The Container Store Group, Inc.

Notes to consolidated financial statements (unaudited)

(In thousands, except share amounts and unless

otherwise stated)

December 31, 2016

1. Description of business and basis of presentation

These financial statements should be read in conjunction with the financial statement disclosures in our Annual Report on Form 10-K for the fiscal year ended February 27, 2016, filed with the Securities and Exchange Commission on May 10, 2016. The accompanying consolidated financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP). We use the same accounting policies in preparing quarterly and annual financial statements. All adjustments necessary for a fair presentation of quarterly operating results are reflected herein and are of a normal, recurring nature.

Description of business

The Container Store, Inc. was founded in 1978 in Dallas, Texas, as a retailer with a mission to provide customers with storage and organization solutions through an assortment of innovative products and unparalleled customer service. In 2007, The Container Store, Inc. was sold to The Container Store Group, Inc. (the Company), a holding company, of which a majority stake was purchased by Leonard Green and Partners, L.P. (LGP), with the remainder held by certain employees of The Container Store, Inc. On November 6, 2013, the Company completed its initial public offering (the IPO). As the majority shareholder, LGP retains controlling interest in the Company. As of December 31, 2016, The Container Store, Inc. operates 86 stores with an average size of approximately 25,000 square feet (19,000 selling square feet) in 31 states and the District of Columbia. The Container Store, Inc. also offers all of its products directly to its customers through its website and call center. The Container Store, Inc.'s wholly-owned Swedish subsidiary, Elfa International AB (Elfa) designs and manufactures component-based shelving and drawer systems and made-to-measure sliding doors. elfa® branded products are sold exclusively in the United States in The Container Store retail stores, website and call center, and Elfa sells to various retailers on a wholesale basis in approximately 30 countries around the world, with a concentration in the Nordic region of Europe.

Change in Fiscal Year

On March 30, 2016, the Company elected to change its fiscal year end from the Saturday closest to February 28 to the Saturday closest to March 31 of each year. The fiscal year change was effective beginning with the Company's current 2016 fiscal year, which began on April 3, 2016 and will end on April 1, 2017 (the "New Fiscal Year"). Recast historical unaudited quarterly financial information for the thirteen and thirty-nine weeks ended January 2, 2016 is included in the consolidated financial statements and the accompanying notes.

Seasonality

The Company's business is moderately seasonal in nature and, therefore, the results of operations for the thirty-nine weeks ended December 31, 2016 are not necessarily indicative of the operating results for the full year. The Company has historically realized a higher portion of net sales, operating income, and cash flows from operations in the fourth fiscal quarter, attributable primarily to the timing and impact of Our Annual elfa® Sale, which traditionally starts on December 24 and ends in February. Due to historically strong sales at the beginning of Our Annual elfa® Sale, as well as the fact that the third quarter of the New Fiscal Year includes the month of December, which has historically been a strong sales month due to our holiday campaign, the seasonal impact of the fiscal fourth quarter is expected to be less significant.

Table of Contents

Recent accounting pronouncements

In February 2016, the FASB issued ASU 2016-02, *Leases (Topic 842)*, to revise lease accounting guidance. The update requires most leases to be recorded on the balance sheet as a lease liability, with a corresponding right-of-use asset, whereas these leases currently have an off-balance sheet classification. ASU 2016-02 must be applied on a modified retrospective basis and is effective for fiscal years beginning after December 15, 2018, and interim periods within those years, with early adoption permitted. The Company currently intends to adopt this standard in the first quarter of fiscal 2019. The Company is still evaluating the impact of implementation of this standard on its financial statements, but expects that adoption will have a material impact to the Company's total assets and liabilities given the Company has a significant number of operating leases not currently recognized on its balance sheet.

In May 2014, the FASB issued ASU 2014-09, *Revenue from Contracts with Customers*, an updated standard on revenue recognition. ASU 2014-09 provides enhancements to the quality and consistency of how revenue is reported while also improving comparability in the financial statements of companies reporting using IFRS and GAAP. The core principle of the new standard is for companies to recognize revenue to depict the transfer of goods or services to customers in amounts that reflect the consideration (that is, payment) to which the Company expects to be entitled in exchange for those goods or services. The new standard also will result in enhanced disclosures about revenue, provide guidance for transactions that were not previously addressed comprehensively (for example, service revenue and contract modifications) and improve guidance for multiple-element arrangements. In July 2015, the FASB deferred the effective date of ASU 2014-09. Accordingly, this standard is effective for reporting periods beginning after December 15, 2017, including interim periods within that fiscal year, with early adoption permitted for interim and annual periods beginning after December 15, 2016. The Company currently intends to adopt this standard in the first quarter of fiscal 2018. This guidance can be applied either retrospectively to each period presented or as a cumulative-effect adjustment as of the date of adoption. The Company is still evaluating the impact of implementation of this standard on its financial statements and has not yet selected a transition method.

In March 2016, the FASB issued ASU 2016-09, *Compensation – Stock Compensation (Topic 718): Improvements to Employee Share-Based Payment Accounting*, which outlines new provisions intended to simplify various aspects related to accounting for share-based payments, including the income tax consequences and classification on the statement of cash flows. This ASU is effective for fiscal years beginning after December 15, 2016, and interim periods within those years, with early adoption permitted. The Company is evaluating the impact of implementation of this standard on its financial statements and currently intends to adopt this standard in the first quarter of fiscal 2017.

In May 2015, the FASB issued ASU 2015-07, *Fair Value Measurement (Topic 820): Disclosures for Investments in Certain Entities That Calculate Net Asset Value per Share (or its Equivalent)*, which is intended to eliminate the diversity in practice surrounding how investments measured at net asset value (NAV) with redemption dates in the future are categorized in the fair value hierarchy. Under the new guidance, investments measured at fair value using the NAV per share practical expedient should no longer be categorized in the fair value hierarchy. ASU 2015-07 was effective for and adopted by the Company in the first quarter of fiscal 2016 on a retrospective basis. As a result, the nonqualified retirement plan, which is measured at NAV per share using the practical expedient, is no longer categorized in the fair value hierarchy.

In April 2015, the FASB issued ASU 2015-03, *Interest – Imputation of Interest: Simplifying the Presentation of Debt Issuance Costs*. The update requires debt issuance costs related to a recognized debt liability be presented in the balance sheet as a direct deduction from the carrying amount of the related debt liability rather than being presented as an asset. Debt disclosures will include the face amount of the debt liability and the effective interest rate. The update requires retrospective application and represents a change in accounting principle. In addition, in August 2015, ASU 2015-15, *Interest – Imputation of Interest*, was released, which added SEC paragraphs pursuant to the SEC

Table of Contents

Staff Announcement at the June 18, 2015 Emerging Issues Task Force (EITF) meeting about the presentation and subsequent measurement of debt issuance costs associated with line-of-credit arrangements. Given the absence of authoritative guidance within ASU 2015-03 for debt issuance costs related to line-of-credit arrangements, ASU 2015-15 states the SEC staff would not object to an entity deferring and presenting debt issuance costs as an asset and subsequently amortizing the deferred debt issuance costs ratably over the term of the line-of-credit arrangement, regardless of whether there are any outstanding borrowings on the line-of-credit arrangement. The amendments in ASU 2015-03 and ASU 2015-15 were effective for and adopted by the Company in the first quarter of fiscal 2016 on a retrospective basis. The impact of ASU 2015-03 and ASU 2015-15 on our consolidated financial statements included a reclassification of net deferred financing costs related to our Senior Secured Term Loan Facility to be presented in the balance sheet as a reduction of long-term debt, net of deferred financing costs, while net deferred financing costs related to our Revolving Credit Facility remain an asset in the deferred financing costs line item. The Company had \$4,124, \$5,649, \$5,954 of net deferred financing costs as of December 31, 2016, February 27, 2016, and January 2, 2016, respectively, related to our Senior Secured Term Loan Facility.

2. Goodwill and indefinite-lived intangible assets

During the quarter ended October 1, 2016, the Company voluntarily changed the date of its annual goodwill and indefinite-lived intangible assets impairment testing from the last day of fiscal December (which is also the last day of the third fiscal quarter) to the first day of the fourth fiscal quarter. This voluntary change is preferable under the circumstances as it provides the Company with sufficient time to complete its annual goodwill and indefinite-lived intangible asset impairment testing in advance of its year-end reporting and results in better alignment with the Company's annual planning and forecasting process. In connection with the change in the date of the annual goodwill and indefinite-lived intangible impairment tests, the Company performed goodwill and indefinite-lived intangible impairment tests as of the last day of the 2016 fiscal third quarter, and no impairment was identified. The Company will also perform goodwill and indefinite-lived intangible impairment tests as of the first day of the 2016 fiscal fourth quarter. The voluntary change in accounting principle related to the annual testing date will not delay, accelerate or avoid an impairment charge. The Company has determined that it is impracticable to objectively determine projected cash flows and related valuation estimates that would have been used as of the first day of the fiscal fourth quarter for periods prior to fiscal 2016 without the use of hindsight. As such, the Company will prospectively apply the change in the annual goodwill and indefinite-lived intangible assets impairment assessment as of the first day of the fourth fiscal quarter of 2016.

