. If the Nominating and Corporate Governance Committee determines that a potential candidate warrants further consideration, the Chair or another member of the Nominating and Corporate Governance Committee would contact the person. Generally, the Nominating and Corporate Governance Committee would review the person's accomplishments and qualifications in light of the accomplishments and qualifications of any other candidates that the Nominating and Corporate Governance Committee may be considering and conduct one or more interviews with the candidate. In certain instances, a member of the Nominating and Corporate Governance Committee may contact one or more references provided by the candidates or may contact other members of the business community or other persons that may have first-hand knowledge of the candidate's accomplishments.

The Nominating and Corporate Governance Committee does not set specific, minimum qualifications for nominees for the position of director. Candidates, however, should show leadership in their particular fields and have the ability to exercise sound business judgment. The Nominating and Corporate Governance Committee will select candidates to recommend to the Board of Directors with the goal of enhancing the Board's ability to manage and direct the affairs and business of the Company on the basis of, among other things, experience, knowledge, skills, expertise, integrity, diversity, ability to make independent analytical inquiries, and understanding of the Company's business environment. When applicable, the Nominating and Corporate Governance Committee will select a candidate with the potential to enhance the ability of committees of the Board to fulfill their duties and/or to satisfy any independence requirements imposed by law, regulation or listing standards.

There are no differences in how a nominee recommended by a stockholder would be evaluated as compared to any other nominee recommended by the Nominating and Corporate Governance Committee.

3. *Administration.*

The Plan shall be administered by the Committee. The Committee may delegate its authority to grant awards under the Plan to individuals who are not executive officers of the Company, subject to such conditions determined by the Committee to such person(s) as the Committee shall determine. Notwithstanding the foregoing, neither the Board, the Committee nor their respective delegates shall have the authority to

A-4

reprice (or cancel and regrant) any Option or, if applicable, other Award at a lower exercise, base or purchase price without first obtaining the approval of the Company's stockholders.

The Committee may appoint a chairperson and a secretary and may make such rules and regulations for the conduct of its business as it shall deem advisable, and shall keep minutes of its meetings. The Committee may delegate to one or more of its members or to one or more agents such administrative duties as it may deem advisable, and the Committee or any person to whom it has delegated duties as aforesaid may employ one or more persons to render advice with respect to any responsibility the Committee or such person may have under the Plan. All decisions, determinations and interpretations of the Committee shall be final and binding on all persons, including the Company, any Subsidiary of the Company, any Related Entity or Grantee (or any person claiming any rights under the Plan from or through any Grantee) and any stockholder.

No member of the Board, the Committee or any of respective delegates shall be liable for any action taken or determination made in good faith with respect to the Plan or any Award granted hereunder.

4. *Eligibility.*

Awards may be granted to selected directors, officers, employees or consultants of the Company, any Subsidiary of the Company or any Related Entity, in the discretion of the Committee. In determining the persons to whom Awards shall be granted and the type of any Award (including the number of shares to be covered by such Award), the Committee shall take into account such factors as the Committee shall deem relevant in connection with accomplishing the purposes of the Plan.

5. *Stock Subject to the Plan.*

The maximum number of shares of Stock reserved for the grant of Awards under the Plan shall, subject to adjustment as provided herein, be 20 million shares. If, subsequent to the Effective Date, any shares of Stock subject to an Award are forfeited, cancelled, exchanged or surrendered or if an Award otherwise terminates or expires without a distribution of shares to the Grantee, the shares of stock with respect to such Award shall, to the extent of any such forfeiture, cancellation, exchange, surrender, termination or expiration, be available for Awards under the Plan. No more than 5 million shares of Stock may be made subject to Options to a single individual in a single Plan Year, subject to adjustment as provided herein, and no more than 10 million shares of Stock may be made subject to stock-based awards other than Options (including non-tandem SARs, Restricted Stock and Restricted Stock Units or Other Stock-Based Awards denominated in shares of Stock) to a single individual in a single Plan Year, in either case, subject to adjustment as provided herein. Shares available under the Plan may, in whole or in part, be authorized but unissued shares or shares that shall have been or may be reacquired by the Company in the open market, in private transactions or otherwise. Upon the exercise of any Award granted in tandem with any Awards, such related Awards shall be cancelled to the extent of the number of shares of Stock as to which the Award is exercised and, notwithstanding the foregoing, such number of shares shall no longer be available for Awards under the Plan.

