Proxy Statement
for
Annual Meeting of Stockholders

To Be Held June 9, 2010

Unless the context requires otherwise, references in this statement to *Uranerz Energy*, the *Company*, *we*, *us* or refer to Uranerz Energy Corporation.

The Annual Meeting of Stockholders of Uranerz Energy (the *Annual Meeting*) will be held at the Hilton Garden Inn, 1150 North Poplar Street, Casper, Wyoming 82601 on Wednesday, June 9, 2010, at 9:30 a.m. local time.

We are providing the enclosed proxy materials and form of proxy in connection with the solicitation by the Company s Board of Directors (the *Board*) of proxies for this Annual Meeting. The Company anticipates that this Proxy Statement and the form of proxy will first be mailed to holders of the Company s stock on or about April 30, 2010.

You are invited to attend the meeting at the above stated time and location. If you plan to attend and your shares are held in street name in an account with a bank, broker, or other nominee you must obtain a proxy issued in your name from such broker, bank or other nominee.

You can vote your shares by completing and returning the proxy card or, if you hold shares in street name, by completing the voting form provided by the broker, bank or other nominee.

A returned signed proxy card without an indication of how shares should be voted will be voted FOR the election of all Directors, FOR the approval of the Shareholder Rights Plan, and FOR the ratification of the appointment of the Company s independent registered public accounting firm.

Our corporate bylaws define a quorum as a one-third of the voting power of the issued and outstanding voting stock present in person or by proxy. The Company s Articles of Incorporation do not allow cumulative voting for Directors. The nominees who receive the most votes will be elected. An affirmative vote of a simple majority of the shares present, whether in person or by proxy, is required to approve the Shareholder Rights Plan and to ratify the appointment of the Company s independent registered public accounting firm.

QUESTIONS AND ANSWERS ABOUT PROXY MATERIALS AND VOTING

Why am I receiving this Proxy Statement and proxy card?

You are receiving this Proxy Statement and proxy card because you were a stockholder of record at the close of business April 21, 2010 and are entitled to vote at the Annual Meeting. This Proxy Statement describes issues on which the Company would like you, as a stockholder, to vote. It provides information on these issues so that you can make an informed decision. You do not need to attend the Annual Meeting to vote your shares.

When you sign the proxy card you appoint Glenn Catchpole, President and Chief Executive Officer of the Company, and Dennis Higgs, Executive Chairman of the Board of the Company, as your representatives at the Annual Meeting. As your representatives, they will vote your shares at the Annual Meeting (or any adjournments or postponements) in accordance with your instructions on your proxy card. With proxy voting, your shares will be voted whether or not you attend the Annual Meeting. Even if you plan to attend the Annual Meeting, it is a good idea to complete, sign and return your proxy card in advance of the Annual Meeting, just in case your plans change.

If an issue comes up for vote at the Annual Meeting (or any adjournments or postponements) that is not described in this Proxy Statement, your representatives will vote your shares, under your proxy, at their discretion, subject to any limitations imposed by law.

When is the record date?

The Board has fixed April 21, 2010 as the record date for the Annual Meeting. Only holders of Uranerz Energy voting stock as of the close of business on that date will be entitled to vote at the Annual Meeting.

How many shares are outstanding?

As of April 21, 2010, the Company had 64,194,887 shares of Common Stock issued and outstanding.

What am I voting on?

You are being asked to vote on the following:

- The election of eight (8) directors for the ensuing year;
- The ratification of the Shareholder Rights Plan;
- The appointment of the Company's independent registered public accounting firm, Manning Elliott LLP; and
- Any other business that may properly come before the meeting.

How many votes do I get?

Each share of Common Stock is entitled to one vote. No cumulative rights are authorized, and dissenters' rights are not applicable to any of the matters being voted upon.

The Board recommends a vote **FOR** each of the nominees to the Board, **FOR** the approval of the Shareholder Rights Plan, and **FOR** the ratification of the appointment of the Company's independent registered public accounting firm, Manning Elliott LLP.

How do I vote?

You have several voting options. You may vote by:

- Signing your proxy card and mailing it in the enclosed, prepaid and addressed envelope;
- Signing and faxing your proxy card to our transfer agent, Corporate Stock Transfer, for proxy voting, to the fax number provided on the proxy card;
- Voting over the Internet by following the procedures provided on the proxy card; or
- Attending the Annual Meeting and voting in person.

If your shares are held in an account with a brokerage firm, bank, dealer, or other similar organization, then you are the beneficial owner of shares held in a street name and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker, bank or other nominee on how to vote the shares in your account. You are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote your shares in person at the Annual Meeting unless you request and obtain a valid proxy card from your broker, bank, or other nominee.

Can stockholders vote in person at the Annual Meeting?

The Company will pass out written ballots to anyone who wants to vote at the Annual Meeting. If you hold your shares through a brokerage account but do not have a physical share certificate, or the shares are registered in someone else's name, you must request a legal proxy from your stockbroker or the registered owner to vote at the meeting.

What if I share an address with another shareholder and we received only one copy of the proxy materials?

If certain requirements are met under relevant U.S. securities law, including in some circumstances, the shareholder's prior written consent, we are permitted to deliver one annual report and one proxy statement to a group of shareholders who share the same address. If you share an address with another shareholder and have received only one copy of the proxy materials, but desire another copy, please send a written request to our offices at the address below or call us at (604) 689-1659 to request another copy of the proxy materials. Please note that each shareholder should receive a separate proxy card to vote the shares they own.

Send requests to:

Secretary

What if I change my mind after I return my proxy?

You may revoke your proxy and change your vote at any time before the polls close at the Annual Meeting. You may do this by:

- Signing another proxy with a later date and mailing it to the attention of: Jason K. Brenkert, Inspector of Elections, at 370 17th Street, Suite 4700, Denver, Colorado, 80202, so long as it is received prior to 12:00 p.m., MDT, on June 8, 2010;

- Voting in person at the Annual Meeting; or
- Giving written notice of the revocation of your proxy to the Company's Corporate Secretary, Sandra R. MacKay, at the address given above, prior to 12:00 p.m., MDT on June 8, 2010.

How many votes do you need to hold the meeting?

To conduct the Annual Meeting, the Company must have a quorum, which means that one-third of the outstanding voting shares of the Company as of the record date must be present at the meeting. Based on 64,194,887 shares of Common Stock outstanding as of the record date of April 21, 2010, 21,398,296 shares of Common Stock must be present in person or by proxy for the quorum to be reached. Your shares will be counted as present at the Annual Meeting if you:

- Submit a properly executed proxy card (even if you do not provide voting instructions); or
- Attend the Annual Meeting and vote in person.

What if I abstain from voting?

Abstentions with respect to a proposal are counted for the purposes of establishing a quorum. If a quorum is present, abstentions will not be included in vote totals and will not affect the outcome of the vote on any proposal contained in this year's Proxy Statement.

How many votes are needed to elect directors?

The nominees for election as directors at the Annual Meeting will be elected by a plurality of the votes cast at the meeting. A properly executed proxy card marked *WITHHELD* with respect to the election of directors will not be voted and will not count *FOR* or *AGAINST* any of the nominees.

How many votes are needed to approve the Shareholder Rights Plan?

The Shareholder Rights Plan will be approved if the votes cast *FOR* the proposal exceed the votes cast *AGAINST* the proposal (a majority of shares voting). A properly executed proxy card marked *ABSTAIN* with respect to this proposal will not be voted and will not count *FOR* or *AGAINST* this proposal.

How many votes are needed to ratify the appointment of the independent registered public accountant Manning Elliott LLP?

The ratification of the appointment of the independent registered public accountant Manning Elliott LLP will be approved if the votes cast *FOR* the proposal exceed the votes cast *AGAINST* the proposal (a majority of shares voting). A properly executed proxy card marked *ABSTAIN* with respect to this proposal will not be voted and will not count *FOR* or *AGAINST* this proposal.

Will my shares be voted if I do not sign and return my Proxy Card?

If your shares are held through a brokerage account, your brokerage firm, under certain circumstances and subject to certain legal restrictions, may vote your shares.

If your shares are registered in your name, and you do not sign and return your proxy card, your shares will not be voted at the meeting.

Where can I find the voting results of the meeting?

Within four (4) business days of the Annual Meeting, the Company will file a current report on Form 8-K with the Securities and Exchange Commission (SEC) announcing the voting results of the Annual Meeting.

Who will pay for the costs of soliciting proxies?

The Company will bear the cost of soliciting proxies. In an effort to have as large a representation at the meeting as possible, the Company's directors, officers and employees may solicit proxies by telephone or in person in certain circumstances. These individuals will receive no additional compensation for their services other than their regular salaries. Additionally, the Company may hire a proxy solicitor to help reach the quorum requirement. The Company will pay a reasonable fee in relation to these services. Upon request, the Company will reimburse brokers, dealers, banks, voting trustees and their nominees who are holders of record of the Company's Common Stock on the record date for the reasonable expenses incurred in mailing copies of the proxy materials to the beneficial owners of such shares.

When are stockholder proposals due for the 2011 annual meeting of Stockholders?

In order to be considered for inclusion in next year's (2011) proxy statement, stockholder proposals must be submitted in writing to the Company's Corporate Secretary, Sandra R. MacKay, at Uranerz Energy Corporation, Suite 1410, 800 West Pender Street, Vancouver, B.C. Canada V6C 2V6, and received no later than January 1, 2011. Separation of the positions of Chief Executive Officer and Chairman of the Board

Mr. Catchpole joined the Company in 2006 as its President and Chief Executive Officer. Prior to that time Mr. Higgs was President of the Company. Mr. Higgs assumed the position of Executive Chairman upon Mr. Catchpole's joining the Company as President and Chief Executive Officer. This governance structure, whereby the positions of principle executive officer and board chairman are separate, was chosen in order to ensure broader accountability by management to the Board of Directors. Both the principal executive officer and the chairman positions report to and are accountable to the Board of Directors. This governance structure was also selected because the Company wished to ensure effective leadership in both of the Company's offices. The principal executive officer oversees the

operations office in Casper and the executive chairman oversees the administrative offices in Vancouver. In practice there is regular and effective communication between the principal executive officer and the executive chairman of the Board and the Board is of the view that the communication between management and the Board is enhanced by virtue of the fact that the two positions are distinct.

Advisory Board

We have an advisory board that consists entirely of professional geologists.

Dr. Franz J. Dahlkamp has over 45 years experience as an economic geologist, with specific emphasis in uranium. He started as an economic geologist with several mining companies in Germany and abroad. In 1968 he began working with the Uranerz group of companies and by 1974 he became the head of their exploration department. While at Uranerz he organized and established the Uranerz group of subsidiary companies for uranium exploration in Australia, Canada, and the USA, and conducted reconnaissance surveys for uranium worldwide.

