PROXY STATEMENT

This Proxy Statement and the accompanying proxy are being furnished with respect to the solicitation of proxies by the Board of Directors of China Security & Surveillance Technology, Inc., a Delaware corporation (the “Company,” “CSST” or “we”), for the 2007 Annual Meeting of Stockholders (the “Meeting”). The Meeting is to be held at 10:00 a.m., local time, on Friday, June 15, 2007, and at any adjournment or adjournments thereof, at 13/F, Shenzhen Special Zone Press Tower Shennan Road, Futian District, Shenzhen, 518034, People's Republic of China.

The approximate date on which the Proxy Statement and form of proxy are intended to be sent or given to stockholders is May 22, 2007.

The purposes of the Meeting are to seek stockholder approval of two proposals: (i) electing five (5) directors to the Board and (ii) ratifying the appointment of the Company's accountants for fiscal year 2007.

Who May Vote

Only stockholders of record of our common stock, \$.0001 par value (the “Common Stock”), as of the close of business on May 21, 2007 (the “Record Date”) are entitled to notice and to vote at the Meeting and any adjournment or adjournments thereof.

A list of stockholders entitled to vote at the Meeting will be available at the Meeting and for ten days prior to the Meeting, during office hours, at the executive offices of the Company at 13/F, Shenzhen Special Zone Press Tower, Shennan Road, Futian District, Shenzhen, 518034, People's Republic of China, by contacting the Secretary of the Company.

The presence at the Meeting of a majority of the outstanding shares of Common Stock as of the Record Date, in person or by proxy, is required for a quorum. Should you submit a proxy, even though you abstain as to one or more proposals, or you are present in person at the Meeting, your shares shall be counted for the purpose of determining if a quorum is present.

Broker “non-votes” are included for the purposes of determining whether a quorum of shares is present at the Meeting. A broker “non-vote” occurs when a nominee holder, such as a brokerage firm, bank or trust company, holding shares of record for a beneficial owner does not vote on a particular proposal because the nominee holder does not have discretionary voting power with respect to that item and has not received voting instructions from the beneficial owner.

As of the date of this Proxy Statement, we had issued and outstanding 34,941,406 shares of Common Stock. Each holder of Common Stock on the Record Date is entitled to one vote for each share then held on all matters to be voted at the Meeting. No other class of voting securities was then outstanding.

Voting Your Proxy

You may vote by one of the following methods:

- Completing and signing the proxy card and mailing it in the enclosed postage-paid envelope; or
- Voting on the internet. Please follow the instructions that are either included with the proxy materials provided by the Transfer Agent (you may obtain copies of such information by contacting the Transfer Agent at American Stock Transfer & Trust Company, 6201 15th Avenue, Brooklyn, NY 11219, Telephone: 718.921.8210, www.amstock.com) or on the proxy card.

If your shares are held through a broker, trust, bank or other nominee, you should refer to information forwarded to you by such holder of record for your voting options.

The shares represented by any proxy duly given will be voted at the Meeting in accordance with the instructions of the stockholder. If no specific instructions are given, the shares will be voted FOR the election of the nominees for director set forth herein, and FOR ratification of GHP Horwath, P.C. as the Company's independent registered public accounting firm. In addition, if other matters come before the Meeting, the persons named in the accompanying form of proxy will vote in accordance with their best judgment with respect to such matters.

Each share of Common Stock outstanding on the record date will be entitled to one vote on all matters. Under Proposal 1 (Election of Directors), the five candidates for election as directors at the Meeting are uncontested. In uncontested elections, directors are elected by majority of the votes cast at the Meeting. Proposal 2 (Ratification of Independent Auditors) requires the vote of a majority of the shares present in person or by proxy at the Meeting for approval.

Shares which abstain from voting as to a particular matter, and shares held in "street name" by brokers or nominees who indicate on their proxies that they do not have discretionary authority to vote such shares as to a particular matter, will not be counted as votes in favor of such matter, and will also not be counted as shares voting on such matter. Accordingly, abstentions and "broker non-votes" will have no effect on the voting on matters (such as the election of directors, and the ratification of the selection of the independent registered public accounting firm) that require the affirmative vote of a plurality or a majority of the votes cast or the shares voting on the matter.