In the event that the Committee shall determine that any dividend or other distribution (whether in the form of cash, Stock, or other property), recapitalization, Stock split, reverse split, reorganization, merger, consolidation, spin-off, combination, repurchase, or share exchange, or other similar corporate transaction or event, affects the Stock such that an adjustment is appropriate in order to prevent dilution or enlargement of the rights of Grantees under the Plan, then the Committee shall make such equitable changes or adjustments as it deems necessary or appropriate to any or all of (i) the maximum number and kind of shares of Stock or other property (including cash) that may thereafter be issued in connection with Awards under the Plan or to any particular Grantee, (ii) the number and kind of shares of Stock or other property (including cash) issued or issuable in respect of outstanding Awards, (iii) the exercise price, grant price, or purchase price relating to any Award; provided, that, with respect

A-5

to ISOs, such adjustment shall be made in accordance with Section 424(h) of the Code; and (iv) the Performance Goals applicable to outstanding Awards.

6. *Specific Terms of Awards.*

(a) *General.* The term of each Award shall be for such period as may be determined by the Committee. Subject to the terms of the Plan and any applicable Award Agreement, payments to be made by the Company, a Subsidiary of the Company or Related Entity upon the grant, maturation, or exercise of an Award may be made in such forms as the Committee shall determine at the date of grant or thereafter, including, without limitation, cash, Stock, or other property, and may be made in a single payment or transfer, in installments, or on a deferred basis. The Committee may make rules relating to installment or deferred payments with respect to Awards, including the rate of interest to be credited with respect to such payments. In addition to the foregoing, the Committee may impose on any Award or the exercise thereof, at the date of grant or thereafter, such additional terms and conditions, not inconsistent with the provisions of the Plan, as the Committee shall determine.

(b) *Options.* The Committee is authorized to grant Options to Grantees on the following terms and conditions:

(i) *Type of Award.* The Award Agreement evidencing the grant of an Option under the Plan shall designate the Option as an ISO or an NQSO.

(ii) *Exercise Price.* The exercise price per share of Stock purchasable under an Option shall be determined by the Committee, but in no event shall the exercise price per share of any Option be less than the Fair Market Value of a share of Stock on the date of grant of such Option. The exercise price for Stock subject to an Option may be paid in cash or by an exchange of Stock previously owned by the Grantee for at least six months, through a "broker cashless exercise" procedure approved by the Committee (to the extent permitted by law), or a combination of the above, in any case in an amount having a combined value equal to such exercise price.

(iii) *Term and Exercisability of Options.* Options shall be exercisable over the exercise period (which shall not exceed ten years from the date of grant), at such times and upon such conditions as the Committee may determine, as reflected in the Award Agreement; provided that, the Committee shall have the authority to accelerate the exercisability of any outstanding Option at such time and under such circumstances as it, in its sole discretion, deems appropriate. An Option may be exercised to the extent of any or all full shares of Stock as to which the Option has become exercisable, by giving written notice of such exercise to the Committee or its designated agent.

(iv) *Termination of Employment, etc.* An Option may not be exercised unless the Grantee is then a director of, in the employ of, or then maintains a consulting relationship with, the Company, a Subsidiary of the Company or a Related Entity, and unless the Grantee has remained continuously so employed, or continuously maintained such relationship, since the date of grant of the Option; provided that, the Award Agreement may contain provisions extending the exercisability of Options, in the event of specified terminations of employment or service, to a date not later than the expiration date of such Option.

(v) *Other Provisions.* Options may be subject to such other conditions including, but not limited to, restrictions on transferability of the shares acquired upon exercise of such Options, as the Committee may prescribe in its discretion or as may be required by applicable law.

A-6

(c) *SARs.* The Committee is authorized to grant SARs to Grantees on the following terms and conditions:

(i) *In General.* SARs may be granted independently or in tandem with an Option. Unless the Committee determines otherwise, an SAR (1) granted in tandem with an NQSO may be granted at the time of grant of the related NQSO or at any time thereafter or (2) granted in tandem with an ISO may only be granted at the time of grant of the related ISO. An SAR granted in tandem with an Option shall be exercisable only to the extent the underlying Option is exercisable. Payment of an SAR may be made in cash, Stock, or property as specified in the Award or determined by the Committee.

(ii) *SARs.* An SAR shall confer on the Grantee a right to receive an amount with respect to each share subject thereto, upon exercise thereof, equal to the excess of (1) the Fair Market Value of one share of Stock on the date of exercise over (2) the grant price of the SAR (which in the case of an SAR granted in tandem with an Option shall be equal to the exercise price of the underlying Option, and which in the case of any other SAR shall be such price as the Committee may determine).

