This Tender Offer Statement on Schedule TO is filed by Transocean Inc., a Cayman Islands exempted company (the *Company*), and Transocean Ltd., a Swiss corporation (the *Guarantor*), and relates to the Company's offer to repurchase the 1.50% Series B Convertible Senior Notes due 2037 that were issued by the Company (the *Notes*), upon the terms and conditions set forth in the Indenture (as defined below), the Company Notice dated November 16, 2011 (the *Company Notice*), and the related offer materials filed as Exhibit (a)(1)(B) to this Schedule TO (which Company Notice and related offer materials, as amended or supplemented from time to time, collectively constitute the *Offer Materials*).

The Notes were issued pursuant to the Indenture dated as of December 11, 2007 between the Company and Wells Fargo Bank, National Association, as trustee (the *Trustee*), as supplemented by the Second Supplemental Indenture thereto dated as of December 11, 2007 between the Company and the Trustee and the Third Supplemental Indenture thereto dated as of December 18, 2008 among the Company, the Guarantor and the Trustee (as so supplemented, the *Indenture*). The Notes are convertible in certain circumstances into cash and a number of shares of the Guarantor determined as specified in the Indenture and the terms of the Notes. However, the Notes are not currently convertible because these conditions have not been satisfied. The current conversion rate of the Notes is 6.0944, equivalent to a conversion price per share of approximately \$164.08. This conversion rate is subject to adjustment upon the occurrence of certain corporate events but not for accrued interest. In addition, if certain fundamental changes occur on or before December 20, 2011, the Company will in some cases increase the conversion rate for a holder electing to convert Notes in connection with such fundamental change.

The right of holders to surrender their Notes for repurchase by the Company (which we refer to as the *Offer*) will expire at 5:00 p.m., New York City time, on December 15, 2011. This Schedule TO is intended to satisfy the disclosure requirements of Rule 13e-4(c)(2) under the Securities Exchange Act of 1934, as amended.

ITEM 1 through 9.

The Company is the issuer of the Notes, and the Company is offering to purchase for cash all of the Notes if tendered by the holders under the terms and subject to the conditions set forth in the Indenture, the Notes and the Offer Materials. The Notes are convertible into shares of the Guarantor. Transocean maintains its principal executive offices at 4 Greenway Plaza, Houston, Texas 77046. Transocean's telephone number at that address is (713) 232-7500. As permitted by General Instruction F to Schedule TO, all of the information set forth in the Offer Materials is incorporated by reference into this Schedule TO.

ITEM 10. *Financial Statements.*

The Company believes that its financial condition is not material to a holder's decision with respect to the Offer because the consideration being paid to holders surrendering Notes consists solely of cash, the Offer is not subject to any financing conditions, the Offer applies to all outstanding Notes and the Guarantor is a public reporting company that files reports with the SEC electronically on EDGAR. The financial condition and results of operations of the Guarantor and its subsidiaries, including the Company, are reported electronically on EDGAR on a consolidated basis.

The Company is a 100 percent owned subsidiary of the Guarantor. The Guarantor has no independent assets or operations, its guarantee of debt securities of the Company is full and unconditional and its only other subsidiary, not owned indirectly through the Company, is minor. The Company's only operating assets are its investments in its operating subsidiaries. The Company's independent assets and operations, other than those related to investments in its subsidiaries and balances primarily pertaining to its cash and cash equivalents and debt, are less than three percent of the total consolidated assets and operations of the Guarantor and, thus, substantially all of the assets and operations exist within these non-guarantor operating companies. Furthermore, the Guarantor and the Company are not subject to any significant restrictions on their ability

Edgar Filing: TRANSOCEAN INC - Form SC TO-I

to obtain funds from their consolidated subsidiaries or entities accounted for under the equity method by dividends, loans or return of capital distributions.
