NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

(Unaudited)

NOTE 1 BASIS OF PRESENTATION AND CONSOLIDATION AND BUSINESS DESCRIPTION

Prior to November 29, 2006, we were known as Paligent Inc., a Delaware corporation (Paligent). On November 29, 2006, we acquired International Fight League, Inc., a privately held Delaware corporation (Old IFL), pursuant to an agreement and plan of merger, dated as of August 25, 2006, as amended (the Merger Agreement), by and among us, IFL Corp., a Delaware corporation and our wholly owned subsidiary (Merger Sub), and Old IFL, providing for the merger of Merger Sub and Old IFL, with Old IFL being the surviving corporation and becoming our wholly owned subsidiary (the Merger). Immediately following the Merger, we changed our name to International Fight League, Inc. (IFL or collectively, the Company), and Old IFL changed its name to IFL Corp. and continued to operate Old IFL s business of organizing and promoting a mixed martial arts (MMA) sports league.

The accompanying unaudited condensed consolidated financial statements represent the accounts of IFL and IFL Corp. All intercompany accounts and transactions have been eliminated in consolidation. These unaudited condensed consolidated financial statements reflect all adjustments (consisting of normal recurring accruals) that are considered necessary for a fair presentation of consolidated financial position and results of operations as of and for the periods presented. We are required to make estimates and assumptions that affect the amounts reported in the unaudited financial statements and footnotes. Estimates and assumptions are periodically reviewed and the effects of any material revisions are reflected in the period that they are determined to be necessary.

We organize, host and promote a significantly greater number of live and televised MMA sporting events during the first half of our fiscal year than during the second half of our fiscal year. Since we generally incur most of our costs in connection with such events, our expenses generally increase during the first half of our fiscal year and decline in the second half. This seasonality is likely to cause fluctuations in our financial results. Therefore, the results of operations for the periods presented are not necessarily indicative of the results of operations for the full year and should be read in conjunction with the audited consolidated financial statements for the year ended December 31, 2006 in our Annual Report on Form 10-K.

NOTE 2 LIQUIDITY

Since inception, the Company has incurred losses and has an accumulated deficit of \$23.5 million at June 30, 2007. During 2006, the Company raised \$2.5 million from the issuance of preferred stock (which was converted to common stock at the time of the Merger) and received \$22.2 million in net proceeds from the sale of common stock in a private placement. At June 30, 2007, the Company s cash balance was \$2.5 million. In August 2007, the Company completed another private placement from which the Company received \$11.7 million in net proceeds (see Note 11 Subsequent Event).

Based upon management s current forecast of future revenues and expenses, the Company believes its cash resources will likely be sufficient to fund operations into the second quarter of 2008. This assumes that the Company s live event expenses continue to decrease as a result of the Company s increased production efficiencies and that the Company realizes additional cash from the following: (i) the distribution of IFL mixed martial arts content via DVD, electronic sell through and similar media pursuant to our letter of intent with Warner Home Video; (ii) the distribution of programming internationally pursuant to our exclusive relationship with Alfred Haber Distribution, Inc.; (iii) the continuation of television rights consistent with terms contemplated by the Letter of Intent with the Fox Entities (see Note 8); and (iv) an increase in sponsorship and licensing revenue. The Company is also evaluating the profitability of other revenue sources, such as franchise or team sales, digital rights and pay-per-view broadcasts. If the Company can successfully generate revenue from additional sources, the Company s cash resources could last beyond the second quarter of 2008. There can be no assurance, however, that the Company will generate

sufficient cash from any of such sources or continue to realize decreases in its live event expenses. If the Company is not able to generate sufficient cash from operations or if the Company is unable to secure sufficient debt or equity financing for operations, the Company will experience a cash shortage, the effect of which could result in the discontinuance of operations. If additional funds are raised by issuing equity securities, further dilution to existing stockholders will result and future investors may be granted rights superior to those of existing stockholders.

NOTE 3 LOSS PER SHARE

The Company complies with the accounting and reporting requirements of Statement of Financial Accounting Standards No. (FAS) 128, Earnings Per Share. Basic earnings per share (EPS) excludes dilution and is computed by dividing income (loss) applicable to common stockholders by the weighted average number of common shares outstanding for the period. Diluted EPS is based upon the weighted average number of common shares outstanding during the period plus the additional weighted average common equivalent shares during the period. Common equivalent shares result from the assumed exercises of outstanding stock options and warrants, the proceeds of which are then assumed to have been used to repurchase outstanding shares of common stock (the treasury stock method). Common equivalent shares are not included in the per share calculations where the effect of their inclusion would be anti-dilutive. Inherently, stock options and warrants are deemed to be anti-dilutive when the average market price of the common stock during the period exceeds the exercise price of the stock options or warrants.

At June 30, 2007, the Company s common stock equivalents include stock options outstanding for 2,088,031 shares of our common stock and warrants exercisable for 1,288,987 shares of our common stock. These common stock equivalents are not included in the diluted EPS calculations because the effect of their inclusion would be anti-dilutive or would decrease the loss per common share.

NOTE 4 INCOME TAXES

On January 1, 2007, the Company adopted the provisions of Financial Accounting Standards Board (FASB) Interpretation No. 48, Accounting for Uncertainty in Income Taxes an interpretation of FAS 109 (FIN 48). As of January 1 and June 30, 2007, there were no unrecognized tax benefits. FIN 48 prescribes a recognition threshold and a measurement attribute for the financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return. For those benefits to be recognized, a tax position must be more-likely-than-not to be sustained upon examination by taxing authorities. The Company recognizes accrued interest and penalties related to unrecognized tax benefits as income tax expense. No amounts were accrued for the payment of interest and penalties at January 1, 2007. There was not change to this balance at June 30, 2007. Management is currently unaware of any issues under review that could result in significant payments, accruals or material deviations from its position. The adoption of the provisions of FIN 48 did not have a material impact on the Company s financial position, results of operations and cash flows.

NOTE 5 RELATED PARTY TRANSACTIONS

Transactions with Entities Controlled by Our Chief Executive Officer

Certain business transactions are transacted among the Company and two business ventures that are controlled by the Company's Chief Executive Officer. Typically, the Company reimburses these related companies for charges incurred and advances made on the Company's behalf. Further, the Company purchases certain goods and services from these related companies. As of June 30, 2007, approximately \$58,000 was owed to these related companies, which is included in accounts payable, relating to transactions aggregating \$230,000 and \$580,000 for the three and six months ended June 30, 2007 and \$123,000 and \$162,000 for the three and six months ended June 30, 2006. As of December 31, 2006, approximately \$166,000 was owed to these related companies, of which \$119,000 is included in accounts payable and \$47,000 is included in accrued expenses.

Lease and Other Guaranty Arrangements

In connection with Old IFL's lease of our New York City headquarters in August 2006, our Chief Executive Officer executed an unconditional and irrevocable guaranty of Old IFL's obligations under the lease. This lease commenced on September 1, 2006 and expires on August 31, 2010. Rent expense initially is \$13,394 per month (not including escalations) commencing on November 1, 2006 and payable in advance. In addition, our Chief Executive Officer has, on occasion, provided personal guarantees relating to performance bonds required by certain state athletic commissions.

On March 29, 2007, the Company's Board of Directors passed a resolution authorizing the Company to enter into an indemnification agreement with our Chief Executive Officer relating to these personal guarantees. On March 30, 2007, the Company executed an indemnity agreement with our Chief Executive Officer.

NOTE 6 STOCK OPTION PLAN

Accounting for stock options issued to employees follows the provisions of FAS 123(R), Share-Based Payment and the SEC's SAB 107, Valuation of Share-Based Payment Arrangements for Public Companies. This statement requires an entity to measure the cost of employee services received in exchange for an award of equity instruments based on the grant-date fair value of the award. That cost will be recognized over the period during which an employee is required to provide service in exchange for the award.

The Company uses the Black-Scholes option pricing model to measure the fair value of options granted to employees.