(d) *Restricted Stock.* The Committee is authorized to grant Restricted Stock to Grantees on the following terms and conditions:

(i) *Issuance and Restrictions.* Restricted Stock shall be subject to such restrictions on transferability and other restrictions, if any, as the Committee may impose at the date of grant or thereafter, which restrictions may lapse separately or in combination at such times, under such circumstances, in such installments, or otherwise, as the Committee may determine. The Committee may place restrictions on Restricted Stock that shall lapse, in whole or in part, only upon the attainment of Performance Goals. Except to the extent restricted under the Award Agreement relating to the Restricted Stock, a Grantee granted Restricted Stock shall have all of the rights of a stockholder including, without limitation, the right to vote Restricted Stock and the right to receive dividends thereon.

(ii) *Forfeiture.* Upon termination of employment with or service to the Company, a Subsidiary of the Company or a Related Entity, or upon termination of the consulting or director relationship, as the case may be, during the applicable restriction period, Restricted Stock and any accrued but unpaid dividends that are then subject to restrictions shall be forfeited; provided that, the Committee may provide, by rule or regulation or in any Award Agreement, or may determine in any individual case, that restrictions or forfeiture conditions relating to Restricted Stock will be waived in whole or in part in the event of terminations resulting from specified causes, and the Committee may in other cases waive in whole or in part the forfeiture of Restricted Stock.

(iii) *Certificates for Stock.* Restricted Stock granted under the Plan may be evidenced in such manner as the Committee shall determine. If certificates representing Restricted Stock are registered in the name of the Grantee, such certificates shall bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such Restricted Stock, and the Company shall retain physical possession of the certificate.

(iv) *Dividends.* Dividends paid on Restricted Stock shall be either paid at the dividend payment date, or deferred for payment to such date as determined by the Committee, in cash or in shares of unrestricted Stock having a Fair Market Value equal to the amount of such dividends. Stock distributed in connection with a stock split or stock dividend, and other property distributed as a dividend, shall be subject to restrictions and a risk of forfeiture to the same extent as the Restricted Stock with respect to which such Stock or other property has been distributed.

A-7

(e) *Restricted Stock Units.* The Committee is authorized to grant Restricted Stock Units to Grantees, subject to the following terms and conditions:

(i) *Award and Restrictions.* Delivery of Stock or cash, as determined by the Committee, will occur upon expiration of the deferral period specified for Restricted Stock Units by the Committee. The Committee may place restrictions on Restricted Stock that shall lapse, in whole or in part, only upon the attainment of Performance Goals.

(ii) *Forfeiture.* Upon termination of employment with the Company, a Subsidiary of the Company or a Related Entity, or termination of the director or consulting relationship during the applicable deferral period or portion thereof to which forfeiture conditions apply, or upon failure to satisfy any other conditions precedent to the delivery of Stock or cash to which such Restricted Stock Units relate, all Restricted Stock Units and any accrued but unpaid dividend equivalents that are then subject to deferral or restriction shall be forfeited; provided that, the Committee may provide, by rule or regulation or in any Award Agreement, or may determine in any individual case, that restrictions or forfeiture conditions relating to Restricted Stock Units will be waived in whole or in part in the event of termination resulting from specified causes, and the Committee may in other cases waive in whole or in part the forfeiture of Restricted Stock Units.

(f) *Other Stock-Based Awards.* The Committee is authorized to grant Awards to Grantees in the form of Other Stock-Based Awards, as deemed by the Committee to be consistent with the purposes of the Plan. Awards granted pursuant to this paragraph may be granted with value and payment contingent upon Performance Goals. The Committee shall determine the terms and conditions of such Awards at the date of grant or thereafter. Payments earned hereunder may be decreased or, with respect to any Grantee who is not a Covered Employee, increased in the sole discretion of the Committee based on such factors as it deems appropriate. No payment shall be made prior to the certification by the Committee that the Performance Goals have been attained. The Committee may establish such other rules applicable to the Other Stock-Based Awards to the extent not inconsistent with Section 162(m) of the Code.