Since 1978 Dr. Dahlkamp has been consulting for mining companies, utilities, and national and international institutions. From 1978 to 2002, Dr. Dahlkamp lectured at the Universities of Leoben and Salzburg, Austria, and Munich, Germany (on uranium deposits: geology, economics, and exploration).

Dr. Dahlkamp has a PhD (1958), a Dr. of Science (Habilitation 1979), and is an Honorary Chair (Honorar-Professor) at Mining-University of Leoben (1990).

Dr. Gerhard Ruhrmann has over 30 years experience in uranium exploration, mining and mine waste management. From 1976 to 1981, Dr. Ruhrmann was project geologist and exploration manager for Uranerz Exploration and Mining (UEM) in Canada, supervising field work in the Otish Mountains of Quebec, the Athabasca Basin in Saskatchewan, and the Thelon Basin in Nunavut. In 1982, Dr. Ruhrmann joined Key Lake Mining Corporation, to develop exploration tools for high grade unconformity-related uranium deposits on the basis of geological and mineralogical research at the Key Lake open pits and other mines in the Athabasca Basin. This resulted in a number of papers published in a variety of scientific periodicals including technical documents of the International Atomic Energy Agency.

In 1988, Dr. Ruhrmann became engaged in hydrogeological and geotechnical work in Cameco's engineering division, assessing above-ground uranium tailings management facilities and contributing to the in-pit tailings disposal concept at the Deilmann open pit in Saskatchewan.

In 1993, Uranerzbergbau (UEB) in Germany called Dr. Ruhrmann to join its consulting branch. Assignments included the assessment of exploration and mining projects in central Asia and western Africa, managing a subsidiary exploration company in Guinea, providing technical assistance to regulatory agencies in Papua New Guinea, monitoring the reclamation work at the former uranium mines in eastern Germany, designing reclamation concepts for closed-out uranium mines in central Asia and eastern Europe as well as reviewing the mining practice in Vietnam. On the basis of this experience, Dr. Ruhrmann co-authored a book on environmental mine management, published in 2001.

Since 2003, Dr. Ruhrmann is practicing as an independent consultant to the mining industry and international technical assistance agencies. Assignments include a review of the mining industry in Mongolia, enhancement of small-scale mining in Papua New Guinea, quality control at uranium mine rehabilitation projects and the assessment of uranium prospects.

Dr. Ruhrmann has a diploma in geology and holds a doctor degree in geology from the University of Tuebingen, Germany. Since 2001, Dr. Ruhrmann has taught mineral exploration at the University of Leoben, Austria.

Mr. Kenneth Cunningham brings over thirty years of experience from diversified mineral exploration and mining geology through to executive management. Eighteen of these years have been focused in Nevada. Currently Mr. Cunningham is the President and Chief Executive Officer of Miranda Gold Corp. where he aggressively positioned this company in the Cortez Gold Trend and successfully negotiated joint ventures with major mining companies including Newmont, Placer Dome, Newcrest and Barrick. Previously, he was Exploration Manager with Uranerz U.S.A. Inc. During his tenure with Uranerz Mr. Cunningham led the exploration and acquisition effort that resulted in two Nevada gold discoveries; a three million-ounce discovery in the Battle Mountain trend and a one-plus-million ounce discovery in the northern Carlin trend. Mr. Cunningham has also been Vice President of Tenneco Minerals Company and a Resident Manager with Echo Bay Mining Company.

Mr. Cunningham started his career with Houston Oil and Minerals as a member of its uranium exploration team. In 1978 he was responsible for the discovery of the Death Valley uranium deposit on Alaska's Seward Peninsula. This deposit contains ten-million-pounds of uranium at a grade of .25% U_3O_8 .

Mr. Joe Hebert is currently Vice President of Exploration for Miranda Gold Corp. Most recently, Mr. Hebert was the senior exploration geologist for the Cortez Joint Venture (Placer Dome and Kennecott Minerals) located on the Battle Mountain Trend in North Central Nevada. He was a member of the exploration team who discovered the over 7.5 million ounce Cortez Hills gold deposit. During his tenure at Cortez he directed all generative and acquisition efforts within the joint venture area of interest.

From 1992 to 1999 Mr. Hebert consulted for Uranerz USA, Inc. where he conducted project evaluations and generative programs primarily in north central Nevada. The most significant result of this program was the recognition of gold potential and acquisition recommendations of the Nike-Converse property in Buffalo Valley where Uranerz USA, Inc. discovered approximately 3 M oz of gold resource. He also recommended the REN property for acquisition, where development drilling on a high-grade resource has been being conducted.

During the period when he was consulting, Mr. Hebert initiated a countrywide evaluation of Mongolia, identifying essentially unexplored epithermal systems from regional compilation and focused reconnaissance. He focused his client in gold belts of NE Mongolia, acquiring for them two large concessions with multiple ore-grade showings in large epithermal and intrusive-related alteration cells. This program required interaction with high-level government officials, Mongolian junior companies, Mongolian Geological Survey and supervising native crews in remote camps.

Compensation Discussion and Analysis

Oversight of Executive Compensation Program

The Compensation Committee of the Board of Directors oversees the Company's compensation programs, which are designed specifically for the Company's most senior executive officers, including the Executive Chairman, the Chief Executive Officer, Chief Operating Officer, Chief Financial Officer and the other executive officers named in the Summary Compensation Table (collectively, the senior executive officers). Additionally, the Compensation Committee is charged with the review and approval of all annual compensation decisions relating to senior executive officers. The Compensation Committee is composed entirely of independent, non-management members of the Board of Directors. Each year, and at such other times as is necessary, the Company reviews any and all relationships that each director has with the Company, and the Board of Directors subsequently reviews these findings. The Board of Directors has determined that none of the Compensation Committee members have any material business relationships with the Company.

The responsibilities of the Compensation Committee, as stated in its charter, include the following:

- Review and assess the adequacy of the Compensation Committee charter annually and submit any proposed changes to the Board of Directors for approval;
- Produce an annual report on senior executive officer compensation for inclusion in the Company's annual report and proxy statement relating to its annual meeting of stockholders;
- Review and make such recommendations to the Board of Directors as the Compensation Committee deems advisable with regard to all incentive-based compensation plans and equity-based plans;
- Review and approve the corporate goals and objectives that may be relevant to the compensation of the Company's senior executive officers;
- Evaluate senior executive officer performance in light of the goals and objectives that were set and determine and recommend senior executive officer compensation based on such evaluation; and
- Review and approve the recommendations of the chief executive officer with regard to the compensation of all officers of the Company other than the chief executive officer.

Overview of Compensation Program

In order to recruit and retain the most qualified and competent individuals as senior executive officers, the Company strives to maintain a compensation program that is competitive in the global labor market. The purpose of the Company's compensation program is to reward exceptional organizational and individual performance.

The following compensation objectives are considered in setting the compensation programs for our named executive officers:

- Drive and reward performance which supports the Company's core values;
- Design competitive total compensation and rewards programs to enhance the Company's ability to attract and retain knowledgeable and experienced senior executive officers; and
- Set compensation and incentive levels that reflect competitive market practices.

Compensation Elements and Rationale

To reward both short and long-term performance in the compensation program and in furtherance of the Company's compensation objectives noted above, the Company's compensation program is based on the following objectives:

(i) Performance Goals

The Compensation Committee believes that a significant portion of a senior executive officer's compensation should be tied not only to individual performance, but also to the Company's performance as a whole measured against both financial and non-financial goals and objectives. During periods when performance meets or exceeds these established objectives, senior executive officers should be paid at or more than expected levels. When the Company's performance does not meet key objectives, incentive award payments, if any, should be less than such levels.

(ii) Incentive Compensation

A large portion of compensation should be paid in the form of short-term and long-term incentives, which are calculated and paid based primarily on financial measures of profitability and stockholder value creation. Senior executive officers have the incentive of increasing Company profitability and stockholder return in order to earn a major portion of their compensation package.

(iii) Competitive Compensation Program

The Compensation Committee reviews the compensation of executives at peer companies to ensure that the compensation program is competitive. The Company believes that a competitive compensation program will enhance its ability to attract and retain senior executive officers.

Review of Senior Executive Officer Performance

The Compensation Committee reviews, on an annual basis, each compensation package for the senior executive officers. In each case, the Compensation Committee takes into account the scope of responsibilities and experience and balances these against competitive salary levels. The Compensation Committee has the opportunity to meet with the senior executive officers at various times during the year, which allows the Compensation Committee to form its own assessment of each individual's performance.

Components of the Executive Compensation Program

The Compensation Committee believes the total compensation and benefits program for named executive officers should consist of the following:

- Base salary;
- Stock incentive plan; and
- Bonus.

Many of the Company's senior executive officers provide services through consulting or management agreements with the Company. Fees are paid under consulting or management fees pursuant to these agreements. From the Company's perspective, these services are provided in this manner for flexibility considerations. The Company has determined that it is in the best interests of the Company and its shareholders to maintain consulting and management agreements rather than employment agreements as it decreases the number of actual employees of the Company and ensures that employment of key officers can be negotiated on an as-needed basis with individualized terms—a vital concern to the Company given the relative costs of management salaries and expenses in a development stage company.

Dennis Higgs, Executive Chairman of the Board of Directors (and former President)

Mr. Higgs is compensated indirectly through the Company's consulting agreement with Ubex Capital Inc. The Company engaged Ubex in early 2005 to provide business development and strategic planning consulting services and management to create a viable resource company. The Board of Directors considered Mr. Higgs' continuing involvement to be of vital interest to the Company's success and increased Ubex's consulting services over time to the point where Mr. Higgs provides the Company services as a fully involved Executive Chairman. The Board upon

recommendation from the Compensation Committee has decided to continue the consulting arrangement to minimize administrative costs and to maintain the certainty and flexibility of contractual arrangements. Mr. Higgs has over twenty years experience in establishing and growing public companies and the Board of Directors upon recommendation from the Compensation Committee has determined that his compensation shall be similar to full time executive chairmen of public companies with capitalization in the \$150-250 million range.

Glenn Catchpole

Mr. Catchpole is compensated indirectly through the Company's consulting agreement with Catchpole Enterprises Inc. (CEI). The Company engaged CEI in early 2005 to provide industry expertise and strategic planning consulting services and full-time executive management to create a viable resource company. The Board of Directors and the Compensation Committee considers Mr. Catchpole's continuing involvement to be of vital interest to the Company's success as President and Chief Executive Officer. The Board has chosen the consulting arrangement to minimize administrative costs and to maintain the certainty and flexibility of contractual arrangements. Mr. Catchpole has over thirty years in establishing and growing public companies and the Board of Directors upon recommendation from the Compensation Committee has determined that his compensation shall be similar to full time presidents and CEOs of public companies with capitalization in the \$150-250 million range.