3. Detail of certain balance sheet accounts

	December 31, 2016	February 27, 2016	January 2, 2016
Inventory:			
Finished goods	\$104,374	\$81,496	\$97,066

Other accrued liabilities	7,683	6,245	7,803
	\$64,552	\$69,635	\$62,220

Table of Contents

4. Net income per common share

Basic net income per common share is computed as net income divided by the weighted-average number of common shares for the period. Diluted net income per share is computed as net income divided by the weighted-average number of common shares for the period plus common stock equivalents consisting of shares subject to stock-based awards with exercise prices less than or equal to the average market price of the Company's common stock for the period, to the extent their inclusion would be dilutive. Potentially dilutive securities are excluded from the computation of diluted net income per share if their effect is anti-dilutive.

The following is a reconciliation of net income and the number of shares used in the basic and diluted net income per share calculations:

	December 31, 2016	Thirteen Weeks Ended January 2, 2016	December 31, 2016	Thirty-Nine Weeks Ended January 2, 2016
Numerator:				
Weighted-average common shares basic	47,999,535	47,986,975	47,992,652	47,985,720
Stock options outstanding	3,001,940	2,901,645	2,954,043	2,875,441

5. Pension plans

The Company provides pension benefits to the employees of Elfa under collectively bargained pension plans in Sweden, which are recorded in other long-term liabilities. The defined benefit plan provides benefits for participating employees based on years of service and final salary levels at retirement. The defined benefit plans are unfunded and approximately 3% of Elfa employees are participants in the defined benefit pension plan. Certain employees also participate in defined contribution plans for which Company contributions are determined as a percentage of participant compensation. The Company contributed \$770 and \$352 for defined contribution plans in the thirteen weeks ended December 31, 2016 and January 2, 2016, respectively. The Company contributed \$1,925 and \$1,512 for defined contribution plans in the thirty-nine weeks ended December 31, 2016 and January 2, 2016, respectively.

6. Income taxes

The Company's effective income tax rate for the thirteen weeks ended December 31, 2016 was 39.7% compared to 34.0% for the thirteen weeks ended January 2, 2016. During the thirteen weeks ended December 31, 2016, the effective tax rate rose above the statutory rate due to earnings mix between domestic and foreign jurisdictions, combined with expensing certain deferred tax assets due to the expiration of

Edgar Filing: Container Store Group, Inc. - Form 10-Q

certain stock based compensation awards. During the thirteen weeks ended January 2, 2016, the effective tax rate fell below the statutory rate due to earnings mix between domestic and foreign jurisdictions.

The Company's effective income tax rate for the thirty-nine weeks ended December 31, 2016 was 42.5% compared to 40.2% for the thirty-nine weeks ended January 2, 2016. During the thirty-nine weeks ended December 31, 2016, the effective tax rate rose above the statutory rate due to expensing certain deferred tax assets due to the expiration of certain stock based compensation awards, combined with earnings mix between domestic and foreign jurisdictions. During the thirty-nine weeks ended January 2, 2016, the effective tax rose above the statutory rate due to earnings mix between domestic and foreign jurisdictions.

Table of Contents

7. Commitments and contingencies

In connection with insurance policies and other contracts, the Company has outstanding standby letters of credit totaling \$3,763 as of December 31, 2016.

The Company is subject to ordinary litigation and routine reviews by regulatory bodies that are incidental to its business, none of which is expected to have a material adverse effect on the Company's financial condition, results of operations, or cash flows on an individual basis or in the aggregate.

8. Accumulated other comprehensive income

Accumulated other comprehensive income (AOCI) consists of changes in our foreign currency forward contracts, pension liability adjustment, and foreign currency translation. The components of AOCI, net of tax, are shown below for the thirty-nine weeks ended December 31, 2016:

	Foreign currency forward contracts	Pension liability adjustment	Foreign currency translation	Total
Balance at April 2, 2016	\$(63)	\$(1,058)	\$(14,715)	\$(15,836)
Other comprehensive (loss) income before reclassifications, net of tax	(674)	146	(7,721)	(8,249)
Amounts reclassified to earnings, net of tax	38	-	-	38
Net current period other comprehensive (loss) income	(636)	146	(7,721)	(8,211)
Balance at December 31, 2016	\$(699)	\$(912)	\$(22,436)	\$(24,047)

Amounts reclassified from AOCI to earnings for the foreign currency forward contracts category are generally included in cost of sales in the Company's consolidated statements of operations. For a description of the Company's use of foreign currency forward contracts, refer to Note 9.

9. Foreign currency forward contracts

The Company's international operations and purchases of inventory products from foreign suppliers are subject to certain opportunities and risks, including foreign currency fluctuations. In the TCS segment, we utilize foreign currency forward contracts in Swedish krona to stabilize our retail gross margins and to protect our domestic operations from downward currency exposure by hedging purchases of inventory from our wholly-owned subsidiary, Elfa. Forward contracts in the TCS segment are designated as cash flow hedges, as defined by ASC 815. In the Elfa segment, we utilize foreign currency forward contracts to hedge purchases, primarily of raw materials, that are transacted in currencies other than Swedish krona, which is the functional currency of Elfa. Forward contracts in the Elfa segment are economic hedges and are not designated

as cash flow hedges as defined by ASC 815.

During the thirty-nine weeks ended December 31, 2016 and January 2, 2016, the TCS segment used forward contracts for 75% and 62% of inventory purchases in Swedish krona, respectively. During the thirty-nine weeks ended December 31, 2016 and January 2, 2016, the Elfa segment used forward contracts to purchase U.S. dollars in the amount of \$3,195 and \$4,085, which represented 61% and 66% of the Elfa segment's U.S. dollar purchases, respectively. Generally, the Company's foreign currency forward contracts have terms from 1 to 12 months and require the Company to exchange currencies at agreed-upon rates at settlement.

Table of Contents

The counterparties to the contracts consist of a limited number of major domestic and international financial institutions. The Company does not hold or enter into financial instruments for trading or speculative purposes. The Company records its foreign currency forward contracts on a gross basis and generally does not require collateral from these counterparties because it does not expect any losses from credit exposure.

The Company records all foreign currency forward contracts on its consolidated balance sheet at fair value. The Company accounts for its foreign currency hedging instruments in the TCS segment as cash flow hedges, as defined. Changes in the fair value of the foreign currency hedging instruments that are considered to be effective, as defined, are recorded in other comprehensive income (loss) until the hedged item (inventory) is sold to the customer, at which time the deferred gain or loss is recognized through cost of sales. Any portion of a change in the foreign currency hedge instrument's fair value that is considered to be ineffective, as defined, or that the Company has elected to exclude from its measurement of effectiveness, is immediately recorded in earnings as cost of sales. The Company assessed the effectiveness of the foreign currency hedge instruments and determined the foreign currency hedge instruments were highly effective during the thirty-nine weeks ended December 31, 2016 and January 2, 2016. Forward contracts not designated as hedges in the Elfa segment are adjusted to fair value as selling, general, and administrative expenses on the consolidated statements of operations. During the thirty-nine weeks ended December 31, 2016, the Company recognized a net gain of \$233 associated with the change in fair value of forward contracts not designated as hedging instruments.

The Company had \$699 in accumulated other comprehensive loss related to foreign currency hedge instruments at December 31, 2016. Of the \$699, \$634 represents an unrealized loss for settled foreign currency hedge instruments related to inventory on hand as of December 31, 2016. The Company expects the unrealized loss of \$634, net of taxes, to be reclassified into earnings over the next 12 months as the underlying inventory is sold to the end customer.

The change in fair value of the Company's foreign currency hedge instruments that qualify as cash flow hedges and are included in accumulated other comprehensive income (loss), net of taxes, are presented in Note 8 of these financial statements.

10. Fair value measurements

Under GAAP, the Company is required to a) measure certain assets and liabilities at fair value or b) disclose the fair values of certain assets and liabilities recorded at cost. Accounting standards define fair value as the price that would be received upon sale of an asset or paid upon transfer of a liability in an orderly transaction between market participants at the measurement date. Fair value is calculated assuming the transaction occurs in the principal or most advantageous market for the asset or liability and includes consideration of non-performance risk and credit risk of both parties. Accounting standards pertaining to fair value establish a three-tier fair value hierarchy that prioritizes the inputs used in measuring fair value. These tiers include:

- Level 1 Valuation inputs are based upon unadjusted quoted prices for identical instruments traded in active markets.
- Level 2 Valuation inputs are based upon quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Edgar Filing: Container Store Group, Inc. - Form 10-Q

- Level 3 Valuation inputs are unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability. The fair values are determined using model-based techniques that include option pricing models, discounted cash flow models and similar techniques.