During the year ended December 31, 2006, the Company adopted the new 2006 Equity Incentive Plan (the Plan), which permits the grant of share options and other forms of share-based awards to its employees, directors and service providers for up to 5,000,000 shares of the Company's common stock. Option awards generally vest based on 3 years of continuous service and have 10-year contractual terms. Certain option and share awards provide for accelerated vesting if there is a change in control (as defined in the Plan). As part of the Merger (see Note 1), in exchange for options to purchase 1,865,000 shares of Old IFL common stock, we issued to the holders thereof options to purchase an aggregate of 1,925,376 shares of our common stock under the Plan which has substantially the same terms and conditions as the Old IFL options.

The fair value of each option award is estimated on the date of grant using the Black-Scholes option valuation model that used the assumptions noted in the following table. Expected volatilities are estimated based on the volatility of other entities in similar businesses. The expected term of options granted to employees is 3 years and is derived from the option agreement and represents the vesting period, since there is no employment history to consider. The expected term of options granted to non-employees is 2 to 5 years and is derived from the agreements with the parties. The risk-free rate for the expected term of the options is based on the U.S. Treasury yield curve in effect at the time of grant.

	June 30, 2007	
Expected volatility	33	%
Expected dividends	0	
Expected term (in years)	2-5	
Risk-free rate	4.7	%

A summary of option activity under the Plan for the six months ended June 30, 2007 is presented below:

Options	Shares	Weighted Average Exercise Price	Weighted Average Remaining Contractual Term
Outstanding at January 1, 2007	1,925,376	\$ 0.20	
Exercised on April 5, 2007	43,333	\$ 0.06	
Exercised on June 8, 2007	5,833	\$ 0.30	
Cancelled	(50,947)) \$ 0.30	
Outstanding at June 30, 2007	1,825,263	\$ 0.16	
Exercisable at June 30, 2007	482,847	\$ 0.12	8.9 years

In connection with grants of options issued under the Plan, compensation costs of \$14,469 and \$29,677, respectively, were charged against operations for the three and six months ended June 30, 2007. For the three and six months ended June 30, 2006, respectively, compensation costs of \$15,546 and \$25,128 were charged against operations.

NOTE 7 COMMITMENTS

In April 2007 the Company entered into an agreement with one of its executive officers under which the Company is obligated to make special payments and provide benefits subsequent to the effective date of the executive's resignation (see Note 9).

NOTE 8 TELEVISION RIGHTS AGREEMENTS

On various dates during the year ended December 31, 2006, the Company entered into agreements with National Sports Programming, owner and operator of Fox Sports Net (FSN) regarding IFL's series of team mixed martial arts matches held during the year ended December 31, 2006. The agreements grant FSN certain rights to the telecasts and, in return, FSN agrees to broadcast the series under specified conditions.

The agreements with FSN provide that there shall be no payment of any distribution fees by the Company to FSN. The Company treats the arrangements as barter transactions in accordance with FAS 153 Exchanges of Nonmonetary Assets, an amendment of APB Opinion No. 29. Under the proposed terms of the Letter of Intent (as hereinafter defined), FSN would retain exclusive distribution rights to all IFL regular season, playoff and championship events. The provision of the Letter of Intent relating to FSN provides that there shall continue to be no payment of any distribution fee by IFL to FSN. For the three and six months periods ended June 30, 2007, the Company recognized \$1,000,000 and \$1,750,000 of television rights revenue and corresponding charges to costs of revenues relating to the telecast of events on FSN.

On January 15, 2007, the Company entered into a letter of intent (the Letter of Intent) with Fox Cable Networks, Inc. (Fox) and MyNetworkTV, Inc. (MNTV and, together with Fox, the Fox Entities), which set forth certain terms and conditions under which the Fox Entities and IFL propose to create, promote and distribute IFL MMA content through a three-tier television and new media programming alliance. The Letter of Intent contains provisions requiring good faith negotiation of definitive agreements and exclusive negotiation by the Company. These terms expired on May 31, 2007, and have not been extended beyond that date. Accordingly, the parties are no longer obligated to negotiate definitive documents, nor is the Company bound by the exclusive negotiation terms contained in the Letter of Intent.

The parties have also been operating under the terms of the Letter of Intent with respect to the telecasting of IFL events by FSN and MNTV and the Company intends to continue negotiating definitive documents with the Fox Entities for telecasting IFL events. During the three and six month periods ended June 30, 2007, the Company recorded \$683,000 and \$883,000 of television rights revenue relating to the telecast of events on MNTV.

The Letter of Intent also contemplated Fox making an equity investment in IFL and Fox and IFL establishing a joint venture to own, manage and distribute IFL related digital media rights including online/Internet, broadband and mobile/wireless. IFL expects that discussions will continue on these proposed transactions in the future, however, no assurance can be given that a transaction will be consummated.

The Company has also entered into an agreement for exclusive international distribution of its television shows. Under the agreement, the Company is required to deliver certain programming and will receive 75% of the revenue received from distribution with a guaranteed minimum of \$1 million. During the six months ended June 30, 2007, the Company received an advance payment of \$200,000, which is reflected in other liabilities. The Company will first record revenue under the arrangement when it completes the delivery of the minimum required programming.

NOTE 9 ARRANGEMENTS WITH CERTAIN OFFICERS

On April 2, 2007, we entered into an agreement and general release (the Original Agreement), pursuant to which Salvatore A. Bucci, our Chief Financial Officer, Executive Vice President and Treasurer voluntarily resigned effective at the close of business on June 30, 2007 (the Separation Date). Mr. Bucci was to continue to serve as our Chief Financial Officer, Executive Vice President and Treasurer and as one of our directors through the Separation Date. As provided for under the Original Agreement we paid Mr. Bucci his regular gross salary plus benefits and reimbursed Mr. Bucci for out-of-pocket expenses incurred by him in connection with the performance of his duties and obligations. The

Original Agreement had also required us to make a one-time payment of \$40,000 to Mr. Bucci on June 29, 2007 and that we pay Mr. Bucci six monthly payments of \$15,000 from July to December 2007.

On June 19, 2007, the Company and Mr. Bucci amended the Original Agreement by entering into an Amended and Restated Agreement and General Release (the Amended Agreement). Under the Amended Agreement, Mr. Bucci will continue in his positions of Chief Financial Officer, Executive Vice President and Treasurer of the Company through September 30, 2007, unless the Company requests Mr. Bucci to resign before that date. Mr. Bucci will be paid a salary of \$20,000 per month from July 1 to September 30, 2007, regardless of whether Mr. Bucci's resignation becomes effective prior to September 30, 2007. Further, in lieu of the one-time payment of \$40,000 due to Mr. Bucci on June 29, 2007 and the six monthly payments of \$15,000 that were payable from July to December 2007, Mr. Bucci was paid one special payment of \$60,000 on June 29, 2007 and is to receive a second special payment of \$70,000 on September 28, 2007. The Company also made a \$10,000 payment directly to Mr. Bucci's law firm for services rendered to Mr. Bucci in connection with these agreements. The remaining terms of the Original Agreement are substantially unchanged.

Mr. Bucci served as a director of the Company until the June 28, 2007 annual stockholders meeting, at which time he resigned from the board.

NOTE 10 RECENT ACCOUNTING PRONOUNCEMENTS

In September 2006, the FASB issued FAS 157, Fair Value Measurements. This Statement defines fair value, establishes a framework for measuring fair value in generally accepted accounting principles, expands disclosures about fair value measurements, and applies under other accounting pronouncements that require or permit fair value measurements. FAS 157 does not require any new fair value measurements. However, the FASB anticipates that for some entities, the application of FAS 157 will change current practice. FAS 157 is effective for financial statements issued for fiscal years beginning after November 15, 2007, which for the Company would be its fiscal year beginning January 1, 2008. The Company is currently evaluating the impact of FAS 157 but does not expect that it will have a material impact on its condensed consolidated interim financial statements.