George Hartman

The Company's compensation policy for Mr. Hartman is based on days spent consulting for the Company. The Board of Directors and the Compensation Committee believes that this provides the Company with greater flexibility in controlling expenses. Mr. Hartman's services as Executive Vice-President and Chief Operating Officer, entail a varying degree of attention to the Company's exploration and development activities. Mr. Hartman has extensive expertise in the area of mining production, including specifically, in-situ recovery of uranium, which expertise is very valuable to the Company. Mr. Hartman's salary exceeded that of other officers in 2007, 2008 and 2009 because of the value of his expertise to the Company and the fact that he spent a substantial amount of time attending to the Company's mineral projects in those years.

Benjamin Leboe

The Company's compensation policy for Mr. Leboe, as Principal of Independent Management Consultants of British Columbia is based on time spent consulting for the Company. The Board of Directors and the Compensation Committee believes that this provides the Company with greater flexibility in controlling expenses. Mr. Leboe's services as Chief Financial Officer entail a high and specialized degree of attention to the Company's financial management and reporting activities. Mr. Leboe has extensive expertise in the area of financial management, accounting, business valuation and management consulting, which expertise is very valuable to the Company. Mr. Leboe's consulting rate is based on the Board of Directors determination upon recommendation by the Compensation Committee of the value of his expertise to the Company and is comparable to a full time Chief Financial Officer of public companies with capitalization in the \$150-250 million range.

The multiple used for a change of control payment is five times for officers Higgs, Catchpole and Hartman and three times for all other officers.

The purpose of this proposal is to seek shareholder approval for a Shareholder Rights Plan (the "Shareholder Rights Plan") prior to adoption by the Board.

Why does the Board want to adopt the Shareholder Rights Plan?

The Board has determined that adopting the Shareholder Rights Plan is in the best interest of the Company and its shareholders. The Board's desire to adopt the Shareholder Rights Plan is not in response to or in anticipation of any pending or threatened take-over bid, nor to generally deter take-over bids. The Board desires to adopt the Shareholder Rights Plan to ensure that the Company's shareholders are treated fairly in connection with any bid to acquire control of the Company.

How does the Shareholder Rights Plan ensure that the Company's Shareholders will be treated fairly in connection with a take-over bid?

The Shareholder Rights Plan contains certain provisions that are intended to give the Company's shareholders adequate time to properly assess a take-over bid and to lessen the pressure on the Company's shareholders to tender that is typically encountered by shareholders of companies that are subject to take-over bids. Pursuant to the Shareholder Rights Plan, certain take-over bids will trigger provisions of the Shareholder Rights Plan that may make it more costly or time consuming to acquire control of the Company. The Shareholder Rights Plan exempts certain take-over bids from such provisions of the Shareholder Rights Plan but such take-over bids must comply with other provisions of the Shareholder Rights Plan relating to the amount of time such take-over bids must remain open and the necessary shareholder approval threshold.

Does the Shareholder Rights Plan prohibit a take-over of the Company?

No, the Shareholder Rights Plan is not intended to prohibit a take-over of the Company. The Shareholder Rights Plan is simply intended to ensure that any take-over is fair to and in the best interests of the Company's shareholders.

What vote is required to approve the Shareholder Rights Plan?

To approve the Shareholder Rights Plan, a majority of the votes cast by shareholders of the Company present or represented by proxy at the Annual Meeting must be voted **FOR** the approval of the Shareholder Rights Plan. Abstentions and broker non-votes will not be counted in determining the number of votes necessary for approval of the Shareholder Rights Plan.

What happens if the Shareholder Rights Plan is approved?

If the Shareholder Rights Plan is approved by the Company's shareholders at the Annual Meeting, the Board will adopt the Shareholder Rights Plan with immediate effect following such adoption.

What happens if the Shareholder Rights Plan is not approved by the Company's shareholders?

If the Shareholder Rights Plan is not approved by the Company's shareholders, the Board will not adopt the Shareholder Rights Plan and the Shareholder Rights Plan will not become effective.

The Board recommends a vote FOR the approval of the Shareholder Rights Plan.

PURPOSE OF THE SHAREHOLDER RIGHTS PLAN

The purpose of the Shareholder Rights Plan is to ensure, to the extent possible, that shareholders of the Company are treated fairly in connection with any bid to acquire control of the Company. The Shareholder Rights Plan ensures that, in the context of a bid for control of the Company through an acquisition of shares of common stock of the Company (Common Shares), the Board has sufficient time to explore and develop alternatives for maximizing shareholder value, to provide adequate time for competing bids to emerge, to ensure that shareholders have an equal opportunity to participate in such a bid and to give shareholders adequate time to properly assess the bid and lessen the pressure to tender that is typically encountered by shareholders of companies that are subject to takeover bids. The Shareholder Rights Plan in no way prohibits a takeover bid for the Company in a transaction that is fair and in the best interests of all of the Company's shareholders. The rights of shareholders to seek a change in the management of the Company or to influence or promote action of management in a particular manner will not be affected by the Shareholder Rights Plan. The approval of the Shareholder Rights Plan does not affect the duty of a director to act honestly and in good faith with a view to the best interests of the Company and its shareholders.

SUMMARY OF THE SHAREHOLDER RIGHTS PLAN

The following is a summary of certain material terms of the Shareholder Rights Plan. The summary is qualified in its entirety by reference to the full text of the Shareholder Rights Plan, which is attached as Appendix A to this Proxy Statement. Copies of the Shareholder Rights Plan are also available upon request to the Company. Shareholders wishing to receive a copy of the Shareholder Rights Plan should submit their request by telephone at (604) 689-1659 or by mail to Uranerz Energy Corporation, Attention: Sandra R. MacKay, Suite 1410, 800 West Pender Street, Vancouver, B.C., Canada V6C 2V6. Shareholders are urged to read the Shareholder Rights Plan carefully prior to determining whether or not to vote in favor of approving the Shareholder Rights Plan.

Issuance of Rights

Under the Shareholder Rights Plan, the Company shall issue one right (a Right) in respect of each Common Share outstanding on the date the Shareholder Rights Plan is adopted (the Record Time) and one Right in respect of each Common Share which may be issued after the Record Time and prior to the earlier of the Separation Time (as defined below) and the Expiration Time (as defined below). The Company may, after the Separation Time but prior to the Expiration Time, issue one Right in respect of each Common Share which is issued after the Record Time pursuant to the exercise of securities convertible into Common Shares of the Company (Convertible Securities) which are outstanding as of the date of the first public announcement that any person or entity has become an Acquiring Person (as defined below)(the Stock Acquisition Date).

Exercise Price and Adjustment of Exercise Price and Number of Rights

Each Right will entitle the holder thereof, from and after the Separation Time and prior to the Expiration Time, to purchase, for an exercise price to be determined by the Board in the best interest of the Company's shareholders (the Exercise Price), one Common Share. The Exercise Price and the number of the Rights outstanding are subject to adjustment if, after the Record Time and prior to the Expiration Time, the Company performs certain actions that customarily trigger adjustments, including declaring or paying a dividend on its Common Shares; subdividing or changing the number of outstanding Common Shares into a greater number of Common Shares; combining or changing the number of outstanding Common Shares into a smaller number of Common Shares; or issuing any Common Shares at a purchase price less than the Exercise Price.

Exercise of Rights and Transferability

Until the Separation Time, the Rights shall not be exercisable and each Right will be evidenced by the certificate for the associated Common Share and will be transferable only together with, and will be transferred by a transfer of, such

associated Common Share. From and after the Separation Time and prior to the Expiration Time, the Rights shall be exercisable and the registration and transfer of the Rights shall be separate from and independent of Common Shares.

Promptly following the Separation Time, the rights agent to be designated by the Board (the Rights Agent) will send to each holder of record of Common Shares as of the Separation Time or who subsequently becomes a holder of record of Common Shares upon the exercise of rights attaching to Convertible Securities outstanding at the Stock Acquisition Date, a rights certificate (the Rights Certificate) representing one Right for each Common Share. The Rights may be exercised in whole or in part on any business day after the Separation Time and prior to the Expiration Time by submitting to the Rights Agent, the Rights Certificate together with an election to exercise such Rights and payment of the Exercise Price for each Right being exercised. Upon receipt of the foregoing, the Rights Agent will direct the Company's transfer agent to issue stock certificates to the holders exercising their Rights, representing one Common Share for each Right exercised.

Flip-in Event

A flip-in event (a "Flip-in Event") occurs when any person or entity becomes an Acquiring Person. If a Flip-In Event occurs, (prior to the Expiration Time) the Company shall take such action as shall be necessary to ensure and provide (within ten business days of such occurrence or such longer period as may be required to satisfy the requirements of applicable legislation of each of the states of the United States), that each Right shall thereafter constitute the right to purchase from the Company, upon exercise of the Right in accordance with the terms of the Shareholder Rights Plan, that number of Common Shares as has an aggregate market price on the date of the Flip-in Event equal to twice the Exercise Price, for an amount in cash equal to the Exercise Price.

Upon the occurrence of any Flip-in Event, any Rights that are or were beneficially owned on or after the earlier of the Separation Time and the Stock Acquisition Date by an Acquiring Person or any person or entity acting jointly or in concert with an Acquiring Person or a transferee of Rights of an Acquiring Person or of any person or entity acting jointly or in concert with an Acquiring Person who becomes a transferee in a transfer that the Board has determined is part of a plan, arrangement or scheme of an Acquiring Person shall become null and void without any further action, and any holder of such Rights shall not have any right whatsoever to exercise such Rights under the Shareholder Rights Plan and shall not have thereafter any right whatsoever with respect to such Rights.

Separation Time

Separation Time means the close of business on the tenth (10th) trading day after the earlier of (i) the Stock Acquisition Date; (ii) the date of the commencement of or first public announcement of the intent of any person (other than the Company or any subsidiary of the Company) to commence a take-over bid (other than a Permitted Bid or Competing Permitted Bid (as defined below)); (iii) the date upon which a take-over bid ceases to be a Permitted Bid or Competing Permitted Bid; or such later time as may be determined by the Board acting in good faith.

Expiration Time

Expiration Time means the earlier of (i) the date the Board waives or redeems the Rights or (ii) the close of the annual general meeting of the shareholders of the Company held in 2013.