Revoking Your Proxy

Even if you execute a proxy, you retain the right to revoke it and to change your vote by notifying us at any time before your proxy is voted. Mere attendance at the meeting will not revoke a proxy. Such revocation may be effected in writing by execution of a subsequently dated proxy or by a written notice of revocation, in each case sent to the attention of the Secretary at the address of our principal office set forth above in the Notice to this Proxy Statement, or by your attendance and voting in person at the Meeting. In addition, you may revoke your via the Transfer Agent's website at www.amstock.com; please contact the Transfer Agent at American Stock Transfer & Trust Company, 6201 15th Avenue, Brooklyn, NY 11219, Telephone: 718.921.8210, www.amstock.com for instructions). Unless so revoked, the shares represented by proxies, if received in time, will be voted in accordance with the directions given therein.

If the Meeting is postponed or adjourned for any reason, at any subsequent reconvening of the Meeting, all proxies will be voted in the same manner as the proxies would have been voted at the original convening of the Meeting (except for any proxies that have at that time effectively been revoked or withdrawn), even if the proxies had been effectively voted on the same or any other matter at a previous Meeting.

You are requested, regardless of the number of shares you own or your intention to attend the Meeting, to sign the proxy and return it promptly in the enclosed envelope.

Solicitation of Proxies

The expenses of solicitation of proxies will be paid by the Company. We may solicit proxies by mail, and the officers and employees of the Company, who will receive no extra compensation therefore, may solicit proxies personally or by telephone. The Company will reimburse brokerage houses and other nominees for their expenses incurred in sending proxies and proxy materials to the beneficial owners of shares held by them.

Delivery of Proxy Materials to Households

Only one copy of the Company's 2006 Annual Report and Proxy Statement for the 2007 Annual Meeting of Stockholders will be delivered to an address where two or more stockholders reside unless we have received contrary instructions from a stockholder at the address. A separate proxy card will be delivered to each stockholder at the shared address.

If you are a stockholder who lives at a shared address and you would like additional copies of the 2006 Annual Report, this Proxy Statement, or any future annual reports or proxy statements, contact the Manager, Investor Relations at China Security & Surveillance Technology, Inc., 13/F, Shenzhen Special Zone Press Tower, Shennan Road, Futian District, Shenzhen, 518034, People's Republic of China; Telephone number 011 (86-755) 83510888, extension 5611, and we will promptly mail you copies.

Interest of Officers and Directors in Matters to Be Acted Upon

None of the Company's officers or directors have any interest in any of the matters to be acted upon at the Annual Meeting, except, that, with respect to each director, to the extent that a director is named as a nominee for election to the Board of Directors.

PROPOSAL 1**ELECTION OF DIRECTORS**

The Board of Directors (the “**Board**”) is responsible for establishing broad corporate policies and monitoring the overall performance of the Company. It selects the Company’s executive officers, delegates authority for the conduct of the Company’s day-to-day operations to those officers, and monitors their performance. Members of the Board are kept informed of the Company’s business by participating in Board and Committee meetings, by reviewing analyses and reports, and through discussions with the Chairman and other officers.

If, as a result of circumstances not now known or foreseen, any of the nominees is unavailable to serve as a nominee for the office of Director at the time of the Meeting, the holders of the proxies solicited by this Proxy Statement may vote those proxies either (i) for the election of a substitute nominee who will be designated by the proxy holders or by the present Board or (ii) for the balance of the nominees, leaving a vacancy. Alternatively, the size of the Board may be reduced accordingly. The Board has no reason to believe that any of the nominees will be unwilling or unable to serve, if elected as a Director. The five nominees for election as directors are uncontested. In uncontested elections, directors are elected by majority of the votes cast at the meeting. **Proxies submitted on the accompanying proxy card will be voted for the election of the nominees listed below, unless the proxy card is marked otherwise.**

Director Selection

The Company does not have a nominating committee. The full board, with input from the Company’s president and chief executive officer, identifies director nominees. No nominee, member of the Board or executive officer is related to any other nominee, member of the Board or executive officer.