In September 2006, the Securities and Exchange Commission issued Staff Accounting Bulletin No. 108, Considering the Effects of Prior Year Misstatements when Quantifying Misstatements in Current Year Financial Statements (SAB 108). SAB 108 provides guidance on how prior year misstatements should be considered when quantifying misstatements in the current year financial statements. The SAB requires registrants to quantify misstatements using both a balance sheet and an income statement approach and evaluate whether either approach results in quantifying a misstatement that, when all relevant quantitative and qualitative factors are considered, is material. SAB 108 does not change the guidance in SAB 99, Materiality, when evaluating the materiality of misstatements. SAB 108 is effective for fiscal years ending after November 15, 2006. Upon initial application, SAB 108 permits a one-time cumulative effect adjustment to beginning retained earnings. The Company is currently evaluating the potential impact, if any, that the adoption of SAB 108 will have on its condensed consolidated interim financial statements.

In February 2007, the FASB issued FAS 159, The Fair Value Option for Financial Assets and Financial Liabilities. This Statement permits entities to choose to measure many financial instruments at fair value. Unrealized gains and losses on items for which the fair value option has been elected are reported in earnings. FAS 159 is effective for fiscal years beginning after November 15, 2007. The Company is currently assessing the impact of FAS 159 on its condensed consolidated interim financial position and results of operations.

NOTE 11 SUBSEQUENT EVENT

On August 6, 2007, the Company completed a private offering for the sale of a total of 25,330,000 shares of common stock at a price of \$0.50 per share for gross proceeds of \$12,665,000 and issued five year warrants to acquire up to 12,665,000 shares of common stock at an exercise price \$1.05 per share from which the Company received net proceeds of \$11.7 million.

Our Company

We are the world's first professional mixed martial arts (or MMA) sports league. In MMA matches, athletes combine a variety of fighting styles, such as boxing, judo, jiu jitsu, karate, kickboxing, muay thai, tae kwon do and/or wrestling, in each fight. Our business was founded in 2005 to organize, host and promote live and televised MMA sporting events and to capitalize on the growing popularity of MMA in the United States and around the world. At the core of our business are our twelve MMA teams, which comprise some of the world's most highly regarded athletes and coaches. Our sporting events typically showcase four teams, in two-team match-ups, with athletes competing in one-on-one matches across five weight divisions. These events create a body of television programming content that we currently distribute through an arrangement with both Fox Sports Net (FSN), a national sports cable network available to over 80 million households across the U.S., MyNetworkTV, Inc. (MNTV), a broadcast network available to over 100 million homes across the U.S., and internationally through our arrangement with Alfred Haber Distribution, Inc., an international distributor of U.S. television programming. We earn revenue from live event ticket sales, sponsorships and promotions and licensing of our intellectual property. We have held sixteen live events, the first of which took place during the second quarter of 2006, the first period in which we recognized revenues.

Corporate History

Prior to November 29, 2006, we were known as Paligent Inc., a Delaware corporation (Paligent). On November 29, 2006, we acquired International Fight League, Inc., a privately held Delaware corporation (Old IFL), pursuant to an agreement and plan of merger, dated as of August 25, 2006, as amended (the Merger Agreement), by and among us, IFL Corp., a Delaware corporation and our wholly owned subsidiary (Merger Sub), and Old IFL, providing for the merger of Merger Sub and Old IFL, with Old IFL being the surviving corporation and becoming our wholly owned subsidiary (the Merger). Immediately following the Merger, we changed our name to International Fight League, Inc. (IFL or collectively, the Company), and Old IFL changed its name to IFL Corp. and continued to operate Old IFL's business of organizing and promoting a mixed martial arts sports league.

The Merger has been accounted for as a reverse acquisition under the purchase method of accounting for business combinations in accordance with generally accepted accounting principles in the United States of America. Reported results of operations of the combined group reflect the operations of Old IFL and IFL.

Old IFL's predecessor, International Fight League, LLC (the LLC), was organized on March 29, 2005 as a New Jersey limited liability company. On January 11, 2006, the LLC merged into Old IFL, whereupon the existence of the LLC ceased, and at which time the members of the LLC received an aggregate of 18,000,000 shares

Edgar Filing: International Fight League, Inc. - Form 424B3

of Old IFL common stock, par value \$0.0001 per share, in exchange for their membership interests in the LLC. Old IFL operated as a development stage enterprise through March 31, 2006.

During the first quarter of 2007, we launched our first full season, which consisted of a nine event regular season, which concluded in the second quarter, plus a two event post-season, which will occur in the third quarter. In addition, during the fourth quarter of 2007, we will hold our grand prix, a two event tournament in which the four top athletes in each weight class will compete for the title belt to be awarded to the champion of each weight class.

We make available through our internet website free of charge our annual report on Form 10-K, quarterly reports on Form 10-Q, current reports on Form 8-K, amendments to such reports and other filings made by us with the SEC, as soon as practicable after we electronically file such reports and filings with the SEC. Our website address is www.ifl.tv. The information contained in this website is not incorporated by reference in this report.

Results of Operations

From inception through June 30, 2007, we have incurred costs and expenses significantly in excess of revenues. As we pursue our goals and continue to build out our organization and business, we expect to increase revenues and control costs and maximize value to existing stockholders, though we expect to incur additional losses.

Through March 31, 2006, we were a development stage company with insignificant operations. We held our first event on April 29, 2006 and first reported revenues and costs of revenues during the three months ended June 30, 2006. Accordingly, comparative information relating to revenues and costs of revenues for the three and six month periods ended June 30, 2006 are identical.

Three and Six Months Ended June 30, 2007 as compared to the Three and Six Months Ended June 30, 2006

During the three month period ended June 30, 2007, we held five live events. In addition, during this period, we created television content for twelve original episodes for broadcast on FSN and nine for MNTV. During the six months ended June 30, 2007, we held nine live events and created eighteen original episodes for broadcast on FSN and twelve for MNTV.

For the three months ended June 30, 2007, we incurred a net loss of \$6.9 million, or \$0.13 per share, as compared to a net loss of \$1.8 million, or \$0.10 per share during the comparable period in 2006. For the six months ended June 30, 2007, we incurred a net loss of \$13.8 million, or \$0.26 per share, as compared to a net loss of \$2.4 million, or \$0.14 per share, during the comparable period in 2006.

Revenues for the three and six months ended June 30, 2007 were \$2.7 million and \$4.2 million, respectively. During 2006, revenues for the comparable periods were \$738,000. The principal components of revenue for the referenced periods in 2007 and 2006, respectively, include:

- television rights of \$1.7 million and \$2.6 million, respectively, during the three and six months ended June 30, 2007, consisting of \$1.0 million and \$1.75 million, respectively, relating to IFL's agreements with FSN and \$683,000 and \$883,000, respectively, relating to our agreement with MNTV. During 2006, we recognized \$375,000 of television rights relating to our agreement with FSN;
- box office receipts and related revenue of \$892,000 and \$1.4 million, respectively, during the three and six month periods ended June 30, 2007 as compared to \$127,000 during 2006; and
- sponsorships of \$74,000 and \$141,000, respectively, during the three and six month periods ended June 30, 2007 as compared to \$234,000 during 2006.

During 2006, IFL entered into agreements with National Sports Programming, owner and operator of Fox Sports Net (FSN). The agreements with FSN granted FSN exclusive rights to broadcast episodes of IFL's 2006 events through June 30, 2007. In January 2007, we entered into a Letter of Intent with Fox Cable Networks, Inc. (Fox)

and MyNetworkTV, Inc. (MNTV and, together with Fox, the Fox Entities) (the Letter of Intent), which set forth certain terms and conditions under which the Fox Entities and IFL proposed to create, promote and distribute IFL MMA content. Under the proposed terms, FSN would retain exclusive distribution rights to all IFL regular season, playoff and championship events. The provision of the Letter of Intent relating to FSN provides that there shall be no payment of any distribution fee by IFL to FSN. Accordingly, we have treated the transaction as a barter transaction in accordance with FAS 153, Exchanges of Nonmonetary Assets, an amendment of APB Opinion No. 29. The provision of the Letter of Intent relating to the broadcasts on MNTV provide for MNTV to pay IFL \$50,000 for each initial telecast, \$20,000 for each second telecast and \$12,500 for each third telecast. During the second quarter ended June 30, 2007, MNTV broadcast nine first run telecasts, seven second run telecasts and five third run telecasts. During the six months ended June 30, 2007, MNTV broadcast twelve first run telecasts, ten second run telecasts and five third run telecasts.