Acquiring Person

Acquiring Person means any person or entity who is the beneficial owner of twenty percent (20%) or more of the outstanding Common Shares and other voting securities of the Company (collectively, Voting Shares), provided, however, that the term Acquiring Person shall not include (i) the Company or any subsidiary or affiliate of the Company; (ii) any person who or entity which becomes the beneficial owner of twenty percent (20%) or more of the outstanding Common Shares and other voting securities of the Company as a result of any one or any combination of: (A) a Voting Share Reduction; (B) a Permitted Bid Acquisition; (C) an Exempt Acquisition; (D) a Convertible Security Acquisitions; or (E) a Pro Rata Acquisition; (iii) for the period of ten (10) days after the date of the first public announcement of take-over bid, any person who or entity which becomes the beneficial owner of twenty

percent (20%) or more of the outstanding Voting Shares as a result of such person or entity making or proposing to make a take-over bid; (iv) an underwriter or member of a banking or selling group that becomes the beneficial owner of twenty percent (20%) or more of the outstanding Voting Shares in connection with a distribution of

securities of the Company; or (v) any employee or executive or director stock ownership or other employee or executive or director benefit plan, or trust for the benefit of employees of the Company or any subsidiary of the Company or any person or entity organized, appointed or established by the Company for or pursuant to the terms of any such plan or trust. In general:

- (A) a Voting Share Reduction means an acquisition or redemption by the Company or a subsidiary of the Company of Voting Shares which, by reducing the number of Voting Shares outstanding or which may be voted, increases the proportionate number of Voting Shares beneficially owned by any person or entity;
- (B) a Permitted Bid Acquisition means an acquisition made pursuant to a Permitted Bid or a Competing Permitted Bid;
- (C) an Exempt Acquisition means a share acquisition in respect of which the Board has waived the application Shareholder Rights Plan (i) which was made on or prior to the Record Time; (ii) which was made pursuant to a dividend reinvestment plan; (iii) pursuant to the receipt or exercise of rights issued by the Company to all the holders of Common Shares to subscribe for or purchase Common Shares or Convertible Securities, provided that such rights are acquired directly from the Company; (iv) pursuant to a distribution by the Company of Common Shares or Convertible Securities made pursuant to a prospectus; or (v) pursuant to a distribution by the Company of Common Shares or Convertible Securities by way of a private placement by the Company or upon the exercise by an individual employee of stock options granted under a stock option plan of the Company or rights to purchase securities granted under a share purchase plan of the Company where all necessary stock exchange approvals for such private placement, stock option plan or share purchase plan have been obtained and such private placement, stock option plan or share purchase plan complies with the terms and conditions of such approvals and such person or entity does not become the beneficial owner of more than twenty-five (25%) of the Common Shares of the Company outstanding immediately prior to the distribution;
- (D) a Convertible Security Acquisition means the acquisition of Common Shares upon the exercise of Convertible Securities received by such person or entity pursuant to a Permitted Bid Acquisition, Exempt Acquisition or a Pro Rata Acquisition; and
- (E) a Pro Rata Acquisition means an acquisition by a person or entity of beneficial ownership of Voting Shares as a result of a dividend reinvestment acquisition; a stock dividend, a stock split or other event pursuant to which a person or entity becomes the beneficial owner of Voting Shares on the same pro rata basis as all other holders of Voting Shares; the acquisition or exercise by such person or entity of rights to purchase Voting Shares distributed to such person or entity in the course of a distribution to all holders of Voting Shares pursuant to a rights offering or pursuant to a prospectus; or a distribution of Voting Shares or securities convertible into or exchangeable for Voting Shares (and the conversion or exchange of such convertible or exchangeable securities), made pursuant to a prospectus or a distribution by way of a private placement; provided that the person or entity does not thereby acquire a greater percentage of such Voting Shares, or securities convertible into or exchangeable for Voting Shares, so offered than the person or entity's percentage of Voting Shares beneficially owned immediately prior to such acquisition.

Permitted Bid and Competing Permitted Bid

A take-over bid will not trigger a Flip-in Event if it is a Permitted Bid or a Competing Permitted Bid. A permitted bid is a take-over bid made by way of a take-over bid circular to all holders of Voting Shares which also complies with the following additional provisions: (i) the take-over bid is made for any and all Voting Shares to all holders of record of Voting Shares wherever resident as registered on the books of the Company; (ii) the take-over bid contains, and the take up and payment for securities tendered or deposited thereunder shall be subject to, irrevocable and unqualified conditions that (A) no Voting Shares will be taken up or paid for pursuant to the take-over bid prior to the close of business on a date which is not earlier than the sixtieth (60th) day following the date of the take-over bid and unless at

such date more than fifty percent (50%) of the Voting Shares held by independent shareholders have been deposited pursuant to the take-over bid and not withdrawn; (B) unless the take-over bid is withdrawn, Voting Shares may be deposited pursuant to such take-over bid at any time prior to the close of business on the date of first take-up or payment and that any Voting Shares deposited pursuant to the take-over bid may be withdrawn at any time prior to the close of business on such date; and (C) if as of a date not earlier than the sixtieth (60th) day following the date of the take-over bid more than fifty percent (50%) of the Voting Shares held by independent shareholders have been deposited pursuant to the take-over bid and not withdrawn, the offeror will make a public announcement of that fact and the take-over bid will remain open for deposits and tenders of Voting Shares for not less than ten business days from the date of such public announcement.

A Competing Permitted Bid is a take-over bid that is made after a Permitted Bid has been made and prior to the expiry of that Permitted Bid, that satisfies the requirement for a Permitted Bid, and that contains, and the take-up and payment for securities tendered or deposited thereunder are subject to, an irrevocable and unqualified condition that no Voting Shares will be taken up or paid for pursuant to the take-over bid prior to the close of business on a date that is no earlier than the later of (A) the earliest date on which Voting Shares may be taken up or paid for under any prior Permitted Bid in existence at the date of such take-over bid and (B) the last day on which the take-over bid must be open for acceptance after the date of such take-over bid under applicable legislation.

Agreement of Rights Holders

Every holder of Rights, by accepting the same, consents and agrees with the Company and the Rights Agent and with every other holder of Rights (i) to be bound by and subject to the provisions of this Shareholder Rights Plan in respect of all Rights held; (ii) that, prior to the Separation Time, each Right will be transferable only together with, and will be transferred by a transfer of, the associated Common Share; (iii) that after the Separation Time, the Rights Certificate will be transferable only upon registration of the transfer in the register for the Rights; (iv) that, prior to due presentment of a Rights Certificate for registration of transfer, the Company, the Rights Agent and any agent of the Company or the Rights Agent may deem and treat the person in whose name the Rights Certificate is registered as the absolute owner thereof and of the Rights evidenced thereby for all purposes whatsoever, and neither the Company nor the Rights Agent shall be affected by any notice to the contrary; (v) that such holder of Rights has waived its right to receive any fractional Rights or any fractional shares upon exercise of a Right; (vi) that, without the approval of any holder of Rights and upon the sole authority of the Board acting in good faith, the Shareholder Rights Plan may be supplemented or amended from time to time as provided for in the Shareholder Rights Plan; and (vii) that neither the Company nor the Board nor the Rights Agent shall have any liability to any holder of a Right or any other person or entity as result of the inability of the Company, the Board or the Rights Agent to perform any of their obligations under the Shareholder Rights Plan by reason of any preliminary or permanent injunction or other order, decree, notice of hearing or ruling issued by a court of competent jurisdiction or by a governmental, regulatory or administrative agency or commission, or any statute, rule, regulation, or executive order promulgated or enacted by any governmental authority, prohibiting or otherwise inhibiting or restraining performance of such obligation.

Rights Holders Not Shareholders

No holder of any Rights or Rights Certificate shall be entitled to vote, receive dividends or be deemed for any purpose the holder of any Common Share or any other share or security of the Company which may at any time be issuable on the exercise of the Rights, nor shall the Rights Agreement nor any Rights Certificate be construed or deemed or confer upon the holder of any Right or Rights Certificate any of the rights, titles, benefits or privileges of a holder of Common Shares or any other shares or securities of the Company or any right to vote at any meeting of shareholders of the Company or to receive notice of any meeting or other action affecting any holder of Common Shares or any other shares or securities of the Company.

Redemption and Waiver

The Board acting in good faith may, with the prior consent of holders of Voting Shares or the holders of Rights, at any time prior to the occurrence of a Flip-in Event, elect to redeem all but not less than all of the then outstanding Rights at a redemption price of \$0.0001 per Right (the Redemption Price), subject to adjustment. If the Board elects or is deemed to have elected to redeem the Rights subsequent to a Flip-in Event and such redemption is approved by the holders of Voting Shares or the holders of Rights, as applicable, the right to exercise the Rights will without further action and without notice, terminate and the only right thereafter of the holders of Rights shall be to receive the Redemption Price.

The Board may also waive certain provisions of the Shareholder Rights Plan. Amongst other provisions, the Board acting in good faith may, prior to the occurrence of a Flip-in Event determine to waive the application of Shareholder Rights Plan to such particular Flip-in Event, provided that such Flip-in Event would occur by way of a takeover bid made by means of a takeover bid circular delivered to all holders of Voting Shares. The Board may also waive the application of the Shareholder Rights Plan in respect of the occurrence of any Flip-in Event if the Board of Directors has determined that a person or entity became an Acquiring Person by inadvertence and without any intention to become, or knowledge that it would become, an Acquiring Person under the Shareholder Rights Plan provided within ten (10) days after any such waiver by the Board, the person or entity reduces its beneficial ownership of Voting Shares such that the person or entity is no longer an Acquiring Person.

Supplements and Amendments

The Company may make changes to the Shareholder Rights Plan prior to or after the Separation Time to correct any clerical or typographical error or to maintain the validity of the Shareholder Rights Plan as a result of any change in any applicable legislation, rules or regulation without the approval of the holders of the Voting Shares or Rights. The Company may, with the approval of the holders of Voting Shares, at any time prior to the Separation Time, make changes to or rescind any of the provisions of the Shareholder Rights Plan and the Rights (whether or not such action would materially adversely affect the interests of the holders of Rights generally). The Company may, with the approval of the holders of Rights, at any time after the Separation Time, make changes to or rescind any of the provisions of the Shareholder Rights Plan and the Rights (whether or not such action would materially adversely affect the interests of the holders of Rights generally).

Confirmation by Shareholders

If the Shareholder Rights Plan is approved by the Company's shareholders the Shareholder Rights Plan will take effect immediately upon adoption by the Board. If the Shareholder Rights Plan is not approved by the Company's shareholders, the Shareholder Rights Plan will not be adopted by the Board and the Shareholder Rights Plan will not become effective.

The Board reserves the right to alter any terms of or not to proceed with the Shareholder Rights Plan at any time prior to the Company's Annual Meeting in the event that the Board determines, in light of subsequent developments, that to do so is in the best interests of the Company and its shareholders.

In order for the Company to determine whether any Person is holding Common Shares which are Beneficially Owned by another Person, the Company may require such first mentioned Person to furnish such information and documents as the Company deems necessary.

