**Item 3. Source and Amount of Funds or Other Consideration.**

On November 21, 2001, pursuant to an Agreement and Plan of Split-Off and Merger dated as of May 23, 2001 (the "Split-Off and Merger Agreement"), Johnson & Johnson acquired Inverness Medical Technology, Inc. ("IMT") in a merger transaction and, simultaneously, the Issuer (formerly known as Inverness Medical Innovations, Inc.), formerly a majority-owned subsidiary of IMT, was split off from IMT as a separate, publicly-traded company (the "Split-Off and Merger"). At the effective time of the Split-Off and Merger, the outstanding shares of IMT common stock were converted into rights to receive shares of Johnson & Johnson's common stock and shares of the Issuer's common stock, and the outstanding options and warrants to purchase shares of IMT common stock were converted into options and warrants to purchase shares of Johnson & Johnson common stock and options and warrants to purchase shares of the Issuer's common stock. As a result of the conversions described above in connection with the Split-Off and Merger the Former Officers each received shares of the Issuer's common stock and options to purchase shares of the Issuer's common stock which they subsequently exercised. In addition, each of Mrs. Zwanziger and Family Ventures received shares of the Issuer's common stock in connection with the Split-Off and Merger.

Mr. Zwanziger acquired additional shares of the Issuer's common stock, directly and indirectly, through various private placement agreements with the Issuer and in the open market.

Family Ventures acquired shares of the Issuer's common stock through private placement agreements including through the exercise of warrants. Family Ventures also purchased shares of the Issuer's common stock through a registered public offering.

The shares of the Issuer's common stock held by the Trusts were donated for estate planning purposes to the Trusts by Mr. Zwanziger.

Dr. McAleer acquired additional shares of the Issuer's common stock through open market purchases.

The Former Officers received stock options to purchase shares of the Issuer's common stock through their employment with the Issuer and at various times exercised such options pursuant to their terms.

During the past year, Mr. Zwanziger acquired 7,576 shares of the Issuer's common stock at a purchase price of \$21.78 per share through the exercise of stock options. Mr. Zwanziger currently holds exercisable options to purchase 822,500 shares of the Issuer's common stock (the "Zwanziger Options"). The Zwanziger Options may be exercised at the following per share prices: (i) 300,000 shares are exercisable at \$39.72; (ii) 400,000 shares are exercisable at \$61.49; and (iii) 122,500 shares are exercisable at \$50. The Zwanziger Options expire on September 30, 2014.

## Edgar Filing: ALERE INC. - Form SC 13D

During the past year, Dr. Scott acquired 5,252 shares of the Issuer's common stock at a purchase price of \$21.78 per share through the exercise of stock options. Dr. Scott currently holds exercisable options to purchase 358,750 shares of the Issuer's common stock (the Scott Options). The Scott Options may be exercised at the following per share prices: (i) 150,000 shares are exercisable at \$39.72; (ii) 165,000 shares are exercisable at \$61.49; and (iii) 43,750 shares are exercisable at \$50. The Scott Options expire on September 30, 2014.

During the past year, Dr. Scott acquired 4,656 shares of the Issuer's common stock at a purchase price of \$21.78 per share through the exercise of stock options. Dr. McAleer currently holds exercisable options to purchase 302,500 shares of the Issuer's common stock (the McAleer Options). The McAleer Options may be exercised at the following per share prices: (i) 125,000 shares are exercisable at \$39.72; (ii) 145,000 shares are exercisable at \$61.49; and (iii) 37,500 shares are exercisable at \$50. The McAleer Options expire on September 30, 2014.

The funds to consummate the transaction described in Item 4 below (the Proposed Transaction) would be sourced from personal funds of the Former Officers and also from private equity, strategic or other equity financing sources and from debt financing sources or purchasers of debt securities of the Issuer. Based on contacts to date with equity and debt financing sources, the Former Officers believe that, subject to customary due diligence and other customary transactional conditions, funding sufficient to consummate the Proposed Transaction will be available in the aggregate, including approximately \$4,000,000,000 for the purchase of shares of the Issuer's common stock not owned by the Reporting Persons and the settling of outstanding options to purchase shares of the Issuer's common stock, approximately \$600,000,000 for the repurchase of the Issuer's outstanding preferred stock, and approximately \$4,000,000,000 for the refinancing of the Issuer's currently outstanding indebtedness, and for the payment of transaction costs and expenses customary for a transaction of such kind and amount. Prior to the completion of customary due diligence, no specific commitments from financings sources to provide such equity or debt financing have been requested or received by the Former Officers.

**Item 4. Purpose of Transaction.**

Over the past two months, Ron Zwanziger has contacted multiple parties to ascertain their interest in supporting an acquisition of the Issuer. He has discussed the responses received from these parties with David Scott and Jerome F. McAleer, and they have concluded that indeed such a transaction can be financed, subject to customary due diligence. The responses from financing sources have led the Former Officers to conclude that such a transaction is financeable at a price of \$46 per share or perhaps higher, depending on the results of due diligence.

The Former Officers have agreed to form a group as defined in Section 13(d)(3) of the Securities Exchange Act of 1934, as amended (the Exchange Act), to pursue such a transaction. They anticipate that, if such a transaction were to be consummated, they or an entity or entities affiliated with them might ultimately obtain an ownership interest in all or a part or parts of the Issuer's assets and businesses. However, there is no agreement, arrangement or understanding regarding any such an ultimate outcome. There is no formal agreement among the Reporting Persons regarding their acting as a group, other than their agreement to jointly file this Schedule and any amendments to it as further detailed on Exhibit 1 of this Schedule. They have no specific agreement, arrangement or understanding regarding their acquiring, holding, voting or disposing of any shares of common stock in the Issuer.

Mr. Zwanziger intends to promptly propose a consensual all-cash transaction at the buyout price of \$46 per share to the Issuer and request a month-long due diligence period in which the Issuer would fully cooperate. The Former Officers believe that the Issuer's common stock is undervalued in the market and that the Proposed Transaction will create and deliver a substantial increase in shareholder value.

If the Proposed Transaction were to be consummated, it would result in a change in control of the Issuer and the de-listing from the New York Stock Exchange and de-registration under the Exchange Act of the Issuer's common stock, and also, they anticipate, a change in all of the members of the Board of Directors and some, if not all, members of senior executive management of the Issuer.

The Former Officers reserve their rights to discuss their Proposed Transaction with the Chairman of the Board of the Issuer, other members of the Board of Directors of the Issuer and the Issuer's shareholders.

The Reporting Persons may acquire additional shares of the Issuer's common stock and may dispose of shares of the Issuer's common stock which they hold but they have no current intentions to do either or both, other than through the Proposed Transaction, if it were to be consummated or through the exercise of stock options, if they elect to do so.
