**PROXY STATEMENT
FOR THE ANNUAL MEETING OF STOCKHOLDERS
to be held at 10:00 a.m. on May 17, 2011**

In this Proxy Statement, "we," "our," and "us" refers to Pzena Investment Management, Inc. (also referred to as the "Company") and its consolidated subsidiaries.

THE ANNUAL MEETING

We are furnishing this Proxy Statement to the stockholders of Pzena Investment Management, Inc. as part of the solicitation of proxies by the Board of Directors for use at the Annual Meeting. The Chairman's letter, the Notice of Annual Meeting of Stockholders, this Proxy Statement, the accompanying proxy card for holders of common stock and the accompanying Annual Report on Form 10-K for our fiscal year ended December 31, 2010, are first being mailed to stockholders on or about April 15, 2011.

Important Notice Regarding the Availability of Proxy Materials for the Stockholder Meeting to be Held on May 17, 2011.

This proxy statement and our Annual Report on Form 10-K for the fiscal year ended December 31, 2010 are available at www.pzena.com/proxy.

Date, Time and Place

We will hold the Annual Meeting of Stockholders on Tuesday, May 17, 2011, at 10:00 a.m. local time, at our offices located at 120 West 45th Street, 20th Floor, New York, New York 10036.

Proposals to be Considered at the Annual Meeting

At the Annual Meeting, stockholders will be asked to consider and vote upon the following matters:

- I. Election of seven directors to our Board of Directors;
- II. Ratification of the appointment of KPMG LLP as independent auditors for our Company for our fiscal year ending December 31, 2011;
- III. An advisory (non-binding) vote approving the compensation of our named executive officers;
- IV. An advisory (non-binding) vote on the frequency of the advisory vote approving the compensation of our named executive officers; and
- V. Transaction of such other business as may properly come before the Annual Meeting and any and all adjournments and postponements of the Annual Meeting.

Who Can Vote

You are entitled to vote if you were a holder of record of the common stock of our Company as of the close of business on March 24, 2011 (the "Record Date"). Your shares can be voted at the meeting only if you are present or represented by a valid proxy card.

Table of Contents

All holders of common stock as of the Record Date will be entitled to vote for the election of seven directors to be elected at the Annual Meeting and upon the ratification of our independent auditors, and will be entitled to cast the advisory (non-binding) votes approving the compensation of our named executive officers and the frequency of the advisory vote approving the compensation of our named executive officers. A list of the stockholders of record of the common stock of our Company as of the Record Date will be available for examination during ordinary business hours, for any purpose germane to the Annual Meeting, at our offices located at 120 West 45th Street, 20th Floor, New York, New York 10036, for a period of at least ten days before the Annual Meeting.

Shares Outstanding and Entitled to Vote; Quorum

As of the Record Date, there were 9,367,659 shares of Class A common stock outstanding and 55,204,610 shares of Class B common stock outstanding. Each holder of Class A common stock as of the Record Date who is represented at the Annual Meeting shall be entitled to cast one vote for each share of Class A common stock held. Each holder of Class B common stock as of the Record Date who is represented at the Annual Meeting shall be entitled to cast five votes for each share of Class B common stock held. The holders of our Class A and Class B common stock, voting together, are entitled to elect the directors, ratify the appointment of the independent auditors, approve (on a non-binding basis) the compensation of our named executive officers and vote (on a non-binding basis) on the frequency of the advisory vote approving the compensation of our named executive officers.

The presence, in person or by proxy, of the holders of a majority of the outstanding shares of our common stock will constitute a quorum for the transaction of business at the Annual Meeting.

Vote Required

If a quorum is present, a nominee for election to a position on the Board of Directors will be elected as a director if he receives a plurality of the votes cast at the Annual Meeting.

If a quorum is present, the ratification of KPMG LLP as our independent auditors for our fiscal year ending December 31, 2011 will require the vote of the holders of a majority of the total number of votes of the common stock represented at the meeting and entitled to vote.

The advisory vote on our executive compensation and the advisory vote on the frequency of the advisory vote on our executive compensation are advisory and non-binding. However, the Board of Directors will consider stockholders to have approved the compensation of our named executive officers if the number of votes cast "for" that proposal constitutes a majority of the total number of votes of the common stock represented at the meeting and entitled to vote. The Board of Directors will consider stockholders to have approved the frequency option for advisory votes on the compensation of our named executive officers that receives the most votes.

We have retained American Stock Transfer & Trust Company, the transfer agent for our Class A common stock, to tabulate the votes at the Annual Meeting.

Effect of Abstentions, Withheld Votes and Broker Non-Votes

Shares of stock represented by properly executed proxies that reflect abstentions, withheld votes and broker non-votes will be treated as shares that are present for purposes of determining the presence of a quorum. "Broker non-votes" are proxies received from brokers or other nominees for the beneficial owners of the shares in which the broker or nominee votes on some matters, but not on others because it does not have discretionary authority to vote and has not received voting instructions from the beneficial owner of the shares. Withheld votes and broker non-votes will have no effect on the outcome of the vote on the election of directors. However, abstentions and broker non-votes will have the effect of a vote against the proposal to ratify the appointment of our independent auditors, and a

Table of Contents

vote against the non-binding vote to approve the compensation of our named executive officers. Abstentions and broker non-votes will not affect the outcome of the advisory vote on the frequency of the advisory vote approving the compensation of our named executive officers.

Uninstructed shares with regards to the advisory vote on the frequency of the advisory vote on executive compensation will be voted FOR a three-year frequency.

Voting by Directors and Executive Officers

At the close of business on the Record Date, our Company's executive officers and directors owned and were entitled to vote an aggregate of 631,611 shares of Class A common stock and 39,785,273 shares of Class B common stock, which represented approximately 69.9% of the combined voting power of the outstanding shares of common stock of our Company. Each of our executive officers and directors has indicated his present intention to vote his shares of common stock for the election of the directors named herein, for the ratification of KPMG LLP as our independent auditors for the fiscal year ending December 31, 2011, and for the approval of the compensation of our named executive officers. In addition, each of our executive officers and directors has indicated his present intention to vote his shares of common stock for three years in the vote on the frequency of the advisory vote approving the compensation of our named executive officers. Accordingly, the election of the directors named herein, the ratification of KPMG LLP as our independent auditors for the fiscal year ending December 31, 2011, and the approval of the compensation of our named executive officers are assured and, in the vote on the frequency of the advisory vote approving the compensation of our named executive officers, the option to have the vote every three years will receive the most votes.

How You Can Vote

Registered Holders. If you are a registered holder of shares of our common stock (i.e., your name is listed on our transfer agent's books as being held directly by you), you may vote in person at the Annual Meeting. If you vote in person at the Annual Meeting, you will be asked to complete a proxy card and submit it to the Chairman of the meeting.

If you are a registered holder, you may also vote by proxy at the Annual Meeting. To vote by proxy, simply mark your proxy card with respect to the proposals to be voted upon, date and sign it, and return it in the postage-paid envelope provided. All shares entitled to vote and represented by properly executed proxy cards that are received before the polls are closed at the Annual Meeting, and not revoked or superseded, will be voted at the Annual Meeting in accordance with the instructions indicated on those proxy cards.

Registered holders will not be able to vote by telephone or via the internet.

Beneficial Holders. If you are not the holder of record of your shares (i.e., they are held in the name of a broker, bank or other nominee), you will receive a voting card from your broker, bank or other nominee (or an agent acting on behalf of such institution) that you must return to your broker, bank or other nominee or its agent in order for your shares to be voted. Your shares will then be voted by proxy by your broker, bank or other nominee. Alternatively, if you are not a holder of record of your shares, you will be entitled to vote electronically through the Internet or by telephone by following the instructions on the voting card that you receive from your broker, bank or other nominee (or an agent acting on behalf of such institution).

If your shares of common stock are held by a broker, bank or other nominee and you wish to vote those shares in person at the Annual Meeting, you must obtain from the nominee holding your shares a properly executed legal proxy, identifying you as a stockholder of our Company, authorizing you to act on behalf of the nominee at the Annual Meeting and specifying the number of shares with respect to which the authorization is granted.

Table of Contents

Effect of Not Casting Your Vote

Registered Holders. If you are a registered holder of shares of our common stock and you do not cast your vote, either in person or by proxy, no votes will be cast on your behalf on any of the items of business at the Annual Meeting.

