Item 1.01. Entry into a Material Definitive Agreement.

Perficient, Inc. (the “Company”) entered into an Amended and Restated Credit Agreement (the “Credit Agreement”) dated as of May 23, 2011, by and among the Company, the guarantors from time to time parties thereto, the several banks and other financial institutions or entities from time to time parties thereto, Silicon Valley Bank, as administrative agent, lead arranger, book manager and issuing lender, and Bank of America, N.A. and U.S. Bank, N.A. The Agreement replaces the Company’s Credit Agreement dated as of May 30, 2008. The Credit Agreement provides for revolving credit borrowings of up to a maximum principal amount of \$50 million, subject to a commitment increase of \$25 million from existing lenders or new lenders, and the issuance of letters of credit in the aggregate amount of up to \$1 million at any one time outstanding, which letters of credit reduce the credit available for revolving credit borrowings. The credit facility will be used for ongoing general corporate purposes. At this time, the full amount of the facility is available for future borrowings and letters of credit.

Revolving credit borrowings under the credit facility bear interest at the Company’s option of: (1) the sum of (a) the higher of (i) the prime rate as published in the Wall Street Journal and (ii) the Federal Funds Rate plus 0.50%, and (b) a margin of 0.00% to 0.50%; or (2) LIBOR plus a margin of 2.50% to 3.00%. The applicable margin varies based on the Company’s consolidated leverage ratio. The Company will incur quarterly commitment fees based on the unused amount of the credit facilities.

All outstanding amounts owed under the Credit Agreement become due and payable no later than the final maturity date of May 23, 2015. The Credit Agreement contains customary affirmative and negative covenants, including, among other things, covenants requiring the Company to maintain certain financial ratios. The Credit Agreement also contains customary representations and warranties as well as events of default. Amounts outstanding under the Credit Agreement may be accelerated upon the occurrence of an event of default.

The obligations under the Credit Agreement are secured by first priority liens on all of the Company’s and its domestic subsidiaries’ assets, a pledge of all of the Company’s equity interests in its domestic subsidiaries and a pledge of 65% of the Company’s equity interests in its direct and indirect foreign subsidiaries.

The foregoing description of the Credit Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Credit Agreement, a copy of which is filed as Exhibit 10.1 hereto and is incorporated herein by reference.