Edgar Filing: Container Store Group, Inc. - Form 10-Q

Table of Contents

As of December 31, 2016, February 27, 2016 and January 2, 2016, the Company held certain items that are required to be measured at fair value on a recurring basis. These included the nonqualified retirement plan and foreign currency forward contracts. The nonqualified retirement plan consists of investments purchased by employee contributions to retirement savings accounts. The Company's foreign currency hedging instruments consist of over-the-counter (OTC) contracts, which are not traded on a public exchange. See Note 9 for further information on the Company's hedging activities.

The fair values of the nonqualified retirement plan and foreign currency forward contracts are determined based on the market approach which utilizes inputs that are readily available in public markets or can be derived from information available in publicly quoted markets for comparable assets. Therefore, the Company has categorized these items as Level 2. The Company also considers counterparty credit risk and its own credit risk in its determination of all estimated fair values. The Company has consistently applied these valuation techniques in all periods presented and believes it has obtained the most accurate information available for the types of contracts it holds.

The following items are measured at fair value on a recurring basis, subject to the disclosure requirements of ASC 820, *Fair Value Measurements*:

Description		Balance Sheet Location	December 31, 2016	February 27, 2016	January 2, 2016
Assets					
Nonqualified retirement plan (1)	N/A	Other current assets	\$4,735	\$3,947	\$4,086
Foreign currency forward contracts	Level 2	Other current assets	274	106	147
Total assets			\$5,009	\$4,053	\$4,233
Liabilities					
Nonqualified retirement plan	Level 2	Accrued liabilities	4,735	3,962	4,106
Foreign currency forward contracts	Level 2	Accrued liabilities	31	-	-
Total liabilities			\$4,766	\$3,962	\$4,106

(1) The fair value amount of the nonqualified retirement plan is measured at fair value using the net asset value per share practical expedient, and therefore, is not classified in the fair value hierarchy.

The fair value of long-term debt was estimated using quoted prices as well as recent transactions for similar types of borrowing arrangements (level 2 valuations). As of December 31, 2016, February 27, 2016 and January 2, 2016, the estimated fair value of the Company's long-term debt, including current maturities, was \$308,463, \$221,534, and \$335,966, respectively.

11. Segment reporting

The Company's reportable segments were determined on the same basis as how management evaluates performance internally by the Chief Operating Decision Maker (CODM). The Company has determined that the Chief Executive Officer is the CODM and the Company's two reportable segments consist of TCS and Elfa. The TCS segment includes the Company's retail stores, website and call center, as well as the installation and organization services business.

The Elfa segment includes the manufacturing business that produces the elfa® brand products that are sold domestically exclusively through the TCS segment, as well as on a wholesale basis in approximately 30 countries around the world with a concentration in the Nordic region of Europe. The intersegment sales in the Elfa column represent elfa® product sales to the TCS segment. These sales and the related gross margin on merchandise recorded in TCS inventory balances at the end of the period are eliminated for consolidation purposes in the Eliminations column. The net sales to third parties in the Elfa column represent sales to customers outside of the United States.

Edgar Filing: Container Store Group, Inc. - Form 10-Q

Table of Contents

On July 1, 2016, Melissa Reiff, former President and Chief Operating Officer, became the Company's Chief Executive Officer (CEO), succeeding William A. (Kip) Tindell, III. Upon transition to CEO, Ms. Reiff assumed the role of CODM and during the second quarter of fiscal 2016, the Company re-evaluated its measure used to evaluate segment performance. Previously, the profit or loss measure used to make resource allocation decisions and evaluate segment performance was income or loss before taxes. The Company has determined that adjusted earnings before interest, tax, depreciation, and amortization (Adjusted EBITDA) is the profit or loss measure that the CODM uses to make resource allocation decisions and evaluate segment performance. The shift to focus on Adjusted EBITDA more closely aligns with management's assessment of segment performance under Ms. Reiff's leadership. As such, all current and prior period Adjusted EBITDA by segment information has been presented comparably.

Adjusted EBITDA assists management in comparing our performance on a consistent basis for purposes of business decision-making by removing the impact of certain items that management believes do not directly reflect our core operations and, therefore, aren't included in measuring segment performance. Adjusted EBITDA is calculated in accordance with the Senior Secured Term Loan Facility and the Revolving Credit Facility and we define Adjusted EBITDA as net income before interest, taxes, depreciation and amortization, certain non cash items, and other adjustments that we do not consider in our evaluation of ongoing operating performance from period to period.

Thirteen Weeks Ended December 31, 2016	TCS	Elfa	Eliminations	Total
Net sales to third parties	\$199,087	\$17,293	\$-	\$216,380
Intersegment sales	-	20,160	(20,160)	-
Adjusted EBITDA	22,333	4,968	(1,983)	25,318
Interest expense, net	4,080	39	-	4,119
Assets (1)	680,287	105,008	(5,181)	780,114

Thirteen Weeks Ended January 2, 2016	TCS	Elfa	Eliminations	Total
Net sales to third parties	\$194,599	\$18,237	\$-	\$212,836
Intersegment sales	-	20,006	(20,006)	-
Adjusted EBITDA	18,798	4,852	(2,486)	21,164
Interest expense, net	4,150	59	-	4,209
Assets (1)	684,370	106,986	(5,101)	786,255

Thirty-Nine Weeks Ended December 31, 2016	TCS	Elfa	Eliminations	Total
Net sales to third parties	\$549,423	\$49,465	\$-	\$598,888
Intersegment sales	-	41,982	(41,982)	-
Adjusted EBITDA (2)	53,485	9,454	(3,289)	59,650
Interest expense, net	12,283	151	-	12,434
Assets (1)	680,287	105,008	(5,181)	780,114

Thirty-Nine Weeks Ended January 2, 2016	TCS	Elfa	Eliminations	Total
Net sales to third parties	\$535,473	\$51,733	\$-	\$587,206
Intersegment sales	-	40,798	(40,798)	-
Adjusted EBITDA	43,505	7,535	(3,270)	47,770
Interest expense, net	12,373	241	-	12,614
Assets (1)	684,370	106,986	(5,101)	786,255

Edgar Filing: Container Store Group, Inc. - Form 10-Q

- (1) Tangible assets in the Elfa column are located outside of the United States.
- (2) The TCS segment includes a net benefit of \$3.9 million related to amended and restated employment agreements entered into with key executives during the first quarter, leading to a reversal of accrued deferred compensation associated with the original employment agreements.

Table of Contents

A reconciliation of Adjusted EBITDA by segment to income before taxes is set forth below:

	December 31, 2016	Thirteen Weeks Ended January 2, 2016	December 31, 2016	Thirty-Nine Weeks Ended January 2, 2016
Adjusted EBITDA by segment:				
TCS	\$22,333	\$18,798	\$53,485	\$43,505
Elfa	4,968	4,852	9,454	7,535
Eliminations	(1,983)	(2,486)	(3,289)	(3,270)
Total Adjusted EBITDA	25,318	21,164	59,650	47,770
Depreciation and amortization	(9,236)	(9,081)	(28,061)	(25,705)
Interest expense, net	(4,119)	(4,209)	(12,434)	(12,614)
Pre-opening costs (a)	(2,918)	(1,784)	(6,558)	(6,956)
Noncash rent (b)	298	508	970	1,489
Stock-based compensation (c)	(599)	(488)	(1,355)	(1,188)
Foreign exchange (losses) gains (d)	(53)	(141)	211	(273)
Other adjustments (e)	(249)	(22)	(996)	(52)
Income before taxes	\$8,442	\$5,947	\$11,427	\$2,471

(a) Non-capital expenditures associated with opening new stores and relocating stores, including rent, marketing expenses, travel and relocation costs, and training costs. We adjust for these costs to facilitate comparisons of our performance from period to period.

(b) Reflects the extent to which our annual GAAP rent expense has been above or below our cash rent payment due to lease accounting adjustments. The adjustment varies depending on the average age of our lease portfolio (weighted for size), as our GAAP rent expense on younger leases typically exceeds our cash cost, while our GAAP rent expense on older leases is typically less than our cash cost.

(c) Non-cash charges related to stock-based compensation programs, which vary from period to period depending on volume and vesting timing of awards. We adjust for these charges to facilitate comparisons from period to period.

(d) Realized foreign exchange transactional gains/losses our management does not consider in our evaluation of our ongoing operations.

(e) Other adjustments include amounts our management does not consider in our evaluation of our ongoing operations, including certain severance and other charges.

ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

Cautionary note regarding forward-looking statements

This report, including this Management's Discussion and Analysis of Financial Condition and Results of Operations, contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. In some cases, you can identify forward-looking statements by terms such as may, will, should, expects, plans, anticipates, could, intends, target, projects, contemplates, predicts, potential or continue or the negative of these terms or other similar expressions. The forward-looking statements included in this Quarterly Report, including without limitation statements regarding expectations for our business, anticipated financial performance and liquidity, are only predictions and involve known and unknown risks, uncertainties and other important factors that may cause our actual results, performance or achievements to be materially different from any future results, performance or achievements expressed or implied by the forward-looking statements. These include, but are not limited to: a decline in the health of the economy and the purchase of discretionary items; risks related to new store openings; our inability to source and market our products to meet customer preferences or inability to offer customers an aesthetically pleasing shopping environment; the risk that our operating and financial performance in a given period will not meet the guidance we provided to the public; the risk that significant business initiatives may not be successful; our dependence on a single distribution center for all of our stores; the vulnerability of our facilities and systems to natural disasters and other unexpected events; risks related to our reliance on independent third-party transportation providers for substantially all of our product shipments; our dependence on our brand image and any inability to protect our brand; our failure to successfully anticipate consumer demand and manage inventory commensurate with demand; our failure to effectively manage our growth; our inability to lease space on favorable terms; fluctuations in currency exchange rates; risks related to a security breach or cyber-attack of our website or information technology systems, and other damage to such systems; our inability to effectively manage online sales; effects of competition on our business; risks related to our inability to obtain capital on satisfactory terms or at all; disruptions in the global financial markets leading to difficulty in borrowing sufficient amounts of capital to finance the carrying costs of inventory to pay for capital expenditures and operating costs; our inability to obtain merchandise from our vendors on a timely basis and at competitive prices; the risk that our vendors may sell their products to our competitors; our dependence on key executive management, and the transition in our executive leadership; our inability to find, train and retain key personnel; labor activities and unrest; rising health care and labor costs; risks associated with our dependence on foreign imports; risks related to violations of anti-bribery and anti-kickback laws; risks related to our indebtedness; risks related to our fixed lease obligations; material damage to or interruptions in our information technology systems; risks related to litigation; product recalls and/or product liability and changes in product safety and consumer protection laws; changes in statutory, regulatory, accounting and other legal requirements; risks related to changes in estimates or projections used to assess the fair value of our intangible assets; fluctuations in our tax obligations, effective tax rate and realization of deferred tax assets; seasonal fluctuations in our operating results; material disruptions in one of our Elfa manufacturing facilities; our inability to protect our intellectual property rights and claims that we have infringed third parties' intellectual property rights; risks related to our status as a controlled company; significant fluctuations in the price of our common stock; substantial future sales of our common stock, or the perception that such sales may occur, which could depress the price of our common stock; risks related to being a public company; anti-takeover provisions in our governing documents, which could delay or prevent a change in control; reduced disclosure requirements applicable to emerging growth companies, which could make our stock less attractive to investors; our failure to establish and maintain effective internal controls; and increased uncertainty with respect to tax and trade policies, tariffs and government regulations affecting trade between the United States and other countries as a result of the recent presidential and congressional elections in the United States. Other important risk factors that could affect the outcome of the events set forth in these statements and that could affect our operating results and financial condition are described in the Risk Factors section of our Annual Report on Form 10-K for the fiscal year ended February 27, 2016, filed with the Securities and Exchange Commission (the SEC) on May 10, 2016.

We have based these forward-looking statements largely on our current expectations and projections about future events and financial trends that we believe may affect our business, financial condition and results of operations.

Table of Contents

These forward-looking statements speak only as of the date of this report. Because forward-looking statements are inherently subject to risks and uncertainties, you should not rely on these forward-looking statements as predictions of future events. Except as required by applicable law, we do not plan to publicly update or revise any forward-looking statements contained herein after the date of this report, whether as a result of any new information, future events or otherwise.

Unless the context otherwise requires, references in this Quarterly Report on Form 10-Q to the Company, we, us, and our refer to The Container Store Group, Inc. and, where appropriate, its subsidiaries.

We follow a 4-4-5 fiscal calendar, whereby each fiscal quarter consists of thirteen weeks grouped into two four-week months and one five-week month, and our fiscal year is the 52- or 53-week period ending on the Saturday closest to March 31. Fiscal 2016 ends on April 1, 2017, fiscal 2015 ended on February 27, 2016 and fiscal 2014 ended on February 28, 2015. The third quarter of fiscal 2016 ended on December 31, 2016 and the recast third quarter of fiscal 2015 ended on January 2, 2016, and both included thirteen weeks.

Overview

We are the original and leading specialty retailer of storage and organization products in the United States and the only national retailer solely devoted to the category. We provide creative, multifunctional, customizable storage and organization solutions that help our customers save time, save space and improve the quality of their lives. Through a differentiated shopping experience delivered by expert salespeople, our goal is to deliver the promise of an organized life to our customers. These customers are predominantly female, highly educated and busy from college students to empty nesters.

Our operations consist of two operating segments:

- *The Container Store* (*TCS*), which consists of our retail stores, website and call center, as well as our installation and organizational services business. As of December 31, 2016, we operated 86 stores with an average size of approximately 25,000 square feet (19,000 selling square feet) in 31 states and the District of Columbia. We allow our customers to shop with us in a variety of ways anywhere, anytime, any way she wants through a multi-channel shopping experience. Our stores receive substantially all of our products directly from our distribution center co-located with our corporate headquarters and call center in Coppell, Texas.
- *Elfa*, The Container Store, Inc.'s wholly-owned Swedish subsidiary, Elfa International AB (*Elfa*), which designs and manufactures component-based shelving and drawer systems and made-to-measure sliding doors. Elfa was founded in 1948 and is headquartered in Malmö, Sweden. Elfa's shelving and drawer systems are customizable for any area of the home, including closets, kitchens, offices and garages. Elfa operates four manufacturing facilities with two located in Sweden, one in Finland and one in Poland. The Container Store began selling elfa® products in 1978 and acquired Elfa in 1999. Today our TCS segment is the exclusive distributor of elfa® products in the U.S. Elfa also sells its products on a wholesale basis to various retailers in approximately 30 countries around the world, with a concentration in the Nordic region of Europe.

Note on Dollar Amounts

All dollar amounts in this Management's Discussion and Analysis of Financial Condition and Results of Operations are in thousands, except per share amounts and unless otherwise stated.

Results of Operations

The following data represents the amounts shown in our unaudited consolidated statements of operations expressed in dollars and as a percentage of net sales and operating data for the periods presented (categories that are only applicable to our TCS segment are noted with (*)). For segment data, see Note 11 to our unaudited consolidated financial statements included elsewhere in this Quarterly Report on Form 10-Q.

Edgar Filing: Container Store Group, Inc. - Form 10-Q

(1) A store is included in the comparable store sales calculation on the first day of the sixteenth full fiscal month following the store's opening. Comparable store sales are net of discounts and returns. When a store is relocated, we continue to consider net sales from that store to be comparable store sales. Net sales from our website and call center are also included in calculations of comparable store sales.

Table of Contents

In the first quarter of fiscal 2016, we changed our comparable store sales operating measure to reflect the point at which merchandise and service orders are fulfilled and delivered to customers, excluding shipping and delivery. Prior to the first quarter of fiscal 2016, our comparable store sales operating measure in a given period was based on merchandise and service orders placed in that period, excluding shipping and delivery, which did not always reflect the point at which merchandise and services were received by the customer and, therefore, recognized in our financial statements as net sales. We believe that changing the comparable store sales operating metric to better align with net sales presented in our financial statements will assist investors in evaluating our financial performance. The comparable store sales percentages presented for the previous periods have been adjusted to reflect the updated definition.

(2) We have presented EBITDA and Adjusted EBITDA as supplemental measures of financial performance that are not required by, or presented in accordance with, GAAP. These non-GAAP measures should not be considered as alternatives to net income (loss) as a measure of financial performance or cash flows from operations as a measure of liquidity, or any other performance measure derived in accordance with GAAP, and they should not be construed as an inference that our future results will be unaffected by unusual or non-recurring items. These non-GAAP measures are key metrics used by management, our board of directors, and LGP to assess our financial performance. We present these non-GAAP measures because we believe they assist investors in comparing our performance across reporting periods on a consistent basis by excluding items that we do not believe are indicative of our core operating performance and because we believe it is useful for investors to see the measures that management uses to evaluate the Company. These non-GAAP measures are also frequently used by analysts, investors and other interested parties to evaluate companies in our industry. In evaluating these non-GAAP measures, you should be aware that in the future we will incur expenses that are the same as or similar to some of the adjustments in this presentation. Our presentation of these non-GAAP measures should not be construed to imply that our future results will be unaffected by any such adjustments. Management compensates for these limitations by relying on our GAAP results in addition to using non-GAAP measures supplementally. Our non-GAAP measures are not necessarily comparable to other similarly titled captions of other companies due to different methods of calculation. Please refer to footnote (3) of this table for further information regarding why we believe EBITDA and Adjusted EBITDA provide useful information to investors regarding our financial condition and results of operations, as well as the additional purposes for which management uses each non-GAAP financial measure.

Additionally, this Management's Discussion and Analysis also refers to Elfa third-party net sales after the conversion of Elfa's net sales from Swedish krona to U.S. dollars using the prior year's conversion rate. The Company believes the disclosure of Elfa third-party net sales without the effects of currency exchange rate fluctuations helps investors understand the Company's underlying performance.