Beneficial Holders. If you are a beneficial holder whose shares are held in the name of a broker, bank or other nominee, it is critical that you cast your vote if you want it to count in the election of directors, on the vote on the compensation of our named executive officers, and in the vote on the frequency of the advisory vote approving the compensation of our named executive officers. Your bank or broker is not allowed to vote your uninstructed shares on these proposals on a discretionary basis. Thus, if you hold your shares in street name and you do not instruct your bank or broker how to vote in the election of directors, in the vote to approve the compensation of our named executive officers, and in the vote on the frequency of the advisory vote approving the compensation of our named executive officers, no votes will be cast on your behalf.

Your bank or broker will, however, have discretion to vote any uninstructed shares on the ratification of the appointment of the independent auditors.

Voting of Proxies

Where a signed proxy card is returned, but no specific instructions are indicated, your shares will be voted as follows:

FOR the nominees to the Board of Directors listed in this proxy statement and on the proxy card;

FOR the ratification of KPMG LLP as independent auditors for our Company for our fiscal year ending December 31, 2011;

FOR approval of the compensation of our named executive officers; and

FOR every **three years** in the vote on the frequency of the advisory vote approving the compensation of our named executive officers.

Proxy cards marked as abstaining or withholding a vote will be treated as present for purposes of determining a quorum for the Annual Meeting, but will not be counted as a vote cast in respect of any matter as to which abstinence or withholding a vote is indicated.

Revocation of Proxy Card

If you vote by proxy card, you may revoke that proxy at any time before it is voted at the Annual Meeting. You may do this by:

signing a written notice of revocation, dated later than the proxy card, and returning it to us, at 120 West 45th Street, 20th Floor, New York, New York 10036 (Attention: Corporate Secretary), prior to the Annual Meeting;

signing another proxy card with a later date and returning it to us, at 120 West 45th Street, 20th Floor, New York, New York 10036 (Attention: Corporate Secretary), prior to the Annual Meeting; or

attending the Annual Meeting in person and casting a ballot (although attendance at the Annual Meeting will not, in and of itself, constitute revocation of a proxy card).

Edgar Filing: Pzena Investment Management, Inc. - Form DEF 14A

If you are a beneficial holder whose shares are held in the name of a broker, bank or other nominee, and you vote by the internet or by telephone, you may vote again at a later date, using the same procedure, in which case the later submitted vote will be recorded and the earlier vote revoked.

Table of Contents

**SECURITY OWNERSHIP OF PRINCIPAL STOCKHOLDERS
AND MANAGEMENT**

The following table sets forth information regarding the beneficial ownership of our Class A common stock and Class B common stock by the following persons as of the Record Date (except as otherwise noted):

each of our named executive officers, as such term is defined in "Executive Compensation Summary Executive Compensation";

each of our directors and nominees for director;

all of our executive officers and directors as a group; and

each person, or group of affiliated persons, known to us to beneficially own more than 5% of our Class A common stock or Class B common stock.

The information as to the number of shares beneficially owned by the individuals and entities listed below is derived from reports filed with the Securities and Exchange Commission (the "SEC") by such persons and Company records. Beneficial ownership and percentage ownership are determined in accordance with the rules of the SEC. This information does not necessarily indicate beneficial ownership for any other purpose. In computing the number of shares beneficially owned by a person and the percentage ownership of that person, shares of common stock underlying options and warrants that are exercisable within 60 days of the Record Date are considered to be outstanding. However, the numbers in the percent of combined voting power column do not give effect to any options or warrants held by the persons listed in the table. To our knowledge, except as indicated in the footnotes to this table and subject to community property laws, where applicable, the persons named in the table have sole voting and investment power with respect to all shares of our common stock shown as beneficially owned by them.

All directors of our Company are elected by the stockholders for a one-year term and hold office until their successors are elected and qualified, or until their earlier death, resignation or removal. Officers are chosen by, and serve at the discretion of, the Board of Directors, subject to any applicable employment contracts. There are no family relationships among our directors and officers.

Director Independence

For the year ended December 31, 2010, our Board of Directors determined that each of Messrs. Galbraith, Meyerowich and Tysoe is an "independent" director, as such term is defined in the corporate governance rules of the New York Stock Exchange ("NYSE"). In early 2011, based upon further consideration and examination of the applicable rules, our Board of Directors determined that Mr. Greenblatt is also an "independent" director. The only current member of our Board of Directors who is not independent is Mr. Pzena. Our two Director Nominees, Messrs. Goetz and Lipsey, if elected, will not be independent directors.

Although we qualify for the "controlled company" exemption from certain of the corporate governance rules of the NYSE, we have chosen not to avail ourselves of the exemption and, accordingly, we comply with all of the corporate governance rules of the NYSE. Under the NYSE corporate governance rules, a majority of the board of directors (and each member of the Audit, Compensation and Nominating and Corporate Governance Committees) must be independent. Under the NYSE corporate governance rules, a director is deemed independent if the director has no disqualifying relationship, as defined in the NYSE corporate governance rules, and if the board of directors has affirmatively determined that the director has no material relationship with the Company, either directly or as a partner, stockholder, officer or employee of an organization that has a relationship with the Company.

All of the members of our Audit Committee, our Compensation Committee and our Nominating and Corporate Governance Committee are "independent directors," as such term is defined in the rules of the NYSE. The members of our Audit Committee also satisfy the requirements for independence imposed upon audit committee members by Rule 10A-3 promulgated under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), by the SEC.

Factors Involved In Selecting Directors

When considering whether the Board's directors and director nominees have the experience, qualifications, attributes and skills, taken as a whole, to enable the Board to satisfy its oversight responsibilities effectively, in light of the Company's business and structure, the Nominating and Corporate Governance Committee focused on the information described in each of the Board members' biographical information set forth above. With regard to Mr. Pzena, the Nominating and Corporate Governance Committee considered his experience as founder and CEO of the Company, and his breadth of knowledge regarding all aspects of the business, including its strategies, operations, and markets, as well as his acute business judgment. With respect to Messrs. Goetz and Lipsey, the Nominating and Corporate Governance Committee considered their experience as founding executive committee members of our operating company, their broad-based knowledge of the business, as well as their extensive industry knowledge. With regard to Messrs. Galbraith and Greenblatt, the Nominating and Corporate Governance Committee considered their extensive investment management experience and their professional standing in the industry. With regard to Messrs. Tysoe and Greenblatt, the Nominating and Corporate Governance Committee considered their prior and current Board

experiences and governance skills. With regard to Messrs. Meyerowich and Tysoe, the Nominating and Corporate Governance Committee considered their expertise and background with regard to accounting matters, and their leadership roles at Deloitte & Touche LLP and Federated Department Stores, Inc., respectively, as well as their designations as Audit Committee financial experts.

Board Leadership Structure

The Nominating and Corporate Governance Committee is responsible for reviewing the leadership structure of our Board of Directors, and additionally reviewing the performance of the Chairman of the Board and Chief Executive Officer.

Since the inception of the Company in October 2007, as permitted by the Company's Corporate Governance Guidelines, the Chairman of the Board position has been held by Richard S. Pzena, the CEO of our operating company. The Nominating and Corporate Governance Committee has considered the issue of Mr. Pzena's combined role, and approved the continuation of this structure for the following reasons:

The CEO is most familiar with the day to day operations of the Company.

The CEO is in the best position to bring matters before our Board of Directors and serve as its Chairman.

A combined CEO and Chairman role provides consistent leadership, stability and continuity for the Company.

The Board of Directors has additionally affirmed the combination of the CEO and Chairman roles for the reasons set forth above.

In accordance with our Corporate Governance guidelines, the Company has the option of alternating directors to lead executive sessions of the Board of Directors, or to select a lead independent director. To date, the Company's independent directors have not named a lead independent director to preside at all executive sessions of the non-management directors, but rather, has chosen to alternate directors to lead each of the executive sessions. Accordingly, the role of presiding director at each executive session of non-management directors is regularly rotated among Messrs. Galbraith, Greenblatt, Meyerowich and Tysoe.

Board Oversight Role

Our Board of Directors has delegated the role of risk oversight to its Audit Committee pursuant to the Audit Committee's charter. Our Audit Committee continues to concentrate on determining the adequacy of the Company's risk-management programs.

