This document was originally filed on SEDAR on March 15, 2005. The 2004 Form 20-F contains information about the Company's South African properties excerpted from a technical report dated November 30, 2004 entitled "Technical Report on the Tweespalk, War Springs (Oorlogsfontein) and Western Bushveld Joint Venture Platinum Properties, North West Province and Limpopo Provinces, Republic of South Africa" authored by W.J. Visser and M. McWha dated March 4, 2005. The re-filed 2004 Form 20-F includes a cover page directing the reader to this later Technical Report.