- (f) Rights may be exercised in whole or in part on any Business Day after the Separation Time and prior to the Expiration Time by submitting to the Rights Agent at its principal office in ^o, the Rights Certificate evidencing such Rights together with:
- (i) an election to exercise such Rights (an Election to Exercise) substantially in the form attached to the Rights Certificate duly completed and executed by the holder or his executors or administrators or other personal representatives or his or their legal attorney duly appointed by an instrument in writing in form and executed in a manner satisfactory to the Rights Agent; and

- (i) declare or pay a dividend on its Common Shares payable in Common Shares (or other securities exchangeable for or convertible into or giving a right to acquire Common Shares) other than pursuant to any optional stock dividend program, dividend reinvestment plan or a dividend payable in Voting Shares in lieu of a regular periodic cash dividend;
- (ii) subdivide or change the outstanding Common Shares into a greater number of Common shares;
- (iii) combine or change the outstanding Common Shares into a smaller number of Common Shares; or
- (iv) issue any Common Shares (or other securities exchangeable for or convertible into or giving a right to acquire Common Shares) in respect of, in lieu of or in exchange for existing Common Shares; except as otherwise provided in this Section 2.3, the Exercise Price and the number of Rights outstanding, or, if the payment or effective date therefore shall occur after the Separation Time, the securities purchasable upon exercise of Rights shall be adjusted as of the payment or effective date such that:
 - A. if the Exercise Price and number of Rights outstanding are to be adjusted,
 - 1. the Exercise Price in effect after such adjustment will be equal to the Exercise Price in effect immediately prior to such adjustment divided by the number of Common Shares (or other capital stock) (the Expansion Factor) that a holder of one Common share immediately prior to such dividend, subdivision, change, combination or issuance would hold thereafter as a result thereof; and
 - 2. each Right held prior to such adjustment will become that number of Rights equal to the Expansion Factor;

If after the Record Time and prior to the Expiration Time the Company shall issue any securities other than Common Shares in a transaction of a type described in paragraphs

2.3(a)(i) or (iv), such securities shall be treated herein as nearly equivalent to Common Shares as may be practicable and appropriate under the circumstances and the Company and the Rights Agent agree to amend this Agreement in order to effect such treatment.

- (b) If the Company shall at any time after the Record Time and prior to the Separation Time fix a record date for the issuance of rights, options or warrants to all holders of Common Shares entitling them (for a period expiring within forty-five (45) calendar days after such record date) to subscribe for or purchase Common Shares (or securities convertible into or exchangeable for or carrying a right to purchase Common Shares) at a price per Common Share (or, if a security convertible into or exchangeable for or carrying a right to purchase or subscribe for Common Shares having a conversion, exchange or exercise price, including the price required to be paid to purchase such convertible or exchangeable security or right per share) less than the Market Price per Common Share on such record date, the Exercise Price to be in effect after such record date shall be adjusted to that price determined by multiplying the Exercise Price in effect immediately prior to such record date by a fraction:
- (i) the numerator of which shall be the number of Common Shares outstanding on such record date, plus the number of Common Shares that the aggregate offering price of the total number of Common Shares so to be offered (and/or the aggregate initial conversion, exchange or exercise price of the convertible or exchangeable securities or rights so to be offered, including the price required to be paid to purchase such convertible or exchangeable securities or rights) would purchase at such Market Price per Common Share; and
 - (ii) the denominator of which shall be the number of Common Shares outstanding on such record date, plus the number of additional Common Shares to be offered for subscription or purchase (or into which the convertible or exchangeable securities or rights so to be offered are initially convertible, exchangeable or exercisable).

If such subscription price may be paid by delivery of consideration, part or all of which may be in a form other than cash, the value of such consideration shall be as determined in good faith by the Board of Directors, whose determination shall be described in a statement filed with the Rights Agent and shall be binding on the Rights Agent and the holders of the Rights. Such adjustment shall be made successively whenever such a record date is fixed, and in the event that such rights or warrants are not so issued (or are issued but not exercised), the Exercise Price shall be adjusted to be the Exercise Price which would then be in effect if such record date had not been fixed.

For purposes of this Agreement, the granting of the right to purchase Common Shares (whether from treasury shares or otherwise) pursuant to any dividend or interest reinvestment plan and/or any Common Share purchase plan providing for the reinvestment of dividends or interest payable on securities of the Company and/or the investment of periodic optional payments and/or employee benefit, stock option or similar plans (so long as such right to purchase is in no case evidenced by the delivery of rights or warrants) shall not be deemed to constitute an issue of rights or warrants by the Company; provided, however, that, in the case of any Dividend Reinvestment Plan, the right to purchase Common Shares is at a price per share of not less than ninety percent (90%) of the current market price per share (determined as provided in such plans) of the Common Shares.

- (c) If the Company shall at any time after the Record Time and prior to the Separation Time fix a record date for a distribution to all holders of Common Shares (including any such distribution made in connection with a merger or amalgamation in which the Company is the continuing corporation) of evidences of indebtedness, cash (other than an ordinary course dividend or a dividend referred to in paragraph 2.3(a)(i)), assets or rights or warrants (excluding those referred to in subsection 2.3(b)), the Exercise Price to be in effect after such record date shall be determined by multiplying the Exercise Price in effect immediately prior to such record date by a fraction:
- (i) the numerator of which shall be the Market Price per Common Share on such record date, less the fair market value (as determined in good faith by the Board of Directors, whose determination shall be described in a statement filed with the Rights Agent and shall be binding on the Rights Agent and the holders of Rights), on a per share basis, of the portion of the cash, assets, evidences of indebtedness, rights, options or warrants so to be distributed; and
 - (ii) the denominator of which shall be such Market Price per Common Share.

Such adjustments shall be made successively whenever such a record date is fixed, and in the event that such a distribution is not so made, the Exercise Price shall be adjusted to be the Exercise Price which would have been in effect if such record date had not been fixed.

- (f) If the Company shall at any time after the Record Time and prior to the Separation Time issue any shares of capital stock (other than Common Shares), or rights or warrants to subscribe for or purchase any such capital stock, or securities convertible into or exchangeable for any such capital stock, in a transaction referred to in paragraph (a)(i) or (a)(iv) above, if the Board of Directors acting in good faith determines that the adjustments contemplated by subsections (a), (b) and (c) above in connection with such transaction will not appropriately protect the interests of the holders of Rights, the Board of Directors may determine what other adjustments to the Exercise Price, number of Rights and/or securities purchasable upon exercise of Rights would be appropriate and, notwithstanding subsections (a), (b) and (c) above, but subject to the prior consent of the holders of Common Shares or Rights obtained in accordance with Section 5.4, such adjustments, rather than the adjustments contemplated by subsections (a), (b) and (c) above, shall be made. The Company and the Rights Agent shall have authority without the approval of the holders of the Common Shares or the holders of Rights to amend this Agreement as appropriate to provide for such adjustments.
- (g) Each Right originally issued by the Company subsequent to any adjustment made to the Exercise Price hereunder shall evidence the right to purchase, at the adjusted Exercise Price, the number of Common Shares purchasable from time to time hereunder upon exercise of a Right, all subject to further adjustment as provided herein.
- (h) Irrespective of any adjustment or change in the Exercise Price or the number of Common Shares issuable upon the exercise of the Rights, the Rights Certificates theretofore and thereafter issued may continue to express the Exercise Price per Common Share and the number of Common Shares which were expressed in the initial Rights Certificates issued hereunder.
- (i) In any case in which this Section 2.3 shall require that an adjustment in the Exercise Price be made effective as of a record date for a specified event, the Company may elect to defer until the occurrence of such event the issuance to the holder of any Right exercised after such record date the number of Common Shares and other securities of the Company, if any, issuable upon such exercise over and above the number of Common Shares and other securities of the Company, if any, issuable upon such exercise on the basis of the Exercise Price in effect prior to such adjustment; provided, however, that the Company shall deliver to such holder an appropriate instrument evidencing such holder's right to receive such additional shares (fractional or otherwise) or securities upon the occurrence of the event requiring such adjustment.
- (j) Notwithstanding anything in this Section 2.3 to the contrary, the Company shall be entitled to make such reductions in the Exercise Price, in addition to those adjustments expressly required by this Section 2.3, as and to the extent that the Board of Directors shall in good faith determine to be advisable in order that any (i) consolidation or subdivision of the Common Shares, (ii) issuance wholly or in part for cash of any Common Shares or securities that by their terms are convertible into or exchangeable for Common Shares, (iii) stock dividends or (iv) issuance of rights, options or warrants referred to in this Section 2.3, hereafter made by the Company to holders of its Common Shares shall not be taxable to such shareholders.
- (k) The Company covenants and agrees that, after the Separation Time, it will not, except as permitted by Section 5.1 or Section 5.4, take (or permit any Subsidiary of the Company to take) any action if at the time such action is taken it is reasonably foreseeable that such

action will diminish substantially or otherwise eliminate the benefits intended to be afforded by the Rights.

- (l) If an event occurs which would require an adjustment under both this Section 2.3 and Section 3.1, the adjustment provided for in this Section 2.3 shall be in addition to and shall be made prior to, any adjustment required pursuant to Section 3.1.
- (m) If the Company shall at any time after the Record Time and prior to the earlier of the Separation Time and the Expiration Time issue any Common Shares otherwise than in a transaction referred to in subsection 2.3(a) each such Common Share so issued shall automatically have one new Right associated with it, which Right shall be evidenced by the certificate representing such share.

2.4 Date on Which Exercise is Effective

Each Person in whose name any certificate for Common Shares or other securities, property or assets, if applicable, is issued upon the exercise of Rights shall for all purposes be deemed to have become the holder of record of the Common Shares or other securities, property or assets, if applicable, represented thereby on, and such certificate shall be dated, the date upon which the Rights Certificate evidencing such Rights was duly surrendered in accordance with subsection 2.2(d) hereof (together with a duly completed Election to Exercise) and payment of the Exercise Price for such Rights (and any applicable transfer taxes and other governmental charges payable by the exercising holder hereunder) was made; provided, however, that if the date of such surrender and payment is a date upon which the Common Share transfer books of the Company are closed, such Person shall be deemed to have become the record holder of such Common Shares or other securities, property or assets on, and such certificate shall be dated, the next succeeding Business Day on which the Common Share transfer books of the Company are open.

2.5 Execution, Authentication, Delivery and Dating of Rights Certificates

- (a) The Rights Certificates shall be executed on behalf of the Company by any two of its directors and/or senior officers. The signature of any of these officers on the Rights Certificates may be manual or facsimile. Rights Certificates bearing the manual or facsimile signatures of individuals who were at any time the proper officers of the Company shall bind the Company notwithstanding that such individuals or any of them have ceased to hold such offices prior to the countersignature and delivery of such Rights Certificates.
- (b) Promptly after the Company learns of the Separation Time, the Company will notify the Rights Agent in writing of such Separation Time and will deliver Rights Certificates executed by the Company to the Rights Agent for countersignature, and the Rights Agent shall countersign (manually or by facsimile signature in a manner satisfactory to the Company) and send such Rights Certificates to the holders of the Rights pursuant to subsection 2.2(c). No Rights Certificate shall be valid for any purpose until countersigned by the Rights Agent as aforesaid.
- (c) Each Rights Certificate shall be dated the date of countersignature thereof.