The Company's approach to risk management includes a variety of internal procedures, test protocols and examinations, including the following:

Sarbanes-Oxley annual testing and audit covering internal controls and financial reporting;

SAS-70 (Type 2) annual attestation covering operational risks;

Compliance policies and procedures, including annual risk-based testing;

Ongoing compliance training; and

Edgar Filing: Pzena Investment Management, Inc. - Form DEF 14A

Disaster recovery procedures and annual testing.

Issues of note resulting from any of the above-enumerated risk management items are brought to the attention of the Audit Committee, when appropriate.

Table of Contents

In order to ensure ongoing coordination among its various risk management programs, during the first quarter of 2010, the Audit Committee approved, and the Board of Directors affirmed, the establishment of a Risk Management Committee of our operating company. The purpose of the Risk Management Committee, whose members include department heads or their delegates, is to identify business risks and evaluate the effectiveness of all risk mitigation activities. The Risk Management Committee commenced activities during the second quarter of 2010.

Meetings of the Board of Directors

The business and affairs of our Company are managed under the direction of our Board of Directors. Members of the Board of Directors are informed about our Company's affairs through various reports and documents distributed to them, through operating and financial reports routinely presented at meetings of the Board of Directors and committee meetings by the Chairman and other officers, and through other means. In addition, directors of our Company discharge their duties throughout the year not only by attending Board of Directors' meetings, but also through personal meetings and other communications, including telephone contact with the Chairman and others regarding matters of interest and concern to our Company.

A director is expected to spend the time and effort necessary to properly discharge his responsibilities. Accordingly, a director is expected to regularly attend meetings of the Board of Directors and the committees on which such director sits, and to review prior to the meetings material distributed in advance for each such meeting.

During our fiscal year ended December 31, 2010, our Company's Board of Directors held five formal meetings and acted by unanimous written consent in lieu of a meeting on eight separate occasions. During our fiscal year ended December 31, 2010, no director attended fewer than 75% of the aggregate of the total number of meetings of the Board of Directors and any committees on which he served.

Board Committees

Although we qualify for the "controlled company" exemption from certain of the corporate governance rules of the NYSE, our Board of Directors has established an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee, each consisting solely of independent directors, and our Board of Directors has adopted charters for its committees that comply with the NYSE and SEC rules relating to corporate governance matters. We have adopted a Code of Business Conduct and Ethics that applies to all of our employees, including our Chief Executive Officer and our Chief Financial Officer, and a Code of Ethics for Senior Financial Officers. Copies of the committee charters, as well as our Corporate Governance Guidelines, Code of Business Conduct and Ethics, and Code of Ethics for Senior Financial Officers, are available on our website at www.pzena.com.

In order to communicate any concerns with our non-management directors, interested parties should send comments to the attention of our Corporate Secretary, Joan F. Berger, at our primary offices located at 120 West 45th Street, 20th Floor, New York, New York 10036. All appropriate correspondence will be forwarded to our non-management directors.

Messrs. Galbraith, Meyerowich and Tysoe currently serve on the Audit Committee and Mr. Meyerowich serves as its chair. Our Board of Directors has determined that each of Messrs. Meyerowich and Tysoe is an "audit committee financial expert" as such term is defined in the rules and regulations of the SEC.

In addition to serving on our Audit Committee, Mr. Tysoe serves on the audit committees of four other public companies. Our Board of Directors has determined that such simultaneous service does not impair Mr. Tysoe's ability to effectively serve on our Audit Committee.

The Audit Committee held five formal meetings during our fiscal year ended December 31, 2010 and acted by unanimous written consent in lieu of a meeting on one occasion during that period.

Compensation Committee

Director Nominations

Our Corporate Governance Guidelines provide that, in selecting director nominees, the Nominating and Corporate Governance Committee shall consider at a minimum: (a) whether each such nominee has demonstrated, by significant accomplishment in his or her field, an ability to make a meaningful contribution to the Board's oversight of the business and affairs of the Company, and (b) the nominee's reputation for honesty and ethical conduct in his or her personal and professional activities.

As part of its responsibility to identify and recommend director nominees, our Nominating and Corporate Governance Committee is guided by the diversity considerations set forth in its charter, which state that it shall look at a variety of attributes in selecting candidates for nomination to our Board of Directors, including experience, skills, expertise, diversity, personal and professional integrity, character, business judgment, dedication, and lack of conflicts of interest. As part of its periodic self-assessment process, our Nominating and Corporate Governance Committee annually assesses the occupational and personal backgrounds of the members of our Board in order to determine if our Board of Directors, considered as a group, has a sufficient composite mix of experience, knowledge and abilities.

Pursuant to our by-laws, nominations of persons for election to the Board of Directors may be made at any annual meeting of stockholders, or at any special meeting of stockholders called for the purpose of electing directors, (a) by or at the direction of the Board of Directors (or any duly authorized committee thereof), or (b) by any stockholder of the Company (i) who is a stockholder of record on the date of the giving of the notice and on the record date for the determination of stockholders entitled to notice of, and to vote at, such meeting, and (ii) who complies with the following notice procedures.

For a nomination to be made by a stockholder, such stockholder must have given timely notice thereof in proper written form to the Corporate Secretary. To be timely, a stockholder's notice to the Corporate Secretary must be delivered to, or mailed and received at, the principal executive offices of the Company (a) in the case of an annual meeting, not less than 90 days nor more than 120 days prior to the anniversary date of the immediately preceding annual meeting of stockholders; *provided, however,*

Table of Contents

that in the event that the annual meeting is called for a date that is not within 30 days before or after such anniversary date, notice by the stockholder in order to be timely must be so received not later than the close of business on the tenth day following the day on which such notice of the date of the annual meeting was mailed, or such public disclosure of the date of the annual meeting was made, whichever first occurs; and (b) in the case of a special meeting of stockholders called for the purpose of electing directors, not later than the close of business on the tenth day following the day on which notice of the date of the special meeting was mailed, or public disclosure of the date of the special meeting was made, whichever first occurs.

To be in proper written form, a stockholder's notice to the Corporate Secretary must set forth (a) as to each person whom the stockholder proposes to nominate for election as a director (i) the name, age, business address and residence address of the person, (ii) the principal occupation or employment of the person, (iii) the class or series and number of shares of capital stock of the Company which are owned beneficially or of record by the person, and (iv) any other information relating to the person that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors pursuant to Section 14 of the Exchange Act, and the rules and regulations promulgated thereunder; and (b) as to the stockholder giving the notice (i) the name and record address of such stockholder, (ii) the class or series and number of shares of capital stock of the Company which are owned beneficially or of record by such stockholder, (iii) a description of all arrangements or understandings between such stockholder and each proposed nominee and any other person or persons (including their names) pursuant to which the nomination(s) are to be made by such stockholder, (iv) a representation that such stockholder intends to appear in person or by proxy at the meeting to nominate the persons named in its notice, and (v) any other information relating to such stockholder that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors pursuant to Section 14 of the Exchange Act and the rules and regulations promulgated thereunder. Such notice must be accompanied by a written consent of each proposed nominee to being named as a nominee and to serve as a director, if elected. No person nominated for election by a stockholder shall be eligible for election as a director of the Company unless nominated in accordance with the above procedures. If the chairman of the stockholder meeting determines that a nomination was not made in accordance with the foregoing procedures, the chairman shall declare to the meeting that the nomination was defective and such defective nomination shall be disregarded.

The Nominating and Corporate Governance Committee does not have a policy with regard to the consideration of director candidates recommended by stockholders. The Board of Directors believes that it is appropriate for us not to have such a policy in light of the right of stockholders under our by-laws to nominate director candidates directly, without any action or recommendation on the part of the Nominating and Corporate Governance Committee or the Board. Notwithstanding that our Nominating and Corporate Governance Committee does not have a formal policy with regard to the consideration of director nominees submitted by stockholders, our Board of Directors has adopted a resolution pursuant to which it has directed the Nominating and Corporate Governance Committee to consider director nominees recommended by stockholders. Pursuant to this resolution, a stockholder who desires to recommend a director nominee should send a written statement to Pzena Investment Management, Inc., 120 West 45th Street, 20th Floor, New York, New York 10036 (Attention: Corporate Secretary), within the time frames set forth above with regard to director nominations by stockholders. The written statement should also include the information set forth above required to be included in director nominations by stockholders.