During the three and six months ended June 30, 2007, costs of revenues were \$7.4 million and \$13.8 million, respectively. During 2006, costs of revenues for the comparable periods were \$2.0 million. The principal components of costs of revenues for the referenced periods consists of the following:

- distribution fees of \$1.0 million and \$1.75 million, respectively, during the three and six months ended June 30, 2007 relating to the FSN agreement. During 2006, we recorded \$375,000 of distribution fees relating to our agreement with FSN;
- live events costs of \$6.4 million and \$12.0 million, respectively, during the three and six months ended June 30, 2007. During 2006, we recorded \$1.5 million of live events costs; and
- sponsorship costs of \$22,000 and \$55,000, respectively, during the three and six month ended June 30, 2007 as compared to \$102,000 recorded in 2006.

Components of live event costs for the quarterly and six month periods ended June 30, 2007, respectively, include \$1.7 million and \$3.4 million of talent costs as compared to \$387,000 in 2006, \$1.4 million and \$2.5 million of event travel and other event costs as compared to \$522,000 in 2006, \$2.8 million and \$5.0 million of television production costs as compared to \$435,000 in 2006 and \$500,000 and \$1.1 million of advertising expenses as compared to \$170,000 in 2006.

During the three and six month periods ended June 30, 2007, selling, general and administrative expenses were \$2.2 million and \$4.4 million, respectively, as compared to \$505,000 and \$1.1 million during the comparable periods in 2006. The primary components of selling, general and administrative expenses for the three and six month periods ended June 30, 2007 and 2006 were, respectively, professional fees of \$300,000 and \$1.0 million in 2007 as compared to \$119,000 and \$457,000 in 2006, payroll and benefits expenses of \$1.3 million and \$2.3 million in 2007 as compared to \$174,000 and \$282,000, advertising expenses of \$140,000 and \$340,000 in 2007 as compared to \$0 and \$58,000 in 2006 and travel and entertainment of \$100,000 and \$200,000 as compared to \$36,000 and \$68,000. In addition, office and facilities costs of \$270,000 and \$570,000 were recorded during the quarterly and six month periods in 2007.

Stock-based compensation expenses relating to option grants of \$14,000 and \$30,000, respectively, were recorded to the statement of operations for the quarterly and six month periods ended June 30, 2007 as compared to charges of \$16,000 and \$25,000 for the similar periods in 2006.

During the quarterly and six month periods ended June 30, 2007, interest income of \$72,000 and \$234,000, respectively, was earned on available cash balances as compared to \$11,000 and \$23,000 during the comparable period in 2006.

During 2006, \$45,000 and \$72,000 of dividend expense relating to preferred stock of Old IFL was recorded. All preferred stock of Old IFL, including accrued dividends, was exchanged for common stock of Old IFL at the time of the Merger.

Liquidity and Capital Resources

At June 30, 2007, our cash and cash equivalents were \$2.5 million, a decrease of \$14.1 million from the end of the prior year. During the six months ended June 30, 2007, we received \$1.2 million from the receipt of the remaining subscription receivable relating to the December 2006 private placement of common stock and used \$13.6 million to fund operating activities and \$1.6 million to pay accrued commissions on the private placement that was completed in December 2006.

Future Capital Requirements

Since inception, our MMA operations have incurred losses, and we have funded these operating deficits through proceeds of \$2.5 million from the 2006 issuance of preferred stock and from net proceeds of approximately \$22.2 million from our December 2006 private placement. During August 2007, we completed a second private placement, from which we received net proceeds of approximately \$11.7 million. Based upon management's current forecast of future revenues and expenses, the Company believes its cash resources will likely be sufficient to fund operations into the second quarter of 2008. This assumes that the Company's live event expenses continue to decrease as a result of the Company's increased production efficiencies and that the Company realizes additional cash from the following: (i) the distribution of IFL mixed martial arts content via DVD, electronic sell through and similar media pursuant to our letter of intent with Warner Home Video; (ii) the distribution of programming internationally pursuant to our exclusive relationship with Alfred Haber Distribution, Inc.; (iii) the continuation of television rights consistent with terms contemplated by the Letter of Intent with the Fox Entities (see Note 8); and (iv) an increase in sponsorship and licensing revenue. The Company is also evaluating the profitability of other revenue sources, such as franchise or team sales, digital rights and pay-per-view broadcasts. If the Company can successfully generate revenue from additional sources, the Company's cash resources could last beyond the second quarter of 2008. There can be no assurance, however, that the Company will generate sufficient cash from any of such sources or continue to realize decreases in its live event expenses. If the Company is not able to generate sufficient cash from operations or if the Company is unable to secure sufficient debt or equity financing for operations, the Company will experience a cash shortage, the effect of which could result in the discontinuance of operations. If additional funds are raised by issuing equity securities, further dilution to existing stockholders will result and future investors may be granted rights superior to those of existing stockholders.

Changes in Directors and Officers

On April 2, 2007, and as amended on June 19, 2007, we entered into agreements pursuant to which Salvatore A. Bucci, our Chief Financial Officer, Executive Vice President and Treasurer voluntarily resigned effective at the close of business on September 30, 2007 (the "Separation Date"). Mr. Bucci is to continue to serve as our Chief Financial Officer, Executive Vice President and Treasurer through the Separation Date (see Note 9 to the Condensed Consolidated Financial Statements included in this report). Mr. Bucci resigned as one of our directors upon the election of directors at the annual meeting of stockholders on June 28, 2007.

On April 25, 2007, Mr. Kurtz voluntarily resigned as one of our directors.

On May 1, 2007, our Board of Directors elected Jeffrey M. Jagid to fill the vacancy created by Mr. Kurtz's resignation.

On June 11, 2007, our Board of Directors elected Kevin Waldman as one of our directors.

On June 30, 2007, Joel Ehrlich, our Chief Marketing Officer and President of Sales, resigned from the Company.

Off-Balance Sheet Arrangements

As of June 30, 2007, we had no off-balance sheet arrangements.

Critical Accounting Policy

For the six months ended June 30, 2007, there were no significant changes to our critical accounting policies as identified in our Annual Report on Form 10-K for the year ended December 31, 2006.

Seasonality

We organize, host and promote a significantly greater number of live and televised MMA sporting events during the first half of our fiscal year than during the second half of our fiscal year. Since we generally incur most of our costs in connection with such events, our expenses generally increase during the first half of our fiscal year and decline in the second half. This seasonality is likely to cause fluctuations in our financial results.

In 2007, we held all nine of our regular season events during the six months ended June 30, 2007, of which five events occurred during the second quarter. During the third and fourth quarters of 2007, we are scheduled to hold a total of four additional events, with two events occurring in each quarter. During 2006, we held a total of six events, of which two were held in the second quarter, which was the first quarter of our operations.

Item 3. Quantitative and Qualitative Disclosure About Market Risk

Not applicable.

Item 4. Controls and Procedures

Evaluation of Disclosure Controls and Procedures - Under the supervision and with the participation of our management, including our Chief Executive Officer and Chief Financial Officer, we have evaluated the effectiveness of the design and operation of our disclosure controls and procedures as of June 30, 2007. Based upon this evaluation, our Chief Executive Officer and Chief Financial Officer have concluded that our disclosure controls and procedures are adequate and effective to ensure that information we are required to disclose in reports that we file or submit under the Securities Exchange Act of 1934 is (1) recorded, processed, summarized and reported within the time periods specified in SEC rules and forms and (2) is accumulated and communicated to our management, including our principal executive and principal financial officers as appropriate to allow timely decisions regarding required disclosures. Due to the inherent limitations of control systems, not all misstatements may be detected. These inherent limitations include the realities that judgments in decision-making can be faulty and that breakdowns can occur because of simple error or mistake. Any system of controls and procedures, no matter how well designed and operated, can at best provide only reasonable assurance that the objectives of the system are met and management necessarily is required to apply its judgment in evaluating the cost benefit relationship of possible controls and procedures. Additionally, controls can be circumvented by the individual acts of some persons, by collusion of two or more people, or by management override of the control. Our controls and procedures are intended to provide only reasonable, not absolute, assurance that the above objectives have been met.