2.6 Registration, Registration of Transfer and Exchange

- (a) After the Separation Time, the Company will cause to be kept a register (the Rights Register) in which, subject to such reasonable regulations as it may prescribe, the Company will provide for the registration and transfer of Rights. The Rights Agent is hereby appointed registrar for the Rights (the Rights Registrar) for the purpose of maintaining the Rights Register for the Company and registering Rights and transfers of Rights as herein provided and the Rights Agent hereby accepts such appointment. If the Rights Agent shall cease to be the Rights Registrar, the Rights Agent will have the right to examine the Rights Register at all reasonable times.
- (b) After the Separation Time and prior to the Expiration Time, upon surrender for registration of transfer or exchange of any Rights Certificate, and subject to the provisions of subsections 2.6(d) and 3.1(b), the Company will execute, and the Rights Agent will manually countersign and deliver, in the name of the holder or the designated transferee or transferees, as required pursuant to the holder's instructions, one or more new Rights Certificates evidencing the same aggregate number of Rights as did the Rights Certificates so surrendered.
- (c) All Rights issued upon any registration of transfer or exchange of Rights Certificates shall be the valid obligations of the Company, and such Rights shall be entitled to the same benefits under this Agreement as the Rights surrendered upon such registration of transfer or exchange.

- (d) Every Rights Certificate surrendered for registration of transfer or exchange shall be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Company or the Rights Agent, as the case may be, duly executed by the holder thereof or such holder's attorney duly authorized in writing. As a condition to the issuance of any new Rights Certificate under this Section 2.6, the Company may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Rights Agent) connected therewith.

upon the Company's request the Rights Agent shall countersign and deliver, in lieu of any such destroyed, lost or stolen Rights Certificate, a new Rights Certificate evidencing the same number of Rights as did the Rights Certificate so destroyed, lost or stolen.

- (c) As a condition to the issuance of any new Rights Certificate under this Section 2.7, the Company may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Rights Agent) connected therewith.
- (d) Every new Rights Certificate issued pursuant to this Section 2.7 in lieu of any destroyed, lost or stolen Rights Certificate shall evidence the contractual obligation of the Company, whether or not the destroyed, lost or stolen Rights Certificate shall be at any time enforceable by anyone, and shall be entitled to all benefits of this Agreement equally and proportionately with any and all other Rights duly issued by the Company.

2.8 Persons Deemed Owners

The Company, the Rights Agent and any agent of the Company or the Rights Agent may deem and treat the Person in whose name a Rights Certificate (or, prior to the Separation Time, the associated Common Share certificate) is registered as the absolute owner thereof and the Rights evidenced thereby for all purposes whatsoever. As used in this Agreement, unless the context otherwise requires, the term "holder" of any Rights shall mean the registered holder of such Rights (or, prior to the Separation Time, the associated Common Shares).

2.9 Delivery and Cancellation of Certificates

All Rights Certificates surrendered upon exercise or for redemption, registration of transfer or exchange shall, if surrendered to any Person other than the Rights Agent, be delivered to the Rights Agent and, in any case, shall be promptly cancelled by the Rights Agent. The Company may at any time deliver to the Rights Agent for cancellation any Rights Certificates previously countersigned and delivered hereunder which the Company may have acquired in any manner whatsoever, and all Rights Certificates so delivered shall be promptly cancelled by the Rights Agent. No Rights Certificate shall be countersigned in lieu of or in exchange for any Rights Certificates cancelled as provided in this Section 2.9, except as expressly permitted by this Agreement. The Rights Agent shall destroy all cancelled Rights Certificates and deliver a certificate of destruction to the Company.

2.10 Agreement of Rights Holders

Every holder of Rights, by accepting the same, consents and agrees with the Company and the Rights Agent and with every other holder of Rights:

- (a) to be bound by and subject to the provisions of this Agreement, as amended from time to time in accordance with the terms hereof, in respect of all Rights held;
- (b) that, prior to the Separation Time, each Right will be transferable only together with, and will be transferred by a transfer of, the associated Common Share;
- (c) that after the Separation Time, the Rights Certificate will be transferable only upon registration of the transfer on the Rights Register as provided herein;

- (d) that, prior to due presentment of a Rights Certificate (or, prior to the Separation Time, the associated Common Share certificate) for registration of transfer, the Company, the Rights Agent and any agent of the Company or the Rights Agent may deem and treat the person in whose name the Rights Certificate (or, prior to the Separation Time, the associated Common Share Certificate) is registered as the absolute owner thereof and of the Rights evidenced thereby (notwithstanding any notations of ownership or writing on such Rights Certificate or the associated Common Share certificate made by anyone other than the Company or the Rights Agent) for all purposes whatsoever, and neither the Company nor the Rights Agent shall be affected by any notice to the contrary;
- (e) that such holder of Rights has waived his, her or its right to receive any fractional Rights or any fractional shares upon exercise of a Right (except as provided herein);
- (f) that, subject to the provisions of Section 5.4 hereof, without the approval of any holder of Rights and upon the sole authority of the Board of Directors acting in good faith, this Agreement may be supplemented or amended from time to time pursuant to and as provided herein; and
- (g) that notwithstanding anything in this Agreement to the contrary, neither the Company nor the Board of Directors nor the Rights Agent shall have any liability to any holder of a Right or any other Person as result of the inability of the Company, the Board of Directors or the Rights Agent to perform any of their obligations under this Agreement by reason of any preliminary or permanent injunction or other order, decree, notice of hearing or ruling issued by a court of competent jurisdiction or by a governmental, regulatory or administrative agency or commission, or any statute, rule, regulation, or executive order promulgated or enacted by any governmental authority, prohibiting or otherwise inhibiting or restraining performance of such obligation.

No holder, as such, of any Rights or Rights Certificate shall be entitled to vote, receive dividends or be deemed for any purpose whatsoever the holder of any Common Share or any other share or security of the Company which may at any time be issuable on the exercise of the Rights represented thereby, nor shall anything contained herein or in any Rights Certificate be construed or deemed or confer upon the holder of any Right or Rights Certificate, as such, any of the rights, titles, benefits or privileges of a holder of Common Shares or any other shares or securities of the Company or any right to vote at any meeting of shareholders of the Company whether for the election of directors or otherwise or upon any matter submitted to holders of shares of the Company at any meeting thereof, or to give or withhold consent to any action of the Company, or to receive notice of any meeting or other action affecting any holder of Common Shares or any other shares or securities of the Company except as expressly provided herein, or to receive dividends, distributions or subscription rights, or otherwise, until the Right or Rights evidenced by Rights Certificates shall have been duly exercised in accordance with the terms and provisions hereof.

ARTICLE 3

ADJUSTMENTS TO THE RIGHTS IN THE EVENT OF CERTAIN TRANSACTIONS

3.1 Flip-in Event

- (a) Subject to subsections 3.1(b), 5.1(d), 5.1(e) and 5.1(f), if prior to the Expiration Time a Flip-in Event occurs, the Company shall take such action as shall be necessary to ensure and provide, within ten Business Days of such occurrence or such longer period as may be required to satisfy the requirements of the applicable securities acts or comparable legislation of each of the states of the United States so that, except as provided below, each Right shall thereafter constitute the right to purchase from the Company, upon payment of the Exercise Price and otherwise exercising such Right in accordance with the terms hereof, that number of Common Shares having an aggregate Market Price on the date of consummation or occurrence of such Flip-in Event equal to twice the Exercise Price for an amount in cash equal to the Exercise Price (such Right to be appropriately adjusted in a manner analogous to the applicable adjustment provided for in Section 2.3 in the event that after the Stock Acquisition Date an event of a type analogous to any of the events described in Section 2.3 has occurred).
- (b) Notwithstanding anything in this Agreement to the contrary, upon the occurrence of any Flip-in Event, any Rights that are or were Beneficially Owned on or after the earlier of the Separation Time and the Stock Acquisition Date by:
 - (i) an Acquiring Person (or any Affiliate or Associate of an Acquiring Person or any Person acting jointly or in concert with an Acquiring Person or any Associate or Affiliate of an Acquiring Person); or
 - (ii) a transferee of Rights, direct or indirect, of an Acquiring Person (or of any Affiliate or Associate of an Acquiring Person or of any Person acting jointly or in concert with an Acquiring Person or any Associate or Affiliate of an Acquiring Person) who becomes a transferee in a transfer that the Board of Directors has determined is part of a plan, arrangement or scheme of an Acquiring Person (or any Affiliate or Associate of an Acquiring Person or any Person acting jointly or in concert with an Acquiring Person or any Associate or Affiliate of an Acquiring Person), that has the purpose or effect of avoiding paragraph 3.1(b)(i);

shall become null and void without any further action, and any holder of such Rights (including any transferee of, or other successor to, such Rights whether directly or indirectly) shall not have any right whatsoever to exercise such Rights under any provision of this Agreement and shall not have thereafter any right whatsoever with respect to such Rights, whether under any provision of this Agreement or otherwise. The holder of any Rights represented by a Rights Certificate which is submitted to the Rights Agent upon exercise or for registration of transfer or exchange which does not contain the necessary certifications set forth in the Rights Certificate establishing that such Rights are not void under this subsection 3.1(b) shall be deemed to be an Acquiring Person for the purposes of this subsection 3.1(b) and such Rights shall become null and void.

other Rights Certificate referred to in this sentence, shall contain substantially the following legend:

The Rights represented by this Rights Certificate were Beneficially Owned by a Person who was an Acquiring Person or an Affiliate or an Associate of an Acquiring Person (as such terms are defined in the Rights Agreement) or a Person acting jointly or in concert with any of them. This Rights Certificate and the Rights represented hereby are void in the circumstances specified in subsection 3.1(b) of the Rights Agreement.

and may also contain, where and when required, a French language version of such legend; provided that the Rights Agent shall not be under any responsibility to ascertain the existence of facts that would require the imposition of such legend but shall be required to impose such legend only if instructed to do so in writing by the Company or if a holder fails to certify upon transfer or exchange in the space provided on the Rights Certificate that such holder is not a Person described in either paragraph 3.1(b)(i) or (ii).

- (d) From and after the Separation Time, the Company shall do all such acts and things as shall be necessary and within its power to ensure compliance with the provision of this Section 3.1, including without limitation, all such acts and things as may be required to satisfy the requirements of the *Nevada Business Corporation Act*, the *1933 Securities Act*, the *1934 Exchange Act* and any other applicable laws in respect of the issue of Common Shares upon the exercise of Rights in accordance with this Agreement.
- (e) If, upon the occurrence of a Flip-In Event, the aggregate number of Common Shares issuable upon the exercise of all Rights then outstanding would exceed the aggregate number of Common Shares that the Company is then authorized to issue pursuant to its constating documents, the number of Common Shares acquirable pursuant to each Right shall, notwithstanding subsection 3.1(a), be reduced *pro rata* to the extent necessary such that the aggregate number of Common Shares issuable upon the exercise of all outstanding Rights does not then exceed the aggregate number of Common Shares that the Company is then authorized to issue pursuant to its constating documents, provided that any such *pro rata* reduction will not affect the Exercise Price or any other term of this Agreement relating to the Rights.