7. *Change in Control Provisions.*

Unless otherwise determined by the Committee and evidenced in an Award Agreement, in the event of a Change in Control:

(a) any Award carrying a right to exercise that was not previously vested and exercisable shall become fully vested and exercisable; and

(b) the restrictions, deferral limitations, payment conditions, and forfeiture conditions applicable to any other Award granted under the Plan shall lapse and such Awards shall be deemed fully vested, and any performance conditions imposed with respect to Awards shall be deemed to be fully achieved.

A-8

8. *General Provisions.*

(a) *Nontransferability.* Unless otherwise provided in an Award Agreement, Awards shall not be transferable by a Grantee except by will or the laws of descent and distribution and shall be exercisable during the lifetime of a Grantee only by such Grantee or his guardian or legal representative.

(b) *No Right to Continued Employment, etc.* Nothing in the Plan or in any Award, any Award Agreement or other agreement entered into pursuant hereto shall confer upon any Grantee the right to continue in the employ of or to continue as consultant or director of the Company, any Subsidiary of the Company or any Related Entity or to be entitled to any remuneration or benefits not set forth in the Plan or such Award Agreement or other agreement or to interfere with or limit in any way the right of the Company, Subsidiary of the Company or Related Entity to terminate such Grantee's employment, or consulting or director relationship.

(c) *Taxes.* The Company, any Subsidiary of the Company or any Related Entity is authorized to withhold from any Award granted, any payment relating to an Award under the Plan, including from a distribution of Stock, or any other payment to a Grantee, amounts of withholding and other taxes due in connection with any transaction involving an Award, and to take such other action as the Committee may deem advisable to enable the Company and Grantees to satisfy obligations for the payment of withholding taxes

Edgar Filing: CAESARS ENTERTAINMENT INC - Form DEF 14A

and other tax obligations relating to any Award. This authority shall include authority to withhold or receive Stock or other property and to make cash payments in respect thereof in satisfaction of a Grantee's tax obligations. The Committee may provide in the Award Agreement that in the event that a Grantee is required to pay any amount to be withheld in connection with the issuance of shares of Stock in settlement or exercise of an Award, the Grantee may satisfy such obligation (in whole or in part) by electing to have a portion of the shares of Stock to be received upon settlement or exercise of such Award equal to the minimum amount required to be withheld.

(d) *Stockholder Approval; Amendment and Termination.*

(i) The Plan shall take effect upon its approval by the stockholders of the Company at a meeting of such stockholders at which such issue is considered and voted upon. In the event that the stockholders of the Company do not approve the Plan, then upon such event the Plan and all rights hereunder shall immediately terminate, no Grantee (or any permitted transferee thereof) shall have any rights under the Plan or any Award Agreement, and all shares reserved under Prior Plans shall remain available under such Prior Plans in accordance with the terms of such Prior Plans.

(ii) The Board may at any time and from time to time alter, amend, suspend, or terminate the Plan in whole or in part; provided, however, that an amendment that requires stockholder approval in order for the Plan to continue to comply with Section 162(m) or any other law, regulation or stock exchange requirement shall not be effective unless approved by the requisite vote of stockholders. Notwithstanding the foregoing, no amendment to or termination of the Plan shall affect adversely any of the rights of any Grantee, without such Grantee's consent, under any Award theretofore granted under the Plan.

(e) *Expiration of Plan.* Unless earlier terminated by the Board pursuant to the provisions of the Plan, the Plan shall expire on the tenth anniversary of the Effective Date. No Awards shall be granted under the Plan after such expiration date. The expiration of the Plan shall not affect adversely any of the rights of any Grantee, without such Grantee's consent, under any Award theretofore granted.

A-9

(f) *Deferrals.* The Committee shall have the authority to establish such procedures and programs that it deems appropriate to provide Grantees with the ability to defer receipt of cash, Stock or other property payable with respect to Awards granted under the Plan.

(g) *No Rights to Awards; No Stockholder Rights.* No Grantee shall have any claim to be granted any Award under the Plan, and there is no obligation for uniformity of treatment of Grantees. Except as provided specifically herein, a Grantee or a transferee of an Award shall have no rights as a stockholder with respect to any shares covered by the Award until the date of the issuance of a stock certificate to him for such shares.

(h) *Unfunded Status of Awards.* The Plan is intended to constitute an "unfunded" plan for incentive and deferred compensation. With respect to any payments not yet made to a Grantee pursuant to an Award, nothing contained in the Plan or any Award shall give any such Grantee any rights that are greater than those of a general creditor of the Company.

