Item 1.01. Entry into a Material Definitive Agreement

On September 20, 2012, S&W Seed Company (the "Company") entered into a Securities Purchase Agreement with Riley McCormack with respect to the purchase and sale of 600,000 unregistered shares of the Company's common stock. The agreement provided for an aggregate purchase price of \$5.85 per share and a closing date of September 24, 2012. Under the Agreement, the Company granted piggyback registration rights to the investor. The closing was subject to standard closing conditions.

Item 3.01. Unregistered Sales of Equity Securities.

On September 24, 2012, the Company sold 600,000 unregistered shares of its common stock for an aggregate purchase price of \$3,510,000, or \$5.85 per share, to one accredited investor. The parties priced the transaction on September 20, 2012, based on the closing price of the Company's common stock on that date, which was \$6.02. Accordingly, the purchase price represented a 2.8% discount from the market price. No commissions or other payments were made to third parties in connection with this transaction.

The Company issued the common stock in reliance on the exemption from the registration requirements of the Securities Act of 1933, as amended, set forth in Section 4(2) thereof relating to sales by an issuer not involving any public offering. The Section 4(2) exemption was predicated on the fact that the sale was made to one sophisticated, accredited investor who was familiar with the Company's business and who had access to business and financial information about the Company.