To date, no stockholder nominations for directors have been made nor have any stockholder recommendations for directors been received by the Nominating and Corporate Governance Committee.

Compensation Discussion and Analysis

This section summarizes the principles underlying our policies relating to our executive officers' compensation. It generally describes the manner and context in which compensation is earned by, and awarded to, our executive officers and provides perspective on the tables and narratives that follow.

Philosophy and Objectives of Our Executive Compensation Program

Our compensation philosophy relies heavily on performance-based cash and equity compensation. The total compensation package is designed to reward past performance and encourage future contributions to achieving the Company's strategic goals and enhancing stockholder value.

We emphasize incentive compensation in our overall compensation package for our executive officers. Our long-term incentive program uses a combination of restricted stock, units and options.

Our compensation program for our executive officers is designed to meet the following objectives:

attract and retain top-tier professionals within the investment management industry;

link total compensation to individual, team and Company performance; and

align executives' interests with those of the Company's stockholders.

Principal Components of Executive Compensation

We have established compensation practices that directly link compensation with our performance, as described below. These practices apply to all of our professionals, including our named executive officers. Ultimately, ownership in our Company is the primary tool that we use to attract and retain professionals, including the named executive officers. As of the Record Date, our employees held approximately 65.8% of the ownership interests in our operating company, the substantial majority of which is held by our CEO and our two Presidents, together with their estate planning vehicles.

We provide the following elements of compensation to our named executive officers:

- (i) cash compensation, consisting of a base salary;
- (ii) annual cash bonuses;

Table of Contents

- (iii) mandatory deferred compensation;
- (iv) equity-based compensation and related distributions of earnings of our operating company; and
- (v) perquisites.

The Compensation Committee has not adopted any formal or informal policies or guidelines for allocating compensation between currently paid out and long-term compensation, between cash and non-cash compensation, or among different forms of non-cash compensation. In order to attract and retain qualified personnel, all compensation and benefits packages, including those of our named executive officers, are generally compared against relevant industry and geographic peer groups. The Compensation Committee reviews summary compensation data by position for other asset managers, as compiled by McLagan Partners, a compensation specialist focusing on the asset management industry. The universe of companies in the McLagan Partners' analysis includes over 200 publicly traded asset managers and asset management subsidiaries of larger financial services firms with which we compete, among others. The Compensation Committee reviews McLagan Partners' data by position for the entire universe of companies on a summary basis, as well as data by position for certain subgroups on a summary basis, such as companies with assets under management similar to that of the Company, and a geographic location similar to that of the Company, rather than specific compensation data for individual competitors.

It is customary in the investment management industry to provide for base salaries and discretionary bonuses to be paid to executives upon whom the company relies for its success. Cash compensation in the form of a fixed base salary and discretionary cash bonuses constitutes only a portion of the compensation that we pay our named executive officers.

- (i) *Base Salary.* Consistent with industry practice, the base salaries for our named executive officers generally account for a relatively small portion of their overall compensation. As further discussed below under "Executive Employment Agreements," Messrs. Pzena, Goetz and Lipsey each received a base salary for 2010 at the annual rate of \$300,000. Mr. Martin also received a base salary for 2010 at the annual rate of \$300,000. We have not entered into an employment contract with Mr. Martin.
- (ii) *Cash Bonuses.* As further discussed below under "Executive Employment Agreements," each of Messrs. Pzena, Goetz and Lipsey may be paid a maximum annual bonus of \$2,700,000 for 2010. In 2010, the Compensation Committee reviewed the performance targets that had been set for 2010 for the named executive officers as a group, which consisted of: (1) a series of performance goals relating to client net asset flows, by which zero net asset flows would be considered to be satisfactory performance, albeit not sufficient for the named executive officers who are subject to Executive Employment Agreements to receive the maximum bonus allowable under those agreements, and \$2.0 billion in net asset inflows would be considered exceptional performance in the current market environment; and (2) a non-GAAP diluted earnings per share target of a minimum of \$0.32, with \$0.60 being higher than expected, and therefore outstanding performance. In 2010, the Company recorded \$0.8 billion in net outflows and non-GAAP diluted earnings per share of \$0.33. The Compensation Committee, therefore, determined that Mr. Pzena should receive a total cash bonus of \$1,092,737, Mr. Goetz should receive a total cash bonus of \$1,200,000, and Mr. Lipsey should receive a total cash bonus of \$700,000 (in each case, subject to the Company's deferred compensation practices under the Pzena Investment Management, LLC Bonus Plan, which we refer to as the Bonus Plan. The Compensation Committee also determined that Mr. Martin should receive a total cash bonus of \$206,673 for 2010 (which includes a deferred portion in the amount of \$33,333, which vests over a two-year period), and additionally determined to award 5,175 Class B units to Mr. Martin, which are subject to vesting provisions. These units are discussed

under "Equity Based Compensation and Distributions of Earnings of our Operating Company" below.

(iii)

Mandatory Deferred Compensation. The purpose of the Bonus Plan is to enable us to attract, retain, motivate and reward highly qualified individuals who provide services to us by, among other things: (a) providing for grants of bonus compensation; and (b) providing that a portion of the bonus awards made to certain highly compensated individuals, including the named executive officers, shall be deferred on a mandatory basis and shall vest, and become payable, over a four-year period. These amounts are reflected in the "All Other Compensation" column of the "Summary Compensation Table" below.

(iv)

Equity Based Compensation and Distribution of Earnings of Our Operating Company. We have awarded many of our employees, including our named executive officers, ownership interests in our operating company. Historically, the substantial majority of the remuneration that our CEO and two Presidents received from us consisted of cash distributions in proportion to their respective ownership interests of our operating company. Our CEO and two Presidents each have substantial ownership interests in our operating company. They receive distributions in respect of their membership units in the same amount, and at the same time as distributions are made on all other membership units, including Class A units, which creates an alignment of their interests with those of our Class A stockholders. The amounts of these distributions are not shown in the Summary Compensation Table below because they arise out of the named executive officer's ownership interest in our operating company. In the three years ended December 31, 2010, distributions in respect of membership units owned by each of the named executive officers, other than our Chief Financial Officer, constituted from 44.6% to 96.6% of the total income they received from us.

We adopted the PIM LLC 2006 Equity Incentive Plan, effective January 1, 2007, which permits the grant of a variety of equity awards relating to membership units of our operating company, including membership units and options to purchase membership units, which are both subject to vesting provisions. In 2010, 5,175 membership units, which are subject to vesting provisions, were granted to Mr. Martin (as further described below under "2010 Grants of Plan-Based Awards"). All membership units granted under the PIM LLC 2006 Equity Incentive Plan were granted at the fair market value of the Company's Class A common stock on the date of grant, as determined by the Compensation Committee administering the plan.

As conditions allow, we intend to continue to award equity-based incentives under the PIM LLC 2006 Equity Incentive Plan as an incentive to encourage ownership in our operating company.

(v)

Perquisites. We offer each of our employees, including each of the named executive officers, our investment management services, if they place their funds with us, without charging any advisory fees typically associated with these services. This benefit is provided at no incremental cost to us.

Executive Employment Agreements

We determined that it was in the best interests of our stockholders and the owners of our operating company to enter into employment agreements with our CEO and two Presidents.

On October 30, 2007 we entered into employment agreements with each of Messrs. Pzena, Goetz and Lipsey. Pursuant to the terms of the individual employment agreements, (i) Mr. Pzena serves as our Chief Executive Officer, Co-Chief Investment Officer; (ii) Mr. Goetz serves as our President, Co-Chief Investment Officer; and (iii) Mr. Lipsey serves as our President, Marketing and Client

Service. Under the terms of the employment agreements, each of Messrs. Pzena, Goetz and Lipsey served for an initial term of three years, ending October 30, 2010, subject to automatic, successive one-year extensions thereafter unless either party gives the other 60 days prior notice that the term will not be extended. On October 30, 2010, these agreements were automatically extended through October 30, 2011. Each agreement provides for: (i) an annual base salary of \$300,000, and (ii) an annual bonus, the amount of which will be determined by our Compensation Committee, subject to a maximum annual bonus for each executive of \$2,700,000. This compensation is subject to the provisions of our Bonus Plan. We have not entered into an employment agreement with Mr. Martin, our Chief Financial Officer.

The following is a description of certain restrictive covenants by which Messrs. Pzena, Goetz and Lipsey, as well as other employee members, have agreed to be bound.