(i) *No Fractional Shares.* No fractional shares of Stock shall be issued or delivered pursuant to the Plan or any Award. The Committee shall determine whether cash, other Awards, or other property shall be issued or paid in lieu of such fractional shares or whether such fractional shares or any rights thereto shall be forfeited or otherwise eliminated.

(j) *Regulations and Other Approvals.*

(i) The obligation of the Company to sell or deliver Stock with respect to any Award granted under the Plan shall be subject to all applicable laws, rules and regulations, including all applicable federal and state securities laws, and the obtaining of all such approvals by governmental agencies as may be deemed necessary or appropriate by the Committee.

(ii) Each Award is subject to the requirement that, if at any time the Committee determines, in its absolute discretion, that the listing, registration or qualification of Stock issuable pursuant to the Plan is required by any securities exchange or under any state or federal law, or the consent or approval of any governmental regulatory body is necessary or desirable as a condition of, or in connection with, the grant of an Award or the issuance of Stock, no such Award shall be granted or payment made or Stock issued, in whole or in part, unless listing, registration, qualification, consent or approval has been effected or obtained free of any conditions not acceptable to the Committee.

(iii) In the event that the disposition of Stock acquired pursuant to the Plan is not covered by a then current registration statement under the Securities Act and is not otherwise exempt from such registration, such Stock shall be restricted against transfer to the extent required by the Securities Act or regulations thereunder, and the Committee may require a Grantee receiving Stock pursuant to the Plan, as a condition precedent to receipt of such Stock, to represent to the Company in writing that the Stock acquired by such Grantee is acquired for investment only and not with a view to distribution.

(iv) The Committee may require a Grantee receiving Stock pursuant to the Plan, as a condition precedent to receipt of such Stock, to enter into a stockholder agreement or "lock-up" agreement in such form as the Committee shall determine is necessary or desirable to further the Company's interests.

(k) *Governing Law.* The Plan and all determinations made and actions taken pursuant hereto shall be governed by the laws of the State of Delaware without giving effect to the conflict of laws principles thereof.

The members of the Committee shall be appointed by the Board at the first meeting of the Board to be held following the annual meeting of the stockholders and shall serve one-year terms. No member of the Committee shall simultaneously be a member of more than two other audit committees of public companies, unless the Board determines that such simultaneous service would not impair the ability of such member to effectively serve the Committee. Vacancies shall be filled by majority vote of the Board following the occurrence of the vacancy. No member of the Committee shall be removed except by majority vote of directors then in office who qualify as independent directors under the listing standards of the NYSE.

Further, either (i) at least one member of the Committee must be a "financial expert," as such term is defined in the rules and regulations promulgated by the SEC pursuant to the Act, or (ii) if no member of the Committee is a "financial expert," the Committee shall so inform the Company.

Procedural Matters

A member of the Committee may not, other than in such member's capacity as a member of the Committee, the Board, or any other board committee accept any consulting, advisory, or other compensatory fee from the Company; *provided, however*, that a member of the Committee may receive pension or other forms of deferred compensation from the Company for prior service so long as such compensation is not contingent in any way on continued service.

The Committee shall fix its own rules of procedure, which shall be consistent with the amended and restated by-laws of the Company (the "By-Laws"), the restated certificate of incorporation of the Company (the "Certificate of Incorporation"), and this charter (the "Charter"). The Committee shall

meet as provided by its rules, which shall be at least four times annually or more frequently as circumstances require. The Committee shall, to the extent it deems necessary or appropriate, report regularly to the Board. The Committee shall designate one member of the Committee as its Chairperson. The Chairperson of the Committee or a majority of the members of the Committee may call a special meeting of the Committee. The Committee may form and delegate authority to subcommittees when appropriate. A majority of the members of the Committee present in person or by means of a conference telephone or other communications equipment by means of which all persons participating in the meeting can hear each other shall constitute a quorum.

The Committee may request any officer or employee of the Company or the Company's outside counsel or independent auditor to attend a meeting of the Committee or to meet with any members of, or consultants to, the Committee. Periodically, the Committee shall meet with management, the internal auditors (or other persons responsible for the internal audit function) and with the independent auditor in separate executive sessions.

Authority and Responsibilities

The Committee shall have the sole and direct responsibility and authority for the appointment, retention, termination, compensation, evaluation and oversight of the firm of independent public accountants serving as independent auditor to the Company and each independent auditor shall report directly to the Committee. The Committee shall be responsible for resolving disagreements between management and the independent auditor regarding financial reporting.