(3) EBITDA and Adjusted EBITDA have been presented in this Quarterly Report on Form 10-Q as supplemental measures of financial performance that are not required by, or presented in accordance with, GAAP. We define EBITDA as net income before interest, taxes, depreciation, and amortization. Adjusted EBITDA is calculated in accordance with our Secured Term Loan Facility and the Revolving Credit Facility and is one of the components for performance evaluation under our executive compensation programs. Adjusted EBITDA reflects further adjustments to EBITDA to eliminate the impact of certain items, including certain non-cash and other items, that we do not consider in our evaluation of ongoing operating performance from period to period as discussed further below.

EBITDA and Adjusted EBITDA are included in this Quarterly Report on Form 10-Q because they are key metrics used by management, our board of directors and LGP to assess our financial performance. In addition, we use Adjusted EBITDA in connection with covenant compliance and executive performance evaluations, and we use Adjusted EBITDA to supplement GAAP measures of performance to evaluate the

Edgar Filing: Container Store Group, Inc. - Form 10-Q

Table of Contents

effectiveness of our business strategies, to make budgeting decisions and to compare our performance against that of other peer companies using similar measures. We believe it is useful for investors to see the measures that management uses to evaluate the Company, its executives and our covenant compliance, as applicable. EBITDA and Adjusted EBITDA are also frequently used by analysts, investors and other interested parties to evaluate companies in our industry.

EBITDA and Adjusted EBITDA are not GAAP measures of our financial performance or liquidity and should not be considered as alternatives to net income as a measure of financial performance or cash flows from operations as a measure of liquidity, or any other performance measure derived in accordance with GAAP, and they should not be construed as an inference that our future results will be unaffected by unusual or non-recurring items. Additionally, EBITDA and Adjusted EBITDA are not intended to be measures of free cash flow for management's discretionary use, as they do not reflect certain cash requirements such as tax payments, debt service requirements, capital expenditures, store openings and certain other cash costs that may recur in the future. EBITDA and Adjusted EBITDA contain certain other limitations, including the failure to reflect our cash expenditures, cash requirements for working capital needs and cash costs to replace assets being depreciated and amortized. In evaluating Adjusted EBITDA, you should be aware that in the future we will incur expenses that are the same as or similar to some of the adjustments in this presentation, such as pre-opening costs and stock compensation expense. Our presentation of Adjusted EBITDA should not be construed to imply that our future results will be unaffected by any such adjustments. Management compensates for these limitations by relying on our GAAP results in addition to using EBITDA and Adjusted EBITDA supplementally. Our measures of EBITDA and Adjusted EBITDA margin are not necessarily comparable to other similarly titled captions of other companies due to different methods of calculation.

A reconciliation of net income to EBITDA and Adjusted EBITDA is set forth below:

	Thirteen Weeks Ended		Thirty-Nine Weeks Ended	
	December 31, 2016	January 2, 2016	December 31, 2016	January 2, 2016
Net income	\$5,092	\$3,924	\$6,576	\$1,478
Depreciation and amortization	9,236	9,081	28,061	25,705
Interest expense, net	4,119	4,209	12,434	12,614
Income tax provision	3,350	2,023	4,851	993
EBITDA	21,797	19,237	51,922	40,790
Pre-opening costs*(a)	2,918	1,784	6,558	6,956
Noncash rent*(b)	(298)	(508)	(970)	(1,489)
Stock-based compensation*(c)	599	488	1,355	1,188
Foreign exchange losses (gains) (d)	53	141	(211)	273
Other adjustments(e)	249	22	996	52
Adjusted EBITDA	\$25,318	\$21,164	\$59,650	\$47,770

(a) Non-capital expenditures associated with opening new stores and relocating stores, including rent, marketing expenses, travel and relocation costs, and training costs. We adjust for these costs to facilitate comparisons of our performance from period to period.

(b) Reflects the extent to which our annual GAAP rent expense has been above or below our cash rent payment due to lease accounting adjustments. The adjustment varies depending on the average age of our lease portfolio (weighted for size), as our GAAP rent expense on younger leases typically exceeds our cash cost, while our GAAP rent expense on older leases is typically less than our cash cost.

Table of Contents

(c) Non-cash charges related to stock-based compensation programs, which vary from period to period depending on volume and vesting timing of awards. We adjust for these charges to facilitate comparisons from period to period.

(d) Realized foreign exchange transactional gains/losses our management does not consider in our evaluation of our ongoing operations.

(e) Other adjustments include amounts our management does not consider in our evaluation of our ongoing operations, including certain severance and other charges.

Thirteen Weeks Ended December 31, 2016 Compared to Thirteen Weeks Ended January 2, 2016

Net sales

The following table summarizes our net sales for each of the thirteen weeks ended December 31, 2016 and January 2, 2016:

	December 31,		January 2,	
	2016	% total	2016	% total
TCS net sales	\$199,087	92.0%	\$194,599	91.4%
Elfa third party net sales	17,293	8.0%	18,237	8.6%
Net sales	\$216,380	100.0%	\$212,836	100.0%

Net sales in the thirteen weeks ended December 31, 2016 increased by \$3,544, or 1.7%, compared to the thirteen weeks ended January 2, 2016. This increase is comprised of the following components:

	Net sales
Net sales for the thirteen weeks ended January 2, 2016	\$212,836
Incremental net sales increase (decrease) due to:	
New stores	11,618
Comparable stores (including a \$1,110, or 7.2%, decrease in online sales)	(7,248)
Elfa third party net sales (excluding impact of foreign currency translation)	115

Edgar Filing: Container Store Group, Inc. - Form 10-Q

Impact of foreign currency translation on Elfa third party net sales	(1,059)
Shipping and delivery	118
Net sales for the thirteen weeks ended December 31, 2016	\$216,380

In the third quarter of fiscal 2016, fourteen new stores generated \$11,618 of incremental net sales, seven of which were opened during fiscal 2015 and seven of which were opened in the first thirty-nine weeks of fiscal 2016. The increase in net sales generated by new stores was partially offset by a \$7,248, or 3.9%, decrease in net sales from comparable stores. Elfa third party net sales decreased \$944 in the thirteen weeks ended December 31, 2016, due to the impact of foreign currency translation during the quarter, which reduced third party net sales by \$1,059.

Table of Contents

Gross profit and gross margin

Gross profit in the thirteen weeks ended December 31, 2016 increased by \$268, or 0.2%, compared to the thirteen weeks ended January 2, 2016. The increase in gross profit was primarily the result of an increase in consolidated net sales, partially offset by a decline in consolidated gross margin. The following table summarizes the gross margin for the thirteen weeks ended December 31, 2016 and January 2, 2016 by segment and total. The segment gross margins include the impact of inter-segment net sales from the Elfa segment to the TCS segment:

	December 31, 2016	January 2, 2016
TCS gross margin	57.0%	58.1%
Elfa gross margin	37.8%	38.7%
Total gross margin	58.1%	58.9%

TCS gross margin declined 110 basis points, primarily due to an increased mix of lower-margin product and service sales and, to a lesser extent, increased promotional activities during the third quarter of fiscal 2016. Elfa segment gross margin declined 90 basis points, primarily due to increased direct materials costs and higher freight costs associated with changes in customer sales mix, partially offset by improved production efficiencies. In total, gross margin decreased 80 basis points, which is primarily due to the decline in TCS gross margin.

Selling, general and administrative expenses

Selling, general and administrative expenses in the thirteen weeks ended December 31, 2016 decreased by \$3,661, or 3.5%, compared to the thirteen weeks ended January 2, 2016. As a percentage of consolidated net sales, selling, general and administrative expenses decreased by 250 basis points. The following table summarizes selling, general and administrative expenses as a percentage of total net sales for the thirteen weeks ended December 31, 2016 and January 2, 2016:

	December 31, 2016 % of Net sales	January 2, 2016 % of Net sales
TCS selling, general and administrative	42.0%	44.1%
Elfa selling, general and administrative	4.3%	4.7%
Total selling, general and administrative	46.3%	48.8%

TCS selling, general and administrative expenses decreased by 210 basis points as a percentage of consolidated net sales. The decrease was primarily due to decreased costs as a result of the Company's SG&A savings program, as well as lower healthcare costs. Additionally, the decrease was a result of the impact of one-time storage costs incurred in connection with a distribution center automation project in the thirteen weeks ended January 2, 2016 that were not incurred in the thirteen weeks ended December 31, 2016. These positive impacts were partially offset by deleveraging of occupancy costs associated with negative comparable store sales growth. Elfa selling, general and administrative expenses decreased by 40 basis points as a percentage of consolidated net sales, primarily due to a positive impact from foreign currency exchange rates.

Pre-opening costs

Pre-opening costs increased by \$1,134, or 63.6%, in the thirteen weeks ended December 31, 2016 to \$2,918, as compared to \$1,784 in the thirteen weeks ended January 2, 2016. We opened four new stores in the thirteen weeks ended December 31, 2016, and we opened two new stores in the thirteen weeks ended January 2, 2016.

Taxes

The provision for income taxes in the thirteen weeks ended December 31, 2016 was \$3,350, as compared to \$2,023 in the thirteen weeks ended January 2, 2016. The effective tax rate for the thirteen weeks ended December 31, 2016 was 39.7%, as compared to 34.0% in the thirteen weeks ended January 2, 2016. The increase in the effective tax rate is primarily due to changes in the mix of projected domestic and foreign earnings, combined with the expensing of certain deferred tax assets due to the expiration of certain stock based compensation awards.