Non-Competition

Pursuant to the terms of the amended and restated operating agreement of Pzena Investment Management, LLC, all employees who are members of Pzena Investment Management, LLC have agreed not to compete with us during the term of their employment with us. In addition, each of Messrs. Pzena, Goetz and Lipsey have agreed not to compete with us for a period of three years following the termination of his employment. Other employee members of Pzena Investment Management, LLC have agreed not to compete with us for a period of up to six months following the termination of his or her employment, if the employee member and his or her permitted transferees collectively hold at that time more than 1.0% of all the Class B units outstanding and if he or she continues to receive compensation during this non-competition period.

Non-Solicitation

Messrs. Pzena, Goetz and Lipsey have agreed not to solicit our clients or any other employees of Pzena Investment Management, LLC during the term of their employment and for three years thereafter. Other employee members of Pzena Investment Management, LLC are subject to similar non-solicitation provisions during the term of their employment and 18 months thereafter.

Forfeiture of Class B Units

Unless otherwise determined by our Board of Directors, in its sole discretion, or previously agreed to by the employee member, his or her permitted transferees and us:

if an employee member (including our CEO and two Presidents) is terminated for cause, the employee member and any of his or her permitted transferees would forfeit all of his, her or their unvested Class B units, if any, and a number of vested Class B units that is equal to 75% of the number of vested Class B units collectively held by the employee member and his or her permitted transferees, in each case as of the date of the termination of his or her employment, and

if our CEO or two Presidents breach any of the non-competition or non-solicitation covenants described above, then he and any of his permitted transferees would forfeit all of his, her or their unvested Class B units, if any, and an aggregate number of vested Class B units that is equal to 50% of the number of vested Class B units collectively held by him and his or her permitted transferees, in each case as of the earlier of the date of his breach or the termination of his employment.

Although the Class B Units were granted pursuant to the PIM LLC 2006 Equity Incentive Plan, we do not consider these awards to have been made pursuant to an "equity incentive plan," as such term is defined in the rules of the SEC, since vesting of the Class B Units is not tied to our Company's or our stock's performance.

Pension Benefits

As of December 31, 2010, none of the named executive officers was a participant in any defined benefit pension plan, whether tax-qualified or supplemental, which was maintained by us, our operating company, or any of its affiliates.

Termination or Change of Control

Neither we nor our operating company maintain any termination or change of control programs. However, the PIM LLC 2006 Equity Incentive Plan and the 2007 Equity Incentive Plan both provide that the Compensation Committee will have the discretion to accelerate the vesting of awards granted thereunder upon the occurrence of certain events, including a change of control of us. Also, pursuant to the tax receivable agreement, as further described below in "Related Party Transactions Tax Receivable Agreement," if certain change of control events were to occur, we would be obligated to make early termination payments to the parties to such tax receivable agreement (including the named executive officers). Furthermore, the Pzena Investment Management, Inc. Non-Employee Director Deferred Compensation Plan provides that each plan participant's account shall be distributed in shares of our Class A common stock immediately prior to a change in control of us, as further described in such plan.

2010 Non-Employee Director Compensation

The following table sets forth information concerning non-employee director compensation for the year ended December 31, 2010. It is our policy not to pay director compensation to directors who are also our employees.

Pursuant to the Pzena Investment Management, Inc. Nonemployee Director Deferred Compensation Plan, described below, each non-employee director was given the option to defer either all or a portion of his 2010 annual retainer of \$70,000 in the form of deferred stock units, or "Phantom Stock." With respect to any non-deferred portion of the annual retainer, each non-employee director was given the option to receive either 100% in cash, 100% in shares of our Class A common stock, or

50% payable in cash and 50% in shares of our Class A common stock. In 2010, all non-employee directors elected to receive their 2010 annual retainers in deferred stock units.

(1) On January 1, 2010, each non-employee director was awarded 8,599 deferred stock units, each of which is the economic equivalent of one share of our Class A common stock. We valued these deferred stock units at \$8.14 each, the closing price of our Class A common stock on December 31, 2009. The shares of Phantom Stock become payable in a single distribution of shares of our Class A common stock, at such time as elected by the non-employee director when the deferral was made.

Pzena Investment Management, Inc. Non-Employee Director Deferred Compensation Plan

On July 21, 2009, we adopted the Pzena Investment Management, Inc. Nonemployee Director Deferred Compensation Plan, or the Director Plan. The Director Plan is an "unfunded" deferred compensation arrangement designed to attract and retain individuals to serve as non-employee directors of the Company by allowing such individuals to defer payment of all, or a portion, of their director fees into deferred stock units, the value of which is based on the value of shares of Class A common stock of the Company.

Administration. The Director Plan is administered by the Administrator, as defined in the Director Plan. The Compensation Committee of the Board serves as the Administrator. The Administrator may delegate such duties as it determines, in its discretion, to be necessary or desirable for the administration of the Director Plan.

Participation. Any Nonemployee Director may elect to have all or part of the compensation otherwise payable to the director deferred and paid at the time, and in the manner, prescribed in the Director Plan. A Nonemployee Director wishing to participate in the Director Plan shall make deferrals of compensation no later than December 31 of the Director Plan year immediately preceding the Director Plan year in respect of which such compensation may be earned. Deferrals may be denominated in an aggregate dollar amount, or as a percentage of compensation, and shall be allocated to an account. The Company shall establish a separate account on its books in the name of each participant. Notwithstanding the foregoing, the Administrator may allow a Nonemployee Director whose service on the Board begins during any Director Plan year to make a deferral election prior to, or within, 30 days after the commencement of such Nonemployee Director's service on the Board with respect to compensation to be earned following the date on which such election is made. Elections to defer compensation under the Director Plan shall be made on a year-to-year basis.

Distributions under the Director Plan shall be made in a single distribution of shares of our Class A common stock at such time as elected by the participant when the deferral was made. At the time the deferral election is made, a Nonemployee Director may elect to receive such participant's account upon the earlier to occur of: (i) the date of the participant's death; (ii) the date the participant becomes Disabled (as defined in Section 409A(a)(2)(C) of the Internal Revenue Code); (iii) the date of the participant's separation from service with the Company for any reason other than death; and (iv) a date specified by the participant, provided that the date is not less than five years following the end of the calendar year to which the deferral relates.

Notwithstanding any other provision of the Director Plan to the contrary, in the event of a separation from service during any Director Plan year, no compensation as yet unpaid with respect to such Director Plan year (or any future Director Plan year) may be deferred under the Director Plan.

Table of Contents

Method of Deferral of Compensation. Compensation deferred under the Director Plan shall be deferred in the form of units equal to the number of shares of our Class A common stock hypothetically purchased with deferred compensation. Compensation deferred under the Director Plan for any Director Plan year shall be recorded on the first day of the Director Plan year, subject to forfeiture as set forth in the Director Plan. The number of units to be recorded with respect to each amount of deferred compensation allocated to the account shall be equal to: (i) in the case of compensation that otherwise would have been paid in cash, the quotient obtained by dividing the amount of deferred cash by the fair market value of one share of our Class A common stock on the first day of the Director Plan year with respect to which the deferred compensation relates, and (ii) in the case of compensation that otherwise would have been paid in shares of stock, the number of shares of our Class A common stock that would have been issued to the participant during such Director Plan year absent deferral under the Director Plan. The Administrator's determination of the value of a unit shall be binding on the Company and its successors, the participants and their beneficiaries.

In the event of a separation from service, any amount deferred under the Director Plan with respect to the calendar quarter in which occurs the effective date of such separation from service, and with respect to the remainder of the applicable Director Plan year (including any dividend equivalents credited thereto), shall be immediately cancelled and forfeited. On the last day of each calendar quarter, amounts deferred under the Director Plan on the first day of the applicable Director Plan year shall become nonforfeitable and shall be distributed in accordance with the terms of the Director Plan.

Additional units shall be credited to a participant's account as of each date on which cash dividends and/or special dividends and distributions are paid with respect to our Class A common stock (a "Dividend Date"), provided that at least one unit is credited to such participant's account as of the record date for such dividend or distribution. The number of units to be credited to a participant's account under the Director Plan as of any dividend date shall equal the quotient obtained by dividing: (i) the product of (a) the number of the units credited to such account on the record date for such dividend or distribution, and (b) the per share dividend (or distribution value) payable on such dividend date by (ii) the fair market value of a share of our Class A common stock as of such dividend date.

