## Part II

### Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations

Item 7 of the Original Filing is hereby amended by deleting the first paragraph thereof and inserting the following paragraph in its place.

*Certain statements in this Management's Discussion and Analysis of Financial Condition and Results of Operations and elsewhere in this Annual Report on Form 10-K (including documents incorporated herein by reference) constitute forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, Section 21E of the Securities Exchange Act of 1934 as amended and the Federal Private Securities Litigation Reform Act of 1995. Forward-looking statements are statements that do not reflect historical facts and instead reflect our management's intentions, beliefs, expectations, plans or predictions of the future. Forward-looking statements can often be identified by words such as believe, expect, anticipate, intend, estimate, may, will, should and could. Examples of forward-looking statements include, but are not limited to, statements that describe or contain information related to matters such as management's intent, belief or expectation with respect to our financial performance, investment strategy or our portfolio, our ability to address debt maturities, our cash flows, our growth prospects, the value of our assets, our joint venture commitments and the amount and timing of anticipated future cash distributions. Forward-looking statements reflect the intent, belief or expectations of our management based on their knowledge and understanding of the business and industry and their assumptions, beliefs and expectations with respect to the market for commercial real estate, the U.S. economy and other future conditions. These statements are not guarantees of future performance, and investors should not place undue reliance on forward-looking statements. Actual results may differ materially from those expressed or forecasted in forward-looking statements due to a variety of risks, uncertainties and other factors, including but not limited to the factors listed and described under Item 1A Risk Factors in this Annual Report on Form 10-K for the year ended December 31, 2011, as filed with the Securities and Exchange Commission (the SEC) on February 27, 2012 as they may be revised or supplemented by us in subsequent Reports on Form 10-Q and other filings with the SEC. Among such risks, uncertainties and other factors are market and economic challenges experienced by the U.S. economy or real estate industry as a whole, including dislocations and liquidity disruptions in the credit markets; the inability of tenants to continue paying their rent obligations due to bankruptcy, insolvency or a general downturn in their business; competition for real estate assets and*

*tenants; impairment charges; the availability of cash flow from operating activities for distributions and capital expenditures; our ability to refinance maturing debt or to obtain new financing on attractive terms; future increases in interest rates; actions or failures by our joint venture partners, including development partners; and factors that could affect our ability to qualify as a real estate investment trust. We undertake no obligation to update or revise forward-looking statements to reflect changed assumptions, the occurrence of unanticipated events or changes to future operating results.*

## **Item 8. Financial Statements and Supplementary Data**

Item 8 of the Original Filing is hereby amended by deleting the Report of Independent Registered Public Accounting Firm on Consolidated Financial Statements and the Report of Independent Registered Public Accounting Firm on Internal Controls Over Financial Reporting and inserting the following reports in their place.

### **Report of Independent Registered Public Accounting Firm**

The Board of Directors and Stockholders

Inland Real Estate Corporation:

We have audited the accompanying consolidated balance sheets of Inland Real Estate Corporation (the Company) as of December 31, 2011 and 2010, and the related consolidated statements of operations and other comprehensive income, equity, and cash flows for each of the years in the three-year period ended December 31, 2011. In connection with our audits of the consolidated financial statements, we also have audited the financial statement schedule as listed in the accompanying index. These consolidated financial statements and financial statement schedule are the responsibility of the Company's management. Our responsibility is to express an opinion on these consolidated financial statements and financial statement schedule based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Inland Real Estate Corporation as of December 31, 2011 and 2010, and the results of their operations and their cash flows for each of the years in the three-year period ended December 31, 2011, in conformity with U.S. generally accepted accounting principles. Also in our opinion, the related financial statement schedule, when considered in relation to the basic consolidated financial statements taken as a whole, present fairly, in all material respects, the information set forth therein.

We also have audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States), the Company's internal control over financial reporting as of December 31, 2011, based on criteria established in *Internal Control - Integrated Framework* issued

Edgar Filing: INLAND REAL ESTATE CORP - Form 10-K/A

by the Committee of Sponsoring Organizations of the Treadway Commission (COSO), and our report dated February 27, 2012 expressed an unqualified opinion on the effectiveness of the Company's internal control over financial reporting.