[Table of Contents](#)
Thirty-Nine Weeks Ended December 31, 2016 Compared to Thirty-Nine Weeks Ended January 2, 2016
Net sales

The following table summarizes our net sales for the thirty-nine weeks ended December 31, 2016 and January 2, 2016:

	December 31, 2016	% total	January 2, 2016	% total
TCS net sales	\$549,423	91.7%	\$535,473	91.2%
Elfa third party net sales	49,465	8.3%	51,733	8.8%
Net sales	\$598,888	100.0%	\$587,206	100.0%

Net sales in the thirty-nine weeks ended December 31, 2016 increased by \$11,682, or 2.0%, compared to the thirty-nine weeks ended January 2, 2016. This increase is comprised of the following components:

	Net sales
Net sales for the thirty-nine weeks ended January 2, 2016	\$587,206
Incremental net sales increase (decrease) due to:	
New stores	30,798
Comparable stores (including a \$2,516, or 5.9%, decrease in online sales)	(17,099)
Elfa third party net sales (excluding impact of foreign currency translation)	(1,507)
Impact of foreign currency translation on Elfa third party net sales	(761)
Shipping and delivery	251
Net sales for the thirty-nine weeks ended December 31, 2016	\$598,888

In the thirty-nine weeks ended December 31, 2016, seventeen new stores generated \$30,798 of incremental net sales, ten of which were opened prior to or during fiscal 2015 and seven of which were opened in the first thirty-nine weeks of fiscal 2016. The increase in net sales generated by new stores was partially offset by a \$17,099, or 3.3%, decrease in net sales from comparable stores. Elfa third party net sales decreased \$2,268 during the thirty-nine weeks ended December 31, 2016. After converting Elfa's third party net sales from Swedish krona to U.S. dollars using the prior year's conversion rate for both the thirty-nine weeks ended December 31, 2016 and the thirty-nine weeks ended January 2, 2016, Elfa third party net sales decreased \$1,507 primarily due to lower net sales in Russia.

Gross profit and gross margin

Gross profit in the thirty-nine weeks ended December 31, 2016 increased by \$5,534, or 1.6%, compared to the thirty-nine weeks ended January 2, 2016. The increase in gross profit was primarily the result of increased consolidated net sales, partially offset by a decline in consolidated gross margin. The following table summarizes the gross margin for the thirty-nine weeks ended December 31, 2016 and January 2,

Edgar Filing: Container Store Group, Inc. - Form 10-Q

2016 by segment and total. The segment gross margins include the impact of inter-segment net sales from the Elfa segment to the TCS segment:

	December 31, 2016	January 2, 2016
TCS gross margin	57.6%	58.0%
Elfa gross margin	39.1%	38.5%
Total gross margin	58.2%	58.4%

TCS gross margin declined 40 basis points, as an increased mix of lower-margin product and service sales was partially offset by the impact of the stronger U.S. dollar. Elfa segment gross margin improved 60 basis points, primarily due to improved production efficiencies, partially offset by higher freight costs associated with changes in customer sales mix. On a consolidated basis, gross margin decreased 20 basis points, as the improvement in Elfa gross margin was more than offset by the decline in TCS gross margin, due to a larger percentage of consolidated net sales coming from the TCS segment.

Table of Contents

Selling, general and administrative expenses

Selling, general and administrative expenses in the thirty-nine weeks ended December 31, 2016 decreased by \$6,182, or 2.1%, compared to the thirty-nine weeks ended January 2, 2016. As a percentage of consolidated net sales, selling, general and administrative expenses decreased by 200 basis points. The following table summarizes selling, general and administrative expenses as a percentage of consolidated net sales for the thirty-nine weeks ended December 31, 2016 and January 2, 2016:

	December 31, 2016	January 2, 2016
	% of Net sales	% of Net sales
TCS selling, general and administrative	43.7%	45.3%
Elfa selling, general and administrative	4.4%	4.8%
Total selling, general and administrative	48.1%	50.1%

TCS selling, general and administrative expenses decreased by 160 basis points as a percentage of consolidated net sales. The decrease was primarily a result of the Company's SG&A savings program which contributed to decreased spending, including on 401(k) costs, store payroll, and certain major initiatives. Additionally, the positive impact of amended and restated employment agreements entered into with key executives during the first quarter of fiscal 2016 contributed to the decrease by leading to the reversal of accrued deferred compensation associated with the original employment agreements, net of costs incurred to execute the agreements, of \$3,910, or 65 basis points. The Company also experienced lower healthcare costs during the first thirty-nine weeks of fiscal 2016. The positive impact of these items was partially offset by deleveraging of occupancy costs associated with negative comparable store sales growth. Elfa selling, general and administrative expenses decreased by 40 basis points as a percentage of consolidated net sales, primarily due to a positive impact from foreign currency exchange rates and a smaller percentage of consolidated net sales coming from the Elfa segment.

Pre-opening costs

Pre-opening costs decreased by \$398, or 5.7% in the thirty-nine weeks ended December 31, 2016 to \$6,558, as compared to \$6,956 in the thirty-nine weeks ended January 2, 2016. We opened seven new stores in the thirty-nine weeks ended December 31, 2016, and we opened seven new stores and relocated one store in the thirty-nine weeks ended January 2, 2016.

Depreciation and amortization

Depreciation and amortization increased by \$2,356, or 9.2%, in the thirty-nine weeks ended December 31, 2016 to \$28,061, as compared to \$25,705 in the thirty-nine weeks ended January 2, 2016. The increase in depreciation and amortization is primarily related to an increase in the number of stores, as well as investments in automation in the distribution center and corporate headquarters to support the increase in the number of stores.

Other expenses

Other expenses of \$839 were recorded in the thirty-nine weeks ended December 31, 2016, which were primarily related to management transition costs.

Table of Contents

Taxes

The provision for income taxes in the thirty-nine weeks ended December 31, 2016 was \$4,851, as compared to \$993 in the thirty-nine weeks ended January 2, 2016. The effective tax rate for the thirty-nine weeks ended December 31, 2016 was 42.5%, as compared to 40.2% in the thirty-nine weeks ended January 2, 2016. The increase in the effective tax rate is primarily due to the expensing of certain deferred tax assets due to the expiration of certain stock based compensation awards, partially offset by changes in the mix of projected domestic and foreign earnings.

Liquidity and Capital Resources

We rely on cash flows from operations, a \$100,000 asset-based revolving credit agreement (the Revolving Credit Facility as further discussed under Revolving Credit Facility below), and the SEK 140.0 million (approximately \$15,418 as of December 31, 2016) 2014 Elfa revolving credit facility (the 2014 Elfa Revolving Credit Facility as further discussed under Elfa Senior Secured Credit Facilities and 2014 Elfa Senior Secured Credit Facilities below) as our primary sources of liquidity. Our primary cash needs are for merchandise inventories, direct materials, payroll, store rent, capital expenditures associated with opening new stores and updating existing stores, as well as information technology and infrastructure, including the distribution center and Elfa manufacturing facility enhancements. The most significant components of our operating assets and liabilities are merchandise inventories, accounts receivable, prepaid expenses and other assets, accounts payable, other current and non-current liabilities, taxes receivable and taxes payable. Our liquidity fluctuates as a result of our building inventory for key selling periods, and as a result, our borrowings are generally higher during these periods when compared to the rest of our fiscal year. Our borrowings generally increase in our second and third fiscal quarters as we prepare for Our Annual Shelving Sale, the holiday season, and Our Annual elfa® Sale. We believe that cash expected to be generated from operations and the availability of borrowings under the Revolving Credit Facility and the 2014 Elfa Revolving Credit Facility will be sufficient to meet liquidity requirements, anticipated capital expenditures, and payments due under our existing credit facilities for at least the next 24 months.

At December 31, 2016, we had \$18,491 of cash and \$72,475 of additional availability under the Revolving Credit Facility and approximately \$15,418 of additional availability under the 2014 Elfa Revolving Credit Facility. There were \$3,763 in letters of credit outstanding under the Revolving Credit Facility and other contracts at that date.

Cash flow analysis

A summary of our operating, investing and financing activities are shown in the following table:

Thirty-Nine Weeks Ended

	December 31, 2016	January 2, 2016
Net cash provided by operating activities	\$23,875	\$22,065
Net cash used in investing activities	(21,003)	(31,607)
Net cash provided by financing activities	7,361	19,303
Effect of exchange rate changes on cash	(551)	(327)
Net increase in cash	\$9,682	\$9,434

Table of Contents

Net cash provided by operating activities

Cash from operating activities consists primarily of net income adjusted for non-cash items, including depreciation and amortization, deferred taxes and the effect of changes in operating assets and liabilities.