3.2 Fiduciary and other Statutory Duties of the Board of Directors of the Company

For clarification it is understood that nothing contained in this Article 3 shall be considered to affect the obligations of the Board of Directors to exercise its fiduciary and other statutory duties. Without limiting the generality of the foregoing, nothing contained herein shall be construed to suggest or imply that the Board of Directors shall not be entitled to recommend that holders of the Voting Shares reject or accept any Take-over Bid or take any other action (including, without limitation, the commencement, prosecution, defense or settlement of any litigation and the submission of additional or alternative Take-over Bids or other proposals to the shareholders of the Company with respect to any Take-over Bid or otherwise) that the Board of Directors believes is necessary or appropriate in the exercise of its fiduciary and other statutory duties.

ARTICLE 4

THE RIGHTS AGENT

4.1 General

- (a) The Company hereby appoints the Rights Agent to act as agent for the Company in accordance with the terms and conditions hereof, and the Rights Agent hereby accepts such appointment. The Company may from time to time appoint such co-Rights Agents (Co-Rights Agents) as it may deem necessary or desirable. In the event that the Company appoints one or more Co-Rights Agents, the respective duties of the Rights Agents and the Co-Rights Agents shall be as the Company may determine. The Company agrees to pay to the Rights Agent reasonable compensation for all services rendered by it hereunder and, from time to time, on demand of the Rights Agent, the reasonable expenses and counsel fees and other disbursements incurred by the Rights Agent in the administration and execution of this Agreement and the exercise and performance of its duties hereunder, including the reasonable fees and disbursements of any expert retained by the Rights Agent. The Company also agrees to indemnify the Rights Agent for, and to hold it harmless against, any loss, liability, costs, claims, actions, damages or expenses, incurred without negligence, bad faith or willful default on the part of the Rights Agent, for anything done or suffered or omitted to be done by the Rights Agent in connection with the acceptance, execution and administration of this Agreement and the performance of its duties hereunder, including the costs and expenses of defending against any claim of liability, which right to indemnification will survive the termination of this Agreement or the resignation of the Rights Agent.
- (b) The Rights Agent shall be protected and shall incur no liability for or in respect of any action taken, suffered or omitted to be done by it in connection with its acceptance, execution and administration of this Agreement in reliance upon any certificate for Voting Shares or Common Shares, or any Rights Certificate or certificate for other securities of the Company, instrument of assignment or transfer, power of attorney, endorsement, affidavit, letter, notice, direction, consent, certificate, statement, or other paper or document believed by it to be the genuine and to be signed, executed and, where necessary, verified or acknowledged, by the proper Person or Persons.
- (c) The Company shall inform the Rights Agent in a reasonably timely manner of events which may materially affect the administration of this Agreement by the Rights Agent.

Agent may adopt the countersignature of the predecessor Rights Agent and deliver such Rights Certificates so countersigned; and in case at that time any of the Rights Certificates have not been countersigned, any successor Rights Agent may countersign such Rights Certificates either in the name of the predecessor Rights Agent or in the name of the successor Rights Agent; and in all such cases such Rights Certificates will have the full force provided in the Rights Certificates and in this Agreement.

- (b) In case at any time the name of the Rights Agent is changed and at such time any of the Rights Certificates shall have been countersigned but not delivered, the Rights Agent may adopt the countersignature under its prior name and deliver Rights Certificates so countersigned; and in case at that time any of the Rights Certificates shall not have been countersigned, the Rights Agent may countersign such Rights Certificates either in its prior name or in its changed name; and in all such cases such Rights Certificates shall have the full force provided in the Rights Certificates and in this Agreement.

4.3 Duties of Rights Agent

The Rights Agent undertakes the duties and obligations imposed by this Agreement upon the following terms and conditions, by all of which the Company and the holders of Rights Certificates, by their acceptance thereof, shall be bound:

- (a) the Rights Agent may consult with legal counsel (who may be legal counsel for the Company) and the opinion of such counsel will be full and complete authorization and protection to the Rights Agent as to any action taken, suffered or omitted to be done by it in good faith and in accordance with such opinion; the Rights Agent may also, with the approval of the Company (such approval not to be unreasonably withheld), consult with such other experts as the Rights Agent shall consider necessary or appropriate to properly carry out the duties and obligations imposed under this Agreement and the Rights Agent shall be entitled to rely in good faith on the advice of any such expert;
- (b) whenever in the performance of its duties under this Agreement the Rights Agent deems it necessary or desirable that any fact or matter be proved or established by the Company prior to taking or suffering any action hereunder, such fact or matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proven and established by a certificate signed by a Person reasonably believed by the Rights Agent to be a director and/or senior officer of the Company and delivered to the Rights Agent; and such certificate will be full authorization to the Rights Agent for any action taken or suffered in good faith by it under the provisions of this Agreement in reliance upon such certificate;
- (c) the Rights Agent will be liable hereunder only for its own negligence, bad faith or willful misconduct;
- (d) the Rights Agent will not be liable for or by reason of any of the statements of fact or recitals contained in this Agreement or in the certificates for Voting Shares or Common Shares or the Rights Certificates (except its countersignature thereof) or be required to verify the same, but all such statements and recitals are and will be deemed to have been made by the Company only;
- (e) the Rights Agent will not be under any responsibility in respect of the validity of this Agreement or the authorization, execution and delivery hereof (except the due

authorization, execution and delivery hereof by the Rights Agent) or in respect of the validity or execution of any Common Share certificate or Rights Certificate (except its countersignature thereof); nor will it be responsible for any breach by the Company of any covenant or condition contained in this Agreement or in any Rights Certificate; nor will it be responsible for any change in the exercisability of the Rights (including the Rights becoming void pursuant to subsection 3.1(b)) or any adjustment required under the provisions of Section 2.3 or be responsible for the manner, method or amount of any such adjustment or the ascertaining of the existence of facts that would require any such adjustment (except with respect to the exercise of Rights after receipt of the certificate contemplated by Section 2.3 describing any such adjustment); nor will it by any act hereunder be deemed to make any representation or warranty as to the authorization of any Common shares to be issued pursuant to this Agreement or any Rights or as to whether any Common shares will, when issued, be duly and validly authorized, executed, issued and delivered and fully paid and non-assessable;

- (f) the Company agrees that it will perform, execute, acknowledge and deliver or cause to be performed, executed, acknowledged and delivered all such further and other acts, instruments and assurances as may reasonably be required by the Rights Agent for the carrying out or performing by the Rights Agent of the provisions of this Agreement;
- (g) the Rights Agent is hereby authorized and directed to accept written instructions with respect to the performance of its duties hereunder from any person believed by the Rights Agent to be a director and/or senior officer of the Company, and to apply to such individual for advice or instructions in connection with its duties, and it shall not be liable for any action taken or suffered by it in good faith in reliance upon instructions of any such individual;
- (h) subject to compliance with applicable laws, the Rights Agent and any shareholder or stockholder, director, officer or employee of the Rights Agent may buy, sell or deal in Common Shares, Rights or other securities of the Company or become pecuniarily interested in any transaction in which the Company may be interested, or contract with or lend money to the Company or otherwise act as fully and freely as though it were not Rights Agent under this Agreement. Nothing herein shall preclude the Rights Agent from acting in any other capacity for the Company or for any other legal entity; and
- (i) the Rights Agent may execute and exercise any of the rights or powers hereby vested in it or perform any duty hereunder either itself or by or through its attorneys or agents, and the Rights Agent will not be answerable or accountable for any act, default, neglect or misconduct of any such attorneys or agents or for any loss to the Company resulting from any such act, default, neglect or misconduct, provided reasonable care was exercised in the selection and continued employment thereof.

4.4 Change of Rights Agent

The Rights Agent may resign and be discharged from its duties under this Agreement upon 90 days' notice (or such lesser notice as is acceptable to the Company) in writing delivered or mailed to the Company and to each transfer agent of Common Shares by registered or certified mail and to the holders of the Rights in accordance with Section 5.9. The Company may remove the Rights Agent upon thirty (30) days' notice in writing, mailed to the Rights Agent and to each transfer agent of the Common Shares by registered or certified mail and to the holders of the Rights in accordance with Section 5.9. If the Rights Agent should resign or be removed or otherwise become incapable of acting, the Company will

appoint a successor to the Rights Agent. If the Company fails to make such appointment within a period of thirty (30) days after such removal or after it has been notified in writing of such resignation or incapacity by the resigning or incapacitated Rights Agent then the resigning Rights Agent or the holder of any Rights may apply to any court of competent jurisdiction for the appointment of a new Rights Agent. Any successor Rights Agent, whether appointed by the Company or by such a court, shall be a corporation incorporated under the laws of °. After appointment, the successor Rights Agent will be vested with the same powers, rights, duties and responsibilities as if it had been originally named as Rights Agent without further act or deed; but upon payment of its outstanding fees and expenses the predecessor Rights Agent shall deliver and transfer to the successor Rights Agent any property at the time held by it hereunder, and execute and deliver any further assurance, conveyance, act or deed necessary for that purpose. Not later than the effective date of any such appointment, the Company will file notice thereof in writing with the predecessor Rights Agent and each transfer agent of the Common Shares and give notice thereof to the holders of the Rights in accordance with Section 5.9. Failure to give any notice provided for in this Section 4.4, however, or any defect therein, shall not affect the legality or validity of the resignation or removal of the Rights Agent or the appointment of the successor Rights Agent, as the case may be.