Changes in Internal Control Over Financial Reporting - There have been no changes in our internal control over financial reporting that occurred during the last fiscal quarter to which this report relates that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

PART II OTHER INFORMATION

Item 1. *Legal Proceedings*

Not Applicable.

Item 1A. *Risk Factors*

Aside from the risk factor(s) noted below, there have been no material changes to the risk factors previously disclosed in Risk Factors under Item 1A, Part I of the Company's Annual Report on Form 10-K for the year ended December 31, 2006 or Item 1A, Part II of the Company's Quarterly Report on Form 10-Q for the three months ended March 31, 2007.

On January 15, 2007, International Fight League, Inc. (IFL or the company) entered into a binding letter of intent (the Letter of Intent) with Fox Cable Networks, Inc. and MyNetworkTV, Inc. (collectively, the Fox Entities) which sets forth certain terms and conditions under which the company and the Fox Entities propose to create, promote and distribute IFL mixed martial arts content through a three-tier television and new media programming alliance. The Letter of Intent contains provisions requiring good faith negotiation of definitive agreements and exclusive negotiation by the company. These terms originally expired on March 15, 2007 and were extended several times, the latest through May 31, 2007, but have not been extended beyond that date. Accordingly, the parties are no longer obligated to negotiate definitive documents, nor is the company bound by the exclusive negotiation terms contained in the Letter of Intent. Notwithstanding this expiration, the company and the Fox Entities are continuing to negotiate definitive agreements with respect to television distribution and are continuing to telecast IFL programs. However, no assurance can be given that definitive agreements will be executed, and either party can terminate the negotiations at any time for any reason or no reason. Furthermore, the Fox Entities are requesting customary cancellation and cutback rights for the TV distribution agreements. In that case, the Fox Entities could cancel broadcasting IFL programming at anytime, regardless of term of the television broadcast distribution agreements.

The Letter of Intent also contemplated the Fox Entities making an equity investment in IFL and the Fox Entities and IFL establishing a joint venture to own, manage and distribute IFL related digital media rights, including online/Internet, broadband and mobile/wireless. IFL expects that discussions will continue on these proposed transactions in the future, however, no assurance can be given that a transaction will be consummated.

Item 2. *Unregistered Sales of Equity Securities and Use of Proceeds*

We did not repurchase any of our equity securities during the quarter ended June 30, 2007.

The following are all of our unregistered sales of our equity securities during the quarter ended June 30, 2007:

- On June 1, 2007, we issued a warrant to purchase 160,000 shares of our common stock at an exercise price of \$1.25 per share, with an expiration date of April 2, 2012, in a private placement exempt under Section 4(2) of the Securities Act of 1933 (the Securities Act). The warrant was issued in consideration of consulting services provided to the Company. No cash consideration was received by the Company and no underwriters were involved in this transaction.
- Throughout the quarter, we issued 49,166 shares of our common stock upon the exercise of stock options issued under our 2006 Equity Incentive Plan (the Plan). The total cash compensation received was \$4,350 and was used for general corporate purposes. The Company has not yet registered shares issued under the Plan pursuant to the Securities Act, and therefore these transactions were completed as a private placement exempt under Section 4(2) of the Securities Act of 1933. No underwriters were involved in the transactions.

Item 3. *Defaults Upon Senior Securities*

Not Applicable.

Item 4. Submission of Matters to a Vote of Security Holders

We held our 2007 annual stockholders meeting on June 28, 2007. At that meeting, stockholders elected Jeffrey M. Jagid, Kurt Otto, Gareb Shamus and Kevin Waldman as directors of the Company. The terms of these directors will expire at the 2008 annual stockholders meeting. In addition, stockholders approved both of the two company proposals. The persons elected and the results of the voting are as follows:

INTERNATIONAL FIGHT LEAGUE, INC.

WARRANT TO PURCHASE COMMON STOCK

Warrant No. B-2

Original Issue Date: June 1, 2007

INTERNATIONAL FIGHT LEAGUE, INC., a Delaware corporation (the *Company*), hereby certifies that, for value received, Lifeline Industries, Inc. or its permitted registered assigns (the *Holder*), is entitled to purchase from the Company up to a total of ONE HUNDRED SIXTY THOUSAND (160,000) shares of common stock, \$0.01 par value per share (the *Common Stock*), of the Company (each such share, a *Warrant Share* and all such shares, the *Warrant Shares*) at an exercise price per share equal to ONE DOLLAR AND TWENTY-FIVE CENTS (\$1.25) (as adjusted from time to time as provided in Section 8 herein, the *Exercise Price*), at any time and from time to time from and after the Original Issue Date (the *Issuance Date*) and through and including 5:00 P.M., New York City time, on April 2, 2012 (the *Expiration Date*), and subject to the following terms and conditions:

The Holder hereby agrees that the representations and warranties set forth in Appendix A to Schedule 1, annexed hereto and made a part hereof, are true, accurate and complete as of the Issuance Date.

1. Registration of Warrants. The Company shall register this Warrant in records to be maintained by the Company for that purpose (the *Warrant Register*), in the name of the record Holder (which shall include the initial Holder or, as the case may be, any registered assignee to which this Warrant is permissibly assigned hereunder) from time to time. The Company may deem and treat the registered Holder of this Warrant as the absolute owner hereof for the purpose of any exercise hereof or any distribution to the Holder, and for all other purposes, absent actual notice to the contrary.
2. Registration of Transfers. Subject to the restrictions on transfer set forth in Section 12(b) and compliance with all applicable securities laws, the Company shall register the transfer of all or any portion of this Warrant in the Warrant Register, upon (i) surrender of this Warrant and the Form of Assignment attached as Schedule 1 hereto duly completed and signed by the transferring Holder, to the Company at its address specified herein; (ii) if a registration statement under the Securities Act of 1933 (the *Securities Act*) is not effective, delivery by or on behalf of the

transferring Holder (at its expense), at the request of the Company, of an opinion of counsel reasonably satisfactory to the Company to the effect that the transfer of such portion of this Warrant may be made pursuant to an available exemption from the registration requirements of the Securities Act and all applicable state securities or blue sky laws; and (iii) accurate completion, execution and delivery to the Company by the transferee of Appendix A to Schedule 1, annexed hereto and made a part hereof. Upon any such registration or transfer (including, to the extent applicable, receipt of the items set forth in clauses (i), (ii) and (iii) immediately preceding), a new warrant to purchase Common Stock in substantially the form of this Warrant (any such new warrant, a *New Warrant*) evidencing the portion of this Warrant so transferred shall be issued to the transferee, and a New Warrant evidencing the remaining portion of this Warrant not so transferred, if any, shall be issued to the transferring Holder. The acceptance of the New Warrant by the transferee thereof shall be deemed the acceptance by such transferee of all of the rights and obligations of a Holder of a Warrant.