Net cash provided by operating activities was \$23,875 for the thirty-nine weeks ended December 31, 2016. Non-cash items of \$29,719 and net income of \$6,576 were partially offset by a net change in operating assets and liabilities of \$12,420, primarily due to increases in accounts receivable and merchandise inventory, partially offset by increases in accounts payable and accrued liabilities, during the thirty-nine weeks ended December 31, 2016.

Net cash provided by operating activities was \$22,065 for the thirty-nine weeks ended January 2, 2016. Non-cash items of \$28,936 and net income of \$1,478 were partially offset by a net change in operating assets and liabilities of \$8,349, primarily due to increases in accounts receivable and merchandise inventory, partially offset by increases in accounts payable and accrued liabilities, during the thirty-nine weeks ended January 2, 2016.

Net cash used in investing activities

Investing activities consist primarily of capital expenditures for new store openings, existing store remodels, infrastructure, information systems, and our distribution center.

Our total capital expenditures for the thirty-nine weeks ended December 31, 2016 were \$21,010 with new store openings, relocations and existing store remodels accounting for the majority of spending at \$12,447. We opened seven new stores during the thirty-nine weeks ended December 31, 2016. The remaining capital expenditures of \$8,563 were primarily for investments in information technology, our corporate offices and distribution center and Elfa manufacturing facility enhancements.

Our total capital expenditures for the thirty-nine weeks ended January 2, 2016 were \$32,285 with new store openings, relocations and existing store remodels accounting for \$14,859. We opened seven new stores and relocated one store during the thirty-nine weeks ended January 2, 2016. The remaining capital expenditures of \$17,426 were primarily for investments in strategic initiatives, our distribution center and information technology. Additionally, during the thirty-nine weeks ended January 2, 2016, Elfa received a grant from the Swedish government of \$479 related to Elfa's investment in a Swedish production line that was activated in September 2014.

Net cash provided by financing activities

Edgar Filing: Container Store Group, Inc. - Form 10-Q

Financing activities consist primarily of borrowings and payments under the Senior Secured Term Loan Facility, the Revolving Credit Facility, and the Elfa Revolving Credit Facility.

Net cash provided by financing activities was \$7,361 for the thirty-nine weeks ended December 31, 2016. This included net proceeds of \$15,000 from borrowings under the Revolving Credit Facility partially offset by net payments of \$3,518 on the 2014 Elfa Revolving Credit Facility and payments of \$4,121 for repayment of long-term indebtedness.

Net cash provided by financing activities was \$19,303 for the thirty-nine weeks ended January 2, 2016. This included net proceeds of \$28,000 from borrowings under the Revolving Credit Facility to support higher working capital needs. The net proceeds from borrowings under the Revolving Credit Facility were partially offset by net payments of \$4,510 on the 2014 Elfa Revolving Credit Facility and payments of \$3,986 for repayment of long-term indebtedness. The Company also paid \$258 in debt issuance costs related to Amendment No. 2 to the Revolving Credit Facility (as further discussed and defined under "Revolving Credit Facility" below). In addition, the Company received proceeds of \$57 from the exercise of stock options.

Table of Contents

As of December 31, 2016, TCS had a total of \$72,475 of unused borrowing availability under the Revolving Credit Facility, and \$20,000 of borrowings outstanding under the Revolving Credit Facility.

As of December 31, 2016, Elfa had a total of \$15,418 of unused borrowing availability under the 2014 Elfa Revolving Credit Facility and no borrowings outstanding under the 2014 Elfa Revolving Credit Facility.

Senior Secured Term Loan Facility

On April 6, 2012, The Container Store Group, Inc., The Container Store, Inc. and certain of its domestic subsidiaries entered into a credit agreement with JPMorgan Chase Bank, N.A., as Administrative Agent and Collateral Agent, and the lenders party thereto (the Senior Secured Term Loan Facility). Prior to the Increase and Repricing Transaction, as discussed below, borrowings under the Senior Secured Term Loan Facility accrued interest at LIBOR+5.00%, subject to a LIBOR floor of 1.25%.

On April 8, 2013, The Container Store Group, Inc., The Container Store, Inc. and certain of its domestic subsidiaries entered into Amendment No.1 to the Senior Secured Term Loan Facility, pursuant to which the borrowings under the Senior Secured Term Loan Facility were increased to \$362,250 and the interest rate on such borrowings was decreased to a rate of LIBOR + 4.25%, subject to a LIBOR floor of 1.25% (the Increase and Repricing Transaction). The maturity date remained as April 6, 2019. Additionally, pursuant to the Increase and Repricing Transaction (i) the senior secured leverage ratio covenant referenced below was eliminated and (ii) we are required to make quarterly principal repayments of \$906 through December 31, 2018, with a balloon payment for the remaining balance due on April 6, 2019. The additional \$90,000 of borrowings was used to finance a distribution to holders of our senior preferred stock in the amount of \$90,000, which was paid on April 9, 2013.

On November 8, 2013, net proceeds of \$31,000 from the IPO were used to repay a portion of the outstanding borrowings under the Senior Secured Term Loan Facility.

On November 27, 2013, The Container Store Group, Inc., The Container Store, Inc. and certain of its domestic subsidiaries entered into Amendment No. 2 to the Senior Secured Term Loan Facility (the Repricing Transaction). Pursuant to the Repricing Transaction, borrowings accrue interest at a lower rate of LIBOR + 3.25%, subject to a LIBOR floor of 1.00%. The maturity date remained as April 6, 2019 and we continue to be required to make quarterly principal repayments of \$906 through December 31, 2018, with a balloon payment for the remaining balance due on April 6, 2019.

On May 20, 2016, The Container Store, Inc. entered into Amendment No. 3 to the Senior Secured Term Loan Facility to update the credit agreement for the Company's change in fiscal year. No other material changes were made to the terms of the credit agreement.

The Senior Secured Term Loan Facility is secured by (a) a first priority security interest in substantially all of our assets (excluding stock in foreign subsidiaries in excess of 65%, assets of non-guarantors and subject to certain other exceptions) (other than the collateral that secures the

Edgar Filing: Container Store Group, Inc. - Form 10-Q

Revolving Credit Facility described below on a first-priority basis) and (b) a second-priority security interest in the assets securing the Revolving Credit Facility described below on a first-priority basis. Obligations under the Senior Secured Term Loan Facility are guaranteed by The Container Store Group, Inc. and each of The Container Store, Inc.'s U.S. subsidiaries. The Senior Secured Term Loan Facility contains a number of covenants that, among other things, restrict our ability, subject to specified exceptions, to incur additional debt; incur additional liens and contingent liabilities; sell or dispose of assets; merge with or acquire other companies; liquidate or dissolve ourselves; engage in businesses that are not in a related line of business; make loans, advances or guarantees; engage in transactions with affiliates; and make investments. In addition, the financing agreements contain certain cross-default provisions and also require certain mandatory prepayments of the Senior Secured Term Loan Facility, among these an Excess Cash Flow requirement (as such term is defined in the Senior Secured Term Loan Facility). As of December 31, 2016, we were in compliance with all covenants and no Event of Default (as such term is defined in the Senior Secured Term Loan Facility) had occurred.

Table of Contents

Revolving Credit Facility

On April 6, 2012, The Container Store Group, Inc., The Container Store, Inc. and certain of its domestic subsidiaries entered into a \$75,000 asset-based revolving credit agreement with JPMorgan Chase Bank, N.A., as Administrative Agent and Collateral Agent, and Wells Fargo Bank, National Association, as Syndication Agent (the "Revolving Credit Facility"). Borrowings under the Revolving Credit Facility accrue interest at LIBOR+1.25% to 1.75%, subject to adjustment based on average daily excess availability over the preceding quarter, and the maturity date is April 6, 2017.

On October 8, 2015, The Container Store, Inc. executed an amendment to the Revolving Credit Facility ("Amendment No. 2"). Under the terms of Amendment No. 2, among other items, (i) the maturity date of the loan was extended from April 6, 2017 to the earlier of (x) October 8, 2020 and (y) January 6, 2019, if any of The Container Store, Inc.'s obligations under its term loan credit facility remain outstanding on such date and have not been refinanced with debt that has a final maturity date that is no earlier than April 6, 2019 or subordinated debt, (ii) the aggregate principal amount of the facility was increased from \$75,000 to \$100,000, (iii) the interest rate decreased from a range of LIBOR + 1.25% to 1.75% to LIBOR + 1.25% and (iv) the uncommitted incremental revolving facility was increased from \$25,000 to \$50,000, which is subject to receipt of lender commitments and satisfaction of specified conditions.

As provided in Amendment No. 2, the Revolving Credit Facility will continue to be used for working capital and other general corporate purposes. Amendment No. 2 allows for swing line advances of up to \$15,000 and the issuance of letters of credit of up to \$40,000, increased from the previous swing line limits of \$7,500 and letter of credit limits of \$20,000.

On May 20, 2016, The Container Store, Inc. entered into Amendment No. 3 to the Revolving Credit Facility to update the credit agreement for the Company's change in fiscal year. No other material changes were made to the terms of the credit agreement.

