RE: China Security & Surveillance Technology, Inc.  
Request to Withdraw Post-Effective Amendment No. 1 to  
S-1  
filed May 7, 2007 (File No. 333-138166)

Ladies and Gentlemen:

China Security & Surveillance Technology, Inc., a Delaware corporation (the "Registrant"), hereby requests, pursuant to Rule 477 of the Securities Act of 1933, as amended, the withdrawal of the Post-Effective Amendment to the Registration Statement on Form S-1 ("Post-Effective Amendment") filed on May 7, 2007 (File No. 333-138166). The filing was miscoded in EDGAR as an "S-1/A" instead of the proper coding of a "POS AM".

None of the Registrant's securities were sold pursuant to the Post-Effective Amendment.

Sincerely,

CHINA SECURITY & SURVEILLANCE TECHNOLOGY, INC.