3. Exercise and Duration of Warrants.

(a) All or any part of this Warrant may be exercised by the registered Holder at any time and from time to time on or after the Issuance Date and through and including 5:00 P.M. New York City time on the Expiration Date. At 5:01 P.M., New York City time, on the Expiration Date, the portion of this Warrant not exercised prior thereto shall be and become void and of no value and this Warrant shall be terminated and no longer outstanding;

(b) The Holder may exercise this Warrant by delivering to the Company (i) an exercise notice, in the form attached as Schedule 2 hereto (the *Exercise Notice*), appropriately completed and duly signed, and (ii) payment of the Exercise Price, in immediately available funds and/or in accordance with Section 3(c) below, for the number of Warrant Shares as to which this Warrant is being exercised. The date such items are delivered to the Company (as determined in accordance with the notice provisions hereof) is an *Exercise Date*. The delivery by (or on behalf of) the Holder of the Exercise Notice and the applicable Exercise Price as provided above shall constitute the Holder's certification to the Company that its representations contained in Appendix A to Schedule 1 hereto are true and correct as of the Exercise Date as if remade in their entirety (or, in the case of any transferee Holder, such transferee Holder's certification to the Company that such representations are true and correct as to such transferee Holder as of the Exercise Date). Execution and delivery of the Exercise Notice shall have the same effect as cancellation of the original Warrant and issuance of a New Warrant evidencing the right to purchase the remaining number of Warrant Shares.

(c) Holder may, at its option, elect to pay some or all of the Exercise Price payable upon an exercise of this Warrant by cancelling a portion of this Warrant with respect to such number of Warrant Shares as is determined by dividing (i) the total Exercise Price payable in respect of the number of Warrant Shares being purchased upon such exercise by (ii) the excess of the Fair Market Value per share of Common Stock as of the Exercise Date, over the Exercise Price per share. The Fair Market Value per share of Common Stock shall be determined as follows:

(i) If the Common Stock is listed or quoted on a national securities exchange, the Nasdaq National Market or another nationally recognized exchange or trading system (including the OTC Bulletin Board) as of the Exercise Date, the Fair Market Value per share of Common Stock shall be deemed to be the last reported sale price per share of Common Stock thereon on the Exercise Date, or, if no such price is reported on such date, such price on the next preceding business day for which such price is reported.

(ii) If the Common Stock is not listed or quoted as described in (i) above, the Fair Market Value per share of Common Stock shall be deemed to be the amount determined in good faith by the Board of Directors of the Company to represent the value per share the Common Stock would have if it were publicly traded on a nationally recognized exchange or trading system, not as an initial public offering but on a seasoned basis and without any unusual market conditions or any premium for control or discount for minority interests, illiquidity or restrictions on transfer.

4. Delivery of Warrant Shares. Upon exercise of this Warrant, the Company shall promptly (but in no event later than three (3) Trading Days after the Exercise Date) issue or cause to be issued and cause to be delivered to or upon the written order of the Holder and in such name or names as the Holder may designate (provided that, if a registration statement covering the Warrant Shares is not effective, and the Holder directs the Company to deliver a certificate for the Warrant Shares in a name other than that of the Holder or an Affiliate of the Holder, it shall deliver to the Company on the Exercise Date an opinion of counsel reasonably satisfactory to the Company to the effect that the issuance of such Warrant Shares in such other name may be made pursuant to an available exemption from the registration requirements of the Securities Act and all applicable state securities or blue sky laws), a certificate for the Warrant Shares issuable upon such exercise, free of restrictive legends, unless a registration statement covering the resale of the Warrant Shares and naming the Holder as a selling stockholder thereunder is not then effective or the Warrant Shares are not freely transferable without volume restrictions pursuant to Rule 144(k) under the Securities Act. The Holder, or any Person permissibly so designated by the Holder to receive Warrant Shares, shall be deemed to have become the holder of record of such Warrant Shares as of the Exercise Date.

5. Charges, Taxes and Expenses. Issuance and delivery of certificates for shares of Common Stock upon exercise of this Warrant shall be made without charge to the Holder for any issue or transfer tax, withholding tax, transfer agent fee or other incidental tax or expense in respect of the issuance of such certificates, all of which taxes and expenses shall be paid by the Company; *provided, however*, that the Company shall not be required to pay any tax which may be payable in respect of any transfer involved in the registration of any certificates for Warrant Shares or Warrants in a name other than that of the Holder or an Affiliate thereof. The Holder shall be responsible for all other tax liability that may arise as a result of holding or transferring this Warrant or receiving Warrant Shares upon exercise hereof.

6. Replacement of Warrant. If this Warrant is mutilated, lost, stolen or destroyed, the Company shall issue or cause to be issued in exchange and substitution for and upon cancellation hereof, or in lieu of and substitution for this Warrant, a New Warrant, but only upon receipt of evidence reasonably satisfactory to the Company of such loss, theft or destruction and, in each case, a customary and reasonable indemnity (which may include a surety bond), if requested. Applicants for a New Warrant under such circumstances shall also comply with such other reasonable regulations and procedures and pay such other reasonable third-party costs as the Company may prescribe. If a New Warrant is requested as a result of a mutilation of this Warrant, then the Holder shall deliver such mutilated Warrant to the Company as a condition precedent to the Company's obligation to issue the New Warrant.

7. Reservation of Warrant Shares. The Company covenants that it will initially reserve and keep available out of the aggregate of its authorized but unissued and otherwise unreserved Common Stock, solely for the purpose of enabling it to issue Warrant Shares upon exercise of this Warrant as herein provided, the number of Warrant Shares which are initially issuable and

deliverable upon the exercise of this entire Warrant, free from preemptive rights or any other contingent purchase rights of persons other than the Holder. The Company further covenants that it will at all times reserve and keep available out of the aggregate of its authorized but unissued and otherwise unreserved Common Stock, solely for the purpose of enabling it to issue Warrant Shares upon exercise of this Warrant as herein provided, the number of Warrant Shares which are then issuable and deliverable upon the exercise of this entire Warrant, free from preemptive rights or any other contingent purchase rights of persons other than the Holder (taking into account the adjustments and restrictions of Section 8). The Company covenants that all Warrant Shares so issuable and deliverable shall, upon issuance and the payment of the applicable Exercise Price in accordance with the terms hereof, be duly and validly authorized, issued and fully paid and nonassessable. The Company will take all such action as may be reasonably necessary to assure that such shares of Common Stock may be issued as provided herein without violation of any applicable law or regulation, or of any requirements of any securities exchange or automated quotation system upon which the Common Shares may be listed.

8. Certain Adjustments. The Exercise Price and number of Warrant Shares issuable upon exercise of this Warrant are subject to adjustment from time to time as set forth in this Section 8.

(a) Stock Dividends and Splits. If the Company, at any time while this Warrant is outstanding, (i) pays a stock dividend on its Common Stock or otherwise makes a distribution on any class of capital stock that is payable in shares of Common Stock, (ii) subdivides its outstanding shares of Common Stock into a larger number of shares, or (iii) combines its outstanding shares of Common Stock into a smaller number of shares, then in each such case the Exercise Price shall be multiplied by a fraction, the numerator of which shall be the number of shares of Common Stock outstanding immediately before such event and the denominator of which shall be the number of shares of Common Stock outstanding immediately after such event. Any adjustment made pursuant to clause (i) of this paragraph shall become effective immediately after the record date for the determination of stockholders entitled to receive such dividend or distribution, and any adjustment pursuant to clause (ii) or (iii) of this paragraph shall become effective immediately after the effective date of such subdivision or combination.

(b) Pro Rata Distributions. If the Company, at any time while this Warrant is outstanding, distributes to all holders of Common Stock (i) evidences of its indebtedness, (ii) any security (other than a distribution of Common Stock covered by the preceding paragraph), (iii) rights or warrants to subscribe for or purchase any security, or (iv) any other asset (in each case, *Distributed Property*), then, upon any exercise of this Warrant that occurs after the record date fixed for determination of stockholders entitled to receive such distribution, the Holder shall be entitled to receive, in addition to the Warrant Shares otherwise issuable upon such exercise (if applicable), the Distributed Property that such Holder would have been entitled to receive in respect of such number of Warrant Shares had the Holder been the record holder of such Warrant Shares immediately prior to such record date.