Board Composition and Meetings of the Board of Directors

Our board of the directors is currently composed of five members: Goshen Tu , Terence Yap, Shufang Yang, Jianguo Jiang and Lingfeng Xiong. All board action requires the approval of a majority of the directors in attendance at a meeting at which a quorum is present. During 2006, our Board met more than ten times and acted by unanimous written consent more than ten times.

Committees and Audit Committee Financial Expert

We do not have a standing audit, nominating or compensation committee or any committee performing a similar function, although we may form such committees in the near future. Since we do not currently have an audit committee, we have no audit committee financial expert. Our entire Board handles the functions that would otherwise be handled by an audit committee.

In the future, we may search for a qualified independent expert who would be willing to serve on our Board and who would be willing to act as an audit committee financial expert. Before retaining any such expert, our Board would make a determination as to whether such person is both qualified and independent.

Independent Directors

No member of our Board of Directors qualifies as an “independent director” under the listing standards of The Nasdaq Stock Market, New York Stock Exchange or American Stock Exchange.

During our 2007 fiscal year, we plan to identify directors who qualify as “independent directors,” establish board committees on which such independent directors may serve and adopt written board committee charters, as appropriate, to assist in corporate governance. We expect that before the end of our 2007 fiscal year, our Board will be comprised of a majority of independent directors. We may add independent directors to our Board by expanding the size of our board and having the incoming independent directors fill the vacancies created by such increase or we may request that existing directors resign to create a vacancy that can be filled by independent directors that are selected by our board during the 2007 fiscal year.

Policy Regarding Board Attendance

Our directors are expected to attend board meetings as frequently as necessary to properly discharge their responsibilities and to spend the time needed to prepare for each such meeting. Our directors are expected to attend annual meetings of stockholders, but we do not have a formal policy requiring them to do so.

Director Compensation

No cash compensation or other compensation was paid to any member of our Board of Directors for services as a director during the fiscal year ended December 31, 2006 and we have no standard arrangement pursuant to which any director is compensated for his or her services in such capacity. When independent directors are appointed to our Board, we will likely compensate them for their services as independent directors through a combination of equity incentives and cash payments. Our Board has not yet established the compensation levels for independent directors as we do not yet have any independent directors.

The Board may award special remuneration to any director undertaking any special services on our behalf other than those services ordinarily required of a director. In 2006, no such special remuneration was paid to any of our directors.

All authorized out-of-pocket expenses incurred by a director on our behalf will be subject to reimbursement upon our receipt of required supporting documentation of such expenses.

Family Relationships

There are no family relationships among our directors or officers.

Code of Business Conduct and Ethics

We have adopted code of business conduct and ethics (“Code of Conduct”) relating to the conduct of our business by all employees, officers and directors of the Company. We intend to maintain the highest standards of ethical business practices and compliance with all laws and regulations applicable to our business, including those relating to doing business outside the United States. We are in the process of making our Code of Conduct available on our website, which is located at www.csstf.com. Once it is available on our website, any amendments or waivers to the Code of Conduct will be posted on our website within four business days of such amendment or waiver. Until such time, however, any amendments or waivers to our Code of Conduct will be filed with the SEC in a Current Report on Form 8-K.

Interest of Officers and Directors in Matters to Be Acted Upon

None of the Company’s officers or directors has any interest in any of the matters to be acted upon at the Annual Meeting, except that, with respect to each director, to the extent that a director is named as a nominee for election to the Board of Directors.

Compensation Discussion and Analysis

Background and Compensation Philosophy

We are a holding company that owns two direct subsidiaries, China Safetech Limited (“Safetech”) and China Security & Surveillance Technology (PRC) Ltd. Safetech is a holding company that owns Golden, China Security & Surveillance Technology (HK) Ltd. (“CSST HK”) and Chain Star Investments Limited (“Chain Star”). CSST HK in turn owns Cheng Feng, and Chain Star owns Shenzhen Hongtianzhi Electronics Co., Ltd. (“Hongtianzhi”). Our primary business operations are conducted through our indirect subsidiaries Golden, Cheng Feng and Hongtianzhi. Golden’s business is focused on manufacturing, distributing, installing and maintaining security and surveillance systems in China. Cheng Feng’s business is focused on the manufacturing, marketing and sales of security and surveillance related hardware as well as the development and integration of software. Hongtianzhi’s business is focused on the manufacture and selling of digital cameras. We employ approximately 1,300 people and had revenues of approximately \$107 million in 2006. Our compensation structure reflects our business. The overall compensation offered is designed to attract and retain executives with the appropriate amount of experience.