ARTICLE 5

MISCELLANEOUS

5.1 Redemption and Waiver

- (a) The Board of Directors acting in good faith may, with the prior consent of holders of Voting Shares or the holders of Rights given in accordance with subsection 5.1(j) or (k), as the case may be, at any time prior to the occurrence of a Flip-in Event as to which the application of Section 3.1 has not been waived pursuant to the provisions of this Section 5.1, elect to redeem all but not less than all of the then outstanding Rights at a redemption price of \$0.0001 per Right appropriately adjusted in a manner analogous to the applicable adjustment provided for in Section 2.3 if an event of the type analogous to any of the events described in Section 2.3 shall have occurred (such redemption price being herein referred to as the Redemption Price).
- (b) If the Board of Directors elects or is deemed to have elected to redeem the Rights, and, in circumstances where subsection 5.1(a) is applicable, such redemption is approved by the holders of Voting Shares or the holders of Rights in accordance with subsection 5.1(j) or (k), as the case may be, the right to exercise the Rights will thereupon, without further action and without notice, terminate and the only right thereafter of the holders of Rights shall be to receive the Redemption Price.
- (c) Within ten (10) days after the Board of Directors electing or having been deemed to have elected to redeem the Rights, or, if subsection 5.1(a) is applicable within ten (10) days after the holders of Voting Shares or the holders of Rights having approved a redemption of Rights in accordance with subsection 5.1(j) or (k), as the case may be, the Company shall give notice of redemption to the holders of the Rights in accordance with Section 5.9. Each such notice of redemption will state the method by which the payment of the Redemption Price will be made. The Company may not redeem, acquire or purchase for value any Rights at any time in any manner other than that specifically set forth in this Section 5.1 or other than in connection with the purchase of Common Shares prior to the Separation Time. If the Redemption Price payable to any holder of Rights includes a fraction of a cent, such Redemption Price shall be rounded up to the nearest cent.

- (d) The Board of Directors acting in good faith may, prior to the occurrence of a Flip-in Event as to which the application of Section 3.1 has not been waived pursuant to this Section 5.1, determine to waive the application of Section 3.1 to such particular Flip-in Event, provided that such Flip-in Event would occur by way of a Takeover Bid made by means of a takeover bid circular delivered to all holders of Voting Shares; further provided that if the Board of Directors waives the application of Section 3.1 to a such a Flip-in Event, the Board of Directors shall be deemed to have waived the application of Section 3.1 to any other Flip-in Event occurring by reason of any Takeover Bid made by means of a takeover bid circular to all holders of Voting Shares which is made prior to the expiry of any Takeover Bid in respect of which a waiver is, or is deemed to have been, granted under this subsection 5.1(d).
- (e) The Board of Directors acting in good faith may, with the prior consent of the holders of Voting Shares given in accordance with subsection 5.1(j), determine, at any time prior to the occurrence of a Flip-in Event as to which the application of Section 3.1 has not been waived pursuant to this Section 5.1, if such Flip-in Event would occur by reason of an acquisition of Voting Shares otherwise than pursuant to a Take-over Bid made by means of a Take-over Bid circular delivered to all holders of Voting Shares and otherwise than in the circumstances set forth in subsection 5.1(f), to waive the application of Section 3.1 to such Flip-in Event. In the event that the Board of Directors proposes such a waiver, the Board of Directors shall extend the Separation Time to a date subsequent to and not more than ten Business Days following the meeting of shareholders called to approve such waiver.
- (f) The Board of Directors may waive the application of Section 3.1 in respect of the occurrence of any Flip-in Event if the Board of Directors has determined that a Person became an Acquiring Person by inadvertence and without any intention to become, or knowledge that it would become, an Acquiring Person under this Agreement and, in the event that such a waiver is granted by the Board of Directors, such Stock Acquisition Date shall be deemed not to have occurred. Any such waiver pursuant to this subsection 5.1(f) must be on the condition that such Person, within ten (10) days after the foregoing determination by the Board of Directors or such earlier or later date as the Board of Directors may determine (the Disposition Date), has reduced its Beneficial ownership of Voting Shares such that the Person is no longer an Acquiring Person. If the Person remains an Acquiring Person at the close of business on the Disposition Date, the Disposition Date shall be deemed to be the date of occurrence of a further Stock Acquisition Date and Section 3.1 shall apply thereto.
- (g) If a Person acquires Voting Shares pursuant to a Permitted Bid, a Competing Permitted Bid or an Exempt Acquisition occurring under subsection 5.1(d), then the Board of Directors shall, immediately upon the consummation of such acquisition and without further formality, be deemed to have elected to redeem the Rights at the Redemption Price.

- (i) Upon the Rights being redeemed pursuant to subsection 5.1(h), all the provisions of this Agreement shall continue to apply as if the Separation Time had not occurred and Rights

Certificates representing the number of Rights held by each holder of record of Common Shares as of the Separation Time had not been mailed to each such holder and for all purposes of this Agreement the Separation Time shall be deemed not to have occurred.

- (j) If a redemption of Rights pursuant to subsection 5.1(a) or a waiver of a Flip-in Event pursuant to subsection 5.1(e) is proposed at any time prior to the Separation Time, such redemption or waiver shall be submitted for approval to the holders of Voting Shares. 5.3 Issuance of New Rights Certificates

5.4 Supplements and Amendments

- (a) Without the approval of any holders of Voting Shares or Rights, the Company may make amendments to this Agreement to correct any clerical or typographical error or which are required to maintain the validity of the Agreement as a result of any change in any applicable legislation, regulatory requirements, regulations or rules thereunder. The Company may, prior to the date of the shareholders' meeting referred to in Section 5.15, supplement or amend this Agreement without the approval of any holders of Rights or Voting Shares in order to make any changes which the Board of Directors acting in good faith may deem necessary or desirable. Notwithstanding anything in this Section 5.4 to

the contrary, no supplement or amendment shall be made to the provisions of Article 4 except with the written concurrence of the Rights Agent to such change, supplement or amendment.

- (b) Subject to subsection 5.4(a), the Company may, with the prior consent of the holders of Voting Shares obtained as set forth below, at any time before the Separation Time, amend, vary or rescind any of the provisions of this Agreement and the Rights (whether or not such action would materially adversely affect the interests of the holders of Rights generally). Such consent shall be deemed to have been given if the action requiring such approval is approved by the affirmative vote of a majority of the votes cast by Independent Shareholders represented in person or by proxy at the Special Meeting.
- (c) The Company may, with the prior consent of the holders of Rights obtained as set forth below, at any time on or after the Separation Time amend, vary or rescind any of the provisions of this Agreement and the Rights (whether or not such action would materially adversely affect the interests of the holders of Rights generally), provided that no such amendment, variation or deletion shall be made to the provisions of Article 4 except with the written concurrence of the Rights Agent thereto. Such consent shall be deemed to have been given if such amendment, variation or deletion is authorized by the affirmative votes of the holders of Rights present or represented at and entitled to vote at a meeting of the holders and representing fifty percent (50%) plus one of the votes cast in respect thereof.
- (d) Any approval of the holders of Rights shall be deemed to have been given if the action requiring such approval is authorized by the affirmative votes of the holders of Rights present or represented at and entitled to vote at a meeting of the holders of Rights and representing a majority of the votes cast in respect thereof. For the purposes hereof, each outstanding Right (other than Rights which are void pursuant to the provisions hereof) shall be entitled to one vote, and the procedures for the calling, holding and conduct of the meeting shall be those, as nearly as may be, which are provided in the Company's Articles and the *Nevada Business Corporation Act* with respect to meetings of shareholders of the Company.
- (e) Any amendments made by the Company to this Agreement pursuant to subsection 5.4(a) which are required to maintain the validity of this Agreement as a result of any change in any applicable legislation, regulation or rule thereunder shall:
 - (i) if made before the Separation Time, be submitted to the shareholders of the Company at the next meeting of shareholders and the shareholders may, by the majority referred to in subsection 5.4(b) confirm or reject such amendment;
 - (ii) if made after the Separation Time, be submitted to the holders of Rights at a meeting to be called for on a date not later than immediately following the next meeting of shareholders of the Company and the holders of Rights may, by resolution passed by the majority referred to in subsection 5.4(d) confirm or reject such amendment.

Any such amendment shall be effective from the date of the resolution of the Board of Directors adopting such amendment, until it is confirmed or rejected or until it ceases to be effective (as described in the next sentence) and, where such amendment is confirmed, it continues in effect in the form so confirmed. If such amendment is rejected by the shareholders or the holders of Rights

or is not submitted to the shareholders or holders of Rights as required, then such amendment shall cease to be effective from and after the termination of the meeting at which it was rejected or to which it should have been but was not submitted or from and after the date of the meeting of holders of Rights that should have been but was not held, and no subsequent resolution of the Board of Directors to amend this Agreement to substantially the same effect shall be effective until confirmed by the shareholders or holders of Rights as the case may be.

5.5 Fractional Rights and Fractional Shares

- (a) The Company shall not be required to issue fractions of Rights or to distribute Rights Certificates which evidence fractional Rights. In lieu of such fractional Rights, there shall be paid to the registered holders of the Rights Certificates with regard to which such fractional Rights would otherwise be issuable an amount in cash equal to the same fraction of the Market Price of a whole Right determined on the date on which such fractional Right would otherwise be issuable.
- (b) The Company shall not be required to issue fractions of Common Shares upon exercise of the Rights or to distribute certificates which evidence fractional Common Shares. Fractions of Common Shares may, at the election of the Company, be evidenced by scrip certificates or in lieu of issuing fractional Common Shares, the Company shall pay to the registered holders of Rights Certificates, at the time such Rights are exercised as herein provided, an amount in cash equal to the same fraction of the Market Price of one Common Share at the date of such exercise.

5.6 Rights of Action

Subject to the terms of this Agreement, all rights of action in respect of this Agreement, other than rights of action vested solely in the Rights Agent, are vested in the respective registered holders of the Rights; and any registered holder of any Rights, without the consent of the Rights Agent or of the registered holder of any other Rights, may, on such holder's own behalf and for such holder's own benefit and the benefit of other holders of Rights, enforce, and may institute and maintain any suit, action or proceeding against the Company to enforce such holder's right to exercise such holder's Rights in the manner provided in such holder's Rights Certificate and in this Agreement. Without limiting the foregoing or any remedies available to the holders of Rights, it is specifically acknowledged that the holders of Rights would not have an adequate remedy at law for any breach of this Agreement and will be entitled to specific performance of the obligations under, and injunctive relief against actual or threatened violations of the obligations of any person subject to, this Agreement.

5.7 Regulatory Approvals

Directors acting in good faith shall take such actions as it may deem appropriate to ensure that such compliance is not required, including, without limitation, establishing procedures for the issuance to a Canadian or United States resident trustee of Rights or securities issuable on exercise of Rights, the holding thereof in trust for the Persons entitled thereto (but reserving to the trustee or to the trustee and the Company, as the Company may determine, absolute investment discretion with respect thereto) and the sale thereof and remittance of proceeds of such sale, if any, to the Persons entitled thereto. In no event shall the Company or the Rights Agent be required to issue or deliver Rights or securities issuable on exercise of Rights to Persons who are citizens, residents or nationals of any jurisdiction other than Canada or the United States, in which jurisdiction such issue or delivery would be unlawful without registration of the relevant Persons or securities for such purposes. Notwithstanding the foregoing, to the extent that the issuance or delivery of the Rights or securities issuable on exercise of Rights to Persons who are citizens, residents or nationals of any such jurisdiction in which such issue or delivery would be so unlawful, such Rights or securities shall be issued and delivered to such Persons to the extent the same may be so issued and delivered in reliance upon applicable exemptions from registration requirements in such jurisdictions.