(c) Fundamental Transactions. If, at any time while this Warrant is outstanding (i) the Company effects any merger or consolidation of the Company with or into another Person, in which the Company is not the survivor, (ii) the Company effects any sale of all or substantially all of its assets or a majority of its Common Stock is acquired by a third party, in each case, in one or a series of related transactions, (iii) any tender offer or exchange offer (whether by the Company or another Person) is completed pursuant to which all or substantially all of the holders of Common Stock are permitted to tender or exchange their shares for other securities, cash or property, or (iv) the Company effects any reclassification of the Common Stock or any compulsory share exchange pursuant to which the Common Stock is effectively converted into or

exchanged for other securities, cash or property (other than as a result of a subdivision or combination of shares of Common Stock covered by Section 8(a) above) (in any such case, a *Fundamental Transaction*), then the Holder shall have the right thereafter to receive, upon exercise of this Warrant, the same amount and kind of securities, cash or property as it would have been entitled to receive upon the occurrence of such Fundamental Transaction if it had been, immediately prior to such Fundamental Transaction, the holder of the number of Warrant Shares then issuable upon exercise in full of this Warrant without regard to any limitations on exercise contained herein (the *Alternate Consideration*). The provisions of this paragraph (c) shall similarly apply to subsequent transactions analogous to a Fundamental Transaction.

(d) Number of Warrant Shares. Simultaneously with any adjustment to the Exercise Price pursuant to this Section 8, the number of Warrant Shares that may be purchased upon exercise of this Warrant shall be increased or decreased proportionately, so that after such adjustment the aggregate Exercise Price payable hereunder for the increased or decreased number of Warrant Shares shall be the same as the aggregate Exercise Price in effect immediately prior to such adjustment.

(e) Calculations. All calculations under this Section 8 shall be made to the nearest cent or the nearest 1/100th of a share, as applicable. The number of shares of Common Stock outstanding at any given time shall not include shares owned or held by or for the account of the Company, and the sale or issuance of any such shares shall be considered an issue or sale of Common Stock.

(f) Notice of Adjustments. Upon the occurrence of each adjustment pursuant to this Section 8, the Company at its expense will, at the written request of the Holder, promptly compute such adjustment, in good faith, in accordance with the terms of this Warrant and prepare a certificate setting forth such adjustment, including a statement of the adjusted Exercise Price and adjusted number or type of Warrant Shares or other securities issuable upon exercise of this Warrant (as applicable), describing the transactions giving rise to such adjustments and showing in detail the facts upon which such adjustment is based. Upon written request, the Company will promptly deliver a copy of each such certificate to the Holder and to the Company's transfer agent.

9. No Fractional Shares. No fractional Warrant Shares will be issued in connection with any exercise of this Warrant. In lieu of any fractional shares which would otherwise be issuable, the number of Warrant Shares to be issued shall be rounded up to the nearest whole number.

10. Notices. Any and all notices or other communications or deliveries hereunder (including, without limitation, any Exercise Notice) shall be in writing and shall be deemed given and effective on the earliest of (i) the date of transmission, if such notice or communication is delivered via facsimile prior to 5:00 p.m. (New York City time) on a Trading Day, (ii) the next Trading Day after the date of transmission, if such notice or communication is delivered via facsimile on a day that is not a Trading Day or later than 5:00 p.m. (New York City time) on any Trading Day, (iii) the Trading Day following the date of mailing, if sent by nationally recognized overnight courier service specifying next Trading Day delivery, or (iv) upon actual receipt by the party to whom such notice is required to be given, if by hand delivery. The address and facsimile number of a party for such notices or communications shall be as set forth below unless changed by such party by two (2) Trading Days prior notice to the other party in accordance with this Section 10:

Any corporation into which the Company or any new warrant agent may be merged or any corporation resulting from any consolidation to which the Company or any new warrant agent shall be a party or any corporation to which the Company or any new warrant agent transfers substantially all of its corporate trust or shareholders services business shall be a successor warrant agent under this Warrant without any further act. The Holder hereby agrees that the representations and warranties set forth in Appendix A to Schedule 1, annexed hereto and made a part hereof, are true, accurate and complete as of the Issuance Date.

1. Registration of Warrants. The Company shall register this Warrant, upon records to be maintained by the Company for that purpose (the *Warrant Register*), in the name of the record Holder from time to time. The Company may deem and treat the registered Holder of this Warrant as the absolute owner hereof for the purpose of any exercise hereof or any distribution to the Holder, and for all other purposes, absent actual notice to the contrary.

2. Non-Transferability of Warrant. This Warrant may not be sold, pledged, assigned or transferred in any manner without the written consent of the Company.

3. Exercise and Duration of Warrants.

(a) Except as otherwise provided in this Warrant, this Warrant (to the extent not previously exercised) may be exercised, in whole or in part, by the registered Holder with respect

(c) GOVERNING LAW; VENUE; WAIVER OF JURY TRIAL. All questions concerning the construction, validity,

to the Warrant Shares in accordance with the following schedule: this Warrant shall vest and become exercisable as to one-sixth (1/6) of the Warrant Shares on each of the following dates: until fully vested and exercisable. Notwithstanding the foregoing, (i) any portion of this Warrant not vested and exercisable as of the date (the *Termination Date*) on which the Holder no longer is providing to the Company either (x) independent contractor services under the written agreement between the Holder and the Company in effect as of the Issuance Date (pursuant to which agreement this Warrant To Purchase Common Stock is issued) (the *Team Manager Agreement*), or (y) comparable independent contractor services under an agreement entered into with the Company to replace the Team Manager Agreement, shall become void and of no value as of the Termination Date; and (ii) any portion of this Warrant vested and exercisable but not exercised prior to the Expiration Date shall be and become void and of no value as of the Expiration Date, and on the Expiration Date this Warrant shall terminate and no longer be outstanding. To the extent not exercised, installments shall be cumulative and may be exercised in whole or in part.

(b) The Holder may exercise this Warrant by delivering to the Company (i) an exercise notice, in the form attached as Schedule 1 hereto (the *Exercise Notice*), appropriately completed and duly signed, and (ii) payment of the Exercise Price for the number of Warrant Shares as to which this Warrant is being exercised. The date such items are delivered to the Company (as determined in accordance with the notice provisions hereof) is an *Exercise Date*. The delivery by (or on behalf of) the Holder of the Exercise Notice and the applicable Exercise Price as provided above shall constitute the Holder's certification to the Company that the Holder's representations contained in Appendix A to Schedule 1 hereto are true and correct as of the Exercise Date as if remade in their entirety. Execution and delivery of the Exercise Notice shall have the same effect as cancellation of the original Warrant and issuance of a New Warrant evidencing the right to purchase the remaining number of Warrant Shares subject to and under the same terms and conditions as provided for in this instrument.

4. Delivery of Warrant Shares. Upon exercise of this Warrant, the Company shall promptly (but in no event later than three (3) Trading Days after the Exercise Date) issue or cause to be issued and cause to be delivered to the Holder, or upon the written order of the Holder, to such person(s) and in such name or names as the Holder may designate (provided that, if a registration statement covering the resale of the Warrant Shares and naming the Holder as a selling stockholder thereunder (the *Registration Statement*) is not then effective under the Securities Act and the Holder directs the Company to deliver a certificate for the Warrant Shares in a name other than that of the Holder or an Affiliate of the Holder, the Holder shall deliver to the Company on the Exercise Date an opinion of counsel reasonably satisfactory to the Company to the effect that the issuance of such Warrant Shares in such other name may be made pursuant to an available exemption from the registration requirements of the Securities Act and all applicable state securities or blue sky laws), a certificate for the Warrant Shares issuable upon such exercise, free of restrictive legends, unless (a) the Registration Statement is not then effective, or (b) if the Registration Statement is then effective, the Warrant Shares are not being delivered to a third party pursuant to a bona fide disposition by the Holder pursuant to the Registration Statement or (c) the Warrant Shares are not freely transferable without volume restrictions pursuant to Rule 144(k) under the Securities Act, in which case the certificate for the Warrant Shares issuable upon such exercise shall contain the following legend:

THE SECURITIES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED WITH THE SECURITIES AND EXCHANGE COMMISSION (THE COMMISSION) OR THE SECURITIES COMMISSION OF ANY STATE IN

RELIANCE UPON AN EXEMPTION FROM REGISTRATION UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE SECURITIES ACT), AND APPLICABLE STATE SECURITIES LAWS AND, ACCORDINGLY, MAY NOT BE OFFERED, PLEDGED, HYPOTHECATED, SOLD OR OTHERWISE TRANSFERRED UNLESS (I) PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT, OR (II) THE COMPANY RECEIVES AN OPINION OF COUNSEL REASONABLY ACCEPTABLE TO THE COMPANY STATING THAT SUCH OFFER OR SALE MAY BE MADE PURSUANT TO AN AVAILABLE EXEMPTION FROM, OR IN A TRANSACTION NOT SUBJECT TO, THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT AND IN ACCORDANCE WITH APPLICABLE STATE SECURITIES LAWS OR BLUE SKY LAWS.