We currently have two named executive officers, Goshen Tu, our Chief Executive Officer and President, and Terence Yap, our Chief Financial Officer. Our named executives do not have employment agreements, severance or change-of-control agreements, and the Company is not obligated to pay severance or other enhanced benefits to executive officers upon termination of their employment. Our named executives serve at the will of the Board.

Our Board of Directors, on which each of Messrs. Tu and Yap serve, has historically determined the compensation to be paid to the Company’s executive officers based on the Company’s financial and operating performance and

prospects, the level of compensation paid to similarly situated executives in comparably sized companies and the contributions made by each of the executive officers to the success of the Company.

Our Board of Directors has not adopted or established a formal policy or procedure for determining the amount of compensation paid to our executive officers. No pre-established, objective performance goals or metrics have been used by the Board of Directors in determining the compensation of our executive officers. Mr. Tu and Mr. Yap are involved in the Board's deliberations regarding executive compensation and provide recommendations with respect to their and the other executive officers' compensation.

As our executive leadership and Board of Directors grows, our Board of Directors may decide to form a compensation committee charged with the oversight of executive compensation plans, policies and programs, but we have no current plans to establish a compensation committee.

No cash compensation or other compensation was paid to any member of our Board of Directors for services as a director during the fiscal year ended December 31, 2006 and we have no standard arrangement pursuant to which any director is compensated for his or her services in such capacity.

Elements of Compensation

We provide our executive officers with a base salary, discretionary bonuses and equity incentives to compensate them for services rendered during the year. Our policy of compensating our executives in this way has served the Company well.

Base Salary. The annual base salary paid to each of our named executive officers during 2006 was approximately \$15,000. All such amounts were paid in cash. The amount of the base salary for each individual is set at the sole discretion of the Board of Directors.

Discretionary Bonus. Historically, we have not paid bonus compensation to our executive officers and no bonus compensation was paid to our executive officers in 2006. If the Board of Directors determines to do so in the future, it will be on an ad hoc basis to recognize superior performance by executive officers as determined in the sole discretion of the Board of Directors.

Equity Incentives. As of December 31, 2006, we did not have a stock option or other equity incentive plan.

We granted stock on an ad hoc basis in 2006 to encourage performance and retention by providing additional incentives for executives to further our growth, development and financial success by personally benefiting through the ownership of our common shares. We have no program, plan or practice of granting equity awards that coincide with the release by the Company of material non-public information.

On February 7, 2007, our Board of Directors adopted the Company's 2007 Equity Incentive Plan (the "2007 Plan") to provide for grants of stock options, stock appreciation rights, performance units, restricted stock, restricted stock units and performance shares. The exercise price per share for the shares to be issued pursuant to an exercise of a stock option will be no less than the fair market value per share on the grant date, except in the case of an incentive stock option granted to a 10% owner, where the exercise price will be no less than 110% of the fair market value per share on the grant date. No more than an aggregate of 2,500,000 shares (or for awards denominated in cash, the fair market value of 2,500,000 shares on the grant date) may be subject to awards under the 2007 Plan to any individual participant in any one fiscal year of the Company. No awards may be granted under the 2007 Plan after February 7, 2012, except that any award granted before then may extend beyond that date.

Retirement Benefits. Our executive officers are not presently entitled to company-sponsored retirement benefits. Our executive officers do, however, participate in a state pension plan organized by Chinese municipal and provincial governments. As of the date of this Proxy Statement, we have complied with the regulation and have paid the executives' state pension plan as required by the law.

Perquisites. We have not provided our executive officers with any material perquisites and other personal benefits and, therefore, we do not view perquisites as a significant or necessary element of our executive's compensation.

Deferred Compensation. We do not provide our executives the opportunity to defer receipt of annual compensation.

The following table sets forth information concerning all cash and non-cash compensation awarded to, earned by or paid to our Chief Executive Officer and our Chief Financial Officer for services performed for us and our subsidiaries during 2006 in all capacities. No executive officer other than Mr. Yap received compensation of \$100,000 or more in 2006.