Once an election to defer compensation has become irrevocable, a participant may, with the prior consent of the Administrator, modify the time and form of payment of an amount previously deferred under the Director Plan, subject to the certain conditions set forth in the Director Plan.

Distribution of Deferred Compensation. The Company shall pay to the participant (or the participant's beneficiary or estate, as applicable) the non-forfeitable balance credited to such participant's account in a single distribution of shares on the first date of the calendar month following the date or event specified for such distribution by the participant. Distributions shall be made in the form of shares of our Class A common stock.

Notwithstanding any other provision of the Director Plan to the contrary, the Administrator in its sole discretion may at any time authorize the distribution of shares of our Class A common stock of part or all of the participant's account to such participant prior to the time such amount would otherwise be payable pursuant to the provisions of the Director Plan, in any case where the Administrator determines that the participant has proved an unforeseeable emergency, as defined under Section 409A(a)(2)(B)(ii) of the Internal Revenue Code.

Notwithstanding anything in the Director Plan to the contrary, each participant's account shall be distributed in shares of our Class A common stock, immediately prior to a change in control, subject to the actual occurrence of the change in control, provided that the event constituting such change in control constitutes a change in the ownership or effective control of a corporation, or a change in the ownership of a substantial portion of the assets of a corporation, in either case, within the meaning of Section 409A of the Internal Revenue Code.

Notwithstanding anything in the Director Plan to the contrary, to the extent necessary to avoid the application of an accelerated or additional tax under Section 409A of the Internal Revenue Code,

Table of Contents

amounts that would otherwise be payable pursuant to the Director Plan during the six-month period immediately following the participant's separation from service shall instead be paid on the first business day after the date that is six months following the participant's separation from service (or upon the participant's death, if earlier).

The Company intends the following with respect to this Director Plan: (i) that participants will not recognize gross income as a result of participation in the Director Plan unless and until and then only to the extent that distributions are received; (ii) that the Director Plan shall be an "unfunded" plan for purposes of the Employee Retirement Income Security Act of 1974, as amended; and (iii) the design and administration of the Director Plan should comply with the requirements of Section 409A of the Internal Revenue Code. Notwithstanding the foregoing, no Nonemployee Director, participant, former participant, beneficiary or any other person shall have any recourse against the Company, the Administrator or any of their affiliates, employees, agents, successors, assigns or other representatives if any of those conditions are determined not to be satisfied.

The number of units allocated to accounts shall be adjusted by the Administrator, as it deems appropriate, in the event that the Administrator shall determine that any dividend or other distribution (whether in the form of cash, stock, or other property), recapitalization, stock split, reverse split, reorganization, merger, consolidation, spin-off, combination, repurchase, or share exchange, or other similar corporate transaction or event, affects the units such that an adjustment is appropriate in order to prevent dilution or enlargement of the rights of participants under the Director Plan.

The right of any participant to receive future distributions under the Director Plan shall be an unsecured claim against the general assets of the Company

Termination and Amendment Of The Director Plan. The Director Plan shall remain in effect until such time as it is terminated by the Company in accordance with the terms of the Director Plan and applicable law. No participant nor the Administrator shall have the power to terminate the Director Plan except as provided in Section 409A of the Internal Revenue Code. Upon termination of the Director Plan, all accounts shall be paid in shares of our Class A common stock to each participant or, if applicable, such participant's beneficiary or estate. The Company shall use its commercially reasonable best efforts to comply with the provisions of Section 409A of the Internal Revenue Code with respect to termination of the Director Plan in order to ensure that amounts payable in connection with termination of the Director Plan shall not be subject to tax under Section 409A of the Internal Revenue Code. The Director Plan may be amended from time to time by the Administrator, provided that no amendment of the Director Plan shall have a material adverse effect on any participant's account under the Director Plan without the prior written consent of such participant.

RELATED PARTY TRANSACTIONS

Set forth below is a description of the material transactions between Pzena Investment Management, LLC and certain of our directors, executive officers and beneficial owners of more than 5% of our voting securities, or their respective family members, during our 2010 fiscal year.

Tax Receivable Agreement

On October 30, 2007, we entered into a tax receivable agreement with each holder of Class B units of Pzena Investment Management, LLC outstanding on that date. The terms of this agreement also apply to Class B units that have been or may be issued after such date to existing or new Class B members of the operating company. If applicable, any such new Class B members will become parties to this agreement.

This agreement requires us to pay holders of Class B units 85% of the amount of cash savings, if any, in U.S. federal, state and local income tax that we actually realize (or are deemed to realize in the case of an early termination payment by us, or a change in control, as discussed below) as a result of the increases in tax basis described above, and certain other tax benefits related to entering into the tax receivable agreement, including tax benefits attributable to payments thereunder. Cash savings in income tax are computed by comparing our actual income tax liability to the amount of such taxes that we would have been required to pay had there been no increase in our share of the tax basis of the tangible and intangible assets of Pzena Investment Management, LLC.

On October 27, 2008, we entered into a Limited Waiver to Tax Receivable Agreement with Milestone Associates, L.L.C., a limited liability company of which Mr. Greenblatt, a director of our Company, is the managing member. Pursuant to the Limited Waiver to Tax Receivable Agreement, our obligation to make the required payments (as described above) to Milestone Associates for taxable years 2008 and 2009 under the Tax Receivable Agreement was waived. The amount waived by Milestone Associates for taxable year 2008 was \$1.3 million and for taxable year 2009 was \$0.8 million.

Resale and Registration Rights Agreement

On October 30, 2007, we entered into a resale and registration rights agreement with each holder of Class B units of Pzena Investment Management, LLC outstanding on that date. The terms of this agreement also apply to Class B units that have been or may be issued after such date to existing or new Class B members of the operating company. If applicable, any such new Class B members will become parties to this agreement.

Pursuant to this agreement, any shares of Class A common stock issued upon exchange of Class B units will be eligible for resale pursuant to a registration statement on Form S-3, or the shelf registration statement, subject to the resale timing and manner limitations described below.

On February 17, 2009, the SEC declared effective our shelf registration statement on Form S-3, in which we registered 57,937,910 shares of our Class A common stock, issuable upon the exchange of an equivalent number of Class B units of the operating company. On February 14, 2011, we filed a Form S-3 registration statement, which has not yet been declared effective, in order to register the issuance of up to an additional 4,098,774 shares of our Class A common stock upon the exchange by the holders of the equivalent number of Class B units.

From the first effective date of the initial shelf registration statement until the fourth anniversary of the consummation of our initial public offering, holders of Class B units, subject to certain exchange timing and volume limitations, will only be able to sell the shares of Class A common stock issued upon exchange in the timing and manner determined by us. We are required to provide for at least one exchange date in each twelve-month period from the effective date of this shelf registration statement until the fourth anniversary of our initial public offering, pursuant to which holders of Class A common

stock issued upon exchange of vested Class B units can resell such shares of Class A common stock. However, if we fail to provide an exchange date and manner of resale by the end of any such twelve-month period, each holder of Class B units who is then eligible to exchange Class B units, may exercise its exchange right and resell the shares issued upon exchange in any manner of sale permitted under the registration statement, or otherwise available to the holder. Thereafter, holders of Class B units will be able to exchange their Class B units for shares of our Class A common stock, subject to the exchange timing and volume limitations described above, and will be permitted to sell their shares in any manner, but only at times determined by us, in our sole discretion.

We have agreed to indemnify the holders of Class B units against any losses or damages resulting from any untrue statement, or omission of material fact, in any registration statement or prospectus pursuant to which they may sell the shares of our Class A common stock that they receive upon exchange of their Class B units, unless such liability arose from the selling stockholder's misstatement or omission, and the holders have agreed to indemnify us against all losses caused by their misstatements or omissions. We will pay certain expenses incident to our performance under the registration rights agreement, and the selling stockholders will pay certain other expenses, in addition to their respective portions of all underwriting discounts, commissions and transfer taxes relating to the sale of their shares of Class A common stock pursuant to the registration rights agreement.

Other Related Party Transactions

Set forth below is a description of certain other transactions between Pzena Investment Management, LLC and certain of our directors, executive officers and beneficial owners of more than 5% of our voting securities, or their respective family members.

