On May 16, 2006, Macquarie Infrastructure Company LLC (MIC or the Company) filed a current report on Form 8-K/A with respect to the completion on May 1, 2006 of its acquisition, through its wholly-owned subsidiary, Macquarie Infrastructure Company Inc. (MIC Inc.), of 50% of the shares of IMTT Holdings Inc., formerly known as Loving Enterprises, Inc. (IMTT Holdings). IMTT Holdings is the ultimate holding company for a group of companies and partnerships that own a bulk liquid storage terminal business operating as International-Matex Tank Terminals (IMTT). This current report on Form 8-K/A (this Report) amends and restates Section 9, Item 9.01, Financial Statements and Exhibits of the prior report in its entirety.

Section 8. Other Events

Item 8.01 Other Events

On April 27, 2007, IMTT Holdings Inc., formerly known as Loving Enterprises, Inc. (IMTT), restated its financial statements for the fiscal years ended December 31, 2005 and 2004 to correct IMTT 's accounting for certain derivative instruments which were originally reported using hedge accounting during those periods, but that did not qualify for such treatment. This determination was made because IMTT 's application of, and documentation related to, hedge accounting under Statement of Financial Accounting Standards No. 133, Accounting for Derivative Instruments and Hedging Activities as previously reported, was incorrect. In light of the restatement, readers should no longer rely on financial statements and other financial information that were previously filed on May 16, 2006.

Exhibits to this Form 8-K/A include the aforementioned restated audited financial statements of IMTT for the years ended December 31, 2005 and 2004, audited financial statements of IMTT for the year ended December 31, 2006, and an unaudited pro forma condensed combined statement of operations for Macquarie Infrastructure Company Trust for the year ended December 31, 2006. These financial statements and pro forma information update all such previously filed information upon which readers should no longer rely.

Section 9. Financial Statement and Exhibits

Item 9.01 Financial Statements and Exhibits

(a) Financial statements of business acquired.

The audited financial statements of IMTT as of and for the year ended December 31, 2006 are attached as Exhibit 99.1 to this Report and are incorporated into this Item 9.01(a) by reference.

The audited financial statements of IMTT as of and for the years ended December 31, 2005 and 2004 are attached as Exhibit 99.2 to this Report and are incorporated into this Item 9.01(a) by reference.

(b) Pro forma financial information.

The unaudited pro forma condensed combined statement of operations of Macquarie Infrastructure Company Trust (the Company) for the year ended December 31, 2006 is attached as Exhibit 99.3 to this Report and is incorporated into this Item 9.01(b) by reference.

The pro forma condensed combined statement of operations should be read in conjunction with the separate financial statements and related notes thereto of the Company, as filed with the Securities and Exchange Commission (SEC) in its Form 10-K filed March 1, 2007, the condensed financial statements and related notes thereto of the Company, as filed with the SEC in its Form 10-Q filed May 8, 2007 and in conjunction with the separate financial statements of IMTT and related notes thereto included as Exhibits 99.1 and 99.2 to this Report.

The unaudited pro forma condensed statement of operations should not be considered indicative of actual results that would have been achieved had the acquisitions, dispositions and the other transactions and events described been completed as of the dates or as of the beginning of the period indicated and do not purport to project the financial condition or results of operations and cash flows of the Company for any future date or period.

The pro forma adjustments are based on preliminary estimates, available information and certain assumptions, and may be revised as additional information becomes available. The pro forma adjustments are more fully described in the notes to the unaudited pro forma condensed financial statements.

(c) Exhibits:

23.1

23.2

Consent of Ernst & Young LLP
