Item 8.01 Other Events

Inland Real Estate Corporation (the Company) is filing this Current Report on Form 8-K (the Current Report) to retrospectively revise the financial statements and certain other information previously filed as part of the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2011 filed with the Securities and Exchange Commission on February 27, 2012 and thereafter amended (the 2011 Annual Report). In conjunction with the re-issuance of the Company's financial statements, certain information from the 2011 Annual Report has been revised to reflect the impact of the disposition of two properties and the classification of one property as held for sale during the six months ended June 30, 2012.

During the six months ended June 30, 2012, the Company sold: (i) Grand Traverse Crossing, a 21,337 square foot single tenant property in Traverse City, Michigan, for approximately \$1.2 million; and (ii) Riverplace Center, a 74,414 square foot neighborhood shopping center, in Noblesville, Indiana, for approximately \$4.5 million. Additionally, as of June 30, 2012, the Company has classified a vacant 67,541 square foot, single tenant property located in Indianapolis, Indiana, as held for sale. The operations of these properties have been reclassified as discontinued operations for all periods presented in the revised financial statements.

The consolidated financial statements and notes to the consolidated financial statements included in the 2011 Annual Report have been recast to reflect updated discontinued operations presentation and disclosures. Items from the aforementioned Annual Report on Form 10-K that contain revised information include:

- Selected Financial Data
- Management's Discussion and Analysis of Financial Condition and Results of Operations
- Consolidated financial statements of Inland Real Estate Corporation as of December 31, 2011, and for each of the years in the three year period ended December 31, 2011 and the notes thereto

These disclosures, as revised, are attached to this Current Report as Exhibits 99.1 through 99.3 and are incorporated herein by reference. Except as expressly noted above, the information contained in this Current Report, including information in the exhibits attached hereto, has not been updated to reflect developments since December 31, 2011.