Senior Subordinated Notes

On October 28, 2008, our operating company entered into Amendment No. 3 (the "Amendment") to the Credit Agreement, dated July 23, 2007 (the "Credit Agreement"), among the operating company, as borrower, Bank of America, N.A., as administrative agent and L/C issuer, and the other lenders party thereto. Pursuant to the Amendment, the Credit Agreement was amended and restated in full. Conditions precedent to the execution of the Amendment included, among others, the repayment by the operating company of \$25,000,000 of the \$47,000,000 principal amount outstanding under the Credit Agreement as of October 28, 2008.

In order to partially fund the \$25,000,000 repayment required by the lenders, the three independent members of our Board of Directors, the members of our Audit Committee, and the members of our Nominating and Corporate Governance Committee, each consisting of Messrs. Galbraith and Meyerowich, and our former director, Mr. Ullman, approved the issuance of an aggregate of \$16,000,000 principal amount of senior subordinated notes (collectively, the "Notes") to the following persons and entities (collectively, the "Note Holders"):

- (i) The Michele Pzena Family Trust, The Daniel Pzena Family Trust, The Aaron Pzena Family Trust, and The Eric Pzena Family Trust, in each case created under the Richard Pzena Descendants Trust dated November 4, 2005, with various trustees (\$1,250,000 principal amount by each such trust), which was established by Mr. Pzena, a director, our chief executive officer and a significant stockholder;
- (ii) The Pzena Family 1996 Irrevocable Trust between Richard S. Pzena and Wendy M. Pzena dated December 30, 1996 (\$5,000,000 principal amount), which was established by Mr. Pzena, a director, our chief executive officer and a significant stockholder, and his wife;

- (iii) Milestone Associates, L.L.C. (\$5,000,000 principal amount), a limited liability company of which Mr. Greenblatt, a director of our Company, is the managing member; and
- (iv) Amelia Jones Feinberg (\$1,000,000 principal amount).

The Notes were issued on October 28, 2008. Each of the Notes was unsecured, had a ten year maturity and bore interest at 6.30% per annum. The provisions of the Notes included a restricted payments covenant, a prohibition on incurring indebtedness which was not subordinated to the Notes, and events of default based on failure to make payments, bankruptcy, change of control, and acceleration of material indebtedness. In addition, the Notes were subordinated to the repayment in full of the loans under the Credit Agreement.

On December 31, 2009, we repaid the notes to Milestone Associates, L.L.C. (\$5,000,000 principal amount) and Amelia Jones Feinberg (\$1,000,000 principal amount), along with all accrued interest due to said Note Holders through such date.

On June 30, 2010, we repaid the notes to The Michele Pzena Family Trust, The Daniel Pzena Family Trust, The Aaron Pzena Family Trust, and The Eric Pzena Family Trust (\$1,250,000 principal amount by each such trust), as well as The Pzena Family 1996 Irrevocable Trust (\$5,000,000 principal amount), along with all accrued interest due to said Note Holders through such date.

Other Related Party Transactions

Our operating company manages the personal funds of many of its employees, including our CEO and two Presidents, pursuant to investment management agreements in which it has waived its regular advisory fees. In addition, it manages the personal funds of some of its employees' family members at reduced advisory fee rates. In 2010, the aggregate value of the fees that we waived was approximately \$193,663 with respect to accounts beneficially owned by a private fund in which certain of our executive officers invest.

Related Person Transaction Policy

We have adopted a policy regarding the approval of any transaction, or series of transactions, in which we or any of our subsidiaries is a participant, the amount involved exceeds \$120,000, and a "related person" (as defined under SEC rules) has a direct or indirect material interest. Under the policy, a related person must promptly disclose to our General Counsel any "related person transaction" (defined as any transaction that is required to be disclosed under Item 404(a) of Regulation S-K in which we were, or are to be, a participant, and the amount involved exceeds \$120,000, and in which any related person had, or will have, a direct or indirect material interest) and all material facts about the transaction. The General Counsel will then assess and promptly communicate that information to the Audit Committee of our Board of Directors. Based on its consideration of all of the relevant facts and circumstances, the Audit Committee will decide whether or not to approve such transaction, and will generally approve only those transactions that do not create a conflict of interest. If we become aware of an existing related person transaction that has not been pre-approved under this policy, the transaction will be referred to the Audit Committee, which will evaluate all options available, including ratification, revision or termination of such transaction. Our policy requires any director who may be interested in a related person transaction to recuse himself or herself from any consideration of such related person transaction.

PROPOSAL 2: RATIFICATION OF INDEPENDENT AUDITORS

The Audit Committee has appointed KPMG LLP as our independent auditors for our fiscal year ending December 31, 2011. Stockholders are being asked to ratify this action of the Audit Committee. Our Board of Directors recommends that stockholders vote **FOR** the ratification of KPMG LLP as our independent auditors for our fiscal year ending December 31, 2011.

Representatives of Ernst & Young LLP, the Company's auditors for our fiscal year ended December 31, 2010, are expected to be present at the Annual Meeting and available to respond to appropriate questions. Such representatives also will have the opportunity, should they so desire, to make a statement to the stockholders.

On April 5, 2011, after a competitive proposal process, the Audit Committee approved the engagement of KPMG LLP as the Company's independent registered public accounting firm for the fiscal year ending April 5, 2011. In connection with the selection of KPMG LLP on March 31, 2011, the Audit Committee decided not to renew the engagement of Ernst & Young LLP as the Company's independent registered public accounting firm.

During the years ended December 31, 2010 and 2009 and for the period from January 1, 2011 to April 5, 2011, neither the Company nor anyone on its behalf has consulted with KPMG LLP with respect to either (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's consolidated financial statements, and neither a written report nor oral advice was provided to the Company that KPMG LLP concluded was an important factor considered by the Company in reaching a decision as to any accounting, auditing or financial reporting issue; or (ii) any matter that was either the subject of a disagreement (as defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions to Item 304 of Regulation S-K) or a reportable event (as defined in Item 304(a)(1)(v) of Regulation S-K).

The reports of Ernst & Young LLP on the Company's consolidated financial statements for the years ended December 31, 2010 and 2009 did not contain an adverse opinion or a disclaimer of an opinion, and were not qualified or modified as to uncertainty, audit scope or accounting principles.

During the years ended December 31, 2010 and 2009 and for the period from January 1, 2011 to April 5, 2011, there were no disagreements (as defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions to Item 304 of Regulation S-K) with Ernst & Young LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of Ernst & Young LLP, would have caused Ernst & Young LLP to make reference to the subject matter of the disagreements in its reports on the consolidated financial statements for such years.

During the years ended December 31, 2010 and 2009 and for the period from January 1, 2011 to April 5, 2011, there were no reportable events (as defined in Item 304(a)(1)(v) of Regulation S-K).

Tax fees for 2010 and 2009 were for reviews of the Company's tax returns.

Other fees for 2010 and 2009 related to other attestation services over the Company's investment performance.

Pre-Approval Policy

The charter of our Audit Committee provides that the Audit Committee shall appoint our independent auditors and shall review and approve, in advance, our independent auditors' annual engagement letter, including the proposed fees contained therein, as well as all audit and all permitted non-audit engagements and relationships between us and our independent auditors. The charter of the Audit Committee further provides that audit and permitted non-audit services may be approved in advance: (i) by the Audit Committee, or by one or more members of the Audit Committee designated by the Audit Committee; or (ii) based on policies and procedures adopted by the Audit Committee, provided that (a) the policies and procedures are detailed as to the particular service, (b) the Audit Committee is informed of each service on a timely basis, (c) such policies and procedures do not include delegation of the Audit Committee's responsibilities to management, and (d) such policies and procedures are disclosed in our annual reports. To date, the Audit Committee has not adopted any policies and procedures relating to the pre-approval of audit and permitted non-audit services.

Notwithstanding the foregoing requirement of the charter of the Audit Committee that audit and permitted non-audit services must be approved in advance, the charter of the Audit Committee provides that pre-approval is not necessary for minor non-audit services if: (i) the aggregate amount of all such non-audit services provided to us constitutes not more than 5% of the total revenues paid by us to our auditors during the fiscal year in which the non-audit services are provided; (ii) such services were not recognized by us at the time of the engagement to be non-audit services; and (iii) such services are promptly brought to the attention of the Audit Committee and approved prior to the completion of the audit by the Audit Committee. We refer to the foregoing as the "De Minimus Exception." None of the services listed above for 2010 and 2009 were approved pursuant to the De Minimus Exception.