The Committee shall have the ability to retain, with or without Board approval, independent counsel, accountants, consultants or other advisers to assist the Committee in fulfilling its duties and responsibilities. The Company shall provide appropriate funding, as determined by the Committee, for payment of compensation (i) to the independent auditor for the purpose of rendering or issuing an audit report and (ii) to any advisers the Committee retains to assist it in fulfilling its duties and responsibilities.

The Company shall also provide appropriate funding, as determined by the Committee, for ordinary expenses of the Committee that are necessary or appropriate for the Committee to carry out its duties.

In connection with overseeing the independence of the independent auditors, the Committee shall ensure that the lead audit partner and reviewing audit partner responsible for the audit of the Company's financials statements have not performed audit services for the Company for more than the previous four consecutive fiscal years of the Company. The Committee shall also consider whether to regularly rotate the firm of independent public accountants serving as independent auditor.

In connection with the Committee's oversight of the independent auditor, the Committee shall receive from the independent auditor and review: (i) all critical accounting policies and practices to be used; (ii) all alternative treatments of financial information within generally accepted accounting principles that have been discussed with management officials of the Company, ramifications of the use of such alternative disclosures and treatments, and the treatment preferred by the independent auditor; and (iii) other material written communications between the independent auditor and the management of the Company, such as any management letter or schedule of unadjusted differences.

At least annually, the Committee shall obtain and review a report by the independent auditor describing (i) the firm's internal quality-control procedures; (ii) any material issues raised by the most recent internal quality-control review, or peer review of the firm, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the firm, and any steps taken to deal with such issues; and (iii) all relationships between the auditor and the Company in order to ensure the auditor's independence.

The Committee shall establish procedures for (i) the receipt, retention and treatment of complaints received from employees of the Company regarding accounting, internal accounting controls or auditing matters and (ii) the confidential, anonymous submission by employees of the Company of concerns regarding questionable accounting or auditing matters.

The Committee, to the extent it deems necessary or appropriate, shall:

discuss policies with respect to risk assessment and risk management;

review with the independent auditor any audit problems or difficulties and management's response;

meet with the Compliance Committee to discuss the Company's compliance with legal and regulatory requirements;

discuss the annual audited financial statements and quarterly financial statements with management and the independent auditor, including the Company's disclosures under "Management's Discussion and Analysis of Financial Condition and Results of Operations;"

review and discuss with the independent auditor, out of the presence of management if deemed appropriate by the Committee, the matters required to be discussed pursuant to Statement on Auditing Standards No. 61;

discuss earnings press releases, as well as financial information and earnings guidance provided to analysts and rating agencies;

establish clear hiring policies for employees or former employees of the independent auditors; and

review and discuss with management and the independent auditor, as applicable: (i) significant issues regarding accounting principles and financial statement presentations, including any significant changes in the Company's selection or application of accounting principles, and major issues as to the adequacy of the Company's internal controls and any special audit steps adopted in light of material control deficiencies; (ii) analyses prepared by management and/or the independent auditor setting forth significant financial reporting issues and judgments made in connection with the preparation of the financial statements, including analyses of the effects on the financial statements of alternative methods under Generally Accepted Accounting Principles in the United States; and (iii) the effect of regulatory and accounting initiatives, as well as off-balance sheet structures, on the financial statements of the Company.

The Committee, to the extent it deems necessary or appropriate, shall review with the Chief Executive Officer and Chief Financial Officer and independent auditors, periodically, the following:

all significant deficiencies in the design or operation of internal controls which could adversely affect the Company's ability to record, process, summarize, and report financial data, including any material weaknesses in internal controls identified by the Company's independent auditors;

any fraud, whether or not material, that involves management or other employees who have a significant role in the Company's internal controls; and

any significant changes in internal controls or in other factors that could significantly affect internal controls, including any corrective actions with regard to significant deficiencies and material weaknesses.

The Committee shall review and discuss with the Chief Executive Officer and Chief Financial Officer certifications for the periodic reports filed by the Company with the SEC on Form 10-K and Form 10-Q, including such officers' evaluation of the Company's disclosure controls and procedures and internal controls.

The Committee shall, on an annual basis, evaluate its performance under this Charter by reviewing at least the information and recommendations presented by the Committee to the Board and whether the number and length of meetings of the Committee were adequate for the Committee to complete its work in a thorough and thoughtful manner. The Committee shall annually review and assess the adequacy of this Charter and recommend any proposed changes to the Board for approval.