The availability of credit at any given time under the Revolving Credit Facility is limited by reference to a borrowing base formula based upon numerous factors, including the value of eligible inventory, eligible accounts receivable, and reserves established by the administrative agent. As a result of the borrowing base formula, the actual borrowing availability under the Revolving Credit Facility could be less than the stated amount of the Revolving Credit Facility (as reduced by the actual borrowings and outstanding letters of credit under the Revolving Credit Facility).

The Revolving Credit Facility is secured by (a) a first-priority security interest in substantially all of our personal property, consisting of inventory, accounts receivable, cash, deposit accounts, and other general intangibles, and (b) a second-priority security interest in the collateral that secures the Senior Secured Term Loan Facility on a first-priority basis, as described above (excluding stock in foreign subsidiaries in excess of 65%, and assets of non-guarantor subsidiaries and subject to certain other exceptions). Obligations under the Revolving Credit Facility are guaranteed by The Container Store Group, Inc. and each of The Container Store, Inc.'s U.S. subsidiaries.

The Revolving Credit Facility contains a number of covenants that, among other things, restrict our ability, subject to specified exceptions, to incur additional debt; incur additional liens and contingent liabilities; sell or dispose of assets; merge with or acquire other companies; liquidate or dissolve ourselves; engage in businesses that are not in a related line of business; make loans, advances or guarantees; engage in transactions with affiliates; and make investments. In addition, the financing agreement contains certain cross-default provisions. We are required to maintain a consolidated fixed-charge coverage ratio of 1.0 to 1.0 if excess availability is less than \$10,000 at any time. As of December 31, 2016, we were

Edgar Filing: Container Store Group, Inc. - Form 10-Q

in compliance with all covenants and no Event of Default (as such term is defined in the Revolving Credit Facility) has occurred.

Elfa Senior Secured Credit Facilities and 2014 Elfa Senior Secured Credit Facilities

On April 27, 2009, Elfa entered into senior secured credit facilities with Tjustbygdens Sparbank AB, which we refer to as Sparbank, which consisted of a SEK 137.5 million term loan facility (the Elfa Term Loan Facility) and a revolving credit facility (the Elfa Revolving Credit Facility and, together with the Elfa Term Loan Facility, the Elfa Senior Secured Credit Facilities). On January 27, 2012, Sparbank transferred all of its commitments, rights and obligations under the Elfa Senior Secured Credit Facilities to Swedbank AB. Borrowings under the Elfa Senior Secured Credit Facilities accrued interest at a rate of STIBOR+1.775%. Elfa was required to make quarterly principal repayments under the Elfa Term Loan Facility of SEK 6.25 million through maturity. The Elfa Senior Secured Credit Facilities were secured by first priority security interests in substantially all of Elfa's assets. The Elfa Term Loan Facility and the Elfa Revolving Credit Facility matured on August 30, 2014 and were replaced with the 2014 Elfa Senior Secured Credit Facilities as discussed below.

On April 1, 2014, Elfa entered into a master credit agreement with Nordea Bank AB (Nordea), which consists of a SEK 60.0 million (approximately \$6,608 as of December 31, 2016) term loan facility (the 2014 Elfa Term Loan Facility) and a SEK 140.0 million (approximately \$15,418 as of December 31, 2016) revolving credit facility (the 2014 Elfa Revolving Credit Facility, and together with the 2014 Elfa Term Loan Facility, the 2014 Elfa Senior Secured Credit Facilities). The 2014 Elfa Senior Secured Credit Facilities term began on August 29, 2014 and matures on August 29, 2019, or such shorter period as provided by the agreement. Elfa is required to make quarterly principal payments under the 2014 Elfa Term Loan Facility in the amount of SEK 3.0 million (approximately \$330 as of December 31, 2016) through maturity. The 2014 Elfa Term Loan Facility bears interest at STIBOR + 1.7% and the 2014 Elfa Revolving Credit Facility bears interest at Nordea's base rate + 1.4%, and these rates are applicable until August 29, 2017, at which time the interest rates may be renegotiated at the request of either party to the agreement. Should the parties fail to agree on new interest rates, Elfa has the ability to terminate the agreement on August 29, 2017, at which time all borrowings under the agreement shall be paid in full to Nordea.

The 2014 Elfa Senior Secured Credit Facilities contain a number of covenants that, among other things, restrict Elfa's ability, subject to specified exceptions, to incur additional liens, sell or dispose of assets, merge with other companies, engage in businesses that are not in a related line of business and make guarantees. In addition, Elfa is required to maintain (i) a consolidated equity ratio (as defined in the 2014 Elfa Senior Secured Credit Facilities) of not less than 30% in year one and not less than 32.5% thereafter and (ii) a consolidated ratio of net debt to EBITDA (as defined in the 2014 Elfa Senior Secured Credit Facilities) of less than 3.2, the consolidated equity ratio tested at the end of each calendar quarter and the ratio of net debt to EBITDA tested as of the end of each fiscal quarter. As of December 31, 2016, Elfa was in compliance with all covenants and no Event of Default (as defined in the 2014 Elfa Senior Secured Credit Facilities) had occurred.

Critical accounting policies and estimates

The preparation of financial statements in accordance with generally accepted accounting principles in the United States requires management to make estimates and assumptions about future events that affect amounts reported in our consolidated financial statements and related notes, as well as the related disclosure of contingent assets and liabilities at the date of the financial statements. A summary of the Company's significant accounting policies is included in Note 1 to the Company's annual consolidated financial statements in the Company's Annual Report on Form 10-K for the fiscal year ended February 27, 2016, filed with the SEC on May 10, 2016.

Edgar Filing: Container Store Group, Inc. - Form 10-Q

Certain of the Company's accounting policies and estimates are considered critical, as these policies and estimates are the most important to the depiction of the company's consolidated financial statements and require significant, difficult, or complex judgments, often about the effect of matters that are inherently uncertain. Such policies are summarized in the Management's Discussion and Analysis of Financial Condition and Results of Operations section of our Annual Report on Form 10-K for the fiscal year ended February 27, 2016, filed with the SEC on May 10, 2016. As of December 31, 2016, there were no significant changes to any of our critical accounting policies and estimates.

Table of Contents

Contractual obligations

There have been no material changes to our contractual obligations as disclosed in our Annual Report on Form 10-K for the fiscal year ended February 27, 2016, filed with the SEC on May 10, 2016, other than those which occur in the normal course of business.

Off Balance Sheet Arrangements

We are not party to any off balance sheet arrangements.

Recent Accounting Pronouncements

Please refer to Note 1 of our unaudited consolidated financial statements for a summary of recent accounting pronouncements.

ITEM 3. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK

Our market risk profile as of December 31, 2016 has not materially changed since February 27, 2016. Our market risk profile as of February 27, 2016 is disclosed in our Annual Report on Form 10-K filed with the SEC on May 10, 2016. See Note 9 of Notes to our unaudited consolidated financial statements included in Part I, Item 1, of this Form 10-Q, for disclosures on our foreign currency forward contracts.

ITEM 4. CONTROLS AND PROCEDURES

Limitations on Effectiveness of Controls and Procedures

In designing and evaluating our disclosure controls and procedures, management recognizes that any controls and procedures, no matter how well designed and operated, can provide only reasonable assurance of achieving the desired control objectives. In addition, the design of disclosure controls and procedures must reflect the fact that there are resource constraints and that management is required to apply judgment in evaluating the benefits of possible controls and procedures relative to their costs.

Evaluation of Disclosure Controls and Procedures

Our management, with the participation of our Chief Executive Officer and Chief Financial Officer, evaluated, as of the end of the period covered by this Quarterly Report on Form 10-Q, the effectiveness of our disclosure controls and procedures (as defined in Rules 13a-15(e) and 15d-15(e) under the Securities Exchange Act of 1934, as amended (the Exchange Act)). Based on that evaluation, our Chief Executive Officer and Chief Financial Officer concluded that our disclosure controls and procedures were effective at the reasonable assurance level as of December 31, 2016.

Changes in Internal Control

There were no changes in our internal control over financial reporting identified in management's evaluation pursuant to Rules 13a-15(d) or 15d-15(d) of the Exchange Act during the quarter ended December 31, 2016 that materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

PART II. OTHER INFORMATION

ITEM 1. LEGAL PROCEEDINGS

We are subject to various legal proceedings and claims, including employment claims, wage and hour claims, intellectual property claims, contractual and commercial disputes and other matters that arise in the ordinary course of business. While the outcome of these and other claims cannot be predicted with certainty, management does not believe that the outcome of these matters will have a material adverse effect on our business, results of operations or financial condition on an individual basis or in the aggregate.

ITEM 1A. RISK FACTORS

There have been no material changes to our risk factors as previously disclosed in Item 1A of Part I of our Annual Report on Form 10-K for the fiscal year ended February 27, 2016, filed with the SEC on May 10, 2016.

ITEM 2. UNREGISTERED SALES OF EQUITY SECURITIES AND USE OF PROCEEDS

None.

ITEM 3. DEFAULT UPON SENIOR SECURITIES

None.

ITEM 4. MINE SAFETY DISCLOSURES

Not applicable.

ITEM 5. OTHER INFORMATION