PROPOSAL 3: ADVISORY VOTE APPROVING EXECUTIVE COMPENSATION

As required by Section 14A of the Exchange Act, the Company is providing stockholders with an advisory, non-binding vote on the executive compensation of its named executive officers. Accordingly, stockholders will vote on approval of the following resolution:

RESOLVED, that the stockholders approve, on an advisory basis, the compensation of the Company's named executive officers, including the Compensation Discussion and Analysis section, the accompanying compensation tables, and the related narrative disclosure in this Proxy Statement.

This vote is non-binding. The Board of Directors and Compensation Committee expect to take the outcome of the vote into account when considering future executive compensation decisions, to the extent they can determine the cause or causes of any significant negative voting results.

As described in detail under the "Executive Compensation Compensation Discussion and Analysis" section of this Proxy Statement, our executive compensation program is designed to achieve the Company's goals of attracting and retaining top-tier professionals within the investment management industry, linking their total compensation to individual, team, and Company performance, and aligning executives' interests with those of the Company's stockholders. We provide the following elements of compensation to our named executive officers:

- (i) cash compensation, consisting of a base salary;
- (ii) annual cash bonuses;
- (iii) mandatory deferred compensation;
- (iv) equity-based compensation and related distributions of earnings of our operating company; and
- (v) perquisites.

Stockholders are encouraged to read the Compensation Discussion and Analysis, the accompanying compensation tables, and the related narrative disclosure to better understand the compensation of our named executive officers.

Our Board of Directors, upon recommendation of the Compensation Committee, recommends a vote **FOR** approval of the above resolution.

PROPOSAL 4: ADVISORY VOTE ON THE FREQUENCY OF THE ADVISORY VOTE APPROVING EXECUTIVE COMPENSATION

Under Section 14A of the Exchange Act, the Company is required to seek an advisory, non-binding stockholder vote on the frequency of submission to stockholders of the advisory vote on executive compensation at least once every six years. Stockholders have the opportunity to vote on whether this "say-on-pay" vote will occur once every year, every two years, every three years, or they may abstain from voting.

This vote is non-binding. The Company's Board of Directors and Nominating and Corporate Governance Committee will review the voting results and expect to take the outcome of the vote into account when selecting the frequency of advisory votes on executive compensation.

The Board of Directors and Nominating and Corporate Governance Committee understand that thoughtful analysis of executive compensation can be time-consuming for stockholders, and that it may be difficult to assess the impact of any changes to our compensation practices within a one or two-year period. Therefore the Board of Directors and Nominating and Corporate Governance Committee are recommending that stockholders vote for the option of once every three years as the frequency with which stockholders will have a "say-on-pay".

Our Board of Directors, upon recommendation of the Nominating and Corporate Governance Committee, recommends that stockholders vote for the option of once **every three years** as the frequency with which stockholders will have an advisory, non-binding vote on executive compensation.

OTHER MATTERS

Other Matters to be Considered at the Annual Meeting

The Board of Directors does not know of any other business to be presented at the Annual Meeting and does not intend to bring other matters before the Annual Meeting. Under the advance notice provisions of our by-laws, for business to be properly brought before an annual meeting of stockholders by a stockholder, the stockholder must have given timely notice of the proposal and the proposal must be in proper written form. Our by-laws define what constitutes timely notice and what constitutes proper written form for a stockholder proposal. We have not received any stockholder proposals that comply with the requirements of our by-laws as they relate to stockholders' proposals and, accordingly, no stockholder proposals will be acted upon at the Annual Meeting. Should any other matters come before the meeting, the persons named in the accompanying proxy card are authorized to vote in their discretion on such matters.

Solicitation of Proxies

We will bear the cost of solicitation of proxies from our stockholders. In addition to solicitation by mail, the directors and certain officers and employees of our Company may solicit proxies personally. These persons will receive no additional compensation for such services, but will be reimbursed for reasonable out-of-pocket expenses. Arrangements will also be made with brokerage houses and other custodians, nominees and fiduciaries for the forwarding of solicitation materials to the beneficial owners of stock, and we will reimburse them for their reasonable out-of-pocket expenses.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors and executive officers, and persons who own more than 10% of a registered class of our equity securities, to file with the SEC and NYSE reports of ownership on Form 3 and changes in ownership (including changes in ownership of derivative securities representing the right to acquire our securities) on Forms 4 and 5. Such executive officers, directors and greater than 10% shareholders are required by SEC rules to furnish us with copies of all Section 16(a) forms they file.

Based on a review of such reports, we believe that all Section 16(a) filing requirements applicable to our directors, executive officers and greater than 10% shareholders were complied with in respect of our fiscal year ended December 31, 2010.

Stockholder Proposals for the Next Annual Meeting

In order for a stockholder proposal submitted pursuant to Rule 14a-8 under the Exchange Act to be included in the proxy statement relating to our next annual meeting of stockholders, it must be received by us at our office, 120 West 45th Street, 20th Floor, New York, New York 10036 (Attention: Corporate Secretary), no later than December 16, 2011.

If a stockholder intends to present a proposal for consideration at our next annual meeting of stockholders outside the processes of Rule 14a-8, we must receive notice of such proposal at our office, 120 West 45th Street, 20th Floor, New York, New York 10036 (Attention: Corporate Secretary) no earlier than January 18, 2012 and no later than February 17, 2012, or such notice will be considered untimely under Rule 14a-4(c)(1) of the Exchange Act and our by-laws, and our proxies will have discretionary voting authority with respect to such proposal, if it is presented at the annual meeting, without including information regarding such proposal in our proxy materials. Stockholders who intend to present a proposal for consideration at an annual meeting of stockholders outside the processes of Rule 14a-8 must comply with the requirements related thereto that are set forth in our by-laws.

Table of Contents

The deadlines above are calculated by reference to the mailing date of the proxy materials for this year's Annual Meeting and the date of this year's Annual Meeting. If the date of next year's annual meeting changes by more than 30 days (i.e., it is held earlier than April 17, 2012 or later than June 16, 2012), we will inform stockholders of such change, and the effect of such change on the deadlines given above, by including notice under Item 5 of Part II in our earliest possible Quarterly Report on Form 10-Q, or, if that is impracticable, by other means reasonably calculated to inform our stockholders of such change and the new deadlines.

Form 10-K of the Company

A copy of our Annual Report to stockholders on Form 10-K for our fiscal year ended December 31, 2010 is enclosed with this Proxy Statement. The Form 10-K included with this Proxy Statement includes financial statements for our fiscal year ended December 31, 2010, but excludes exhibits. Our Form 10-K, which includes the financial statements and exhibits, is available on our website at www.pzena.com.

We will provide, without charge, to any holder of our shares of common stock as of the Record Date, additional copies of our Form 10-K, including the financial statements, but excluding the exhibits, for our fiscal year ended December 31, 2010. Stockholders who wish to receive an additional copy of our Form 10-K should send their requests to us at 120 West 45th Street, 20th Floor, New York, New York 10036 (Attention: Corporate Secretary). Each such request should include a statement by the person making the request that he or she is a beneficial owner of shares of our common stock as of the Record Date.

Householding Information

The SEC permits companies and intermediaries (such as brokers and banks) to satisfy delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement and annual report to those stockholders. This process, which is commonly referred to as "householding," is intended to reduce the volume of duplicate information stockholders receive and also reduce expenses for companies. While we do not utilize householding, some intermediaries may be householding our proxy materials and our annual reports. Once you have received notice from your broker or another intermediary that they will be householding materials to your address, householding will continue until you are notified otherwise, or until you revoke your consent. If you hold your shares through an intermediary that sent a single copy of this Proxy Statement and a single copy of our Annual Report on Form 10-K for our fiscal year ended December 31, 2010 to multiple stockholders in your household, we will promptly deliver a separate copy of each of these documents to you if you send a written request to us at our principal executive offices located at 120 West 45th Street, 20th Floor, New York, New York 10036 (Attention: Corporate Secretary), or call us at (212) 355-1600. If you hold your shares through an intermediary that is utilizing householding and you want to receive separate copies of our annual report and proxy statement in the future, you should contact your bank, broker or other nominee record holder.

Joan F. Berger
Corporate Secretary