The Holder, or any Person permissibly so designated by the Holder to receive Warrant Shares, shall be deemed to have become the holder of record of such Warrant Shares as of the Exercise Date.

5. Charges, Taxes and Expenses. Issuance and delivery of certificates for shares of Common Stock upon exercise of this Warrant shall be made without charge to the Holder for any issue or transfer tax, withholding tax, transfer agent fee or other incidental tax or expense in respect of the issuance of such certificates, all of which taxes and expenses shall be paid by the Company; *provided, however*, that the Company shall not be required to pay any tax which may be payable in respect of any transfer involved in the registration of any certificates for Warrant Shares or Warrants in a name other than that of the Holder or an Affiliate of the Holder. The Holder shall be responsible for all other tax liability that may arise as a result of the issuance, exercise, vesting, holding or transferring this Warrant or receiving Warrant Shares upon exercise hereof.

6. Replacement of Warrant. If this Warrant is mutilated, lost, stolen or destroyed, the Company shall issue or cause to be issued in exchange and substitution for and upon cancellation hereof, or in lieu of and substitution for this Warrant, a New Warrant, but only upon receipt of evidence reasonably satisfactory to the Company of such loss, theft or destruction (in such case) and, in each case, a customary and reasonable indemnity (which may include a surety bond), if requested. Applicants for a New Warrant under such circumstances shall also comply with such other reasonable regulations and procedures and pay such other reasonable third-party costs as the Company may prescribe. If a New Warrant is requested as a result of a mutilation of this Warrant, then the Holder shall deliver such mutilated Warrant to the Company as a condition precedent to the Company's obligation to issue the New Warrant.

7. Reservation of Warrant Shares. The Company covenants that it will initially reserve and keep available out of the aggregate of its authorized but unissued and otherwise unreserved Common Stock, solely for the purpose of enabling it to issue Warrant Shares upon exercise of this Warrant as herein provided, the number of Warrant Shares which are initially issuable and deliverable upon the exercise of this entire Warrant, free from preemptive rights or any other contingent purchase rights of Persons other than the Holder. The Company further covenants that it will at all times reserve and keep available out of the aggregate of its authorized but unissued and otherwise unreserved Common Stock, solely for the purpose of enabling it to issue Warrant

Shares upon exercise of this Warrant as herein provided, the number of Warrant Shares which are then issuable and deliverable upon the exercise of this entire Warrant, free from preemptive rights or any other contingent purchase rights of persons other than the Holder (taking into account the adjustments and restrictions of Section 8). The Company covenants that all Warrant Shares so issuable and deliverable shall, upon issuance and the payment of the applicable Exercise Price in accordance with the terms hereof, be duly and validly authorized, issued and fully paid and nonassessable. The Company will take all such action as may be reasonably necessary to assure that such shares of Common Stock may be issued as provided herein without violation of any applicable law or regulation, or of any requirements of any securities exchange or automated quotation system upon which the Common Shares may be listed.

8. Certain Adjustments. The Exercise Price and number of Warrant Shares issuable upon exercise of this Warrant are subject to adjustment from time to time as set forth in this Section 8.

(a) Stock Dividends and Splits. If the Company, at any time while this Warrant is outstanding, (i) pays a stock dividend on its Common Stock in shares of Common Stock or otherwise makes a distribution on any class of capital stock that is payable in shares of Common Stock, (ii) subdivides its outstanding shares of Common Stock into a larger number of shares, or (iii) combines its outstanding shares of Common Stock into a smaller number of shares, then in each such case the Exercise Price shall be multiplied by a fraction, the numerator of which shall be the number of shares of Common Stock outstanding immediately before such event and the denominator of which shall be the number of shares of Common Stock outstanding immediately after such event. Any adjustment made pursuant to clause (i) of this paragraph shall become effective immediately after the record date for the determination of stockholders entitled to receive such dividend or distribution, and any adjustment pursuant to clause (ii) or (iii) of this paragraph shall become effective immediately after the effective date of such subdivision or combination.

(b) Fundamental Transactions. If, at any time while this Warrant is outstanding (i) the Company effects any merger or consolidation of the Company with or into another Person, in which the Company is not the survivor, (ii) the Company effects any sale of all or substantially all of its assets or a majority of its Common Stock is acquired by a third party, in each case, in one or a series of related transactions, (iii) any tender offer or exchange offer (whether by the Company or another Person) is completed pursuant to which all or substantially all of the holders of Common Stock are permitted to tender or exchange their shares for other securities, cash or property, or (iv) the Company effects any reclassification of the Common Stock or any compulsory share exchange pursuant to which the Common Stock is effectively converted into or exchanged for other securities, cash or property (other than as a result of a subdivision or combination of shares of Common Stock covered by Section 8(a) above) (in any such case, a *Fundamental Transaction*), then the Holder shall, subject to the vesting requirements of this Warrant, have the right thereafter to receive, upon exercise of this Warrant, the same amount and kind of securities, cash or property as the Holder would have been entitled to receive upon the occurrence of such Fundamental Transaction if the Holder had been, immediately prior to such Fundamental Transaction, the holder of the number of Warrant Shares then issuable upon exercise in full of this Warrant without regard to any limitations on exercise contained herein; provided, however, that notwithstanding the foregoing, nothing in this Section 8(b) shall be deemed to accelerate the vesting of this Warrant, and this Warrant may only be exercised to the extent that it has vested. The provisions of this paragraph (b) shall similarly apply to subsequent transactions analogous to a Fundamental Transaction.

(b) Fundamental Transactions. If, at any time while this Warrant is outstanding (i) the Company effects any m

(b) Fundamental Transactions. If, at any time while this Warrant is outstanding (i) the Company effects any m

(c) **Number of Warrant Shares.** Simultaneously with any adjustment to the Exercise Price pursuant to this **Section 8**, the number of Warrant Shares that may be purchased upon exercise of this Warrant shall be increased or decreased proportionately, so that after such adjustment the aggregate Exercise Price payable hereunder for the increased or decreased number of Warrant Shares shall be the same as the aggregate Exercise Price in effect immediately prior to such adjustment.

The number of shares of Common Stock outstanding at any given time shall not include shares owned or held by or for the account of the Company, and the sale or issuance of any such shares shall be considered an issue or sale of Common Stock.

(e) Notice of Adjustments. Upon the occurrence of each adjustment pursuant to this Section 8, the Company at its expense will, at the written request of the Holder, promptly compute such adjustment, in good faith, in accordance with the terms of this Warrant and prepare a certificate setting forth such adjustment, including a statement of the adjusted Exercise Price and adjusted number or type of Warrant Shares or other securities issuable upon exercise of this Warrant (as applicable), describing the transactions giving rise to such adjustments and showing in detail the facts upon which such adjustment is based. Upon written request, the Company will promptly deliver a copy of each such certificate to the Holder and to the Company's transfer agent.

9. Payment of Exercise Price. The Holder shall pay the Exercise Price in immediately available funds.

10. No Fractional Shares. No fractional Warrant Shares will be issued in connection with any exercise of this Warrant. In lieu of any fractional shares which would otherwise be issuable, subject to Section 9, the number of shares of Warrant Shares to be issued shall be rounded up to the nearest whole number.
